Commissioners:

Congratulations on good progress since selecting your Chair and Vice-Chair.

I looked at your list of interviewees for today.

Highly recommend David Richards/George Korbel. It's a two for one, can't go wrong. David has done this.

On your Staff Asst., important that's it's somebody proven efficient, easy to work with, and familiar with Austin.

Your lawyer and asst should help you try to get a mapper to commit soon. The mappers should all be busy this year, different from last time ICRC mapped.

Best,
Brad Parsons
