The City Manager's Office reviewed this grant for alignment as directed by Resolution 20200611-096 and recommends approval.

This action authorizes the negotiation and execution of an interlocal agreement with Travis County for the disparate allocation. The funding split remains to be determined. The City will serve as the fiscal agent responsible for distributing the grant funds. The City will use its portion of grant funds for law enforcement training.

Note: the federal legislation authorizing this grant program includes a provision whereby cities and counties must submit a joint funding application if the state's Attorney General certifies that a funding disparity exists in a county's allocation when compared with that of a single municipality (at least a 150 percent disparity must exist), and the county bears more than 50 percent of prosecution or incarceration costs arising from Uniform Crime Report Part 1 violent crimes reported by the municipality to the FBI.

### **Strategic Outcome(s):**

Safety.
