Council Committee, Boards and Commission Action:

August 4, 2021: Recommended by the Water and Wastewater Commission on a 7-0 vote with Commissioner Castleberry and Commissioner Williams absent and two vacancies.

Additional Backup Information:

This project is for the relocation and adjustment of existing water and wastewater lines and appurtenances in conflict with TxDOT's Loop 360 Road project from Westlake Drive to Plaza on the Lake.

The work consists of relocating approximately 11,080 feet of water line and 1,685 feet of wastewater line and appurtenances. TxDOT's project scope includes lowering Loop 360 to become an underpass at Westlake Drive and Cedar Street. Austin Water's existing water and wastewater lines are required to be adjusted to

accommodate the proposed roadway improvements. The relocation of Austin Water's water and wastewater lines will be included in the TxDOT contract. TxDOT anticipates starting the letting (bid) process for the roadway and utility construction in January 2022.

The City of Austin has attempted to purchase the needed property at 3800 North Capital of Texas Highway. Negotiations have come to an impasse. The Law Department is requesting authorization to file an action in eminent domain on behalf of the City of Austin.

Strategic Outcome(s):

Government that Works For All.
