4.5.5 The inclusion of any Findings or a Going Concern Uncertainty, as defined by Chapter 200, Subpart F, of Title 2 of the Code of Federal Regulations and GAAS, in a Administrator’s audit requires the creation and submission to the City of a corrective action plan formally approved by Administrator’s governing board. The plan must be submitted to the City within 60 days after the audit is submitted to the City. Failure to submit an adequate plan to the City may result in the immediate suspension of funding. If adequate improvement related to the audit findings is not documented within a reasonable period of time, the City may provide additional technical assistance, refer the Agreement to the City Auditor for analysis, or move to terminate the Agreement as specified in Section 5 of the Agreement.

**SECTION 5. TERMINATION**

5.1 **Right to Assurance.** Whenever one party to the Agreement in good faith has reason to question the other party’s intent to perform, demand may be made to the other party for written assurance of the intent to perform. In the event that no assurance is given within the time specified after demand is made, the demanding party may treat this failure as an anticipatory repudiation of the Agreement.

The City may place Administrator on probation for a specified period of time within which Administrator must correct any non-compliance issues. Probation shall not normally be for a period of more than 9 months; however, it may be for a longer period, not to exceed 1 year depending on the circumstances. 5.4 **Termination Without Cause.** The City shall have the right to terminate the Agreement, in whole or in part, without cause any time upon 30 calendar-days prior written notice. Upon receipt of a notice of termination, Administrator shall promptly cease all further work pursuant to the Agreement, with such exceptions, if any, specified in the notice of termination. The City shall pay Administrator, to the extent of funds appropriated or otherwise legally available for such purposes, for all goods delivered and services performed, and obligations incurred prior to the date of termination in accordance with the terms hereof.

5.5 **Fraud.** Fraudulent statements by Administrator on any Offer or in any report or deliverable required to be submitted by Administrator to the City shall be grounds for the termination of the Agreement for cause by the City and may result in legal action.

In the event the Agreement is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by Administrator in providing such gratuities.

8.11 **Prohibition Against Personal Interest in Agreements.** No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Agreement resulting from that solicitation. Any violation of this provision, with the knowledge, expressed or implied, of Administrator shall render the Agreement voidable by the City.

No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Agreement. Although the Agreement may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Agreement, the UCC definition shall control, unless otherwise defined in the Agreement.

8.17 **Dispute Resolution.**

8.17.1 If a dispute arises out of or relates to the Agreement, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. Either party may make a written request for a meeting between representatives of each party within 14 calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at
a minimum, 1 senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within 30 calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.

8.17.2 If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within 30 calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and Administrator agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Agreement prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or an Agreement interpretation expert. If the parties fail to agree on a mediator within 30 calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to 30 calendar days from the date of the first mediation session. The City and Administrator will share the mediator’s fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

8.18 **Jurisdiction and Venue.** The Agreement is made under and shall be governed by the laws of the State of Texas, including, when applicable, the Uniform Commercial Code as adopted in Texas, V.T.C.A., Bus. & Comm. Code, Chapter 1, excluding any rule or principle that would refer to and apply the substantive law of another state or jurisdiction. All issues arising from this Agreement shall be resolved in the courts of Travis County, Texas and the parties agree to submit to the exclusive personal jurisdiction of such courts. The foregoing, however, shall not be construed or interpreted to limit or restrict the right or ability of the City to seek and secure injunctive relief from any competent authority as contemplated herein.

8.19 **Invalidity.** The invalidity, illegality, or unenforceability of any provision of the Agreement shall in no way affect the validity or enforceability of any other portion or provision of the Agreement. Any void provision shall be deemed severed from the Agreement and the balance of the Agreement shall be construed and enforced as if the Agreement did not contain the particular portion or provision held to be void. The parties further agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. The provisions of this Section shall not prevent this entire Agreement from being void should a provision which is the essence of the Agreement be determined to be void.

Administrator agrees to implement processes and services in a manner that is culturally and linguistically appropriate and competent.

8.26 **Funding Out and Offset for Taxes Owed.** Administrator acknowledges that the City has provided notice of Article VIII, Section 1 of the Austin City Charter which prohibits the payment of any money to any person who is in arrears to City of Austin for taxes, and of § 2-8-3 of the Austin City Code concerning the right of City of Austin to offset indebtedness owed City of Austin. Administrator also acknowledges that the City has provided notice that the City’s payment obligations are payable only from funds appropriated or available for the purpose of this Agreement. If the City does not appropriate funds for this Agreement, or if there are no other lawfully available funds for this Agreement, the Agreement is void. City shall provide Administrator notice of the failure of City to make an adequate appropriation for any fiscal year to pay the amounts due under the Agreement or the reduction of any appropriation to an amount insufficient to permit City to pay its obligations under the Agreement.

8.26 **Entire Agreement.** This Contract, together with the below Exhibits, and any addenda and amendments thereto constitute the entire agreement between the parties, and this Contract shall not be modified, amended, altered, or changed except with the written consent of the parties.

8.27 **No Rights.** Unless otherwise specifically agreed to in writing by the Administrator in advance and with respect to each particular use, the City shall have no right to use, display, or otherwise exploit any marks, names, design marks, logos or copyrights of the Administrator (or its affiliates) (collectively, the “GA Property”), including, without limitation, the trademark images or design logos of The Greater Austin Performing Arts Center LLC dba The Long Center

It is not a violation of this section for a prime contractor to require a subcontractor to provide addresses and social security numbers to the prime contractor for its own records, without weekly submission to the sponsoring government agency (or the applicant, sponsor, or owner).

(B) Each payroll submitted shall be accompanied by a “Statement of Compliance,” signed by the contractor or subcontractor or his or her agent who pays or supervises the payment of the persons employed under the contract and shall certify the following:

(3) That each laborer or mechanic has been paid not less than the applicable wage rates and fringe benefits or cash equivalents for the classification of work performed, as specified in the applicable wage determination incorporated into the contract.

(C) The weekly submission of a properly executed certification set forth on the reverse side of Optional Form WH-347 shall satisfy the requirement for submission of the “Statement of Compliance” required by paragraph (a)(3)(ii)(B) of this section.

(D) The falsification of any of the above certifications may subject the contractor or subcontractor to civil or criminal prosecution under section 1001 of title 18 and section 231 of title 31 of the United States Code.

Furthermore, failure to submit the required records upon request or to make such records available may be grounds for debarment action pursuant to 29 CFR 5.12.

d. Value Engineering

Prime contractors are encouraged to submit value engineering recommendations for changes to construction contracts where there are opportunities for cost reductions without compromising purpose or quality. Value engineering is a systematic and creative analysis of each contract item or task to ensure that its essential function is provided at the overall lower cost. [MW: maybe we just pull the language from the FAR here. Also, GSA contracts included value engineering clauses for service contracts. We might want to move it to the “all procurements” section on that basis. If a contractor can conclusively demonstrate a cost reduction that does not compromise quality or purpose, then that benefits all parties. However, VE normally results in a “reward”, “rebate” or other consideration to the contractor to offset the lost billables.]
