ZONING CHANGE REVIEW SHEET

CASE: C14-2021-0142 (Perfect Cuts Landscaping)  DISTRICT: 6

ADDRESS: 13561 Pond Springs Road

ZONING FROM: GR-CO  TO: CS-MU-CO*

*The applicant submitted an amendment letter on September 13, 2021 stating that they would add a conditional overlay to this request to maintain some of the prohibited uses and the 50-foot vegetative buffer along the eastern property line from the current zoning ordinance for this property (Please see Applicant Amendment Letter - Exhibit C).

SITE AREA: 1.772 acres

PROPERTY OWNER: PC Land, LLC (Brandon Krause)

AGENT: Husch Blackwell LLP (Nikelle Meade)

CASE MANAGER: Sherri Sirwaitis (512-974-3057, sherri.sirwaitis@austintexas.gov)

STAFF RECOMMENDATION:

The staff's recommendation is to grant GR-MU-CO, Community Commercial-Mixed Use-Conditional Overlay Combining District, zoning with the following conditions proposed by the applicant: 1) provide a 50-foot vegetative buffer along the eastern property line, 2) comply with Compatibility Standards (LDC Section 25-2, Article 10) for the residential properties to the east, 3) to prohibit the following uses: Automotive Repair Services, Automotive Rentals, Automotive Sales, Automotive Washing (of any type), Drop-Off Recycling Collection Facility, Exterminating Services, Outdoor Sports and Recreation, Pawn Shop Services, and Service Station, 5) to make Restaurant (General) and Restaurant (Limited) conditional.

ZONING AND PLATTING COMMISSION ACTION / RECOMMENDATION:

December 7, 2021: Meeting canceled due to lack of quorum.

January 4, 2022: Postponed to January 18, 2022 at the staff's request (10-0, T. Bray – Off the Dais); A. Denkler-1st; H. Smith – 2nd.

January 18, 2022: Postponed to February 1, 2022 by the Commission by consent (10-0, R. Woody-off the dais); H. Smith-1st, C. Acosta-2nd.

February 1, 2022: Original motion to approve CS-MU-CO zoning, with the following conditions 1) to provide a 50-foot vegetative buffer along the eastern property line; 2) to limit the FAR to 1:1; 3) to prohibit the following uses on the property: Automotive Repair Services, Automotive Rentals, Automotive Sales, Automotive Washing (of any type), Drop-Off Recycling Collection Facility, Exterminating Services, Outdoor Sports and Recreation, Pawn Shop Services, and Service Station; 4) to make Restaurant (General) and Restaurant (Limited) conditional uses on the property and 5) to prohibit access to Shady Oaks Drive made by B. Greenberg, D. King-2nd.

Substitute motion to approve CS-MU-CO zoning, with the conditions listed above, but to remove the requirement for a 1:1 FAR and to leave the FAR as 2:1 as designated by the CS district made by Commissioner H. Smith, S. Boone-2nd. Vote: (7-4, B. Greenberg, A. Denkler, D. King and J. Kiolbassa-No).

CITY COUNCIL ACTION:

March 3, 2022

ORDINANCE NUMBER:
ISSUES:

This property was owned by Velda B. Wyche in 2014 when the previous zoning case for the plant nursery uses was conducted. PC Land, LLC purchased this property in 2016 and moved to this location from West Anderson Lane. It appears that the ownership and the use have changed and the property is no longer in conformance. According to the Austin Code Department, the applicant was originally cited on April 9, 2019 because a two-story building was being constructed on the property without a permit (Please see Notices of Code Violations – Exhibit E).

CASE MANAGER COMMENTS:

The property in question is currently utilized as a landscaping company (Construction Sales and Services use). This site was developed with a plant nursery use (Hill Country Garden Center) that was in existence when this tract of land was annexed by the City of Austin in 1998 (Ordinance No.19981210-L). The applicant is requesting CS-MU-CO, General Commercial Services-Mixed Use-Combining District, zoning to bring the current use on the property into conformance with land use regulations in the City of Austin Land Development Code.

The staff is recommending GR-MU-CO, Community Commercial-Mixed Use-Conditional Overlay Combining District, zoning. The proposed location meets the intent of the GR zoning district as the property fronts onto a minor arterial roadway, Pond Springs Road. GR-MU-CO zoning is consistent with zoning patterns in this area as there is GR-CO zoning to the north and west of this site. The property under consideration is surrounded by office/warehouse uses to the north (Springwoods Center), an automotive sales/repair use to the west (Nyle Maxwell Automotive Sales and Collision Center), single family residences to the east and a large water tower to the south, across Shady Oaks Drive. The staff’s recommendation will maintain the list of prohibited uses, compliance with Compatibility Standards and the 50-foot wide vegetative buffer along the eastern property line adjacent to the existing residential uses in the county from the existing zoning ordinance (Please see Ordinance No. 20150112-057 - Exhibit D).

The applicant does not agree with the staff’s recommendation.

BASIS OF RECOMMENDATION:

1. The proposed zoning should be consistent with the purpose statement of the district sought.

   Community commercial (GR) district is the designation for an office or other commercial use that serves neighborhood and community needs and that generally is accessible from major traffic ways.

   Mixed Use combining district is intended for combination with selected base districts, in order to permit any combination of office, retail, commercial, and residential uses within a single development.
Conditional Overlay combining district may be applied in combination with any base district. The district is intended to provide flexible and adaptable use or site development regulations by requiring standards tailored to individual properties.

2. *The proposed zoning should promote consistency and orderly planning.*

The GR-MU-CO zoning district would be compatible with the surrounding uses because there are existing office/warehouse uses to the north (Springwoods Center), an automotive sales/repair use to the west (Nyle Maxwell Automotive Sales and Collision Center) and a large water tower to the south of the proposed site. GR-MU-CO zoning is appropriate along this minor arterial roadway and it is consistent with the other GR-CO zoned properties to the north and west. This site does not meet the intent of the CS district as it is not located at a major intersection and the property in question backs up to residential uses to the east.

3. *The proposed zoning should allow for a reasonable use of the property.*

The GR-MU-CO zoning district would allow for a fair and reasonable use of the site that is located on a minor arterial roadway at the entrance to an established single family neighborhood. The staff supports the addition of the ‘MU’ combining district as this would allow for new residential development in this area. The Mixed Use Combining district will permit the applicant to develop a mixture of residential, civic and commercial uses on this property.

OTHER STAFF COMMENTS:

Comprehensive Planning

This zoning case is located on the northeast corner of Pond Springs Road and Shady Oaks Road, which contains a landscaping business with an office that is situated on a 1.77 acre parcel. The property is located approximately a half of a mile from the Lakeline Station Regional Center; 800 feet from the IH-35 frontage road; 1,550 feet from Anderson Mill Road; and is not located within the boundaries of a small area plan. Surrounding land uses include a single-family subdivision and an office center with a storefront church; to the south is a used car lot and an auto collision repair shop; to the east is a water tower; and to the west is an office center with a storefront church, and a Montessori school. Request: Upzone the property from GR-CO to CS-MU, continue the existing landscaping business use with the option of building multifamily on the property.

Connectivity

There is a public sidewalk located along one side of this portion of Pond Springs Road and unprotected bike lanes situated along both sides of this street. Shady Oaks Lane does not have any public sidewalks, curbing or bike lanes. The closest public transit stop is located approximately 0.50 miles from the subject property. A park is also located approximately 0.50 miles from the property. This area contains a variety of offices, retail and auto serving commercial, civic (churches and a private school) and residential uses. Mobility and connectivity options in this area are fair.

Imagine Austin

This area is not located along an Activity Corridor or Center but is located a half of a mile from a Regional Center. IH-35 and Anderson Mill Road are located within walking distance to this property. The following Imagine Austin policies are applicable to this case:

- LUT P3 Promote development in compact centers, communities or along corridors that are connected by roads and transit, are designed to encourage walking and bicycling, and reduce healthcare, housing and transportation costs.
- **HN P10.** Create complete neighborhoods across Austin that have a **mix** of housing types and **land uses**, affordable housing and transportation options, and access to schools, retail, employment, community services, and parks and recreation options.

Based on comparative scale of the site relative to other office, commercial and residential uses located along this portion of Pond Spring Road, the nearby major arterial corridors, and the policies above, this project supports policies in the Imagine Austin Comprehensive Plan.

**Environmental**

The site is located over the North Edwards Aquifer Recharge Zone. The site is in the Lake Creek Watershed, which is classified as a Suburban Watershed by Chapter 25-8 of the City's Land Development Code. It is in the Desired Development Zone.

Under current watershed regulations, development or redevelopment on this site will be subject to the following impervious cover limits:

<table>
<thead>
<tr>
<th>Development Classification</th>
<th>% of Gross Site Area</th>
<th>% of Gross Site Area with Transfers</th>
</tr>
</thead>
<tbody>
<tr>
<td>Single-Family Residential (min. lot size 5750 sq. ft.)</td>

</tr>
<tr>
<td>Multifamily Residential</td>
<td>60%</td>
<td>65%</td>
</tr>
<tr>
<td>Commercial</td>
<td>65%</td>
<td>70%</td>
</tr>
</tbody>
</table>

According to floodplain maps there is no floodplain within or adjacent to the project location.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

At this time, site specific information is unavailable regarding vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Under current watershed regulations, development or redevelopment requires water quality control with increased capture volume and control of the 2-year storm on site.

At this time, no information has been provided as to whether this property has any Is that preempt current water quality or Code requirements.

**Fire**

No comments.
Parks and Recreation

There are currently no parkland requirements for uses other than residential and hotel. Given that the application proposes plant nursery and office as uses, there would not be parkland dedication requirements or parkland impacts at the time of site plan or subdivision.

If, however, residential uses are later contemplated with the –MU designation, then parkland dedication will be required for any new residential units proposed by such development at the time of subdivision or site plan, per City Code § 25-1-601. Whether the requirement shall be met with fees in-lieu or dedicated land will be determined using the criteria in City Code Title 25, Article 14, as amended.

If the applicant wishes to discuss parkland dedication requirements in advance of site plan or subdivision applications, please contact this reviewer: thomas.rowlinson@austintexas.gov.

Site Plan

Site plans will be required for any new development other than single-family or duplex residential.

Any development which occurs in an SF-6 or less restrictive zoning district which is located 540-feet or less from property in an SF-5 or more restrictive zoning district will be subject to compatibility development regulations.

Any new development is subject to Subchapter E. Design Standards and Mixed Use. Additional comments will be made when the site plan is submitted.

Transportation

Assessment of required transportation mitigation, including the potential dedication of right of way and easements and participation in roadway and other multi-modal improvements, will occur at the time of site plan application. A traffic impact analysis shall be required at the time of site plan if triggered per LDC 25-6-113.

Water Utility

The landowner intends to serve the site with City of Austin water and wastewater utilities. The landowner, at own expense, will be responsible for providing any water and wastewater utility improvements, offsite main extensions, utility relocations and or abandonments required by the land use. The water and wastewater utility plan must be reviewed and approved by Austin Water for compliance with City criteria and suitability for operation and maintenance.

Based on current public infrastructure configurations, it appears that service extension requests (SER) will be required to provide service to this lot. For more information
pertaining to the Service Extension Request process and submittal requirements contact the Austin Water SER team at ser@austintexas.gov.

The landowner must pay the City inspection fee with the utility construction. The landowner must pay the tap and impact fee once the landowner makes an application for a City of Austin water and wastewater utility tap permit.

Re: Amendment to Zoning Application – C14-2021-0142; 13561 Pond Springs Road

Dear Sherri:

By this letter I am amending the above-referenced application. Rather than CS-MU, we are hereby requesting CS-MU-CO with the following conditions:

1. A 50-foot wide vegetative buffer shall be provided and maintained along and adjacent to the eastern property line. Improvements permitted within the buffer zone are limited to drainage, underground utility improvements or those improvements that may be otherwise required by the City of Austin or specifically authorized in this ordinance.

2. The following uses are prohibited uses of the Property:
   - Auto Repair
   - Auto Rental
   - Auto Sales
   - Drop-off Recycling
   - Exterminating Services
   - Outdoor Sports and Recreation
   - Pawn Shop Services
   - Service Station

Please let me know if anything further is needed from me to codify this request. Thank you.

Sincerely,

Nikelle S. Meade
ORDINANCE NO. 20150212-057

AN ORDINANCE REZONING AND CHANGING THE ZONING MAP FOR THE PROPERTY LOCATED AT 13561 POND SPRINGS ROAD FROM INTERIM-RURAL RESIDENCE (I-RR) DISTRICT TO COMMUNITY COMMERCIAL-CONDITIONAL OVERLAY (GR-CO) COMBINING DISTRICT.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. The zoning map established by Section 25-2-191 of the City Code is amended to change the base district from interim-rural residence (I-RR) district to community commercial-conditional overlay (GR-CO) combining district on the property described in Zoning Case No. C14-2014-0154, on file at the Planning and Development Review Department, as follows:

1.769 acre tract of land, more or less, out of the Elisha Allen Survey, Abstract No. 18 the tract of land being more particularly described by metes and bounds in Exhibit “A” incorporated into this ordinance (the “Property”), locally known as 13561 Pond Springs Road in the City of Austin, Williamson County, Texas, and generally identified in the map attached as Exhibit “B”.

PART 2. The Property within the boundaries of the conditional overlay combining district established by this ordinance is subject to the following conditions:

A. A site plan or building permit for the Property may not be approved, released, or issued, if the completed development or uses of the Property, considered cumulatively with all existing or previously authorized development and uses, generate traffic that exceeds 2,000 trips per day.

B. A 50-foot wide vegetative buffer shall be provided and maintained along and adjacent to the eastern property line. Improvements permitted within the buffer zone are limited to drainage, underground utility improvements or those improvements that may be otherwise required by the City of Austin or specifically authorized in this ordinance.

C. Development along the eastern property line of the Property will comply with City Code Section 25-2, Article 10 (Compatibility Standards).
D. The following uses are conditional uses of the Property:

- Restaurant (general)
- Restaurant (limited)

E. The following uses are prohibited uses of the Property:

- Automotive repair services
- Automotive sales
- Exterminating services
- Outdoor sports and recreation
- Service station
- Automotive rentals
- Automotive washing (of any type)
- Drop-off recycling collection facility
- Pawn shop services

Except as specifically restricted under this ordinance, the Property may be developed and used in accordance with the regulations established for the community commercial (GR) base district and other applicable requirements of the City Code.

PART 3. This ordinance takes effect on February 23, 2015.

Parcel Number R055014

Dear PC Land, LLC % Brandon L. Krause:

The City of Austin Code Department investigated the property described above. Austin City Code violations were found that require your immediate attention. A description of the violation(s) and compliance timeframe(s) are provided in the attached violation report.

After receipt of this Notice, and until compliance is attained, the Austin City Code prohibits the sale, lease, or transfer of this property unless:

- You provide the buyer, lessee, or other transferee a copy of this Notice of Violation; and
- You provide the name and address of the buyer, lessee, or other transferee to the Code Official.

For additional information, I can be reached at 512-560-5923 or William.Evans@austintexas.gov. Please reference case number CV-2019-053560. Hours of operation are: Monday – Friday, 7:30 a.m. - 4:00 p.m. If I am unavailable, contact the Code Connect line at (512) 974-CODE (2633) or codeconnect@austintexas.gov.

Para obtener más información, llame al 512-560-5923 o enviar un correo electrónico a William.Evans@austintexas.gov. Por favor, consulte caso número CV-2019-053560. El horario de atención es: lunes a viernes, 7:30 a.m. - 4:00 p.m. Si no estoy disponible, comuníquese con Code Connect marcando al (512) 974-CODE (2633) o por correo electrónico codeconnect@austintexas.gov.

Sincerely,

William Evans, Austin Code Officer
City of Austin Code Department
Date of Notice: February 5, 2021
Code Officer: William Evans
Case Number: CV-2019-053560
Property Address: 13561 POND SPRINGS RD AUSTIN TX 78729
Locally known as 13561 POND SPRINGS RD AUSTIN TX 78729
Zoned as GR-CO

The items listed below are violations of the Austin City Code, and require your immediate attention. If the violations are not brought into compliance within the timeframes listed in this report, enforcement action may be taken. Timeframes start from the Date of Notice.

Due to the ongoing Declaration of Local Disaster, the Austin Code Department understands that additional time may be required to comply with this notice. If additional time is required, please contact your Code Officer to request an extension. Extensions will be considered after evaluating the severity and frequency of the violation, available resources to correct the violation, and the impact of the continued violation on the public health and safety.

Violation Type: LAND USE

Austin City Code Section: Zoning (§25-2)  
Description of Violation: The use of this property as a landscape service company is not allowed in GR Zoning.  
Date Observed: 02/05/2021  
Timeframe to Comply: 30 Day(s)  
Recommended Resolution: Contact Development Services and obtain a change of zoning to allow this use.

Austin City Code Section: Building Permit Requirement (§25-11-32)  
Description of Violation: Commercial construction being performed without required permit(s).  
Date Observed: 04/08/2019  
Timeframe to Comply: 30 Day(s)  
Recommended Resolution: Obtain the building permit(s) for the construction that is in process of the structure being constructed on the property.

Notes: Permit violations require the permit(s) to be issued and all required inspections to be completed to attain compliance. For questions concerning land use violations, please contact the Development Services Department at 311. You can also visit http://www.austintexas.gov/department/development-services for more information.

IMPORTANT INFORMATION

Failure to Correct
If the violations are not brought into compliance within the timeframes listed in the violation report, enforcement action may include:

- Criminal charges in the City of Austin Municipal Court subjecting you to fines of up to $2,000 per violation, per day.
Civil penalties in an Administrative Hearing subjecting you to fines of up to $1,000 per violation, per day, along with additional fees.

Suspension or cancellation of existing site plan, permit or certificate of occupancy. If the site plan, permit or certificate of occupancy is suspended or revoked, the utility service to this property may be disconnected.

Civil injunctions or penalties in State court.

For dangerous or substandard buildings, the City of Austin may also take action with the Building and Standards Commission (BSC) to order the vacation, relocation of occupants, securing, repair, removal or demolition of a building, and civil penalties.

Ownership Information
According to the records of the County, you own the property described in this notice. If this property has other owners, please provide me with this information. If you no longer own this property, you must execute an affidavit form provided by our office. This form should state that you no longer own the property, the name of the new owner, and their last known address. The affidavit must be delivered in person or by certified mail, with return receipt requested, to the Austin Code Department office no later than 20 days after you receive this notice. If you do not submit an affidavit, it will be presumed that you own the property described in this notice.

An affidavit form is available at www.austintexas.gov/code-resources, or at the office at 5202 E. Ben White Blvd. Unit 5, Suite 550, Austin, TX 78741. The completed affidavit should be mailed to: City of Austin Code Department, P.O. Box 1088, Austin, Texas 78767.

Complaints
You may file a written complaint or commendation regarding an Austin Code Department Officer no later than 3 days after you receive this notice. Please reference your case number. The complaint or commendation should be mailed to: City of Austin Code Department, ATTN: Code Official, P.O. Box 1088, Austin, Texas 78767.
Community Resources

Austin Code Department aims to bring our communities to a safe standard for Austin residents and visitors. This list of community resources is available to help Austin residents resolve potential hazards.

Company: Perfect Cuts Inc.
Project location: 13561 Pond Springs Road
Owner: PC Land, LLC

To whom it may concern:

I have put this off until the last minute because I have had a lot to say in regards to this business and their nonsense. The comment box on the form just isn’t big enough for my personal issues, but I will gladly elaborate and/or speak in detail with anyone should I need to.

Along with some negative and similar online reviews for this company, I have personally made innumerable noise-complaint calls and dealt with the accounts of the workers cat-calling and peeping on me in my yard. This business shouldn’t have the option to expand whatever it is they are wanting to do in this neighborhood.. because it IS still a neighborhood and we should all be able to live quietly and comfortably.

I do everything from home which, unfortunately, is just on the other side of their fencing. From our yard you can see and hear everything and I assure you that I have. The workers socialize prior to sundown by cracking open beverages and they seem to be there all of the time, sometimes well past 11 PM on weeknights, and even on holidays. Their loud, massive trucks are always going in and out. It is A LOT and just too much for a measly “landscaping” company in this particular area.

I have had to call about Tejano music blaring for hours on end with an amount of volume and bass that should be illegal. No matter where you are or what you’re doing around our home, you can hear it and it is absolutely awful. It has affected not only my sanity but my business as well. You can never get a hold
of anyone because those in charge seem to have the luxury of only being there a few days a week until 4 PM. I started dealing with this in 2020 and to this day I have yet to receive a call-back.

On a more serious note, I have caught their workers on multiple occasions peeping over at me from their lifts and machinery when I am by the pool and/or outside. I can see them and they have seen me, and a lot of me. Again, please contact me if necessary about this issue because I know it is, or SHOULD be, problematic.

This is the first home I have lived in as an adult and I love this neighborhood. Personally, not feeling remotely comfortable with these people expanding is an understatement. This neighborhood was here first and it is full of families. Quite frankly, this business can go elsewhere, and take their creepy workers with them. I have had enough of seeing them, hearing them and worrying about their comings and goings when I am minding my own business in my own home and yard. I understand that my account will differ from others given the close proximity and my being home all day, every day.

Thank you for your time and the opportunity to voice my opinion.

Best,
Alyssa Prichard (Alyssa Onyx)

Phone number: (512) 626-7958
RENOUCE OF PUBLIC HEARING FOR REZONING

Mailing Date: December 21, 2021  Case Number: C-14-2021-0144

Este aviso le informa de una audiencia pública anunciada de un comité de revisión dentro de una distancia de 500 pies de su propiedad. Si usted desea recibir información en español, por favor llame al (512) 994-3501.

The City of Austin has sent this letter to inform you that we have received an application for rezoning of a property. We are notifying you because City Ordinance requires that all property owners within 500 feet, residents who have a City utility account address within 500 feet, and registered environmental or neighborhood organizations whose declared boundaries are within 500 feet be notified when the City receives an application.

Project Location: 13561 Pond Springs Road
Owner: FC Land, LLC (Brandon Krause)
Applicant: Hosch Blackwell LLP, Nicholle Meade, (512) 472-5454

Proposed Zoning Change:

From: GR-CO - GR - Community Commercial district is intended for office and commercial uses serving neighborhood and community needs, including both unaffiliated shopping centers and individually developed commercial sites, and typically requiring locations accessible from major traffic ways. CO - Conditional Overlay combining district may be applied in combination with any base district. The district is intended to provide flexible and adaptable use or site development regulations by requiring standards tailored to individual properties.

To: CS-MU - CS - General Commercial Services district is intended predominately for commercial and industrial activities of a service nature having operating characteristics or traffic requirements generally incompatible with residential environments. MU - Mixed Use combining district is intended for development with single base districts, in order to permit any combination of office, retail, commercial, and residential uses within a single development.

NOTE: This case is being reiterated because the December 7, 2021 Zoning and Planning Commission meeting was cancelled due to a lack of quorum.

This application is scheduled to be heard by the Zoning and Planning Commission on January 4, 2022 beginning at 6:00 p.m. The meeting will be held in-person at City Hall Council Chambers, 301 West 2nd Street but may be viewable online at https://www.austin311.com.

Public participation for this Public Hearing will be in-person only and no remote (by telephone) participation will be offered. To participate at this meeting, you must go to City Hall at 301 West 2nd Street and attend in-person. For additional information on how to participate in the meeting, please contact the case manager listed below by email or phone or go to the Zoning and Planning Commission website:

https://www.austin311.gov/content/zoning-and-planning-commission

If you have any questions concerning the zoning change application please contact, Sherri Siewert of the Housing and Planning Department at 512-994-3057 or via email at Sherri.siewert@austintexas.gov, and refer to the Case Number of the top right of this notice. For additional information on the City of Austin’s land development process, please visit our web site at: www.austintexas.gov/planing.

You can find more information on this application by inserting the case number into the following website: https://austin311.gov/web/perm/public-searchestatus.
PUBLIC HEARING INFORMATION

This zoning/variance request will be reviewed and acted upon at two public hearings before the Land Use Commission and the Council. Although applicants and their agent(s) are expected to attend a public hearing, you are not required to speak FOR or AGAINST the proposed development or change if you do not want to. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application’s hearing to a later date or may evaluate the City staff’s recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed-use developments, the Council may add the MIXED USE (MU) COMBINING DISTRICT to commercial districts. The MU Distibuting District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Distibuting District allows the combination of office, retail, commercial, and residential uses within a single development.

In the matter of rezoning proposal #  
C 14-2021-0142

To whom it may concern,

We are resolutely against rezoning for the above case/property.  

Our decision to purchase the home we are in was made solely based on the fact that the neighborhood is tucked away from businesses and the traffic associated with such. If the proposed property is granted rezoning, that will completely change the dynamic of the entire neighborhood, especially those of us that are within feet of the property asking for rezoning.

If the current occupants are granted longer hours our lives will be even more disrupted than they already have been with the current occupant and the many many vehicles that come and go from that property at all hours. The vehicles with the noise associated with them and the noise generated from multiple vehicles is already extremely disruptive at all hours. We are no longer able to enjoy our yards without the loud sounds of heavy equipment, blaring music, the sounds of crashing metal containers etc.

By rezoning and granting the proposed changes of Hours and use, our street will become a thoroughfare for the commercial vehicles and customers for such use at all hours of the day and night. As the result of a change of this sort it would be devastating as our children and pets will no longer be safe playing in our front yards and our families would lose the peace and tranquillity we have enjoyed for so many years in this neighborhood.

The proposed property is at one of the only three entrances into our entire neighborhood involving two large subdivisions. This would be a terrible terrible thing to do to so many of us who live in and love the neighborhood for so many reasons including the time spent in our front yards visiting with our neighbors. That would come to a stop and that would also be a huge devastation.

We are still tucked away enough that we don’t even have curbs or sidewalks and more traffic would likely cause havoc, property damage, loss of landscaping and zero boundaries by automobile as well as foot traffic etc. Again, dangerous and very disruptive.
To make these proposed changes would 100% cause a huge loss in Property value especially for those of us within walking distance to the property in question.

Thank you for reading our comments. Please do not make the proposed changes.

Billie Nixon.

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application’s hearing to a later date or may evaluate the City staff’s recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.
