3/24/2022

Posting Language

Authorize award of a contract with ACT Pipe & Supply Inc. to provide ductile iron fittings and pipe joint restraint devices, for a term of five years in an amount not to exceed \$800,000.

(Note: This solicitation was reviewed for subcontracting opportunities in accordance with City Code Chapter 2-9D Minority Owned and Women Owned Business Enterprise Procurement Program. For the goods required for this solicitation there were insufficient subcontracting opportunities; therefore, no subcontracting goals were established).

Lead Department

Financial Services Department.

Client Department(s)

Austin Water.

Fiscal Note

Funding in the amount of \$93,333 is available in the Fiscal Year 2021-2022 Operating Budget of Austin Water.

Purchasing Language:

The Financial Services Department issued an Invitation for Bids (IFB) 2200 AMA1065 for these goods. The solicitation issued on November 15, 2021, and it closed on December 16, 2021. Council Committee, Boards and Commission Action:

March 9, 2022 - Recommended by the Water and Wastewater Commission on a 9-0 vote with Commissioner Turrieta off the dais and one vacancy.

Additional Backup Information:

The contract will provide ductile iron fittings to be utilized by Austin Water for installation and repair of waterlines throughout the City. Ductile iron fittings are a reliable and safe replacement for cast iron and are crucial to the City's infrastructure.

The contract is replacing two contracts being combined into one contract. One contract expired on November 28, 2021, and the other contract expires on June 30, 2022. The requested authorization amounts were

determined by departmental projected spending and accounts for potential price increases. The recommended contractor is a current provider of these goods.

Strategic Outcome(s):

Health and Environment.
