

Monthly Report on License Agreements

2022 - 02 February

This report is in agreement with the terms outlined in Section 8.4 of the License Agreement between the City of Austin and Austin Pets Alive! with a focus on APA!’s impact on Travis county through our partnership with Austin Animal Center.

Summary: Austin Pets Alive! (APA!) continues to be the city of Austin’s largest partner in lifesaving and the largest subsidizer of the city’s budget to serve Austin animals. APA takes animals that have medical and behavioral issues that require a higher cost per animal than the average healthy animal in care. APA! focuses on these animals in an effort to have a measurable effect on the live release rate at AAC.

APA! Intakes transferred from AAC:

164 animals were transferred out of AAC to 24 partners. 53 of them were transferred to APA!. Another 6 were born in care that would otherwise not have been born. Additionally, APA! took in 44 pets directly from owners within Travis county that would otherwise have entered AAC.
