Issues Considered by the Working Group

- Misinformation about existing laws
- New Austinites may not know about existing laws
- Off-leash dogs on parkland that is on-leash only
 - Citizens cannot safely enjoy City parkland
- Off-leash dogs in neighborhoods (owned dogs)
 - Citizens cannot safely walk in their neighborhood
- Citizen ability to request an official off-leash area
 - Austin growth outpacing off-leash areas
- Options for citizens to report issues

Laws - Austin City Code Title 3

- Keep dogs on a leash and under control in all areas that are not designated as “off-leash”
- Pick up and sanitarily dispose of pet waste left on public or private property
- Provide adequate shelter
- Ensure pets have current rabies vaccinations
- Confine pets transported in unenclosed vehicles in a manner that prevents the animal from falling or jumping from the vehicle or being injured
- DO NOT leave a pet alone on a chain or tether
- It’s unlawful to sell a puppy or kitten that is not spayed/neutered, vaccinated, and microchipped

Enforcement Affected by Staffing

- 21 Animal Protection Officers

 - Handle a multitude of animal related issues
 - Can write citations for off-leash dog violations
 - Citations can be increased by a judge to \$500 or dismissed entirely
- 25 Park Rangers
 - 7 days a week - Service 330 City Parks - 19,000 acres of parkland
 - Handle a multitude of parkland related issues
 - Cannot write tickets for off-leash dog violations

Citizen Concerns

Gathered from NextDoor, emails, conversations about off-leash dogs in on-leash areas and neighborhoods

- Chase bikes potentially causing accidents
- Run up to strollers or citizens with walking aides
- Poop not scooped because owners are on their phones or talking to others
- Not enough tickets written for violations
- Dogs run up to random adults and children
- **Dog owners are not trained to break up dog fights**

Raising Awareness About Existing Off-Leash Laws

- **Musical Messaging** - Target Completion 5/31/2022

- Two local musicians created songs
- Working with PARD team on videos
- Various social media platforms will run the videos
- Launch event prior to 5/31/2022

- **Print Media - Flyers**

- Posted on AAC and PARD sites
- Address laws, common questions, where off-leash areas are located, interacting with wildlife, dog park etiquette
- Explored utility bill insert but concluded too costly and not far reaching

Raising Awareness, Continued

- **Website Enhancements**

- AAC enhanced their Website to make information easier to find
- AAC added off-leash issues to their Chatbox

- **Education**

- Events - Zilker Kite festival
- AAC hired a new Public Health Educator (former APO)
 - Video will be created about leash laws and other animal issues

- **Park Rangers**

- Citizen education at locations with high calls to 311

Focus Group

- A group of citizens reviewed PARD “Off-Leash Area Guidelines”
 - Community driven process developed by PARD
 - Guidelines and policies to request a new off-leash area
 - Overall, participants felt the document was solid
 - Discussed parkland/public spaces being used as off-leash areas (examples: Little Zilker, Mabel Davis, Brentwood, Gracy Woods, Longview, Stacy)
 - Families cannot enjoy parkland
 - Leashed dog attacked by an unleashed dog near Little Zilker

Focus Group, continued

- Citizens using deterrents, such as pepper spray, on off-leash dogs who approach
- Hybrid approach to off-leash areas
 - Parkland some days, off-leash area other days
- Private land partnerships (example: a church space)
- Signage visible and adequate
- Information hard to find on AAC Website

Focus Group - Next steps

- PARD planning team will take the lead on future off-leash areas
 - The focus group members can continue to participate
 - A presentation will be made to the Parks and Recreation Board
 - If approved, PARD will create a campaign to increase off-leash dog areas
- AAC continues to improve their Website and Chatbox

Citizen Action

- Advise your City Council member, Parks and Recreation Board Member and/or Animal Advisory Commissioner that voluntary compliance with City off-leash dog ordinances is not effective and request more resources for public space management

Citizen Action, continued

- Call 311 to report incidents such as:
 - Off-leash dogs in public spaces not designated as an “off-leash area”
 - Include a detailed location
 - The data is being collected to support enhancements to City services
 - Habitual strays
 - Neighbors who routinely let their dogs out to roam
 - Give the owner’s address
 - Animal Protection has a process to engage your neighbor

Citizen Action, continued

- Calling 311, continued
 - Dogs harrassing wildlife - need detailed location
 - Dog doesn't seem to have a home
 - Is skinny, intact, looks scared or lost
 - Dog scares or injures a human
 - Important - call 911 if the injury is severe
 - An APO will contact you
 - Dangerous Dog Statute
 - Dog injures a dog, cat or fowl
 - An APO will contact you
 - Vicious Dog Ordinance

Citizen Action, continued

- Private property (AISD land, businesses, church yards)
 - Contact the responsible party, such as the AISD police, the business or the church administration
- Ask for a speaker at neighborhood meetings
