Re: 200 S Congress Avenue (C14-99-0069.01) - Postponement request for the rezoning application associated with the property located at 200 S Congress Avenue (the "Property");

Dear Ms. Truelove:

As representatives of the owner of the Property and applicant in the above-mentioned rezoning case (the "Case"), we respectfully request a postponement of Item 42 on the Regular Meeting of the Austin City Council agenda for April 21, 2022, to the Regular Meeting of the Austin City Council agenda for May 19, 2022, pursuant to Land Development Code § 25-2-283(C). This request represents the first postponement request by the applicant for the Case. The reason for this postponement request is to allow for a full City Council to hear our Case as there is currently a valid petition protesting the approval of the Case and it is our understanding that not all City Council Members are expected to be on the dais during the April 21, 2022, Regular Meeting of the Austin City Council. The May 19, 2022, Regular Meeting of the Austin City Council is the first subsequent Regular Meeting of the Austin City Council at which we expect full attendance.

Please let me know if you have any questions or if we can provide any additional information. Thank you for your time and attention to this matter.

Sincerely,

Leah M. Bojo
