Dear Ms. Basciano:

On behalf of the applicant in the above referenced zoning case involving 3402 Kerbey Lane (C14-2022-0010, Agenda Item #43 – April 21, 2022 City Council Meeting), I'm writing to confirm our recent dialogue with Bryker Woods Neighborhood Association representatives that the applicant supports City Council approval of the Planning Commission unanimous recommendation of LO-NP (Limited Office-Neighborhood Plan) zoning at the April 21, 2022, City Council Meeting. Please indicate your concurrence that Bryker Woods Neighborhood Association also supports City Council approval of LO-NP zoning by signature of Bryker Woods Neighborhood Association representative where indicated below.

Thank you for your attention to this matter.

Very truly yours,

David Hartman
