

ZONING CHANGE REVIEW SHEET

CASE: C14-2021-0155 (Lyndhurst Rezoning)

DISTRICT: 6

ADDRESS: 13424 Lyndhurst Street, 13443 N FM 620 Road North Bound

ZONING FROM: GR-CO, I-SF-2

TO: CS-MU* (*Please see Issues Section*)

SITE AREA: 1.73 acres*

PROPERTY OWNER: Naiser Holdings, LLC

AGENT: Thrower Design LLC (A. Ron Thrower)

CASE MANAGER: Sherri Sirwaitis (512-974-3057, sherri.sirwaitis@austintexas.gov)

STAFF RECOMMENDATION:

Staff recommends GR-MU-CO, Community Commercial-Mixed Use-Conditional Overlay Combining District, zoning. The conditional overlay will prohibit the following uses on the property: Automotive Sales, Bail Bond Services, Commercial Off-Street Parking, Drop-Off Recycling Collection Facility, Exterminating Services, Off-Site Accessory Parking, Pawn Shop Services and Personal Improvement Services.

ZONING AND PLATTING COMMISSION ACTION / RECOMMENDATION:

November 16, 2021: Postponed to January 4, 2022 at the applicant's request by consent (9-0, C. Acosta-absent); H. Smith-1st, N. Barrera-Ramirez-2nd.

January 4, 2022: Postponed to January 18, 2022 at the applicant's request (10-0, T. Bray – Off the Dais); A. Denkler-1st; H. Smith – 2nd.

January 18, 2022: Postponed to February 15, 2022 at the applicant's request by consent (10-0, R. Woody-off the dais); H. Smith-1st, C. Acosta-2nd.

February 15, 2022: Postponed to March 29, 2022 at the applicant's request by consent (9-0, C. Acosta-absent); H. Smith-1st, J. Kiolbassa-2nd.

March 29, 2022: Approved staff's recommendation of GR-MU-CO zoning (8-1, H. Smith-No, S. Boone and L. Stern-absent); B. Greenberg-1st, J. Kiolbassa-2nd.

CITY COUNCIL ACTION:

May 5, 2022

ORDINANCE NUMBER:

ISSUES:

*On March 11, 2022, the applicant submitted a second amendment to their zoning request to revert back to their original request to zone/rezone 1.73 acres (Tracts 1 and 2) from GR-CO and I-SF-2 to CS-MU (*Please see Exhibit E*). In their revised application, the agents have stated that the intended use is now a Construction Sales and Services use for a proposed lawn maintenance business.

On January 14, 2022, the applicant amended their request reducing the proposed zoning/rezoning area from 1.73 acres to 1.117 acres (removing Tract 1) and revising the zoning request from I-SF-2 to GR-MU to develop an Exterminating Services use/pest control business on the property (*Please see Exhibit D*).

CASE MANAGER COMMENTS:

The 1.73 acre property under consideration consists of two undeveloped lots that front onto Lyndhurst Street and North FM 620 Road. Across the street at the northeast corner of Lyndhurst Street and N. FM 620 Road, there is a former service station that is now being utilized for a lawn care company (Grassworks) and an elementary school (Forest North Elementary School). To the south, there is a multifamily development (Lakeline Square Townhomes) and a religious assembly use (Kingdom Hall of Jehovah's Witnesses). The property the west is zoned LO and is developed with an office (State Farm Insurance). In this revised zoning case, the applicant is now requesting CS-MU zoning to develop a Construction Sales and Services use at this location.

The staff is recommending GR-MU-CO, Community Commercial-Mixed Use-Conditional Overlay Combining District zoning. The property meets the intent of the zoning district and is consistent with surrounding land use patterns. GR-MU-CO zoning is appropriate for this site as the property is located on a local collector roadway at the entrance to a residential neighborhood across Lyndhurst Street from an elementary school.

BASIS OF RECOMMENDATION:

1. *The proposed zoning is consistent with the purpose statement of the district sought.*

The Community commercial (GR) district is the designation for an office or other commercial use that serves neighborhood and community needs and that generally is accessible from major traffic ways.

Mixed Use combining district is intended for combination with selected base districts, in order to permit any combination of office, retail, commercial, and residential uses within a single development.

Conditional Overlay combining district may be applied in combination with any base district. The district is intended to provide flexible and adaptable use or site development regulations by requiring standards tailored to individual properties.

2. *The proposed zoning promotes consistency and orderly planning.*

The proposed zoning is consistent with surrounding land use patterns as there is existing GR-CO zoning to the east and LO, MF-3-CO and GR zoning to west of this site. The tracts of land to the south are zoned MF-3-CO and SF-6-CO and provide for a transition in the intensity of uses along North FM 620 Road down to the single-family residential neighborhood to the south.

GR-MU-CO zoning is appropriate for this site as the property is located on a local collector roadway at the entrance to a residential neighborhood across Lyndhurst Street from an elementary school. The proposed CO is consistent with

the conditional overlay for the property to the east, across Lyndhurst Street, in case C14-2009-0110 (American Adventures Rentals). The staff recommends prohibiting the more intensive commercial uses of Automotive Sales, Bail Bond Services, Commercial Off-Street Parking, Drop-Off Recycling Collection Facility, Exterminating Services, Off-Site Accessory Parking, Pawn Shop Services and Personal Improvement Services on this property as these uses are not compatible with residential uses and adjacent to a public school.

This site does not meet the intent of the CS district as it is not located at a major intersection. The staff supports the addition of the MU, Mixed Use Combining district, as this would allow for additional residential development in this area. The property is within the Lakeline Station Regional Center, as identified in the Image Austin Comprehensive Plan.

3. The proposed zoning should allow for a reasonable use of the property.

The proposed GR-MU-CO zoning will permit the applicant to redevelop the property with residential, office, civic and low intensity commercial uses that will provide services to the surrounding community. The proposed zoning will be consistent with the zoning/land use patterns in this area.

EXISTING ZONING AND LAND USES:

	ZONING	LAND USES
<i>Site</i>	GR-CO, I-SF-2	Undeveloped Land, Billboard
<i>North</i>	PUD (Leander Rehabilitation PUD)	Designated for CRE uses which allow for a variety of residential, civic, and commercial uses
<i>South</i>	MF-3-CO, SF-6-CO	Multifamily (Lakeline Square Townhomes), Religious Assembly (Kingdom Hall of Jehovah's Witnesses)
<i>East</i>	GR-CO, NO-CO, I-RR	Grass Works Lawn Care, Vacant Service Station, Forest North Elementary School
<i>West</i>	LR, LO, MF-3-CO	Office (State Farm), Multifamily (Griffis Lakeline Station)

OTHER STAFF COMMENTS:Comprehensive Planning

The undeveloped subject property is approximately 1.73 acres in size and is located on the southwest corner of Lyndhurst Street and N FM 620, which also abuts TX-45. The parcel is located near the epicenter of the **Lakeline Station Regional Center** and is not located within a small planning area. Surrounding land uses include FM 620 and TX-45 to the north; to the south is a large townhouse complex; to the east is a lawn care business, Forest North Elementary School, and a church; and to the west is an office, an apartment complex and a charter school.

Request: I-SF-2 and GR-CO to CS-MU; from undeveloped to an undetermined use.

Connectivity

The property is located approximately a half a mile from a public transit stop on Lake Creek Parkway. A public sidewalk is located along one side of FM N 620 to Lake Creek Parkway. The only public sidewalk on Lyndhurst Street is located partially in front of the commercial property across the street. There are no bike lanes within a quarter mile radius of this property. Housing (multifamily, townhouses), shopping, civic uses (schools and churches) and office uses are all located within a half of a mile walking distance from the subject property. Mobility options are fair while connectivity options are average in the area.

Imagine Austin

The property is located within the **Lakeline Station Regional Center** as identified in the Image Austin Comprehensive Plan. A Regional Center is the most urban of the three activity centers and where the greatest density of people and jobs and the tallest buildings in the region will be located. Like many Imagine Austin Centers, this center is represented by a circle that reflects the general location where the center should be located in the future. The center's actual boundaries would need to be clarified through a small area planning process.

Regional, Town, and Neighborhood Centers are supposed to be walkable, bikeable, and supported by transit.

The following Imagine Austin policies are applicable to this case:

- **LUT P1.** Align land use and transportation planning and decision-making to achieve a compact and connected city in line with the growth concept map.
- **LUT P3.** Promote development in compact centers, communities, or along corridors that are connected by roads and transit that are designed to encourage walking and bicycling, and reduce health care, housing and transportation costs.
- **HN P10.** Create complete neighborhoods across Austin that have a mix of housing types and land uses, affordable housing and transportation options, and access to schools, retail, employment, community services, and parks and recreation options.

When analyzing this specific site, there are a growing number of goods, services, residential and civic uses in the area, while mobility options are slowly being added to the area (public sidewalks and public transit). Based on a mix of uses in the area, average connectivity options, improving mobility options, and the property being located within a Regional Center that supports mixed use, this project supports the Imagine Austin Comprehensive Plan.

Environmental

The site is located over the North Edwards Aquifer Recharge Zone. The site is in the Lake Creek Watershed, which is classified as a Suburban Watershed by Chapter 25-8 of the City's Land Development Code. It is in the Desired Development Zone.

Under current watershed regulations, development or redevelopment on this site will be subject to the following impervious cover limits:

<i>Development Classification</i>	<i>% of Gross Site Area</i>	<i>% of Gross Site Area with Transfers</i>
Single-Family Residential (min. lot size 5750 sq. ft.)	45%	50%
One or Two Family Residential (lot size < 5750 sq. ft.)	55%	60%
Multifamily Residential	60%	65%
Commercial	65%	70%

According to floodplain maps there is no floodplain within or adjacent to the project location.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

At this time, site specific information is unavailable regarding vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Under current watershed regulations, development or redevelopment requires water quality control with increased capture volume and control of the 2 year storm on site.

At this time, no information has been provided as to whether this property has any ls that preempt current water quality or Code requirements.

Fire

No comments.

Parks and Recreation

Parkland dedication will be required for any new residential units proposed by this development, use unknown with CS-MU zoning, at the time of subdivision or site plan, per City Code § 25-1-601. Whether the requirement shall be met with fees in-lieu or dedicated land will be determined using the criteria in City Code Title 25, Article 14, as amended. Should fees in-lieu be required, those fees shall be used toward park investments in the form of land acquisition and/or park amenities within the surrounding area, per the Parkland Dedication Operating Procedures § 14.3.11 and City Code § 25-1-607 (B)(1) & (2).

If the applicant wishes to discuss parkland dedication requirements in advance of site plan or subdivision applications, please contact this reviewer: thomas.rowlinson@austintexas.gov. At the applicant's request, PARD can provide an early determination of whether fees in-lieu of land will be allowed.

Site Plan

Site plans will be required for any new development other than single-family or duplex residential.

Any development which occurs in an SF-6 or less restrictive zoning district which is located 540 feet or less from property in an SF-5 or more restrictive zoning district will be subject to compatibility development regulations.

Any new development is subject to Subchapter E. Design Standards and Mixed Use. Additional comments will be made when the site plan is submitted.

Compatibility Standards

The site is subject to height compatibility standards due to the church located to the southeast of the site. The following standards apply:

- No structure in excess of three stories or 40 feet in height may be constructed within 100 feet of the triggering property.

Transportation

This site is within the area covered by State legislation (S.B. 1396), which went into effect September 1, 1995. Under this legislation, the City may not "deny, limit, delay, or condition the use of development of land...because of traffic or traffic operations that would result from the proposed use or development of the land." A traffic impact analysis is not required for any development within this area, and traffic issues may not be considered in the approval of the application. Right-of-way dedication, however, may still be required.

ROW and access of N FM 620 RD must be referred to TxDOT.

Water Utility

The landowner intends to serve the site with City of Austin water and wastewater utilities. The landowner, at own expense, will be responsible for providing any water and wastewater utility improvements, offsite main extensions, utility relocations and or abandonments required by the land use. The water and wastewater utility plan must be reviewed and approved by Austin Water for compliance with City criteria and suitability for operation and maintenance.

Depending on the development plans submitted, water and or wastewater service extension requests may be required. All water and wastewater construction must be inspected by the City of Austin.

The landowner must pay the City inspection fee with the utility construction. The landowner must pay the tap and impact fee once the landowner makes an application for a City of Austin water and wastewater utility tap permit.

ACKNOWLEDGMENT FORM

concerning
Subdivision Plat Notes, Deed Restrictions
Restrictive Covenants

I, A. Ron Throver
(Print name of applicant)

have checked the subdivision plat notes, deed restrictions, and/or restrictive covenants prohibiting certain uses and/or requiring certain development restrictions i.e. height, access, screening etc. on this property, located at:

Lot 1 & Lot 2, Block A, Mayline Subdivision

(Address or Legal Description)

If a conflict should result with the request I am submitting to the City of Austin due to subdivision plat notes, deed restrictions, and/or restrictive covenants, it will be my responsibility to resolve it. I also acknowledge that I understand the implications of use and/or development restrictions that are a result of a subdivision plat notes, deed restrictions, and/or restrictive covenants.

I understand that if requested, I must provide copies of any and all subdivision plat notes, deed restrictions, and/or restrictive covenants as information which may apply to this property.

A. Ron Throver

(Date)

POSTPONEMENT POLICY ON ZONING HEARINGS

- | Sets a postponement date and time at the City Council hearing so that renotification of residents and property owners is not necessary.
- | Limits the time a hearing can be postponed to two months for both proponents and opponents, unless otherwise approved by Council so that renotification of residents and property owners is not necessary.
- | Allows only one postponement for either side, unless otherwise approved by Council.
- | Requires that all requests for postponements be submitted in writing to the director of the Planning and Zoning Department at least one week prior to the scheduled Council meeting. The written request must specify reasons for the postponement.
- | The Director of the Planning and Zoning Department shall provide a recommendation regarding the validity of the postponement request as the Director deems appropriate.
- | Eliminates the automatic granting of a postponement of the first request.
- | Authorizes Council to consider requests that are not submitted timely.

EXHIBIT VIII

EDUCATIONAL IMPACT STATEMENT (EIS) DETERMINATION PART A

If your project is **located in one or more of the following school districts, and requires Land Use Commission review; and meets one of the requirements listed below**, an Educational Impact Statement is required.

<input type="checkbox"/> YES	<input checked="" type="checkbox"/> NO	100 or more single family units are proposed
<input type="checkbox"/> YES	<input checked="" type="checkbox"/> NO	200 or more multifamily units are proposed
<input type="checkbox"/> YES	<input checked="" type="checkbox"/> NO	100 or more multifamily units are proposed and a tax credit is requested
<input type="checkbox"/> YES	<input checked="" type="checkbox"/> NO	project will demolish more than 50 residential existing units in a structure more than 20 years old

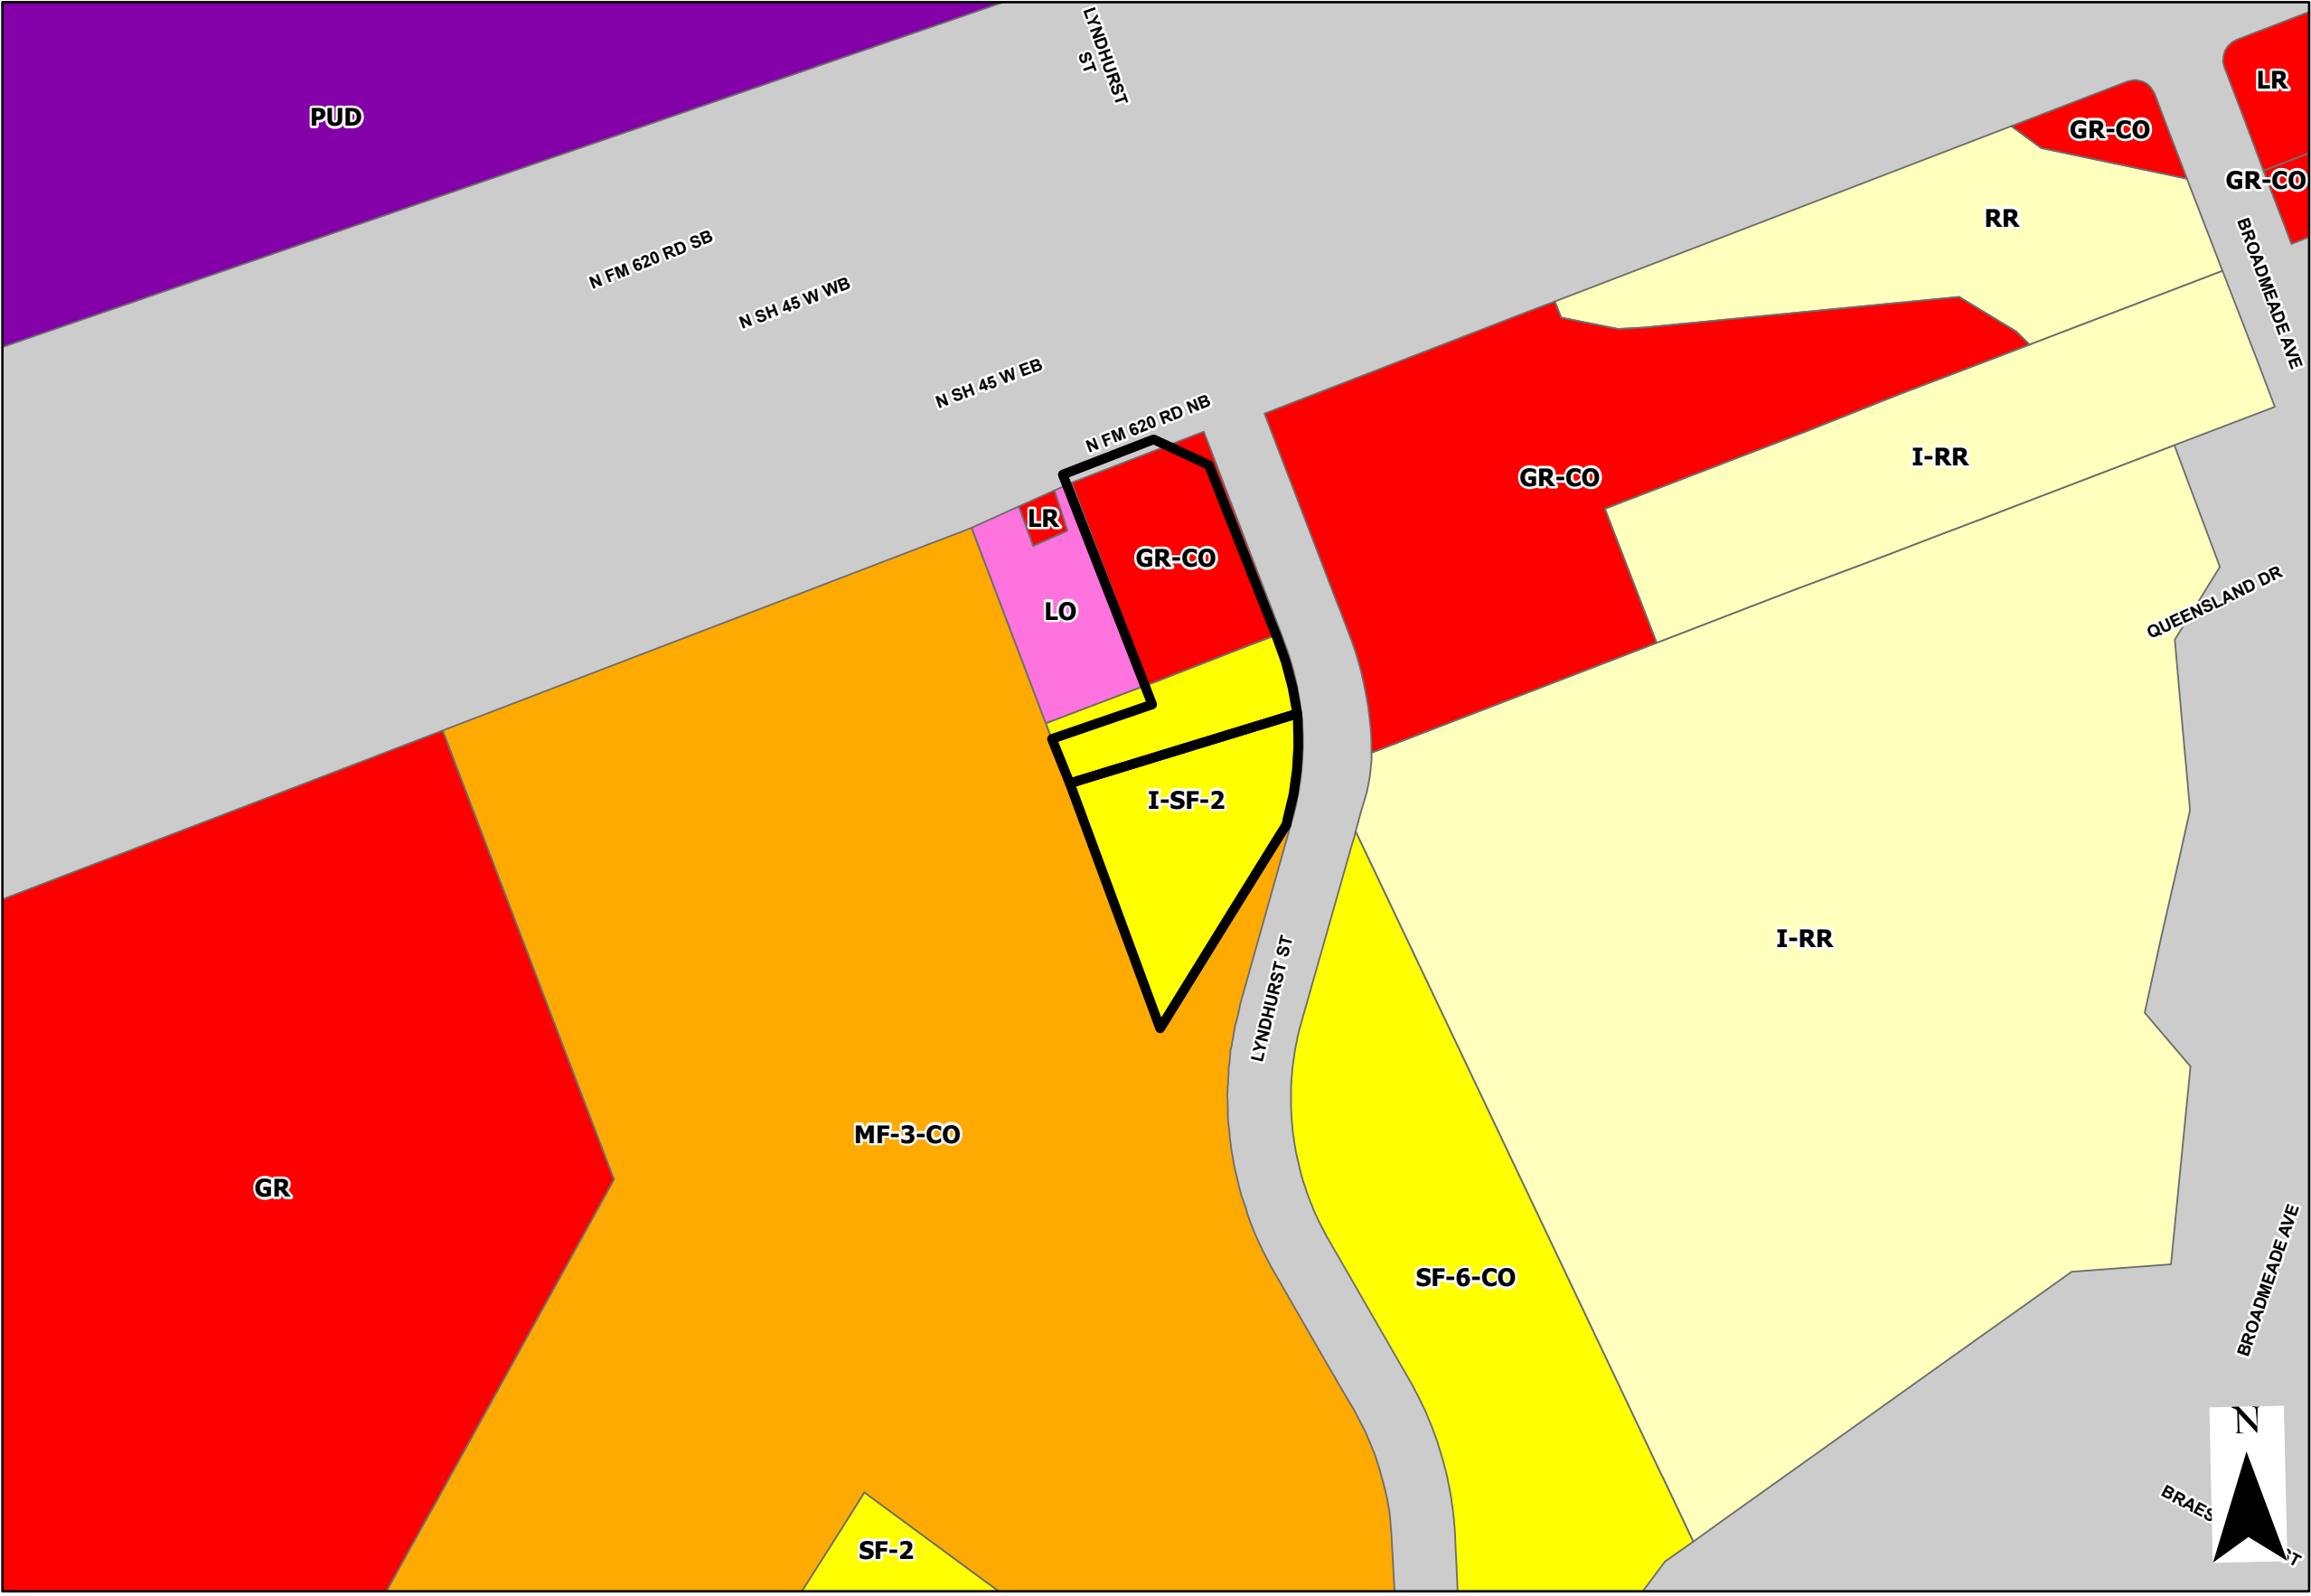

Please check the appropriate school district(s).

- ☐ Austin Independent School District
- ☐ Leander Independent School District
- ☐ Pflugerville Independent School District
- ☐ Hays County Independent School District
- ☐ Del Valle Independent School District
- ☒ Round Rock Independent School District
- ☐ Manor Independent School District

If an Educational Impact Statement (EIS) is required, please complete the Educational Impact Analysis (EIA) Part B.

If an Educational Impact Statement (EIS) is required, please complete the Educational Impact Analysis (EIA) Part B.

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website:

www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before the public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice. Correspondence and information submitted to the City of Austin are subject to the Texas Public Information Act (Chapter 552) and may be published online.

Daytime Telephone (Optional): 512-299-0019

Comments: I am the owner and 11-year resident of
#104 in Lakeline Square Townhomes, in the condominium
building closest to Tract 2 subject of the Case. This is
to point out that we are a residential area, whereas
the proposed new zoning CS-MU is "incompatible with
residential environments" per your statement!
I do not want increased noise and night lighting
next to my home.

Date: Wednesday, February 9, 2022 11:22:28 AM

*** External Email - Exercise Caution ***

Dear Ms. Sirwaitis,

Attached is our objection dated 2-9-22 to Case C14-2021-0155 scheduled for public hearing on Feb 15, 2022.

Text of our objection is as follows:

"We object on the grounds that we cannot obtain confirmation that the applicant will not ever store chemicals on this property across from an elementary school, adjacent to residential units, and near a creek which sustains a wildlife population. Requesting site overlay or other mechanism to ensure future chemical storage is prohibited."

Please confirm you have received this email.

Sincerely,
Anne Douglas

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to participate in a public hearing, you are not required to participate. This meeting will be conducted both online and in-person at which you will have the opportunity to speak FOR or AGAINST the proposed development or change. Contact the case manager for further information on how to participate in the public hearings. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

Staff is conducting a pilot program to receive case-related comments online which can be accessed through this link or QR code:
<https://bit.ly/ATXZoningComment>.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website: www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before the public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice. Correspondence and information submitted to the City of Austin are subject to the Texas Public Information Act (Chapter 552) and will be published online.

Re: File Number C14-2021-0155; Property at 13424 Lyndhurst Street

Letter of Opposition

Dear Ms. Sirwaitis,

The Neighborhood Association of Southwestern Williamson County (NASWC) opposes GR-MU Zoning on this property.

This stretch of Lyndhurst Street is a narrow paved country lane with no improvements such as curbs, gutters, or street lights, from its beginning near Parliament House Dr. and running four-tenths of a mile to the intersection of North FM 620 NB. At the southern part of the subject property, the street is less than 25 feet wide. This is a neighborhood landscape – not a commercial area.

Our concern is two-fold:

1) The potential for adverse environmental effects caused by the products used in Exterminating Services

Exterminating Services are prohibited on the GR-CO property on the corner across Lyndhurst Street. Storage and transporting of toxic materials associated with Exterminating Services pose a concern for environmental harm:

- a. to the Lake Creek Watershed and North Edwards Aquifer Recharge Zone. Lake Creek flows behind the street-side properties and along the side and front of Forest North Elementary School.
- b. to the school's outdoor track and playground which are directly across Lyndhurst St. from the subject property, and the street is less than 25-feet wide.

Re: File Number C14-20210155; Property at 13424 Lyndhurst Street

- c. to the residences along Lyndhurst and along Lake Creek as it flows through the neighborhoods downstream.
- d. to Lake Creek as it runs along Lake Creek Hike & Bike Trail, and on through Town & Country Sports Complex.
- e. to 270 species of birds¹, 21 species of reptiles², and numerous species of fish, amphibians, and other wildlife that make their home in and around Lake Creek.

2) Encroachment of GR farther into the residential neighborhood

Lyndhurst Street is part of a neighborhood, and zoning should reflect that. The subject property currently serves as a buffer between residential homes and the commercial zoning along FM 620.

GR zoning allows a broad range of commercial uses, many of which are not compatible placed next to residential homes, and will not protect or enhance this neighborhood.

We ask that the Commissioners please consider our concerns when reviewing this case. GR Zoning is not appropriate to this location; nor is the proposed Exterminating Services/ Pest Control use.

Thank you for your consideration.

Sincerely yours,

Bryan Finley
President, NASWC

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to participate in a public hearing, you are not required to participate. This meeting will be conducted both online and in-person at which you will have the opportunity to speak FOR or AGAINST the proposed development or change. Contact the case manager for further information on how to participate in the public hearings. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

Staff is conducting a pilot program to receive case-related comments online which can be accessed through this link or QR code:
<https://bit.ly/ATXZoningComment>

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website: www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before the public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice. Correspondence and information submitted to the City of Austin are subject to the Texas Public Information Act (Chapter 552) and will be published online.

Re: File Number C14-2021-0155; Property at 13424 Lyndhurst Street
Letter of Opposition #2

Dear Ms. Sirwaitis,

The Neighborhood Association of Southwestern Williamson County (NASWC) opposes CS-MU-CO Zoning on this property.

As explained in our Letter of Opposition dated February 11, 2022, while we agree with the Conditional Overlay, we consider GR to be too commercial a zoning district to place next to residences.

We are aware of the Applicant's amended application to request CS-MU-CO use on both parcels of the Lyndhurst property. CS allows a broader range of uses and would mean a more commercially dense development than GR. Even with the Conditional Overlay, we consider this zoning district also to be too commercial for this neighborhood location.

Allowing CS zoning district on this property would set a precedent for future zoning cases, bringing commercial and industrial uses farther into the neighborhood and placing such businesses next to residences.

Another concern would be property values, as this part of our neighborhood would appear to be more a commercial than a residential zone and would contribute to downgrading our neighborhood.

For these reasons, and the concerns expressed in our previous Letter of Opposition, we respectfully request that members of the Zoning & Platting Commission please consider our concerns and the concerns of our neighbors when reviewing this zoning request.

Thank you very much.

Sincerely,

Bryan Finley
President

NOTICE OF PUBLIC HEARING FOR REZONING

Mailing Date: March 18, 2022

Case Number: C14-2021-0155

Este aviso le informa de una audiencia pública tratando de un cambio de zonificación dentro de una distancia de 500 pies de su propiedad. Si usted desea recibir información en español, por favor llame al (512) 974-3531.

The City of Austin has sent this letter to inform you that we have received an application for rezoning of a property. We are notifying you because City Ordinance requires that all property owners within 500 feet, residents who have a City utility account address within 500 feet, and registered environmental or neighborhood organizations whose declared boundaries are within 500 feet be notified when the City receives an application.

Project Location:	13424 Lyndhurst Street, 13443 N FM 620 Road North Bound
Owner:	Naiser Holdings, LLC, (512) 454-7336
Applicant:	Thrower Design, A. Ron Thrower, (512) 476-6341

Proposed Zoning Change:

From: I-SF-2, GR-CO: I – Interim, a designation of annexed land. **SF-2 – Single-Family Residence (Standard Lot) district** is intended as an area for moderate density single-family residential use, with a minimum lot size of 5,750 square feet. This district is appropriate for existing single-family neighborhoods having moderate sized lot patterns, as well as for development of additional single-family housing areas with minimum land requirements. **GR – Community Commercial district** is intended for office and commercial uses serving neighborhood and community needs, including both unified shopping centers and individually developed commercial sites, and typically requiring locations accessible from major traffic ways. **CO – Conditional Overlay combining district** may be applied in combination with any base district. The district is intended to provide flexible and adaptable use or site development regulations by requiring standards tailored to individual properties.

To: CS-MU: CS – General Commercial Services district is intended predominately for commercial and industrial activities of a service nature having operating characteristics or traffic service requirements generally incompatible with residential environments. **MU – Mixed Use combining district** is intended for combination with selected base districts, in order to permit any combination of office, retail, commercial, and residential uses within a single development.

This application is scheduled to be heard by the **Zoning and Platting Commission** on **March 29, 2022**, beginning at **6:00 p.m.** The meeting will be held **in-person** at City Hall Council Chambers, 301 West 2nd Street and **online** viewable at <http://www.atxn.tv>.

To participate at this Public Hearing, you may either attend virtually by viewing the meeting online and registering to speak in advance or by going to City Hall at 301 West 2nd Street and attending in-person. For additional information on how to participate in the meeting, please contact the case manager listed below by email or phone or go to the Zoning and Platting Commission website: <http://www.austintexas.gov/content/zoning-and-platting-commission>.

If you have any questions concerning the zoning change application please contact, Sherri Sirwaitis of the Housing and Planning Department at 512-974-3047 or via email at sherri.sirwaitis@austintexas.gov and refer to the Case Number at the top right of this notice. For additional information on the City of Austin's land development process, please visit our web site at: www.austintexas.gov/planning.

You can find more information on this application by inserting the case number at the following website: <https://abc.austintexas.gov/web/permit/public-search-other>.
