

Kitchen - Direction

The City Manager is directed to consult with Capital Metro, Austin Transit Partnership, the Community Advisory Committee, and other community stakeholders as appropriate to evaluate the potential expansion of the ATP Board of Directors to up to nine voting members. The purpose is to transparently consider the ATP board structure to best achieve the purpose of building out and implementing a transformative, equitable Project Connect in collaboration with the City of Austin, Capital Metro, ATP, CAC and the community. The City Manager is directed to bring a consensus recommendation back to the City Council for possible action.
