Joi and Sherri –

I apologize as I didn't realize that I hadn't made known our intention to indefinitely PP again.

Below is an email that I sent to several neighborhood people after one had reached out to me about this case and any changes.

We are requesting indefinite postponement of this case.

Hello –

As you may recall, the rezoning case for this property was indefinitely postponed in December of 2021, case #C14-2021-0091.

Action must be taken to extend the indefinite postponement beyond 180 days and therefore, we will request another indefinite PP of Council at the May 5th City Council hearing.

Nothing has changed regarding the original zoning case or the proposed Affordability

Unlocked/multifamily development at this site. The case is appearing on the agenda as a formality and we are not asking Council to discuss the case or to take action to approve or deny the request for rezoning at this time.

Please do not hesitate to reach out to me if you have any questions.
Thank you for your time.
