

DRAFT

CM Fuentes Amendment 2

Incentivize E-bike Infrastructure in Systematically Excluded Areas  
Item 59 – June 9 –Accelerate Adoption of Electric Bicycle Ownership,  
Access, and Usage by Austin Residents

Amend the numbering on line 70 and include the following:

4. 5. Expand community outreach citywide, **including in the Eastern Crescent**, to increase opportunities to test ride e-bikes, improve awareness of financial resources for e-bike purchases, and share information on the MetroBike system and its e-bikes available for rent and on the City's bike infrastructure network.
