

Harper-Madison Amendment #1 Item 66

Amend lines 78 and 77 as follows, and renumber accordingly:

- c. Include options for compatibility setback distances of 25', 50', and 100' to reach 65' of height and distances of 100', 150', and 200' to reach 90' of height, with an accompanying analysis of the affordable housing capacity yield created by each option; and
