DATE: June 16, 2022

SUBJECT: **Correction:** Past Council Action to RCA for Items #5 and #57 for the June 16, 2022

This memo provides corrections to the “Prior Council Action” section of Request for Council Actions on June 16, 2022 for [Agenda Item #5](#) and [Agenda Item #57](#) regarding annual actions related to the Downtown Public Improvement District (DPID).

In both, the “Prior Council Action” section should be updated to reflect action taken by City Council related to [Agenda Item #10](#) last week on June 9, 2022. City Council authorized staff to negotiate terms of a management contract with Austin DMO, Inc. dba Downtown Austin Alliance for the management of services funded by the DPID for a period of five years. Staff will return for Council authority to execute the negotiated management agreement at a future Council agenda.
