Hi Heather,

We're concerned homeowners in Pioneer Crossing East, our house is located right next to the upcoming housing development on sprinkle cut-off road. (case # C14-2022-0014)

Being at this location, we witnessed several car accidents on this road, including an unfortunate death. We are excited to see Austin's growth and more housing opportunities but at the same time worried about the condition of Sprinkle Cut-Off Road not being able to handle the traffic volume. Additionally, it does not have any type of sidewalk for pedestrians and is extremely dangerous for all the neighbors in the surrounding communities.

We wanted to share this concern with you before the upcoming hearing.

Best,

Yuhsin Yang
