

1 **RESOLUTION NO.**

2 **WHEREAS**, on July 28, 2022, City Council approved Resolution No.  
3 20220728-069 finding the use of the Competitive Sealed Proposal (the “CSP”)  
4 method of contracting, as authorized by Subchapter D, Chapter 2269 of the Texas  
5 Government Code, was the project delivery method that provides the best value to  
6 the City related to the development of park improvements for the Rainey Street  
7 Trailhead project (the “Project”) and authorizing negotiation and execution of a  
8 Parkland Improvement and Maintenance Agreement with the Trail Foundation for a  
9 total contract amount not to exceed \$778,865.00; and

10 **WHEREAS**, the CSP method allows evaluation of not just price but a  
11 contractor's successful experience in coordinating, phasing, performing, and  
12 completing construction activities for public facilities, as well as the opportunity to  
13 compare contractors’ experience completing like projects on time and within budget  
14 of all proposals received, to determine the best value to the City; and

15 **WHEREAS**, Council has determined that assigning a lower weighted value  
16 to price in the selection criteria related to the Project is in the public interest;

17 **NOW, THEREFORE,**

18 **BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:**

19 Resolution No. 20220728-069 is amended by adding a determination that  
20 assigning a lower weighted value to price in the selection criteria related to the  
21 Project is in the public interest and assigning a price weighted value of 36.9 percent  
22 of the total weighted value of all selection criteria related to the development of the  
23 Project.
