

CM Kitchen MOTION SHEET

Amendment to Vela Substitute to Resolution regarding License Plate Reader Program

Motion: I move to amend the resolution as follows:

Add a new item #12) to the first Be It Resolved:

12). Best practice data security provisions including, but not limited to:

- Role-based access to limit database access to specific officers who must sign an agreement to operate within policies subject to disciplinary action;
- Designation of a Security Officer with responsibility for receiving daily alerts on attempts to log in and/or access data that is not permitted, and for regularly monitoring access to data stored under this provision; and
- Other best practice provisions related to data security for data storage, including the most secure options available for maintaining data.

The City Manager is directed to consult with the City of Austin Security Officer in the development of these provisions.
