
REQUESTING DEPARTMENT: Neighborhood Planning and Zoning

DIRECTOR’S AUTHORIZATION: Greg Guernsey
ZONING CHANGE REVIEW SHEET

CASE: C14-04-0178

ADDRESS: 10816 Crown Colony Drive

APPLICANT: Rick M. Monroe

ZONING FROM: I-SF-2 TO: LR

AREA: 0.700 acres (30,492 square feet)

SUMMARY STAFF RECOMMENDATION:

The staff's recommendation is to grant neighborhood commercial (LR) district zoning.

ZONING AND PLATTING COMMISSION RECOMMENDATION:

December 7, 2004: APPROVED LR-CO DISTRICT ZONING, WITH THE CO PROHIBITING DRIVE-IN SERVICES; BY CONSENT

[JM, JG - 2ND] (8-0) CH - INELIGIBLE TO VOTE

ISSUES:

None at this time.

DEPARTMENT COMMENTS:

The subject rezoning area consists of one platted lot that is developed with an 8,400 square foot, two-story building that includes offices and a beauty salon and spa, and has carried interim - rural residence (I-RR) district zoning since its annexation on December 31, 2003. The lot takes direct access to Crown Colony Drive and driveway access also occurs through adjacent properties to Boca Raton Drive and to the northbound IH-35 frontage road. The property is surrounded to the north and south by other commercial development that serves residents of the Onion Creek subdivision, including two service stations with convenience stores, two dry cleaning pick-up facilities and a bank (all zoned I-SF-2). Please refer to Exhibits A (Zoning Map), A-1 (Aerial View) and B (Recorded Plat).

The applicant proposes to zone the lot to the neighborhood commercial (LR) district to be consistent with the existing uses (a beauty salon is a personal services use and first allowed in the LR district). LR zoning is appropriate in proximity to the IH-35 northbound frontage road, and is consistent with the existing development and the types of land uses that have been established between Onion Creek Parkway and Crown Colony Drive. Furthermore, commercial zoning will establish a transition between the IH-35 frontage road and residential component of the Onion Creek development.

CS-MU for Tract 1; MF-3 for Tract 2
TIA and the CO is for list of prohibited uses for Tract 1; MF-2 with conditions of the TIA for Tract 2
by Commission (5-6-04).

I-RR to CS (Upon Annexation)
To grant CS-CO with conditions of the TIA and the CO is for list of prohibited uses
Approved CS-CO as recommended by Commission (5-6-04).

I-RR to CS
To Grant CS-CO for Tract 1; GR-CO for Tract 2, with conditions. CO is for list of prohibited uses; and prohibit access to Old San Antonio Road. Restrictive Covenant for the Traffic Impact Analysis.
Approved CS-CO; GR-CO as recommended by Commission (12-11-03).

I-RR to MF-2
To Grant MF-2-CO with CO for 25' setback along the south and southeast property lines adjacent to residential properties and conditions of the TIA; RR for the flood plain
Approved MF-2-CO as recommended by Commission (2-8-01)

RELATED CASES:

The subject property is platted as Lot 4 of Onion Creek Section 4D (C8-79-52.1(82)). Please refer to Exhibit B.

A northwest triangular portion of the property previously carried “O-1”, Office, First Height and Area district zoning with an attached site plan (approved on December 15, 1983 by C14r-83-209). The property was disannexed in 1989 which voided the Office zoning and the attached zoning site plan. (For information, “O-1” converted to LO, Limited Office district by the 1984 Conversion Ordinance.)

Lot 4 was annexed into the Full-Purpose Jurisdiction on December 31, 2003 along with other portions of the Onion Creek development.

SUMMARY STAFF RECOMMENDATION:

The staff’s recommendation is to grant neighborhood commercial (LR) district zoning.

BACKGROUND

The subject rezoning area consists of one platted lot that is developed with an 8,400 square foot, two-story building that includes offices and a beauty salon and spa, and has carried interim - rural residence (I-RR) district zoning since its annexation on December 31, 2003. The lot takes direct access to Crown Colony Drive and driveway access also occurs through adjacent properties to Boca Raton Drive and to the northbound IH-35 frontage road. The property is surrounded to the north and south by other commercial development that serves residents of the Onion Creek subdivision, including two service stations with convenience stores, two dry cleaning pick-up facilities and a bank (all zoned I-SF-2).

The applicant proposes to zone the lot to the neighborhood commercial (LR) district to be consistent with the existing uses (a beauty salon is a personal services use and first allowed in the LR district). LR zoning is appropriate in proximity to the IH-35 northbound frontage road, and is consistent with the existing development and the types of land uses that have been established between Onion Creek Parkway and Crown Colony Drive. Furthermore, commercial zoning will establish a transition between the IH-35 frontage road and residential component of the Onion Creek development.

BASIS FOR LAND USE RECOMMENDATION (ZONING PRINCIPLES)

1. The proposed zoning should be consistent with the purpose statement of the district sought.

   The LR, Neighborhood Commercial district is intended for shopping facilities that provide limited business services and offices to the residents of the neighborhood, such as consumer repair services, food sales, service stations, and pet services. The purpose statement listed in the City of Austin Land Development Code states: “The Neighborhood Commercial district is the designation for a commercial use that provides business service and office facilities for the residents of a neighborhood. Site development regulations and performance standards applicable to a LR district use are designed to ensure that the use is compatible and complementary in scale and appearance with the residential environment.”

   The site borders on the established Onion Creek neighborhood to the east and primarily serves this neighborhood.

2. Zoning changes should promote an orderly and compatible relationship among land uses.

   LR zoning is appropriate in proximity to the IH-35 northbound frontage road, and is consistent with the existing development and the types of land uses that have been established between Onion Creek Parkway and Crown Colony Drive. Furthermore, commercial zoning will establish a transition between the IH-35 frontage road and residential component of the Onion Creek development.
EXISTING CONDITIONS

Site Characteristics

The rezoning area is developed with a 2-story building that includes office space and a beauty salon and spa with an associated fitness center and there appear to be no significant topographical constraints on the site.

Impervious Cover

The maximum impervious cover allowed by the LR district would be 80% which is a consistent figure between the zoning and watershed regulations.

Environmental

The site is not located over the Edward's Aquifer Recharge Zone. The site is in the Onion Creek Watershed of the Colorado River Basin, which is classified as a Suburban Watershed by Chapter 25-8 of the City's Land Development Code. Under current watershed regulations, development or redevelopment on this site will be subject to the following impervious cover limits:

<table>
<thead>
<tr>
<th>Development Classification</th>
<th>% of Net Site Area</th>
<th>% with Transfers</th>
</tr>
</thead>
<tbody>
<tr>
<td>Single-Family (minimum lot size 5750 sq. ft.)</td>
<td>50%</td>
<td>60%</td>
</tr>
<tr>
<td>Other Single-Family or Duplex</td>
<td>55%</td>
<td>60%</td>
</tr>
<tr>
<td>Multifamily</td>
<td>60%</td>
<td>70%</td>
</tr>
<tr>
<td>Commercial</td>
<td>80%</td>
<td>90%</td>
</tr>
</tbody>
</table>

In the Water Quality Transition Zones, impervious cover is limited to 30%.

According to flood plain maps, there is no flood plain in, or within close proximity of, the project location.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

Under current watershed regulations, development or redevelopment on this site will be subject to the following water quality control requirements:

Structural controls: Sedimentation and filtration basins with increased capture volume and 2 year detention.

TPSD Right-of-Way

The scope of this review is limited to the identification of needs for dedication and/or reservation of right-of-way for funded Capital Improvement Program (C.I.P.) Roadway Construction Projects and Transportation Systems Management (T.S.M.) Projects planned for implementation by the City of Austin. No aspect of the proposed project is being considered or approved with this review other than the need for right-of-way for City projects. There are separate right-of-way dedication and reservation requirements enforced by other Departments and other jurisdictions to secure right-of-way for roadway improvements contained in the Austin Metropolitan Area Roadway Plan, roadway
projects funded by County and State agencies, and for dedication in accordance with the functional classification of the roadway.

We have reviewed the proposed zoning case and anticipate no additional requirement for right-of-way dedication or reservation for funded C.I.P. or T.S.M. projects at this location.

**Transportation**

Additional right-of-way may be required at time of site plan.

The trip generation under the requested zoning is estimated to be 2,000 trips per day, assuming that the site develops to the maximum intensity allowed under the zoning classification (without consideration of setbacks, environmental constraints, or other site characteristics).

A traffic impact analysis was not required for this case because the traffic generated by the proposed zoning does not exceed the threshold of 2,000 vehicle trips per day. [LDC, 25-6-113]

**Water and Wastewater**

The landowner intends to serve the site with City water and wastewater utilities. If water or wastewater utility improvements, or offsite main extension, or system upgrades, or utility relocation, or adjustment are required, the landowner, at own expense, will be responsible for providing. Also, the utility plan must be reviewed and approved by the Austin Water Utility. The plan must be in accordance with the City utility design criteria.

**Compatibility Standards**

There is an existing zoning site plan on this property (C14 r-83-209) which provides for 8,214 square feet of office uses, along with associated parking and drainage. This tract is already developed and the proposed zoning change is a footprint with the existing development. Any new construction on this site would be subject to compatibility development regulations due to the existing I-SF-2 residential property to the southeast.
ORDINANCE NO. ___

AN ORDINANCE ESTABLISHING INITIAL PERMANENT ZONING FOR THE PROPERTY LOCATED AT 10816 CROWN COLONY DRIVE AND CHANGING THE ZONING MAP FROM INTERIM SINGLE FAMILY RESIDENCE STANDARD LOT (I-SF-2) DISTRICT TO NEIGHBORHOOD COMMERCIAL-CONDITIONAL OVERLAY (LR-CO) COMBINING DISTRICT.

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF AUSTIN:

PART 1. The zoning map established by Section 25-2-191 of the City Code is amended to change the base district from interim single family residence standard lot (I-SF-2) district to neighborhood commercial-conditional overlay (LR-CO) combining district on the property described in Zoning Case No. C14-04-0178, on file at the Neighborhood Planning and Zoning Department, as follows:

Lot 4, Onion Creek Section 4D Subdivision, a subdivision in the City of Austin, Travis County, Texas, according to the map or plat of record in Plat Book 83, Pages 55C-55D, of the Plat Records of Travis County, Texas, (the “Property”) locally known as 10816 Crown Colony Drive, in the City of Austin, Travis County, Texas, and generally identified in the map attached as Exhibit “A”.

PART 2. The Property within the boundaries of the conditional overlay combining district established by this ordinance is subject to the following conditions:

Drive-in service is prohibited as an accessory use to a commercial use.

Except as specifically restricted under this ordinance, the Property may be developed and used in accordance with the regulations established for the neighborhood commercial (LR) base district and other applicable requirements of the City Code.
PART 3. This ordinance takes effect on _________________, 2005.
