---

This contract is for the purchase of a 24-foot patrol/rescue boat manufactured by Brunswick for the Park Police lake patrol officers. It will be equipped with twin 200-horsepower, gasoline-powered outboard engines manufactured by Yamaha. The boat is designed and equipped to provide access for water rescue and recovery procedures, emergency lights, and sirens. The estimated delivery is 90 days.

As part of the new fleet acquisition process, the request for this additional boat has been reviewed and approved by the Fleet Officer as appropriate equipment for the intended use. This request has also been approved by the Assistant City Manager.

The boat and engines are under contract with the Texas Building and Procurement Commission, through the Texas Multiple Award Schedule cooperative purchasing program to supply patrol and rescue boats statewide as a result of a competitively awarded process used by the federal government.
