SECTION 4: TERMS OF PAYMENT - PAYING AGENT/REGISTRAR. The principal of, premium, if any, and the interest on the Bonds, due and payable by reason of maturity or otherwise, shall be payable only to the registered owners or holders of the Bonds (hereinafter called the "Holders") appearing on the registration and transfer books maintained by the Paying Agent/Registrar and the payment thereof shall be in any coin or currency of the United States of America, which at the time of payment is legal tender for the payment of public and private debts, and shall be without exchange or collection charges to the Holders.

The selection and appointment of JPMorgan Chase Bank, National Association, Dallas, Texas to serve as Paying Agent/Registrar for the Bonds is hereby approved and confirmed. Books and records relating to the registration, payment, transfer and exchange of the Bonds (the "Security Register") shall at all times be kept and maintained on behalf of the City by the Paying Agent/Registrar as provided herein and in accordance with the terms and provisions of a "Paying Agent/Registrar Agreement", substantially in the form attached hereto as Exhibit B, and such reasonable rules and regulations as the Paying Agent/Registrar and the City may prescribe. The City Manager and City Clerk are authorized to execute and deliver such Paying Agent/Registrar Agreement (substantially in the form of Exhibit B attached hereto). The City covenants to maintain and provide a Paying Agent/Registrar at all times until the Bonds are paid and discharged, and any successor Paying Agent/Registrar shall be a bank, trust company, financial institution or other entity qualified and authorized to serve in such capacity and perform the duties and services of Paying Agent/Registrar. Upon any change in the Paying Agent/Registrar for the Bonds, the City agrees to promptly cause a written notice thereof to be sent to each Holder by United States Mail, first class postage prepaid, which notice shall also give the address of the new Paying Agent/Registrar.

Principal of and premium, if any, on the Bonds shall be payable at the Stated Maturities or redemption thereof, only upon presentation and surrender of the Bonds to the Paying Agent/Registrar at its designated offices in Dallas, Texas (the "Designated Payment/Transfer Office"). Interest on the Bonds shall be paid to the Holders whose names appear in the Security Register at the close of business on the Record Date (the last business day of the month next preceding each interest payment date), and such interest shall be paid by the Paying Agent/Registrar (i) by check sent United States Mail, first class postage prepaid, to the address of the Holder recorded in the Security Register or (ii) by such other method, acceptable to the Paying Agent/Registrar, requested by, and at the risk and expense of, the Holder. If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, a legal holiday, or a day when banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/ Registrar is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding day which is not such a Saturday, Sunday, legal holiday, or day when banking institutions are authorized to close; and payment on such date shall have the same force and effect as if made on the original date payment was due.

In the event of a non-payment of interest on one or more maturities on a scheduled payment date, and for thirty (30) days thereafter, a new record date for such interest payment for such maturity or maturities (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from

the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder of such maturity or maturities appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

SECTION 5: REDEMPTION. (a) Optional Redemption. The Bonds having Stated Maturities on and after May 15, 2016, shall be subject to redemption prior to maturity, at the option of the City, in whole or in part in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/ Registrar), on November 15, 2015 or on any date thereafter at the redemption price of par plus accrued interest to the date of redemption.

(b) Exercise of Redemption Option. At least forty-five (45) days prior to a redemption date for the Bonds (unless a shorter notification period shall be satisfactory to the Paying Agent/Registrar), the City shall notify the Paying Agent/Registrar of the decision to redeem Bonds, the principal amount of each Stated Maturity to be redeemed, and the date of redemption therefor. The decision of the City to exercise the right to redeem Bonds shall be entered in the minutes of the governing body of the City.

(c) Selection of Bonds for Redemption. If less than all Outstanding Bonds of the same Stated Maturity are to be redeemed on a redemption date, the Paying Agent/Registrar shall treat such Bonds as representing the number of Bonds Outstanding which is obtained by dividing the principal amount of such Bonds by \$5,000 and shall select the Bonds to be redeemed within such Stated Maturity by lot.

(d) Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Bonds, a notice of redemption shall be sent by United States Mail, first class postage prepaid, in the name of the City and at the City's expense, to each Holder of a Bond to be redeemed in whole or in part at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder.

All notices of redemption shall (i) specify the date of redemption for the Bonds, (ii) identify the Bonds to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price (iv) state that the Bonds, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified, and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, and (v) specify that payment of the redemption price for the Bonds, or the principal amount thereof to be redeemed, shall be made at the Designated Payment/Transfer Office of the Paying Agent/ Registrar only upon presentation and surrender thereof by the Holder. If a Bond is subject by its terms to prior redemption and has been called for redemption and notice of redemption thereof has been duly given or waived as herein provided, such Bond (or the principal amount thereof to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after the redemption date therefor, provided moneys sufficient for the payment of such Bonds (or of the principal amount thereof to be redeemed) at the then applicable redemption price are held for the purpose of such payment by the Paying Agent/Registrar.

SECTION 6: REGISTRATION-TRANSFER-EXCHANGE OF BONDS-PREDECESSOR BONDS. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each registered owner of the Bonds issued under and pursuant to the provisions of this Ninth Supplement. Any Bond may, in accordance with its terms and the terms hereof, be transferred or exchanged for Bonds of other authorized denominations upon the Security Register by the Holder, in person or by his duly authorized agent, upon surrender of such Bond to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/ Registrar.

Upon surrender for transfer of any Bond (other than the Initial Bonds authorized in Section 9 hereof) at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds executed on behalf of, and furnished by, the City of authorized denominations and having the same Stated Maturity and of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds (other than the Initial Bonds authorized in Section 9 hereof) may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the Designated Payment/Transfer Office of the Paying Agent/ Registrar. Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds, executed on behalf of, and furnished by, the City, to the Holder requesting the exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be delivered at the Designated Payment/Transfer Office of the Paying Agent/Registrar, or sent by United States Mail, first class postage prepaid, to the Holder and, upon the delivery thereof, the same shall be valid obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Ninth Supplement, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds canceled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the Bond or Bonds registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Bonds" shall include any mutilated, lost, destroyed, or stolen Bond for which a replacement Bond has been issued, registered and delivered in lieu thereof pursuant to Section 19 hereof and such new replacement Bond shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption, in whole or in part, within 45 days of the date fixed for redemption of such Bond; provided, however, such limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

SECTION 7: BOOK-ENTRY ONLY TRANSFERS AND TRANSACTIONS.

Notwithstanding the provisions contained in Sections 4, 5 and 6 hereof relating to the payment, and transfer/exchange of the Bonds, the City hereby approves and authorizes the use of "Book-Entry Only" securities clearance, settlement and transfer system provided by The Depository Trust Company (DTC), a limited purpose trust company organized under the laws of the State of New York, in accordance with the operational arrangements referenced in the Blanket Issuer Letter of Representation, by and between the City and DTC (the "Depository Agreement").

Pursuant to the Depository Agreement and the rules of DTC, the Bonds shall be deposited with DTC, who shall hold said Bonds for its participants (the "DTC Participants"). While the Bonds are held by DTC under the Depository Agreement, the Holder of the Bonds on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Bond (the "Beneficial Owners") being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Bonds or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general or the City determines that DTC is incapable of properly discharging its duties as securities depository for the Bonds, the City covenants and agrees with the Holders of the Bonds to cause Bonds to be printed in definitive form and provide for the Bond certificates to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. Thereafter, the Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Bonds shall be made in accordance with the provisions of Sections 4, 5 and 6 hereof.

SECTION 8: EXECUTION - REGISTRATION. The Bonds shall be executed on behalf of the City by the Mayor under its seal reproduced or impressed thereon and countersigned by the City Clerk. The signature of said officers on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the Bond Date shall be deemed to be duly executed on behalf of the City, notwithstanding that such individuals or either of them shall cease to hold such offices at the time of delivery of the Bonds to the initial purchaser(s) and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in V.T.C.A., Government Code, Chapter 1201.

No Bond shall be entitled to any right or benefit under this Ninth Supplement, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Section 10C, manually executed by the Comptroller of Public Accounts of the State of Texas or his or her duly authorized agent, or a certificate of registration substantially in the form provided in Section 10D, manually executed by an authorized officer, employee or representative of the Paying Agent/ Registrar, and either such certificate upon any Bond duly signed shall be conclusive evidence, and the only evidence, that such Bond has been duly certified, registered and delivered.

SECTION 9: INITIAL BONDS. The Bonds herein authorized shall be initially issued either (i) as a single fully registered bond in the total principal amount referenced in Section 2 hereof with principal installments to become due and payable as provided in Section 3 hereof and numbered T-1, or (ii) as multiple fully registered bonds, being one bond for each stated maturity in the applicable principal amount and denomination and to be numbered consecutively from T-1 and upward (hereinafter called the "Initial Bonds"). In either case, the Initial Bonds shall be registered in the name of the initial purchaser(s) or the designee thereof. The Initial

Bonds shall be the Bonds submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Bonds, the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial Bonds delivered hereunder and exchange therefor definitive Bonds of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the initial purchaser(s), or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

SECTION 10: FORMS. A. Forms Generally. The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Certificate of Registration, and the form of Assignment to be printed on each of the Bonds, shall be substantially in the forms set forth in this Section with such appropriate Insertions, omissions, substitutions, and other variations as are permitted or required by this Ninth Supplement and may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including insurance legends in the event the Bonds, or any maturities thereof, are purchased with insurance and any reproduction of an opinion of counsel) thereon as may, consistently herewith, be established by the City or determined by the officers executing such Bonds as evidenced by their execution thereof. Any portion of the text of any Bonds may be set forth on the reverse thereof, with an appropriate reference thereto on the face of the Bond.

The holder hereof shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

Subject to satisfying the terms and conditions prescribed therefor, the City has reserved the right to issue additional revenue obligations payable from and equally and ratably secured by a parity lien on and pledge of the Net Revenues of the Water/Wastewater System, in the same manner and to the same extent as the Bonds.

The City and the Paying Agent/Registrar, and any agent of either, may treat the registered owner hereof whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest hereon, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal hereof at its Stated Maturity, or its redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of non-payment of interest on a scheduled payment date and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is hereby certified, recited, represented and covenanted that the City is a duly organized and legally existing municipal corporation under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Bonds is duly authorized by law; that all acts, conditions and things required to exist and be done precedent to and in the issuance of the Bonds to render the same lawful and valid obligations of the City have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas, and the Ordinances; that the Bonds do not exceed any constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Bonds by a pledge of the Net Revenues of the Water/Wastewater System as aforesated. In case any provision in this Bond or any application thereof shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any way be affected or impaired thereby. The terms and provisions of this Bond and the Ordinances shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be duly executed under the official seal of the City as of the Bond Date.

SECTION 11: CRITERIA FOR ISSUANCE OF PARITY WATER/WASTEWATER OBLIGATIONS. The City has provided certain criteria and established certain covenants and agreements in relation to the issuance of Parity Water/Wastewater Obligations of the Water/Wastewater System pursuant to the Master Ordinance and Prior Supplements. This Ninth Supplement provides for the authorization, issuance, sale, delivery, form, characteristics, provisions of payment, and security of the Bonds which are Parity Water/Wastewater Obligations. The Master Ordinance is incorporated herein by reference and made a part hereof for all purposes, except to the extent modified and supplemented hereby, and the Bonds are hereby declared to be Parity Water/Wastewater Obligations under the Master Ordinance and Prior Supplements. The City hereby determines that it will have sufficient funds to meet the financial obligations of the Water/Wastewater System, including sufficient Net Revenues to pay the Annual Debt Service Requirements of the Bonds and the Previously Issued Parity Water/Wastewater Obligations and to meet all financial obligations of the City relating to the Water/Wastewater System.

SECTION 12: PLEDGE. Subject to the prior claim on and lien on the Net Revenues of the Water/Wastewater System to the payment and security of the Prior First Lien Obligations currently Outstanding, including the funding and maintenance of the special funds established and maintained for the payment and security of such Prior First Lien Obligations, the Net Revenues of the Water/Wastewater System are hereby pledged to the payment of the Bonds, and the Bonds, together with the Prior Subordinate Lien Obligations, the Previously Issued Separate Lien Obligations and the Previously Issued Parity Water/Wastewater Obligations currently Outstanding, shall be equally and ratably secured by a parity lien on and pledge of the Net Revenues of the Water/Wastewater System in accordance with the terms of the Master Ordinance and this Ninth Supplement. Additionally, the Bonds and the Previously Issued Parity Water/Wastewater Obligations shall be equally and ratably secured by a lien on the funds, if any, deposited to the credit of the Debt Service Fund and Reserve Fund in accordance with the terms of the Master Ordinance, the Prior Supplements and this Ninth Supplement. It is hereby ordained that the Parity Water/Wastewater Obligations, and the interest thereon, shall constitute a lien on the Net Revenues of the Water/Wastewater System and be valid and binding and fully perfected from and after the date of adoption of this Ninth Supplement without physical delivery or transfer or transfer of control of the Net Revenues, the filing of this Ninth Supplement or any other act, all as provided in Chapter 1208 of the Texas Government Code. The owners of the Parity Water/Wastewater Obligations shall never have the right to demand payment out of funds

raised or to be raised by taxation, or from any source other than specified in the Master Ordinance, the Prior Supplements and this Ninth Supplement.

Section 1208, Government Code, applies to the issuance of the Bonds and the pledge of the Net Revenues of the Water/Wastewater System granted by the City under this Section 12, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are Outstanding such that the pledge of the Net Revenues of the Water/Wastewater System granted by the City under this Section 12 is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business & Commerce Code and enable a filing to perfect the security interest in said pledge to occur.

SECTION 13: DEBT SERVICE FUND. By reason of the issuance of the Bonds, the City need not establish any special accounts within the Debt Service Fund and following the delivery of the Bonds, the City hereby agrees and covenants that in addition to the deposits for the payment of the Previously Issued Parity Water/Wastewater Obligations there shall be deposited to the credit of the Debt Service Fund an amount equal to one hundred per cent (100%) of the amount required to fully pay the interest on and principal of the Bonds falling due on or before each maturity, mandatory redemption date and interest payment date, and such deposits shall be made in substantially equal monthly amounts on or before the 14th day of each month beginning on or before the 14th day of the month next following the month the Bonds are delivered to the initial purchaser.

The required monthly deposits to the Debt Service Fund for the payment of principal of and interest on the Bonds shall continue to be made in the manner provided herein until such time as (i) the total amount on deposit in the Debt Service Fund is equal to the amount required to fully pay and discharge all Parity Water/Wastewater Obligations then Outstanding or (ii) the Bonds are no longer outstanding, *i.e.*, fully paid as to principal and interest or all the Bonds have been refunded.

Accrued interest received from the initial purchaser(s) of the Bonds shall be deposited in the Debt Service Fund, and shall be taken into consideration and reduce the amount of the monthly deposits that would otherwise be required to be deposited to the credit of such Debt Service Fund from the Net Revenues of the Water/Wastewater System.

SECTION 14: RESERVE FUND. In accordance with the provisions of the Prior Supplements authorizing the issuance of the Previously Issued Water/Wastewater Obligations, the amount currently on deposit to the credit of the Reserve Fund is \$29,632,806.96 (the "Current Reserve"), which Current Reserve is funded in full with surety bonds issued by (i) MBIA Insurance Corporation in the amounts of \$3,649,128 and \$4,339,756.24, (ii) Financial Security Assurance Inc. ("FSA") in the amounts of \$7,737,801.29, \$1,938,219 and \$2,840,932.12 and (iii) Ambac Assurance Corporation in the amount of \$3,580,911. By reason of the issuance of the Bonds, the Required Reserve Amount been recalculated and determined to be less than the Current Reserve. Therefore, no additional deposits are required to be made to the Reserve Fund by reason of the issuance of the Bonds.

The provisions of Section 8 of the Master Ordinance relating to the Reserve Fund, particularly paragraphs (b), (c) and (d) thereof, are hereby incorporated by reference and made a part hereof as if the same were restated in full in this Section, and to the extent of any conflict between the provisions of said Section 8 and the provisions hereof with respect to draws on

any Credit Agreement and the reinstatement of the full amount afforded by Credit Agreement, the provisions of the Prior Supplements with respect to such Credit Agreement and such Credit Agreement shall govern. Furthermore, in accordance with Section 10(d) of the Master Ordinance, the City Council hereby finds that the Gross Revenues will be sufficient to meet the obligations of the Water/Wastewater System, including sufficient Net Revenues to satisfy the Annual Debt Service Requirements of Parity Water Wastewater Obligations currently Outstanding and the financial obligations of the City under any Credit Agreement entered into with the above named surety bond providers.

SECTION 15: PAYMENT OF BONDS. On or before the first scheduled interest payment date, and on or before each interest payment date and principal payment date thereafter while any of the Bonds are Outstanding, the City shall cause an amount to be transferred to the Paying Agent/Registrar in immediately available funds from the Debt Service Fund and Reserve Fund, if necessary, sufficient to pay such interest on and such principal amount of the Bonds, as shall become due on such dates, respectively, at maturity or by redemption prior to maturity. The Paying Agent/Registrar shall destroy all paid Bonds and furnish the City with an appropriate certificate of cancellation or destruction.

SECTION 16: COVENANTS TO MAINTAIN TAX-EXEMPT STATUS. (a) Definitions. When used in this Section 16, the following terms have the following meanings:

"Closing Date" means the date on which the Bonds are first authenticated and delivered to the Underwriters against payment therefor.

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"Computation Date" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

"Investment" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Nonpurpose Investment" means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

"Rebate Amount" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Regulations" means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1986, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

"Yield" of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations and (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) **Not to Cause Interest to Become Taxable.** The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) **No Private Use or Private Payments.** Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(1) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds (including property financed with Gross Proceeds of the Refunded Bonds), and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(2) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds (including property financed with Gross Proceeds of the Refunded Bonds), other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) **No Private Loan.** Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(e) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(1) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last Outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(2) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(3) As additional consideration for the purchase of the Bonds by the Underwriters and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States out of the Debt Service Fund or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(4) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (2) and (3), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, City Manager, Chief Financial Officer, Deputy Chief Financial Officer or City Treasurer, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(k) Bonds Not Hedge Bonds. (1) At the time the original obligations refunded by the Bonds were issued, the City reasonably expected to spend at least 85% of the spendable proceeds of such original obligations within three years after such obligations were issued and (2) not more than 50% of the proceeds of the original obligations refunded by the Bonds were invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

(l) Qualified Advance Refunding. The Bonds are issued to refund the Refunded Bonds, and the Bonds will be issued more than 90 days before the redemption of the Refunded Bonds. The City represents as follows:

(1) The Bonds are the first advance refunding of the Refunded Bonds, within the meaning of section 149(d)(3) of the Code.

(2) The Refunded Bonds are being called for redemption, and will be redeemed not later than the earliest date on which such bonds may be redeemed.

(3) The initial temporary period under section 148(c) of the Code will end: (i) with respect to the proceeds of the Bonds not later than 30 days after the date of issue of such Bonds; and (ii) with respect to proceeds of the Refunded Bonds on the Closing Date if not ended prior thereto.

(4) On and after the date of issue of the Bonds, no proceeds of the Refunded Bonds will be invested in Nonpurpose Investments having a Yield in excess of the Yield on such Refunded Bonds.

(5) The Bonds are being issued for the purposes stated in the preamble of this Ninth Supplement. There is a present value savings associated with the refunding. In the issuance of the Bonds the City has neither: (i)

overburdened the tax exempt bond market by issuing more bonds, issuing bonds earlier or allowing bonds to remain outstanding longer than reasonably necessary to accomplish the governmental purposes for which the Bonds were issued; (ii) employed on "abusive arbitrage device" within the meaning of Section 1.148-10(a) of the Regulations; nor (iii) employed a "device" to obtain a material financial advantage based on arbitrage, within the meaning of section 149(d)(4) of the Code, apart from savings attributable to lower interest rates and reduced debt service payments in early years.

SECTION 17: AMENDMENT OF NINTH SUPPLEMENT. (a) Required Owner Consent for Amendments. The owners of a majority in Outstanding Principal Amount of the Bonds shall have the right from time to time to approve any amendment to this Ninth Supplement which may be deemed necessary or desirable by the City; provided, however, nothing contained herein shall permit or be construed to permit the amendment of the terms and conditions in this Ninth Supplement so as to:

- (1) Make any change in the maturity of any of the Outstanding Bonds;
- (2) Reduce the rate of interest borne by any of the Outstanding Bonds;
- (3) Reduce the amount of the principal payable on the Bonds;
- (4) Modify the terms of payment of principal of, premium, if any, or interest on the Outstanding Bonds or impose any conditions with respect to such payment;
- (5) Affect the rights of the owners of less than all of the Bonds then Outstanding;
- (6) Amend this subsection (a) of this Section; or
- (7) Change the minimum percentage of the principal amount of Bonds necessary for consent to any amendment;

unless such amendment or amendments be approved by the owners of all of the Bonds affected by the change or amendment then Outstanding.

(b) Notice of Amendment Requiring Consent. If at any time the City shall desire to amend the Ninth Supplement under this Section, the City shall cause notice of the proposed amendment to be published in a financial newspaper or journal published in The City of New York, New York, and a newspaper of general circulation in the City, once during each calendar week for at least two successive calendar weeks. Such notice shall briefly set forth the nature of the proposed amendment and shall state that a copy thereof is on file with the Paying Agent for the Bonds. Such publication is not required, however, if notice in writing is given by United States Mail, first class postage prepaid, to each owner of the Bonds.

(c) Time Period for Obtaining Consent. If within one year from (i) the date of the first publication of said notice or (ii) the date of the mailing by the Paying Agent of written notice to the owners of the Bonds, whichever date first occurs if both methods of giving notice are used, the City shall receive an instrument or instruments executed by the owners of at least a majority in Outstanding Principal Amount of the Bonds consenting to and approving such amendment in substantially the form of the copy thereof on file with each Paying Agent, the governing body of the City may pass the amendatory ordinance in substantially the same form.

(d) Revocation of Consent. Any consent given by the owner of a Bond pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date for measuring the one year period to obtain consents noted in paragraph (c) above, and shall be conclusive and binding upon all future owners of the same Bonds during such period. At any time after six months from the date for measuring the one year period to obtain consents noted in paragraph (c) above, such consent may be revoked by the owner who gave such consent, or

by a successor in title, by filing written notice thereof with the Paying Agent for such Bonds and the City, but such revocation shall not be effective if the owners of at least a majority in Outstanding Principal Amount of the then Outstanding Bonds as determined in accordance with this Section have, prior to the attempted revocation, consented to and approved the amendment.

(e) Implementation of Amendment. Upon the passage of any amendatory ordinance pursuant to the provisions of this Section, this Ninth Supplement shall be deemed to be amended, and the respective rights, duties and obligations of the City under this Eighth Supplement and all the owners of then Outstanding Bonds shall thereafter be determined, exercised and enforced hereunder, subject in all respects to such amendment.

(f) Amendment without Consent. The foregoing provisions of this Section notwithstanding, the City by action of its governing body may amend this Ninth Supplement for any one or more of the following purposes:

(1) To add to the covenants and agreements of the City in this Ninth Supplement contained, other covenants and agreements thereafter to be observed, grant additional rights or remedies to the owners of the Bonds or to surrender, restrict or limit any right or power herein reserved to or conferred upon the City;

(2) To make such provisions for the purpose of curing any ambiguity, or curing, correcting or supplementing any defective provision contained in this Ninth Supplement, or in regard to clarifying matters or questions arising under this Ninth Supplement, as are necessary or desirable and not contrary to or inconsistent with this Ninth Supplement and which shall not adversely affect the interests of the owners of the Bonds then outstanding;

(3) To modify any of the provisions of this Ninth Supplement in any other respect whatever, provided that such modification shall be, and be expressed to be, effective only after all the Bonds outstanding at the date of the adoption of such modification shall cease to be outstanding;

(4) To make such amendments to this Ninth Supplement as may be required, in the opinion of Bond Counsel, to ensure compliance with sections 103 and 141 through 150 of the Code and the regulations promulgated thereunder and applicable thereto;

(5) To make such changes, modifications or amendments as may be necessary or desirable in order to allow the owners of the Bonds to thereafter avail themselves of a book-entry system for payments, transfers and other matters relating to the Bonds, which changes, modifications or amendments are not contrary to or inconsistent with other provisions of this Ninth Supplement and which shall not adversely affect the interests of the owners of the Bonds;

(6) To make such changes, modifications or amendments as may be necessary or desirable in order to obtain or maintain the granting of a rating on the Bonds by a Rating Agency or to obtain or maintain a Credit Agreement or a Credit Facility; and

(7) To make such changes, modifications or amendments as may be necessary or desirable, which shall not adversely affect the interests of the owners of the Bonds, in order, to the extent permitted by law, to facilitate the economic and practical utilization of interest rate swap agreements, foreign currency exchange agreements, or similar types of agreements with respect to the Bonds. Notice of any such amendment may be published by the City in the manner described in clause (b) of this Section; provided, however, that the publication of such notice shall not constitute a condition precedent to the adoption of such amendatory ordinance and the failure to publish such notice shall not adversely affect the implementation of such amendment as adopted pursuant to such amendatory ordinance.

(g) Ownership. For the purpose of this Section, the ownership and other matters relating to all Bonds shall be established by the Security Register maintained by the Paying Agent. Furthermore, the owner of any Bonds insured as to the payment of principal of and interest thereon shall be deemed to be the insurance company providing the insurance coverage on such Bonds; provided such amendment to this Ninth Supplement is an amendment that can be made with the consent of a majority in Outstanding Principal Amount of the Bonds and such insurance company is not in default with respect to its obligations under its insurance policy.

SECTION 18: FINAL DEPOSITS; GOVERNMENTAL OBLIGATIONS. All or any of the Bonds shall be deemed to be paid, retired and no longer outstanding within the meaning of this Ninth Supplement when payment of the principal of, and redemption premium, if any, on such Bonds, plus interest thereon to the due date thereof (whether such due date be by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms thereof, or (ii) shall have been provided by irrevocably depositing with, or making available to, the Paying Agent/Registrar, in trust and irrevocably set aside exclusively for such payment, (1) money sufficient to make such payment or (2) Government Obligations, certified by an independent public accounting firm of national reputation, to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money to make such payment, and all necessary and proper fees, compensation and expenses of the Paying Agent/Registrar with respect to which such deposit is made shall have been paid or the payment thereof provided for the satisfaction of the Paying Agent/Registrar. At such time as a Bond shall be deemed to be paid hereunder, as aforesaid, it shall no longer be secured by or entitled to the benefit of this Ninth Supplement, the Master Ordinance or a lien on and pledge of the Net Revenues of the Water/Wastewater System, and shall be entitled to payment solely from such money or Government Obligations.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, may at the direction of the City also be invested in Government Obligations, maturing in the amounts and at the times as hereinbefore set forth, and all income from all Government Obligations not required for the payment of the Bonds, the redemption premium, if any, and interest thereon, with respect to which such money has been so deposited, shall be turned over to the City or deposited as directed by the City. The City covenants that no deposit will be made or accepted under clause (ii) of this Section and no use made of any such deposit which would cause the Bonds to be treated as arbitrage bonds within the meaning of Section 148 of the Internal Revenue Code of 1986, as amended.

Notwithstanding any other provisions of this Ninth Supplement, all money or Government Obligations set aside and held in trust pursuant to the provisions of this Section for the payment of the Bonds, the redemption premium, if any, and interest thereon, shall be

applied to and used for the payment of such Bonds, the redemption premium, if any, and interest thereon and the income on such money or Government Obligations shall not be considered to be "Gross Revenues" under this Ninth Supplement.

SECTION 19: DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS.

In the event any Outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for such Bond in the manner hereinafter provided. An application for the replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the applicant for a replacement bond shall furnish to the City and to the Paying Agent/Registrar such security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the applicant shall furnish to the City and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of such Bond, as the case may be. In every case of damage or mutilation of a Bond, the applicant shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the owner of such Bond with all legal, printing, and other expenses in connection therewith. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the City whether or not the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of this Ninth Supplement equally and proportionately with any and all other Bonds duly issued under this Ninth Supplement.

Notwithstanding the foregoing provisions of this Section, in the event any such Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Bond, the City may authorize the payment of the same (without surrender thereof except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section. Furthermore, in accordance with V.T.C.A., Government Code, Section 1206.022, this Section shall constitute authority for the issuance of any such replacement bond without necessity of further action by the governing body of the City or any other body or person, and the duty of the replacement of such bonds is hereby authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver such bonds in the form and manner and with the effect, as provided in Section 6 of this Ninth Supplement for Bonds issued in exchange for other Bonds.

SECTION 20: NINTH SUPPLEMENT TO CONSTITUTE A CONTRACT; EQUAL SECURITY. In consideration of the acceptance of the Bonds, the issuance of which is authorized hereunder, by those who shall hold the same from time to time, this Ninth Supplement shall be deemed to be and shall constitute a contract between the City and the Holders from time to time of the Bonds and the pledge made in this Ninth Supplement by the City and the covenants and agreements set forth in this Ninth Supplement to be performed by the City shall be for the equal and proportionate benefit, security, and protection of all Holders, without preference, priority, or distinction as to security or otherwise of any of the Bonds authorized hereunder over any of the others by reason of time of issuance, sale, or maturity thereof or otherwise for any cause whatsoever, except as expressly provided in or permitted by this Ninth Supplement.

SECTION 21: CONTINUING DISCLOSURE UNDERTAKING. (a) Definitions. As used in this Section, the following terms have the meanings ascribed to such terms below:

"**MSRB**" means the Municipal Securities Rulemaking Board.

"**NRMSIR**" means each person whom the SEC or its staff has determined to be a nationally recognized municipal securities information repository within the meaning of the Rule from time to time.

"**SEC**" means the United States Securities and Exchange Commission.

"**SID**" means any person designated by the State of Texas or an authorized department, officer, or agency thereof as, and determined by the SEC or its staff to be, a state information depository within the meaning of the Rule from time to time.

(b) Annual Reports. The City shall provide annually to each NRMSIR and any SID, within six months after the end of each fiscal year (beginning with the fiscal year ending September 30, 2005) financial information and operating data with respect to the City of the general type included in the final Official Statement approved by Section 23 of this Ninth Supplement, being the information described in **Exhibit C** hereto. Financial statements to be provided shall be (1) prepared in accordance with the accounting principles described in Exhibit C hereto and (2) audited, if the City commissions an audit of such statements and the audit is completed within the period during which they must be provided. If audited financial statements are not available at the time the financial information and operating data must be provided, then the City shall provide unaudited financial statements for the applicable fiscal year to each NRMSIR and any SID with the financial information and operating data and will file the annual audit report when and if the same becomes available.

If the City changes its fiscal year, it will notify each NRMSIR and any SID of the change (and of the date of the new fiscal year end) prior to the next date by which the City otherwise would be required to provide financial information and operating data pursuant to this Section.

The financial information and operating data to be provided pursuant to this Section may be set forth in full in one or more documents or may be included by specific reference to any document (including an official statement or other offering document, if it is available from the MSRB) that theretofore has been provided to each NRMSIR and any SID or filed with the SEC.

(c) Material Event Notices. The City shall notify any SID and either each NRMSIR or the MSRB, in a timely manner, of any of the following events with respect to the Bonds, if such event is material within the meaning of the federal securities laws:

- (1) Principal and interest payment delinquencies;
- (2) Non-payment related defaults;
- (3) Unscheduled draws on debt service reserves reflecting financial difficulties;
- (4) Unscheduled draws on credit enhancements reflecting financial difficulties;
- (5) Substitution of credit or liquidity providers, or their failure to perform;
- (6) Adverse tax opinions or events affecting the tax-exempt status of the Bonds;
- (7) Modifications to rights of holders of the Bonds;
- (8) Bond calls;

- (9) Defeasances;
- (10) Release, substitution, or sale of property securing repayment of the Bonds; and
- (11) Rating changes

The City shall notify any SID and either each NRMSIR or the MSRB, in a timely manner, of any failure by the City to provide financial information or operating data in accordance with subsection (b) of this Section by the time required by such Section.

(d) Limitations, Disclaimers, and Amendments. The City shall be obligated to observe and perform the covenants specified in this Section while, but only while, the City remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the City in any event will give the notice required by subsection (c) hereof of any Bond calls and defeasance that cause the City to be no longer such an "obligated person."

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim hereunder to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not hereby undertake to provide any other information that may be relevant or material to a complete presentation of the City's financial results, condition, or prospects or hereby undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided herein. The City does not make any representation or warranty concerning such information or its usefulness to a decision to invest in or sell Bonds at any future date.

UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR *MANDAMUS* OR SPECIFIC PERFORMANCE.

No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under this Ninth Supplement for purposes of any other provision of this Ninth Supplement.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

The provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City or the Water/Wastewater System, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of this Ninth Supplement that authorizes such an amendment) of the Outstanding Bonds consent to such amendment or (b) a Person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The provisions of this Section may also be

amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that such provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent underwriters of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in such offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data filed with each NRMSIR and SID pursuant to subsection (b) of this Section 21 an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

SECTION 22: REMEDY IN EVENT OF DEFAULT. In addition to all rights and remedies provided by the laws of the State of Texas, the City covenants and agrees particularly that in the event the City (a) defaults in payments to be made to the Debt Service Fund or Reserve Fund as required by this Ninth Supplement or the Master Ordinance, (b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in this Ninth Supplement or the Master Ordinance or (c) the City declares bankruptcy, the Holders of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction, compelling and requiring the City and its officers to observe and perform any covenant, condition or obligation prescribed in this Ninth Supplement or the Master Ordinance. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence therein, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

The specific remedy herein provided shall be cumulative of all other existing remedies and the specification of such remedy shall not be deemed to be exclusive.

SECTION 23: SALE OF BONDS - OFFICIAL STATEMENT APPROVAL. The Bonds authorized by this Ninth Supplement are hereby sold by the City to Bear, Stearns & Co. The final Official Statement, which reflects the terms of sale (together with such changes approved by the Mayor, City Manager, Chief Financial Officer, Deputy Chief Financial Officer or City Treasurer, one or more of said officials), shall be and is hereby in all respects approved and the Underwriters are hereby authorized to use and distribute said final Official Statement, dated May 19, 2005, in the offering, sale and delivery of the Bonds to the public.

SECTION 24: CONTROL AND CUSTODY OF BONDS. The City Manager of the City shall be and is hereby authorized to take and have charge of all necessary orders and records pending the sale of the Bonds, and shall take and have charge and control of the Initial Bonds pending the approval thereof by the Attorney General, the registration thereof by the Comptroller of Public Accounts and the delivery thereof to the Underwriters.

Furthermore, the Mayor, City Manager, Chief Financial Officer, Deputy Chief Financial Officer, City Clerk, City Treasurer and City Attorney, any one or more of said officials, are hereby authorized and directed to furnish and execute such documents relating to the City and its financial affairs as may be necessary for the sale of the Bonds, the approval of the Attorney General and registration by the Comptroller of Public Accounts and, together with the City's financial advisor, bond counsel and the Paying Agent/Registrar, make the necessary arrangements for their delivery to the Underwriters following such sale.

Furthermore, appropriate officials of the City in cooperation with the Escrow Agent are hereby authorized and directed to make the necessary arrangements for the purchase of the Escrowed Securities referenced in the Agreement and the delivery thereof to the Escrow Agent on the day of delivery of the Bonds to the Purchasers for deposit to the credit of the "SPECIAL 2005 CITY OF AUSTIN, TEXAS, REVENUE REFUNDING BOND ESCROW FUND" (the "Escrow Fund"), all as contemplated and provided in V.T.C.A., Government Code, Chapter 1207, as amended, this Ninth Supplement and the Agreement.

Whenever under the terms of this Ninth Supplement or the Bonds, the performance date of any provision hereof or thereof, including the payment of principal of or interest on the Bonds, shall occur on a day other than a Business Day, then the performance thereof, including the payment of principal of and interest on the Bonds, need not be made on such day but may be performed or paid, as the case may be, on the next succeeding Business Day with the same force and effect as if made on the date of performance or payment.

SECTION 31: LIMITATION OF BENEFITS WITH RESPECT TO THE NINTH SUPPLEMENT. With the exception of the rights or benefits herein expressly conferred, nothing expressed or contained herein or implied from the provisions of this Ninth Supplement or the Bonds is intended or should be construed to confer upon or give to any person other than the City, the Holders, and the Paying Agent/Registrar, any legal or equitable right, remedy, or claim under or by reason of or in respect to this Ninth Supplement or any covenant, condition, stipulation, promise, agreement, or provision herein contained. This Ninth Supplement and all of the covenants, conditions, stipulations, promises, agreements, and provisions hereof are intended to be and shall be for and inure to the sole and exclusive benefit of the City, the Holders, and the Paying Agent/Registrar as herein and therein provided.

In any case where notice to Holders is given by mail, neither the failure to mail such notice to any particular Holders, nor any defect in any notice so mailed, shall affect the sufficiency of such notice with respect to all other Bonds. Where this Ninth Supplement provides for notice in any manner, such notice may be waived in writing by the Holder entitled to receive such notice, either before or after the event with respect to which such notice is given, and such waiver shall be the equivalent of such notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but such filing shall not be a condition precedent to the validity of any action taken in reliance upon such waiver.

SECTION 37: INSURANCE. The Bonds have been sold with the principal of and interest thereon being insured by MBIA Insurance Corporation (hereinafter called "MBIA") pursuant to a Financial Guaranty Insurance Policy. In accordance with the terms and conditions applicable to insurance provided by MBIA, the City covenants and agrees that, in the event the principal and interest due on the Bonds shall be paid by MBIA pursuant to the policy referred to this Section, the assignment and pledge of all funds and all covenants, agreements and other obligations of the City to the Holders shall continue to exist and MBIA shall be subrogated to the rights of such Holders; and furthermore, the City covenants and agrees that:

(a) In the event that, on the second business day, and again on the business day, prior to the payment date on the Bonds, the Paying Agent/Registrar has not received sufficient moneys to pay all principal of and interest on the Bonds due on the second following or following, as the case may be, business day, the Paying Agent/Registrar shall immediately notify MBIA or its designee on the same business day by telephone or telegraph, confirmed in writing by registered or certified mail, of the amount of the deficiency.

(b) If the deficiency is made up in whole or in part prior to or on the payment date, the Paying Agent/Registrar shall so notify MBIA or its designee.

(c) In addition, if the Paying Agent/Registrar has notice that any Holder has been required to disgorge payments of principal of or interest on the Bonds to a trustee in bankruptcy or creditors or others pursuant to a final judgment by a court of competent jurisdiction that such payment constitutes a voidable preference to such Holder within the meaning of any applicable bankruptcy laws, then the Paying Agent/Registrar shall notify the MBIA or its designee of such fact by telephone or telegraphic notice, confirming in writing by registered or certified mail.

(d) The Paying Agent/Registrar is hereby irrevocably designated, appointed, directed and authorized to act as attorney-in-fact for Holders of the Bonds as follows:

(1) If and to the extent there is a deficiency in amounts required to pay interest on the Bonds, the Paying Agent/Registrar shall (a) execute and deliver to U. S. Bank Trust National Association or its successors under the Policy (the "Insurance Paying Agent"), in form satisfactory to the Insurance Paying Agent, an instrument appointing the MBIA as agent for such Holders in such legal proceeding related to the payment of such interest and an assignment to the MBIA of the claims for interest to which such deficiency relates and which are paid by MBIA, (b) receive as designee to the respective Holders (and not as Paying Agent/Registrar) in accordance with the tenor of the Policy payment from the Insurance Paying Agent with respect to the claims for interest so assigned, and (c) disburse the same to such respective Holders; and

(2) If and to the extent of a deficiency in amounts required to pay principal of the Bonds, the Paying Agent/Registrar shall (a) execute and deliver to the Insurance Paying Agent in form satisfactory to the Insurance Paying Agent an instrument appointing MBIA as agent for such Holder in any legal proceeding relating to the payment of such principal and an assignment to MBIA of any of the Bonds surrendered to the Insurance Paying Agent or so much of the principal thereof as has not previously been paid or for which moneys are not held by the Paying Agent/Registrar and available for such payment (but such assignment shall be delivered only if payment from the Insurance Paying Agent is received), (b) receive as designee of the respective Holders (and not as Paying Agent/Registrar) in accordance with the tenor of the Policy payment therefor from the Insurance Paying Agent, and (c) disburse the same to such Holders.

(e) Payments with respect to claims for interest on and principal of Bonds disbursed by the Paying Agent/Registrar from proceeds of the Policy shall not be considered to discharge the obligation of the City with respect to such Bonds, and MBIA shall become the owner of such unpaid Bond and claims for the interest in accordance with the tenor of the assignment made to it under the provisions of this subsection or otherwise.

(f) Irrespective of whether any such assignment is executed and delivered, MBIA and the Paying Agent/Registrar hereby agree for the benefit of the MBIA that:

(1) They recognize that to the extent the MBIA makes payments, directly or indirectly (as by paying through the Paying Agent/Registrar), on account of principal of and interest on the Bonds, MBIA will be subrogated to the rights of such Holders to receive the amount of such principal and interest from the City, as provided and solely from the sources stated in this Ninth Supplement and the Bonds; and

(2) They will accordingly pay to MBIA the amount of such principal and interest (including principal and interest recovered under subparagraph (ii) of the first paragraph of the Policy, which principal and interest shall be deemed past due and not to have been paid), as provided in this Ninth Supplement and the Bonds, but only from the sources and in the manner provided herein for the payment of principal of and interest on the Bonds to Holders, and will otherwise treat the MBIA as the owner of such rights to the amount of such principal and interest.

(g) In connection with the issuance of Parity Water/Wastewater Obligations, the City shall deliver to the MBIA a copy of the disclosure document, if any, circulated with respect to such Parity Water/Wastewater Obligations.

(h) With respect to amendments to the Master Ordinance or this Ninth Supplement, MBIA shall be notified of any such amendment and the City shall obtain MBIA's consent with respect to any amendment requiring owner consent. Copies of any amendments made to the documents executed in connection with the issuance of the Bonds which are consented to by the MBIA shall be sent to Standard & Poor's Corporation.

(i) MBIA shall receive (1) notice of the resignation or removal of the Paying Agent/Registrar and the appointment of a successor thereto, (2) copies of all notices required to be delivered to Holders and, on an annual basis, copies of the City's audited financial

statements and annual budget and (3) 15 days advance notice of any advance refunding of the Bonds as well as a copy of the accountant's verification report with respect thereto.

(j) Any notice that is required to be given to a Holder of the Bonds or to the Paying Agent/Registrar pursuant to the Master Ordinance or this Ninth Supplement shall also be provided to MBIA. All notices required to be given to MBIA under the Master Ordinance or this Ninth Supplement shall be in writing and shall be sent by registered or certified mail addressed to MBIA Insurance Corporation, 113 King Street, Armonk, New York 10504, Attention: Surveillance.

(k) MBIA shall be recognized as the registered owner of each Bond which it insures for the purposes of existing all rights and privileges available to Holders.

(l) The City will not enter into a guaranteed investment contract for the investment of proceeds of the Bonds pursuant to the Public Funds Investment Act without the prior written consent of MBIA and any investment of money deposited to the credit of the special funds created or maintained pursuant to this Ordinance shall be in accordance with the Public Funds Investment Act..

(m) MBIA, acting alone, shall have the right to direct all remedies in the event of a default. MBIA shall be recognized as the registered owner of each bond which it insures for the purposes of exercising all rights and privileges available to Holders. Ladies and Gentlemen:

The undersigned, Bear, Stearns & Co. Inc. (the "*Representative*"), acting on its own behalf and on behalf of the other underwriters listed on Schedule I hereto (collectively, the "*Underwriters*"), and not acting as fiduciary or agent for you, offers to enter into the following agreement (this "*Agreement*") with the City of Austin, Texas (the "*Issuer*"), which, upon the Issuer's written acceptance of this offer, will be binding upon the Issuer and upon the Underwriters. This offer is made subject to the Issuer's written acceptance hereof on or before 10:00 p.m., Austin, Texas time, on May 19, 2005, and, if not so accepted, will be subject to withdrawal by the Underwriters upon notice delivered to the Issuer at any time prior to the acceptance hereof by the Issuer. Terms not otherwise defined in this Agreement shall have the same meanings set forth in the Ordinance (as defined herein) or in the Official Statement (as defined herein).

1. **Purchase and Sale of the Bonds.** Subject to the terms and conditions and in reliance upon the representations, warranties and agreements set forth herein, the Underwriters hereby agree to purchase from the Issuer, and the Issuer hereby agrees to sell and deliver to the Underwriters, all, but not less than all, of the Issuer's \$198,485,000 Water and Wastewater System Revenue Refunding Bonds, Series 2005 (the "*Bonds*"). Inasmuch as this purchase and sale represents a negotiated transaction, the Issuer understands, and hereby confirms, that the Underwriters are not acting as fiduciaries of the Issuer, but rather are acting solely in their capacity as underwriters for their own account. The Representative has been duly authorized by the Underwriters to execute this Agreement and to act hereunder.

The principal amount of the Bonds to be issued, the dated date therefor, the maturities, redemption provisions and interest rates per annum are set forth in Schedule II

hereto. The Bonds shall be as described in, and shall be issued and secured under and pursuant to the provisions of Ordinance No. 000608-56A adopted by the Issuer on June 8, 2000 (the "*Master Ordinance*"), and a ninth supplemental ordinance to the Master Ordinance (Ordinance No. 050519-37), including all appendices and exhibits thereto, adopted by the Issuer on May 19, 2005 (the "*Ninth Supplement*" and, together with the Master Ordinance, the "*Ordinance*").

The purchase price for the Bonds shall be \$214,320,506.90 (representing the par amount of the Bonds, plus a reoffering premium of \$16,871,391.10 and less an underwriters' discount of \$1,035,884.20), plus accrued interest on the Bonds calculated on the basis of a 360-day year of twelve 30-day months from the dated date of the Bonds to the date of the Closing (as hereinafter defined).

Delivered to the Issuer herewith is the Representative's good-faith corporate check payable to the order of the Issuer in the amount of \$2,000,000.00 (the "*Check*"). In the event the Issuer does not accept this offer, the Check shall be promptly returned to the Representative. Upon the Issuer's acceptance and countersignature of this offer, the Check (i) shall not be cashed or negotiated but shall be held and retained in safekeeping by the Issuer as security for the performance by the Underwriters of their obligation, subject to the terms and conditions herein set forth, to purchase and accept delivery of the Bonds at the Closing, and (ii) shall be applied and disposed of by the Issuer solely as provided in this Agreement. In the event of the Underwriters' compliance with such obligation to purchase and accept delivery of the Bonds at the Closing, the Check shall be returned to the Representative at the Closing. In the event of the failure by the Issuer to deliver the Bonds at the Closing, or if the Issuer shall be unable to satisfy the conditions to the obligation of the Underwriters contained in this Agreement, or if the obligation of the Underwriters shall be terminated for any reason permitted by this Agreement, the Check shall be returned promptly to the Representative. In the event that the Underwriters fail (other than for a reason permitted hereunder) to purchase and accept delivery of the Bonds at the Closing, the Issuer shall become entitled to cash or negotiate the Check, and the proceeds thereof shall be retained by the Issuer as and for fully liquidated damages for such failure and for any and all defaults on the part of the Underwriters, and except as set forth in Sections 8 and 10 hereof, no party shall have any further rights against the other hereunder. The Underwriters and the Issuer understand that in such event the Issuer's actual damages may be greater or may be less than such amount. Accordingly, the Underwriters hereby waive any right to claim that the Issuer's actual damages are less than such amount, and the Issuer's acceptance of this offer shall constitute a waiver of any right the Issuer may have to additional damages from the Underwriters. The Representative hereby agrees not to stop or cause payment on said check to be stopped unless the City has breached any of the terms of this Agreement.

2. **Public Offering.** The Underwriters agree to make a bona fide public offering of all of the Bonds at prices not to exceed the public offering prices set forth on the inside front cover of the Official Statement and, subsequently, may change such offering prices without any requirement of prior notice; provided, however, at least ten percent (10%) of the principal amount of the Bonds of each maturity shall be sold to the "public" (exclusive of dealers, brokers and investment bankers, etc.) at the initial offering

price set forth in the Official Statement. The Underwriters may offer and sell Bonds to certain dealers (including dealers depositing Bonds into investment trusts) and others at prices lower than the public offering prices stated on the inside front cover of the Official Statement.

3. *The Official Statement.*

(a) The Issuer previously has delivered copies of the Preliminary Official Statement dated May 12, 2005 (the "*Preliminary Official Statement*"), to the Underwriters. The Issuer will prepare a final Official Statement relating to the Bonds, which will be (i) dated the date of this Agreement, (ii) complete within the meaning of the United States Securities and Exchange Commission's Rule 15c2-12, as amended (the "*Rule*"), and (iii) substantially in the form of the most recent version of the Preliminary Official Statement provided to the Underwriters before the execution hereof. Such final Official Statement, including the cover page thereto, all exhibits, appendices, maps, charts, pictures, diagrams, reports, and statements included or incorporated therein or attached thereto, and all amendments and supplements thereto that may be authorized for use with respect to the Bonds, is herein referred to as the "*Official Statement*." Until the Official Statement has been prepared and is available for distribution, the Issuer shall provide to the Underwriters sufficient quantities of the Preliminary Official Statement as the Representative deems necessary to satisfy the obligation of the Underwriters under the Rule with respect to distribution to each potential customer, upon request, of a copy of the Preliminary Official Statement.

(b) The Preliminary Official Statement has been prepared for use by the Underwriters in connection with the public offering, sale and distribution of the Bonds. The Issuer hereby represents and warrants that the Preliminary Official Statement was deemed final by the Issuer as of its date, except for the omission of such information which is dependent upon the final pricing of the Bonds for completion, all as permitted to be excluded by Section (b)(1) of the Rule.

(c) The Issuer hereby authorizes the Official Statement and the information therein contained to be used by the Underwriters in connection with the public offering and the sale of the Bonds. The Issuer consents to the use by the Underwriters prior to the date hereof of the Preliminary Official Statement in connection with the public offering of the Bonds. The Issuer shall provide, or cause to be provided, to the Underwriters as soon as practicable after the date of the Issuer's acceptance of this Agreement (but in any event, in sufficient time to accompany any confirmation that requests payment from any customer and not later than the earlier of (i) within seven (7) business days after the Issuer's acceptance of this Agreement and (ii) three (3) business days prior to the Closing) copies of the Official Statement which is complete as of the date of its delivery to the Underwriters in such quantity as the Underwriters shall request in order for the Underwriters to comply with Section (b)(4) of the Rule and the rules of the Municipal Securities Rulemaking Board.

(d) If, after the date of this Agreement to and including the date the Underwriters are no longer required to provide an Official Statement to potential customers who request the same pursuant to the Rule (the earlier of (i) ninety (90) days from the "end of the underwriting period" (as defined in the Rule) and (ii) the time when the Official Statement is available to any person from a nationally recognized municipal securities information repository, but in no case less than twenty-five (25) days after the "end of the underwriting period" for the Bonds), the Issuer becomes aware of any fact or event which might or would cause the Official Statement, as then supplemented or amended, to contain any untrue statement of a material fact or to omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading, or if it is necessary to amend or supplement the Official Statement to comply with law, the Issuer will notify the Representative (and for the purposes of this clause provide the Representative with such information as it may from time to time request), and if, in the judgment of the Representative, reasonably exercised, such fact or event requires preparation and publication of a supplement or amendment to the Official Statement, the Issuer will forthwith prepare and furnish, at the Issuer's own expense (in a form and manner approved by the Representative), a reasonable number of copies of either an amendment or a supplement to the Official Statement so that the statements in the Official Statement as so amended and supplemented will not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading or so that the Official Statement will comply with law. If such notification shall be subsequent to the Closing, the Issuer shall furnish such legal opinions, certificates, instruments and other documents as the Representative may deem necessary to evidence the truth and accuracy of such supplement or amendment to the Official Statement.

(e) The Underwriters hereby agree to file the Official Statement with a nationally recognized municipal securities information repository. Unless otherwise notified in writing by the Representative, the Issuer can assume that the "end of the underwriting period" for purposes of the Rule is the date of the Closing.

4. **Representations, Warranties, and Covenants of the Issuer.** The Issuer hereby represents and warrants to and covenants with the Underwriters that:

(a) The Issuer is a duly organized municipal corporation and a political subdivision of the State of Texas (the "State"), duly created, validly existing, and acting under the provisions of the Constitution and the laws of the State (including the Issuer's home rule charter); and the Issuer has full legal right, power and authority pursuant to the Constitution and the laws of the State, including particularly Chapters 1207, 1371, and 1502, Texas Government Code, as amended (the "Acts"), and its home rule charter, and at the date of the Closing will have full legal right, power and authority (i) to enter into, execute and deliver this Agreement, the Ordinance, the escrow agreement described in the Ninth Supplement (the "Escrow Agreement"), the Continuing Disclosure Undertaking

(c) This Agreement and the Escrow Agreement constitute legal, valid and binding contracts of the Issuer enforceable in accordance with their terms; the Bonds, when issued, delivered and paid for, in accordance with the Ordinance and this Agreement, will constitute legal, valid and binding limited obligations of the Issuer payable from and secured by a lien on and pledge of the Net Revenues of the System (as described in the Official Statement), entitled to the benefits of the Ordinance and enforceable in accordance with their terms, subject to bankruptcy, insolvency, reorganization, moratorium and other similar laws and principles of equity relating to or affecting the enforcement of creditors' rights; upon the issuance, authentication and delivery of the Bonds as aforesaid, the terms set forth in the Ordinance will be valid and binding upon the Issuer and the Ordinance will provide, for the benefit of the holders, from time to time, of the Bonds, the legally valid and binding pledge of and lien it purports to create as set forth in the Ordinance;

(d) The Issuer is not in breach of or default in any material respect under any applicable constitutional provision, law or administrative regulation of the State or the United States or any applicable judgment or decree or any loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Issuer is a party or to which the Issuer is otherwise subject; and no event has occurred and is continuing which constitutes or with the passage of time or the giving of notice, or both, would constitute a default or event of default by the Issuer under any of the foregoing; and the execution and delivery of the Bonds, this Agreement, the Ordinance, the Escrow Agreement and the adoption of the Ordinance and compliance with the provisions on the Issuer's part contained

therein, will not conflict with or constitute a breach of or default under any constitutional provision, law or administrative regulation, judgment, decree, loan agreement, indenture, bond, note, resolution, agreement or other instrument to which the Issuer is a party or to which the Issuer is or to which any of its property or assets are otherwise subject, or under the terms of any such law, regulation or instrument, except as provided by the Bonds and the Ordinance;

(e) All authorizations, approvals, licenses, permits, consents and orders of any governmental authority, legislative body, board, agency or commission having jurisdiction of the matters which are required for the due authorization of, which would constitute a condition precedent to, or the absence of which would materially adversely affect the due performance by the Issuer of its obligations under, this Agreement, the Ordinance, the Escrow Agreement and the Bonds have been duly obtained or will be obtained prior to the Closing;

(f) The Bonds and the Ordinance conform to the descriptions thereof contained in the Official Statement under the captions "SECURITY FOR THE BONDS" and "DESCRIPTION OF THE BONDS"; the proceeds of the sale of the Bonds will be applied generally as described in the Official Statement under the captions "PLAN OF FINANCING" and "SOURCES AND USES OF FUNDS"; and the Continuing Disclosure Undertaking contained in the Ordinance conforms to the description thereof contained in the Official Statement under the caption "CONTINUING DISCLOSURE OF INFORMATION";

(g) Except as otherwise provided in the Official Statement under the caption "CONTINUING DISCLOSURE OF INFORMATION – Compliance with Prior Undertakings", during the last five years the Issuer has complied in all material respects with its previous Continuing Disclosure Undertakings made by it in accordance with the Rule;

(h) There is no litigation, action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, government agency, public board or body, pending or, to the best knowledge of the Issuer, threatened against the Issuer, affecting the existence of the Issuer or the titles of its officers to their respective offices, or affecting or seeking to prohibit, restrain or enjoin the sale, issuance or delivery of the Bonds or the pledge or collection of Net Revenues pledged to the payment of the principal of and interest on the Bonds pursuant to the Ordinance or in any way contesting or affecting the validity or enforceability of the Bonds, this Agreement, the Ordinance, the Escrow Agreement, or contesting the exclusion from gross income of interest on the Bonds for federal income tax purposes, or contesting in any way the completeness or accuracy of the Preliminary Official Statement or the Official Statement or any supplement or amendment thereto, or contesting the powers of the Issuer or any authority for the issuance of the Bonds, the adoption of the Ordinance or the execution and delivery of the Ordinance or the Escrow Agreement, nor, to the best knowledge of the Issuer, is there any basis therefor, wherein an unfavorable

decision, ruling or finding would materially adversely affect the validity or enforceability of the Bonds, the Ordinance or the Escrow Agreement;

(i) As of the date thereof, the Preliminary Official Statement did not contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading;

(j) At the time of the Issuer's acceptance hereof and (unless the Official Statement is amended or supplemented pursuant to paragraph (d) of Section 3 of this Agreement) at all times subsequent thereto during the period up to and including twenty-five (25) days subsequent to the "end of the underwriting period," the Official Statement does not and will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading;

(k) If the Official Statement is supplemented or amended pursuant to paragraph (d) of Section 3 of this Agreement, at the time of each supplement or amendment thereto and (unless subsequently again supplemented or amended pursuant to such paragraph) at all times subsequent thereto during the period up to and including twenty-five (25) days subsequent to the "end of the underwriting period," the Official Statement as so supplemented or amended will not contain any untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which made, not misleading;

(l) The Issuer will apply, or cause to be applied, the proceeds from the sale of the Bonds as provided in and subject to all of the terms and provisions of the Ordinance and will not take or omit to take any action which action or omission will adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds;

(m) The Issuer will furnish such information and execute such instruments and take such action in cooperation with the Underwriters as the Representative may reasonably request (1) to (i) qualify the Bonds for offer and sale under the Blue Sky or other securities laws and regulations of such states and other jurisdictions in the United States as the Representative may designate with the consent of the City and (ii) determine the eligibility of the Bonds for investment under the laws of such states and other jurisdictions and (2) to continue such qualifications in effect so long as required for the distribution of the Bonds (provided, however, that the Issuer will not be required to qualify as a foreign corporation or to file any general or special consents to service of process under the laws of any jurisdiction) and will advise the Underwriters immediately of receipt by the Issuer of any notification with respect to the suspension of the qualification of the Bonds for sale in any jurisdiction or the initiation or threat of any proceeding for that purpose;

(n) The Issuer's financial statements and the other information regarding the Issuer's financial condition and operations set forth in the Official Statement fairly present the financial position, results of operations and condition of the Issuer as of the dates and for the periods therein set forth; and there has been no adverse change of a material nature in the financial position, results of operations or condition, financial or otherwise, of the Issuer since the dates of such statements and information;

(o) The Issuer is not a party to any litigation or other proceeding pending or, to its knowledge, threatened which, if decided adversely to the Issuer, would have a materially adverse effect on the Issuer's financial condition or operations;

(p) Prior to the Closing, the Issuer will not offer or issue any bonds, notes or other obligations for borrowed money or incur any material liabilities, direct or contingent, payable from or secured by any of the revenues or assets which will secure the Bonds without the prior approval of the Representative;

(q) Any certificate, signed by any official of the Issuer authorized to do so in connection with the transactions contemplated by this Agreement, shall be deemed a representation and warranty by the Issuer to the Underwriters as to the statements made therein; and

(r) The Issuer covenants that between the date hereof and the date of the Closing it will take no action within its control which will cause the representations and warranties made in this Section to be untrue as of the Closing.

By delivering the Official Statement to the Representative, the Issuer shall be deemed to have reaffirmed, with respect to the Official Statement, the representations, warranties and covenants set forth above with respect to the Preliminary Official Statement.

Accordingly, the Underwriters' obligation under this Agreement to purchase, to accept delivery of and to pay for the Bonds shall be conditioned upon the performance by the Issuer of its obligations to be performed hereunder and under such documents and instruments at or prior to the Closing, and shall also be subject to the following additional conditions, including the delivery by the Issuer of such documents as are enumerated herein, in form and substance reasonably satisfactory to the Representative:

(h) The Issuer shall not have failed to pay principal or interest when due on any of its outstanding obligations for borrowed money;

(i) All steps to be taken and all instruments and other documents to be executed, and all other legal matters in connection with the transactions contemplated by this Agreement shall be reasonably satisfactory in legal form and effect to the Representative;

All of the opinions, letters, certificates, instruments and other documents mentioned above or elsewhere in this Agreement shall be deemed to be in compliance with the provisions hereof if, but only if, they are in form and substance satisfactory to the Underwriters. The Underwriters have reviewed the Continuing Disclosure Undertaking made by the Issuer in the Ordinance.

If the Issuer shall be unable to satisfy the conditions to the obligations of the Underwriters to purchase, to accept delivery of and to pay for the Bonds contained in this Agreement, or if the obligations of the Underwriters to purchase, to accept delivery of and to pay for the Bonds shall be terminated for any reason permitted by this Agreement, this Agreement shall terminate and neither the Underwriters nor the Issuer shall be under any further obligation hereunder, except that the respective obligations of the Issuer and the Underwriters set forth in Sections 4 and 8 hereof shall continue in full force and effect.

7. **Termination.** The Underwriters shall have the right to cancel their obligation to purchase the Bonds if, between the date of this Agreement and the Closing, the market price or marketability of the Bonds shall be materially adversely affected, in the sole reasonable judgment of the Representative, by the occurrence of any of the following:

(a) legislation shall be enacted by or introduced in the Congress of the United States or recommended to the Congress for passage by the President of the United States, or the Treasury Department of the United States or the Internal Revenue Service or any member of the Congress or favorably reported for passage to either House of the Congress by any committee of such House to which such legislation has been referred for consideration, a decision by a court of the United States or of the State or the United States Tax Court shall be rendered, or an order, ruling, regulation (final, temporary or proposed), press release, statement or other form of notice by or on behalf of the Treasury Department of the United States, the Internal Revenue Service or other governmental agency shall be made or proposed, the effect of any or all of which would be to impose, directly or indirectly, federal income taxation upon interest received on obligations of the general character of the Bonds of the interest on the Bonds as described in the Official Statement, or other action or events shall have transpired

which may have the purpose or effect, directly or indirectly, of changing the federal income tax consequences of any of the transactions contemplated herein;

(b) legislation introduced in or enacted (or resolution passed) by the Congress or an order, decree, or injunction issued by any court of competent jurisdiction, or an order, ruling, regulation (final, temporary, or proposed), press release or other form of notice issued or made by or on behalf of the Securities and Exchange Commission, or any other governmental agency having jurisdiction of the subject matter, to the effect that obligations of the general character of the Bonds, including any or all underlying arrangements, are not exempt from registration under or other requirements of the 1933 Act, or that the Ordinance is not exempt from qualification under or other requirements of the Trust Indenture Act, or that the issuance, offering, or sale of obligations of the general character of the Bonds, including any or all underlying arrangements, as contemplated hereby or by the Official Statement or otherwise, is or would be in violation of the federal securities laws (as amended and then in effect) or any rule or regulation promulgated thereunder;

(c) any state blue sky or securities commission or other governmental agency or body in any state in which more than 15% of the Bonds have been offered and sold shall have withheld registration, exemption or clearance of the offering of the Bonds as described herein, or issued a stop order or similar ruling relating thereto;

(d) there shall be in force a general suspension of trading, minimum or maximum prices for trading shall have been fixed and be in force or maximum ranges or prices for securities shall have been required and be in force on the New York Stock Exchange or other national stock exchange whether by virtue of a determination by such exchange or by order of the Securities and Exchange Commission or any other governmental authority having jurisdiction;

(e) additional material restrictions upon trading in securities generally not in force as of the date hereof shall have been imposed by the New York Stock Exchange or by any other national securities exchange or any governmental authority having jurisdiction; or the New York Stock Exchange, any other national securities exchange or any governmental authority having jurisdiction, shall have imposed, as to the Bonds or similar obligations, any material restrictions not now in force, or increase materially those now in force, with respect to the extension of credit by, or the charge to the net capital requirements of Underwriters or broker-dealers;

(f) a major financial crisis or a material disruption in commercial banking or securities settlement or clearance services shall have occurred which in the judgment of the Representative, reasonably exercised, would make the marketing of the Bonds generally impractical;

(g) a general banking moratorium declared by federal, State of New York, or State officials authorized to do so;

(2) an unqualified opinion of nationally recognized municipal bond counsel to the effect that (a) such transfer will not cause interest on the Bonds or the Refunded Obligations to be included in gross income for federal income tax purposes, under the Code and related regulations as in effect on the date of such transfer, or otherwise make the interest on the Bonds or the Refunded

Obligations subject to Federal income taxation, and (b) such transfer complies with the Constitution and laws of the State of Texas and with all relevant documents relating to the issuance of the Refunded Obligations or the Bonds.

SECTION 13: Collateralization. The Bank may accept a certificate of the City Clerk under the City's seal, to the effect that a resolution or other instrument in the form therein set forth has been adopted by the City Council of the City, as conclusive evidence that such resolution or other instrument has been duly adopted and is in full force and effect.

The duties and obligations of the Bank shall be determined solely by the express provisions of this Agreement and the Bank shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Agreement, and no implied covenants or obligations shall be read into this Agreement against the Bank.

In the absence of bad faith on the part of the Bank, the Bank may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificate or opinion furnished to the Bank, conforming to the requirements of this Agreement; but notwithstanding any provision of this Agreement to the contrary, in the case of any such certificate or opinion or any evidence which by any provision hereof is specifically required to be

furnished to the Bank, the Bank shall be under a duty to examine the same to determine whether it conforms to the requirements of this Agreement.

The Bank shall not be liable for any error of judgment made in good faith by a Responsible Officer or Officers of the Bank unless it shall be proved that the Bank was negligent in ascertaining or acting upon the pertinent facts.

The Bank shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the holders of not less than a majority in aggregate principal amount of all said Refunded Obligations at the time outstanding relating to the time, method and place of conducting any proceeding for any remedy available to the Bank not in conflict with the intent and purpose of this Agreement. For the purposes of determining whether the holders of the required principal amount of said Refunded Obligations have concurred in any such direction, Refunded Obligations owned by any obligor upon the Refunded Obligations, or by any person directly or indirectly controlling or controlled by or under direct or indirect common control with such obligor, shall be disregarded, except that for the purposes of determining whether the Bank shall be protected in relying on any such direction only Refunded Obligations which the Bank knows are so owned shall be so disregarded.

The term "Responsible Officers" of the Bank, as used in this Agreement, shall mean and include the Chairman of the Board of Directors, the President, any Vice President and any Second Vice President, the Secretary and any Assistant Secretary, the Treasurer and any Assistant Treasurer, and every other officer and assistant officer of the Bank customarily performing functions similar to those performed by the persons who at the time shall be officers, respectively, or to whom any corporate trust matter is referred, because of his knowledge of and familiarity with a particular subject; and the term "Responsible Officer" of the Bank, as used in this Agreement, shall mean and include any of said officers or persons.

SECTION 17: Time of the Essence. Time shall be of the essence in the performance of obligations from time to time imposed upon the Bank by this Agreement.

SECTION 18: Interpleader. In the event conflicting demands or notices are made upon the Bank growing out of or relating to this Agreement or the Bank in good faith is in doubt as to what action should be taken hereunder, the Bank shall have the right at its election to:

(a) Withhold and stop all further proceedings in, and performance of, this Agreement with respect to the issue in question and of all instructions received hereunder in regard to such issue; and

(b) File a suit in interpleader and obtain an order from a court of appropriate jurisdiction in the State of Texas requiring all persons involved to interplead and litigate in such court their several claims and rights among themselves.

In the event the Bank becomes involved in litigation in connection with this Section, the City to the extent permitted by law agrees to indemnify and save the Bank harmless from all loss, cost, damages, expenses and attorney fees suffered or incurred by the Bank as a result thereof. The obligations of the Bank under this Agreement shall be performable at the principal corporate office of the Bank in the City of New York, New York.

The Bank may advise with legal counsel in the event of any dispute or question regarding the construction of any of the provisions hereof or its duties hereunder, and in the absence of negligence or bad faith on the part of the Bank, no liability shall be incurred by the Bank for any action taken pursuant to this Section and the Bank shall be fully protected in acting in accordance with the opinion and instructions of legal counsel that is knowledgeable and has expertise in the field of law addressed in any such legal opinion or with respect to the instructions given.

The United States Post Office registered or certified mail receipt showing delivery of the aforesaid shall be conclusive evidence of the date and fact of delivery.

Any party hereto may change the address to which notices are to be delivered by giving to the other parties not less than ten (10) days prior notice thereof.

SECTION 21: Performance. Whenever under the terms of this Agreement the performance date of any provision hereof, including the payment dates for the Refunded Obligations shown in Exhibit A, shall be a Sunday or a legal holiday or a day when the Bank is authorized by law to close, then the performance thereof need not be made on such date but may be performed or paid, as the case may be, on the next succeeding business day of the Bank with the same force and effect as if made on the date of performance or payment and with respect to a payment, no interest shall accrue for the period after such date.

SECTION 22: Warranty of Parties re: Power to Execute and Deliver Escrow Agreement. The City covenants that it will faithfully perform at all times any and all covenants, undertakings, stipulations and provisions contained in this Agreement, in any and every said Refunded

Obligation as executed, authenticated and delivered and in all proceedings pertaining thereto as said Refunded Obligations shall have been modified as provided in this Agreement. The City covenants that it is duly authorized under the Constitution and laws of the State of Texas to execute and deliver this Agreement, that all actions on its part for the payment of said Refunded Obligations as provided herein and the execution and delivery of this Agreement have been duly and effectively taken.

SECTION 23: Severability. If any one or more of the covenants or agreements provided in this Agreement on the part of the parties to be performed should be determined by a court of competent jurisdiction to be contrary to law, such covenant or agreement shall be deemed and construed to be severable from the remaining covenants and agreements herein contained and shall in no way affect the validity of the remaining provisions of this Agreement. In the event any covenant or agreement contained in this Agreement is declared to be severable from the other provisions of this Agreement, written notice of such event shall immediately be given to each national rating service (Moody's Investors Service, Inc., Standard & Poor's Corporation or Fitch Investors Service) which has rated the Refunded Obligations on the basis of this Agreement.

SECTION 24: Termination. This Agreement shall terminate when the Refunded Obligations have been paid in full in accordance with the provisions of this Agreement. If any Refunded Obligation is not paid when due because of failure to satisfy a condition for payment such as surrender and presentation to the paying agent, the nonpayment thereof shall not prevent the termination of this Agreement. Funds for the payment of such Refunded Obligations shall be held by the Bank for such purpose in accordance with Section 7 hereof. Any moneys or Escrowed Securities held in the Escrow Fund at termination and not needed for the payment of the Refunded Obligations shall be paid or transferred to the City.

SECTION 25: Successors/Assigns. (a) Should the Bank not be able to legally serve or perform the duties and obligations under this Agreement, or should the Bank be declared to be insolvent or closed for any reason by federal or state regulatory authorities or a court of competent jurisdiction, the City, upon being notified or discovering the Bank's inability or disqualification to serve hereunder, shall forthwith appoint a successor to replace the Bank, and upon being notified of such appointment, the Bank shall (i) transfer all funds and securities held hereunder, together with all books, records and accounts relating to the Escrow Fund and the Refunded Obligations, to such successor and (ii) assign all rights, duties and obligations under this Agreement to such successor. If the City should fail to appoint such a successor within ninety (90) days from the date the City discovers, or is notified of, the event or circumstance causing the Bank's inability or disqualification to serve hereunder, the Bank, or a bondholder of the Refunded Obligations, may apply to a court of competent jurisdiction to appoint a successor or assigns of the Bank and such court, upon determining the Bank is unable to continue to serve, shall appoint a successor to serve under this Agreement and the amount of compensation, if any, to be paid to such successor for the remainder of the term of this Agreement for services to be rendered both for administering the Escrow Fund and for paying agent duties and responsibilities for the Refunded Obligations.

(b) Furthermore, the Bank may resign and be discharged from performing its duties and responsibilities under this Agreement upon notifying the City in writing of its intention to resign and requesting the City to appoint a successor. No such resignation shall take effect until a successor has been appointed by the City and such successor has accepted such appointment and agreed to perform all duties and obligations hereunder for a total compensation equal to the unearned proportional amount paid the Bank under Section 16 hereof for the administration of

this Agreement and the unearned proportional amount of the paying agents fees for the Refunded Obligations due the Bank.

Any successor to the Bank shall be a bank, trust company or other financial institution that is duly qualified under applicable law to serve as escrow agent hereunder and authorized and empowered to perform the duties and obligations contemplated by this Agreement and organized and doing business under the laws of the United States or the State of Texas, having its principal office and place of business in the State of Texas, having a combined capital and surplus of at least \$5,000,000 and be subject to the supervision or examination by Federal or State authority.

Any successor or assigns to the Bank shall execute, acknowledge and deliver to the City and the Bank, or its successor or assigns, an instrument accepting such appointment hereunder, and the Bank shall execute and deliver an instrument transferring to such successor, subject to the terms of this Agreement, all the rights, powers and trusts created and established and to be performed under this Agreement. Upon the request of any such successor Bank, the City shall execute any and all instruments in writing for more fully and certainly vesting in and confirming to such successor Bank all such rights, powers and duties. The term "Bank" as used herein shall be the Bank and its legal assigns and successor hereunder.

The Bank is authorized by the City to rely upon the representations of the City with respect to this Agreement and the deposits made pursuant hereto and as to the City's right and power to execute and deliver this Agreement, and the Bank shall not be liable in any manner as a result of such reliance. The duty of the Bank hereunder shall only be to the City and the holders of the Refunded Obligations. Neither the City nor the Bank shall assign or attempt to assign or transfer any interest hereunder or any portion of any such interest. Any such assignment or attempted assignment shall be in direct conflict with this Agreement and be without effect.

SECTION 27: Escrow Agreement -- Amendment/Modification. This Agreement shall be binding upon the City and the Bank and their respective successors and legal representatives and shall inure solely to the benefit of the holders of the Refunded Obligations, the City, the Bank and their respective successors and legal representatives. Furthermore, no alteration, amendment or modification of any provision of this Agreement (1) shall alter the firm financial arrangements made for the payment of the Refunded Obligations or (2) shall be effective unless (i) prior written consent of such alteration, amendment or modification shall have been obtained from the holders of all Refunded Obligations outstanding at the time of such alteration, amendment or modification and (ii) such alteration, amendment or modification is in writing and signed by the parties hereto; provided, however, the City and the Bank may, without the consent of either the holders of the Refunded Obligations, amend or modify the terms and provisions of this Agreement to cure any ambiguity, formal defect or omission in this Agreement. If the parties hereto agree to any amendment or modification to this Agreement, prior written notice of such amendment or proposed modification, together with the legal documents amending or modifying this Agreement, shall be furnished to each national rating service (Moody's Investors Service, Inc., Standard & Poor's Corporation or Fitch Investors Inc.) which has rated the Refunded Obligations on the basis of this Agreement, prior to such amendment or modification being executed.

SECTION 28: Bank Not a Depository. The Bank and the City each hereby acknowledge and certify that the Bank does not act as a depository of the City.

SECTION 29: Counterparts. This Agreement may be executed in several counterparts, all or any of which shall be regarded for all purposes as one original and shall constitute and be but one and the same instrument.

SECTION 30: Governing Law. This Agreement shall be governed by the laws of the State of Texas.
