The Mayor announced that, pursuant to public notice given, the purpose of the meeting was to publicly discuss the proposal of the School Board that the City appropriate the sum of SEVENTY THOUSAND DOLLARS (\$70,000.00) out of the Water and Light Fund, or other funds not otherwise appropriated, to augment the School Fund, and specifically to provide for a raise of approximately $7\frac{1}{2}\%$ in the teachers' salaries; the City, in return, to take over the recreational facilities of the schools for the night activities.
