To the Honorable City Council of the City of Austin.

We have carefully considered the matter of the partial acceptance of the City Hall and would make the following suggestion, subject to your approval: We would suggest that such contract as the City has with Messrs Belger & Brydson be left in its present form, and that the City accept the building under the same contract from Messrs Belger & Brydson, except the stairway and stair vestibule, which is not yet completed; that the City retain from the contract price the sum of \$ 1500,00, which said sum of \$ 1500,00 shall be paid to Messrs Belger & Brydson upon the completion of the stairway and stair vestibule, according to the plans and specifications heretofore adopted and agreed upon covering that portion of the contract. We recommend that 45 days from this date, namely, Jan, 9, 1906, be given Messrs Belger & Brydson in which to complete the stairway and stair vestibule, according to the plans and specifications heretofore adopted covering the stairs and stair vestibule, and that, in the event such stairway and stair vestibule be not completed according to the plans and specifications within said 45 days, the City of Austin be authorized to have same completed

. according to the plans and specifications and pay for same out of the \$ 1500,00 retained for that purpose , and the balance of said \$ 1500,00 shall be turned over to Messrs Belger & Brydson or their order. We recommend that an agreement or contract embodying the features of this report be entered into between the City of Austin and Messrs Belger & Brydson, and that Messrs Belger & Brydson be personally responsible to the City for the completion of said stairway and stair vestibule aside from the retention by the City of the \$ 1500,00 above mentioned.
