(e) Selection of Bonds for Redemption. If less than all Outstanding Bonds of the same Stated Maturity are to be redeemed on a redemption date, the Paying

Agent/Registrar shall treat such Bonds as representing the number of Bonds Outstanding which is obtained by dividing the principal amount of such Bonds by the lowest Authorized Denomination therefor and shall select the Bonds to be redeemed within such Stated Maturity by such method as the Paying Agent/Registrar may select.

(f) Notice of Redemption. Not less than thirty (30) days prior to a redemption date for the Bonds, a notice of redemption shall be sent by United States Mail, first class postage prepaid, in the name of the City and at the City's expense, to each Holder of a Bond to be redeemed in whole or in part at the address of the Holder appearing on the Security Register at the close of business on the business day next preceding the date of mailing such notice, and any notice of redemption so mailed shall be conclusively presumed to have been duly given irrespective of whether received by the Holder.

All notices of redemption shall (i) specify the date of redemption for the Bonds, (ii) identify the Bonds to be redeemed and, in the case of a portion of the principal amount to be redeemed, the principal amount thereof to be redeemed, (iii) state the redemption price, (iv) state that the Bonds, or the portion of the principal amount thereof to be redeemed, shall become due and payable on the redemption date specified, and the interest thereon, or on the portion of the principal amount thereof to be redeemed, shall cease to accrue from and after the redemption date, and (v) specify that payment of the redemption price for the Bonds, or the principal amount thereof to be redeemed, shall be made at the Designated Payment/Transfer Office of the Paying Agent/Registrar only upon presentation and surrender thereof by the Holder. If a Bond is subject by its terms to prior redemption and has been called for redemption and notice of redemption thereof has been duly given as hereinabove provided, such Bond (or the principal amount thereof to be redeemed) shall become due and payable and interest thereon shall cease to accrue from and after the redemption date therefor; provided money sufficient for the payment of such Bond (or of the principal amount thereof to be redeemed) at the then applicable redemption price are held for the purpose of such payment by the Paying Agent/Registrar.

Section 2.05 Registration - Transfer - Exchange of Bonds - Predecessor Bonds. The Paying Agent/Registrar shall obtain, record, and maintain in the Security Register the name and address of each registered owner of the Bonds issued under and pursuant to the provisions of this Ordinance. Any Bond may, in accordance with its terms and the terms hereof, be transferred or exchanged for Bonds of other Authorized Denominations upon the Security Register by the Holder, in person or by his duly authorized agent, upon surrender of such Bond to the Paying Agent/Registrar for cancellation, accompanied by a written instrument of transfer or request for exchange duly executed by the Holder or by his duly authorized agent, in form satisfactory to the Paying Agent/ Registrar.

Upon surrender for transfer of any Bond at the Designated Payment/Transfer Office of the Paying Agent/Registrar, the Paying Agent/Registrar shall register and deliver, in the name of the designated transferee or transferees, one or more new Bonds, executed on behalf of, and furnished by, the City of Authorized Denominations and having the same Stated Maturity and of a like aggregate principal amount as the Bond or Bonds surrendered for transfer.

At the option of the Holder, Bonds may be exchanged for other Bonds of authorized denominations and having the same Stated Maturity, bearing the same rate of interest and of like aggregate principal amount as the Bonds surrendered for exchange, upon surrender of the Bonds to be exchanged at the Designated Payment/Transfer Office of the Paying

Agent/Registrar. Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds, executed on behalf of, and furnished by, the City, to the Holder requesting the exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be delivered at the Designated Payment/Transfer Office of the Paying Agent/Registrar, or sent by United States Mail, first class postage prepaid, to the Holder and, upon the delivery thereof, the same shall be valid obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under this Ordinance, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds pursuant to this Section shall be made without expense or service charge to the Holder, except as otherwise herein provided, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds cancelled by reason of an exchange or transfer pursuant to the provisions hereof are hereby defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the Bond or Bonds registered and delivered in the exchange or transfer therefor. Additionally, the term "Predecessor Bonds" shall include any mutilated, lost, destroyed, or stolen Bond for which a replacement Bond has been issued, registered and delivered in lieu thereof pursuant to Section 2.09 hereof and such new replacement Bond shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the City nor the Paying Agent/ Registrar shall be required to issue or transfer to an assignee of a Holder any Bond called for redemption, in whole or in part, within 45 days of the date fixed for the redemption of such Bond; provided, however, such limitation on transferability shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

Section 2.06 Book-Entry Only Transfers and Transactions. Notwithstanding the provisions contained in Sections 2.03, 2.04 and 2.05 hereof relating to the payment, redemption and transfer/exchange of the Bonds, the City hereby approves and authorizes the use of "Book-Entry Only" securities clearance, settlement and transfer system provided by The Depository Trust Company (DTC), a limited purpose trust company organized under the laws of the State of New York, in accordance with the operational arrangements referenced in the Blanket Issuer Letter of Representation by and between the City and DTC (the "Depository Agreement").

Pursuant to the Depository Agreement and the rules of DTC, the Bonds shall be deposited with DTC who shall hold said Bonds for its participants (the "DTC Participants") and, while the Bonds are held by DTC under the Depository Agreement, the Holder of the Bonds on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the fact that beneficial ownership of the Bonds is recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Bonds or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general or the City determines that DTC is incapable of properly discharging its duties as securities depository for the Bonds, the City covenants and agrees with the Holders to

cause Bonds to be printed in definitive form and provide for the Bond certificates to be issued and delivered to the Persons identified by DTC as those entitled to receive the same and to become the Holders of the Bonds. Thereafter, the Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of such Bonds shall be made in accordance with the provisions of Sections 2.03, 2.04 and 2.05 hereof.

Section 2.07 Execution - Registration. The Bonds shall be executed on behalf of the City by the Mayor under its seal reproduced or impressed thereon and countersigned by the City Clerk. The signature of said officers on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the date of the adoption of this Ordinance shall be deemed to be duly executed on behalf of the City, notwithstanding that such individuals or either of them shall cease to hold such offices at the time of delivery of the Bonds to the initial purchaser(s) and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in V.T.C.A., Government Code, Chapter 1201.

No Bond shall be entitled to any right or benefit under this Ordinance, or be valid or obligatory for any purpose, unless there appears on such Bond either a certificate of registration substantially in the form provided in Section 3.03, manually executed by the Comptroller of Public Accounts of the State of Texas or his duly authorized agent, or a certificate of registration substantially in the form provided in Section 3.04, manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either such certificate upon any Bond duly signed shall be conclusive evidence, and the only evidence, that such Bond has been duly certified, registered and delivered.

Section 2.08 Initial Bond(s). The Bonds herein authorized shall be initially issued as a single fully registered bond in the total principal amount shown in Section 2.01 and numbered T-1 (hereinafter called the "Initial Bond"), which shall be registered in the name of the initial purchaser(s) or the designee thereof. The Initial Bond shall be submitted to the Office of the Attorney General of the State of Texas for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State of Texas and delivered to the initial purchaser(s). Any time after the delivery of the Initial Bond, the Paying Agent/Registrar, pursuant to written instructions from the initial purchaser(s), or the designee thereof, shall cancel the Initial Bond delivered hereunder and exchange therefor definitive Bonds of authorized denominations, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified therefor; all pursuant to and in accordance with such written instructions from the initial purchaser(s), or the designee thereof, and such other information and documentation as the Paying Agent/Registrar may reasonably require.

Section 2.09 Mutilated-Destroyed - Lost and Stolen Bonds. In case any Bond shall be mutilated, or destroyed, lost or stolen, the Paying Agent/Registrar may execute and deliver a replacement Bond of like series, form and tenor, and in the same denomination and bearing a number not contemporaneously outstanding, in exchange and substitution for such mutilated Bond, or in lieu of and in substitution for such destroyed, lost or stolen Bond, only upon the approval of the City and after (i) the filing by the Holder thereof with the Paying Agent/Registrar of evidence satisfactory to the Paying Agent/Registrar of the destruction, loss or theft of such Bond, and of the authenticity of the ownership thereof and (ii) the furnishing to the Paying Agent/Registrar of indemnification in an amount satisfactory to hold the City and the Paying Agent/Registrar harmless. All expenses and charges associated with such indemnity and with

the preparation, execution and delivery of a replacement Bond shall be borne by the Holder of the Bond mutilated, or destroyed, lost or stolen.

Every replacement Bond issued pursuant to this Section shall be a valid and binding obligation, and shall be entitled to all the benefits of this Ordinance equally and ratably with all other Outstanding Bonds; notwithstanding the enforceability of payment by anyone of the destroyed, lost, or stolen Bonds.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement and payment of mutilated, destroyed, lost or stolen Bonds.

Section 2.10 Swap Agreement.

(a) The City is authorized, but not required, to enter into one or more Swap Agreements substantially in the form of Exhibit B hereto in connection with the Bonds if an Authorized Official determines that, based on market conditions, doing so would be in the best interest of the City. Any Authorized Official is authorized to determine whether it is appropriate to enter into a Swap Agreement, and to execute and deliver Swap Agreement(s) in substantially the form set forth in Exhibit B with such changes as an Authorized Official may approve; provided, however, that payments by the City under a Swap Agreement may not commence prior to the issuance of the Bonds, the notional amount of any one Swap Agreement may not exceed the original principal amount of the Bonds, the term of a Swap Agreement may not extend beyond the last Stated Maturity of the Bonds, and each Swap Agreement must provide for the reduction of the notional amount thereof to the extent that the principal amount of the Bonds is paid or otherwise reduced. Any Authorized Official is authorized to establish the fixed payor rate (expressed as a percent per annum) to be paid by the City under a Swap Agreement, under which the City is a fixed rate payor; provided, however, that the rate applicable to scheduled payments may not exceed 5.0 % per annum. If the City is a variable rate payor on a Swap Agreement, it may not contract to pay at a Rate higher than 15%.

(b) In connection with the incurrence of a Swap Agreement, the City is authorized to purchase a Swap Policy and enter into an agreement evidencing the City's Reimbursement Obligations related to the Swap Policy. Any Authorized Official is authorized to determine whether it is appropriate to purchase a Swap Policy and on what terms, and to execute and deliver any such agreement evidencing the related Reimbursement Obligations.

(c) The payment obligations of the City under a Swap Agreement that are termination payments, settlement payments or other payments that are not included in clause (iii) of the definition of Parity Obligations are to be payable from and secured by a lien on the Pledged Revenues that is junior and subordinate to the lien on Pledged Revenues that secures the Parity Obligations.

Section 2.11 Credit Facility. The City is authorized, but not required, to purchase and enter into an initial Credit Facility in the form of a financial guaranty insurance policy insuring the scheduled payments of interest and principal on the Bonds if an Authorized Official determines that, based on market conditions, doing so would be in the best interest of the City. Any Authorized Official is authorized to determine whether it is appropriate to purchase and enter into a Credit Facility, to select the Credit Provider and to approve the terms, and terms of

purchase, of the Credit Facility. Any Authorized Official is authorized to execute and deliver an agreement evidencing the Reimbursement Obligations related to any such Credit Facility. A statement of insurance provided by the Credit Provider may be printed or typed on the Bonds.

Section 2.12 Liquidity Facility. The City is authorized, but not required, to purchase and enter into an initial Liquidity Facility substantially in the form of Exhibit 6 to Appendix A hereto in connection with the Bonds if an Authorized Official determines that, based on market conditions, doing so would be in the best interest of the City. Any Authorized Official is authorized to determine whether it is appropriate to purchase and enter into a Liquidity Facility, to select the Liquidity Provider, and to approve the terms, and terms of purchase, of the Liquidity Facility. Any Authorized Official is authorized to execute and deliver an agreement evidencing the Reimbursement Obligations related to any such Liquidity Facility.

ARTICLE 4. SECURITY AND SOURCE OF PAYMENT FOR PARITY OBLIGATIONS

Section 4.01 Pledge and Source of Payment. The Bonds and other Parity Obligations
shall constitute special obligations of the City payable from and, subject and subordinate to the
payment of the Prior Lien Bonds and priority of uses contained in the ordinances authorizing the
issuance of the Prior Lien Bonds, equally and ratably secured by a lien on the Pledged
Revenues. Such Pledged Revenues or other lawfully available funds of the City shall, in the
manner herein provided, be set aside for and pledged to the payment of the Parity Obligations,
and all expenses of providing for their full and timely payment in accordance with their terms, in
the Bond Fund and the Reserve Fund as hereinafter provided. The City hereby grants a lien on
the Pledged Revenues and further grants a lien on the Bond Fund and the Reserve Fund to
secure the payment of principal of and premium, if any, and interest on the Parity Bonds and all
other payments due on the Parity Obligations. Except as otherwise expressly provided by their
terms, all Parity Obligations shall be in all respects on a parity with and of equal dignity with one
another. The lien on the Pledged Revenues granted hereunder shall be valid and binding and
fully perfected from and after the date of adoption of this Ordinance without physical delivery or
transfer of control of the Pledged Revenues, the filing of this Ordinance or any other act; all as
provided in Chapter 1208 of the Texas Government Code. The Holders of the Parity Bonds and
the beneficiaries of the other Parity Obligations shall never have the right to demand payment of
the principal of, interest on or any redemption premium on the Parity Bonds (or payment of other
amounts owed by the City in respect of other Parity Obligations) out of any funds raised or to be
raised by taxation, other than the Pledged Revenues.

If Texas law is amended at any time while the Bonds and Parity Obligations related to the Bonds are Outstanding such that the pledge of the Pledged Revenues granted by the City under this Section 4.01 is to be subject to the filing requirements of Chapter 9, Business & Commerce Code, or other law, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable filing requirements to continue the perfection of such security interest.

Section 4.02 Levy of Hotel Occupancy Tax.

(a) The City has levied, and while any Bonds and Parity Obligations related to the Bonds remain Outstanding the City hereby levies and covenants that it shall continue to levy, a Hotel Occupancy Tax on the cost of occupancy of any sleeping room furnished by any hotel within the corporate limits of the City, in which the cost of occupancy is \$2.00 or more a day, at a rate of at least 7% of the consideration paid by the occupant of the sleeping room to the hotel, all as authorized by the Tax Act. The City further covenants that it shall enforce the provisions of this Ordinance, or any other ordinance levying a hotel occupancy tax, concerning the collection, remittance and payment of the Hotel Occupancy Tax.

(b) In addition to the Hotel Occupancy Tax levied and to be collected pursuant to (a) above, the City has levied, and while any Parity Obligations remain Outstanding the City hereby levies and covenants that it shall continue to levy, a Special Hotel Occupancy Tax on the cost of occupancy of any sleeping room furnished by any hotel within the corporate limits of the City, in which the cost of occupancy is \$2.00 or more a day, at a rate of at least 2% of the consideration paid by the occupant of the sleeping room to the hotel, to finance the costs of the Convention Center/Waller Creek Venue Project, all to the extent authorized by V.T.C.A. Local Government Code, Chapter 334, particularly Subchapter H and an election held in the City on May 2, 1998. The City further covenants that it shall enforce the provisions of this Ordinance and Ordinance No. 980709-G, or any other ordinance levying a hotel occupancy tax, concerning the collection, remittance and payment of the Special hotel occupancy tax.

Section 4.03 Special Fund.

(a) Hotel Occupancy Tax Special Funds. In accordance with the ordinances authorizing the issuance of the Prior Lien Bonds payable from and secured by a lien on and pledge of the Pledged Hotel Occupancy Tax Revenues, the following special funds and accounts have been created, established and shall be maintained while any of the Prior Lien Bonds remain Outstanding:

- (i) Convention Center Hotel Occupancy Tax Fund ("Tax Fund");
- (ii) Convention Center Hotel Occupancy Tax Bond Debt Service Fund ("Senior Debt Service Fund");
- (iii) Subordinate Lien Hotel Occupancy Tax Debt Service Fund ("Original Subordinate Debt Service Fund", and together with the Senior Debt Service Fund, the "Debt Service Fund");

(iv) Convention Center Hotel Occupancy Tax Bond Debt Service Reserve Fund ("Senior Debt Service Reserve Fund") and

(v) Subordinate Lien Hotel Occupancy Tax Debt Service Reserve Fund ("Original Subordinate Debt Service Reserve Fund", and together with the Senior Debt Service Reserve Fund, the "Debt Service Reserve Fund").

Such funds and accounts may also include any additional accounts or subaccounts as may from time to time be designated by the City, including specifically rebate accounts or subaccounts for accumulating rebatable arbitrage payable to the federal government, provided such accounts or subaccounts are not inconsistent with the ordinances authorizing the issuance of the Prior Lien Bonds and this Ordinance.

(b) Special Hotel Occupancy Tax Special Funds. In accordance with the ordinances authorizing the issuance of the Special Venue Project Bonds, the City hereby confirms the establishment of the Venue Project Fund maintained at an official depository of the City for the Convention Center/Waller Creek Venue Project in accordance with Section 334.042 of the Venue Act and pursuant to Ordinance No. 980709-G and the establishment of the following sub-accounts within such Venue Project Fund on the books of the City for the benefit of such Prior Lien Bonds, to wit:

(i) Convention Center/Waller Creek Venue Project Special Hotel Occupancy Tax Account ("Tax Account");

(ii) Convention Center/Waller Creek Venue Project Bond Debt Service Account ("Debt Service Account"); and

(iii) Convention Center/Waller Creek Venue Project Bond Debt Service Reserve Account ("Debt Service Reserve Account").

Such funds and accounts may also include any additional accounts or subaccounts as may from time to time be designated by the City, including specifically rebate accounts or subaccounts for accumulating rebatable arbitrage payable to the federal government, provided such accounts or subaccounts are not inconsistent with the ordinance authorizing the issuance of the Special Venue Project Bonds and this Ordinance.

(c) Special Funds for Parity Obligations. For the benefit of the Holders of the Parity Bonds and the beneficiaries of the other Parity Obligations, the City hereby agrees and covenants to establish and maintain the following special funds or accounts:

(i) 2005 Subordinate Lien Hotel Occupancy Tax Debt Service Fund (the "Bond Fund") for the payment of the Parity Obligations when and as the same shall become due and payable, and

(ii) 2005 Subordinate Lien Hotel Occupancy Tax Debt Service Reserve Fund (the "Reserve Fund") to provide a reserve to pay the principal of and interest on the Parity Bonds when funds in the Bond Fund are insufficient.

The Bond Fund and Reserve Fund may also include any additional accounts or subaccounts as may from time to time be designated by the City, including specifically rebate accounts or subaccounts for accumulating rebatable arbitrage payable to the

federal government, provided such accounts or subaccounts are not inconsistent with the provisions of this Ordinance.

Section 4.04 Flow of Funds.

(a) Flow of Funds regarding Pledged Hotel Occupancy Tax Revenues. The City covenants and agrees that all Pledged Hotel Occupancy Tax Revenues shall be deposited as received into the Tax Fund. Money from time to time credited to the Tax Fund shall be applied as follows in the following order of priority:

First, to transfer all amounts to the Debt Service Fund required by the ordinances authorizing the issuance of the Prior Lien Bonds (in such relative order of priority as is required by the related ordinances).

Second, to transfer all amounts to the Debt Service Reserve Fund required by the ordinances authorizing the issuance of the Prior Lien Bonds (in such relative order of priority as is required by the related ordinances).

Third, to transfer to the Bond Fund all amounts necessary to provide for the payment of Parity Obligations.

Fourth, to transfer to the Reserve Fund the amounts required pursuant to Section 4.06.

Fifth, for any lawful purpose under the Tax Act.

(b) Flow of Funds regarding Special Hotel Occupancy Tax. The City covenants and agrees that all receipts and revenues collected and received by the City from the Special Hotel Occupancy Tax shall be deposited to the credit of the Venue Project Fund and more particularly to the credit of the Tax Account. Following the issuance of the Bonds and while Parity Obligations remain Outstanding, money from time to time credited to the Tax Account shall be applied as follows in the following order of priority:

First, to transfer all amounts to the Debt Service Account required by the ordinances authorizing the issuance of the Prior Lien Bonds (in such relative order of priority as is required by the related ordinances).

Second, to transfer all amounts to the Debt Service Reserve Account required by the ordinances authorizing the issuance of the Prior Lien Bonds (in such relative order of priority as is required by the related ordinances).

Third, to transfer to the Bond Fund all amounts necessary to provide for the payment of the Bonds and Parity Obligations related to the Bonds.

Fourth, to transfer to the Reserve Fund the amounts required pursuant to Section 4.06.

Fifth, to pay the costs of operating or maintaining the Convention Center/Waller Creek Venue Project

Section 4.05 Bond Fund. Subject to satisfying the required payments for the benefit of the Prior Lien Bonds in accordance with the ordinances authorizing their issuance, the City hereby covenants and agrees that prior to each Interest Payment Date, stated maturity date and mandatory redemption date for the Parity Bonds (and prior to the dates payments are due on other Parity Obligations) there shall be deposited into the Bond Fund from the Pledged Revenues, an amount equal to one hundred percent (100%) of the amount required to fully pay the amount then due and payable on the Parity Obligations, and such deposits shall be made in substantially equal quarterly installments (based on the total annual Debt Service Requirements to be paid on the Parity Obligations divided by the number of Transfer Dates to occur during the period covered by such calculation) on or before each Transfer Date, beginning on the first Transfer Date to occur after the delivery of the Bonds.

In addition, on each Transfer Date, the City covenants and agrees to cause to be deposited into the Bond Fund from the Pledged Revenues an amount calculated to pay all expenses of providing for the full and timely payment of the principal of, premium, if any, and interest on the Parity Bonds in accordance with their terms, including without limitation, all fees charged or incurred by the Paying Agent/Registrar and any Remarketing Agent, Tender Agent, Auction Agent, Broker-Dealer and Calculation Agent, and for trustee services rendered in connection with the Parity Bonds.

Money credited to the Bond Fund shall be used solely for the purpose of paying on a *pari passu* basis (except as otherwise provided) principal (at maturity or prior redemption or to purchase Parity Bonds issued as term bonds in the open market to be credited against mandatory redemption requirements), interest and redemption premiums on Parity Bonds and all other amounts due on other Parity Obligations, plus all other charges, costs and expenses relating to such payment, including those described in the preceding paragraph. On or before each payment due date for the Parity Obligations, the City shall transfer from the Bond Fund to the appropriate paying agent/registrar amounts equal to the amounts due on the Parity Obligations on such date.

Section 4.06 Reserve Fund.

(a) The Reserve Fund shall be established for the benefit of the Parity Bonds. The City shall establish and maintain a balance in the Reserve Fund equal to the Reserve Fund Requirement. The Reserve Fund Requirement may be funded by a Reserve Fund Surety Bond issued by an insurance company or other entity that maintains ratings (either for the long term unsecured debt of the issuer of such Reserve Fund Surety Bond or for obligations insured, secured or guaranteed by such issuer) in the highest letter category by two major municipal securities credit rating services.

(b) In any Transfer Period in which the Reserve Fund contains less than the Reserve Fund Requirement or in which the City is obligated to repay or reimburse any issuer of a Reserve Fund Surety Bond (in the event such Reserve Fund Surety Bond is drawn upon), then after making all required transfers to the Bond Fund, there shall be transferred into the Reserve Fund from the available Pledged Revenues on each Transfer Date such amounts as shall be necessary to reestablish the Reserve Fund Requirement and satisfy any repayment obligations to the issuer of any Reserve Fund Surety Bond. After such amount has been accumulated in the Reserve Fund and after satisfying any repayment obligation to any Reserve Fund Surety Bond issuer and so long thereafter as such fund contains such amount and all such repayment obligations have been satisfied, no further transfers shall be required to be made, and any excess

amounts in such fund shall be transferred to the Bond Fund. But if and whenever the balance in the Reserve Fund is reduced below the Reserve Fund Requirement or any Reserve Fund Surety Bond repayment obligations arise, transfers to the Reserve Fund shall be resumed and continued in the manner stated above to restore the Reserve Fund Requirement and to pay such reimbursement obligations.

(c) The Reserve Fund shall be used to pay the principal of and interest on the Parity Bonds at any time when there is not sufficient money available in the Bond Fund for such purpose and to make any payments required to satisfy repayment obligations to issuers of Reserve Fund Surety Bonds, and may also be used to make the final payments for the retirement or defeasance of the Parity Bonds.

(d) If an Authorized Official determines that doing so would be in the best interest of the City, the Reserve Fund Requirement may be funded in whole or in part by a Reserve Fund Surety Bond issued by a Person selected by an Authorized Official (hereinafter referred to as the "Surety Bond Issuer"). An Authorized Official may approve the terms and form of the Reserve Fund Surety Bond and of a guaranty or other agreement pursuant to which the City is obligated to pay premiums, fees, and reimbursement obligations owing to the Surety Bond Issuer (a "Guaranty Agreement"). In connection with a Reserve Fund Surety Bond and any Additional Bonds that are Parity Bonds, the City, the Paying Agent/Registrar and the Surety Bond Issuer may approve procedures providing for a reasonable allocation among Reserve Fund Surety Bonds and funds held in the Reserve Fund to make payments on Parity Bonds and to provide for repayments to Surety Bond Issuances.

Section 4.07 Deficiencies in Funds or Accounts. Subject to satisfying the required payments for the benefit of the Prior Lien Bonds in accordance with the ordinances authorizing their issuance, if on any Transfer Date there shall not be transferred into any fund or account maintained pursuant to this Article the full amounts required herein, amounts equivalent to such deficiency shall be set apart and transferred to such fund or account from the first available and unallocated Pledged Revenues, and such transfer shall be in addition to the amounts otherwise required to be transferred to such fund or account on any succeeding Transfer Date or Transfer Dates.

Section 4.08 Investment of Funds; Transfer of Investment Income.

(a) Money in all funds shall, at the option of the City, be invested in the manner provided by Texas law; provided that all such deposits and investments shall be made in such manner that the money required to be expended from any fund will be available at the proper time or times. All such investments shall be valued no less frequently than the last business day of the City's Fiscal Year at market value, except that any direct obligations of the United States of America - State and Local Government Series shall be continuously valued at their par value or principal face amount. For purposes of maximizing investment returns, money in such funds may be invested, together with money in other funds or with other money of the City, in common investments or in a common pool of such investments maintained by the City at an official depository of the City or in any fund or investment vehicle permitted by Texas law, which shall not be deemed to be a loss of the segregation of such money or funds provided that safekeeping receipts, certificates of participation or other documents clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such funds are held by

or on behalf of each such fund. If and to the extent necessary, such investments or participations therein shall be promptly sold to prevent any default.

(b) All interest and income derived from deposits and investments credited to the Bond Fund and Reserve Fund shall remain a part of the fund from which such investment was made, and such investment interest and income shall reduce by like amount any required transfer to such funds from the Pledged Revenues, provided that at any time when the Reserve Fund has on deposit an amount in excess of the Reserve Fund Requirement, all investment interest and income received on any investment of funds in such fund shall be deposited to the credit of the Bond Fund.

(c) Notwithstanding anything to the contrary contained herein, any interest and income derived from deposits and investments of any amounts credited to any fund or account may be (i) transferred into any rebate account or subaccount and (ii) paid to the federal government if in the opinion of nationally recognized bond counsel such payment is required to comply with any covenant contained in an order, resolution or ordinance to prevent interest on any Parity Obligations from being includable within the gross income of the owners thereof for federal income tax purposes.

Section 4.09 Security for Uninvested Funds. While any Parity Bonds remain Outstanding, all uninvested money on deposit in, or credited to, the above described funds and accounts shall be secured by the pledge of security, as provided by Texas law.

ARTICLE 5. ADDITIONAL BONDS

Section 5.01 No Prior Lien Bonds. The City covenants that it will not issue any additional bonds or other obligations payable from and secured by a lien on and pledge of the Pledged Revenues that is senior to the lien securing the Parity Obligations.

Section 5.02 Refunding Bonds. The City expressly reserves the right to issue refunding bonds to refund all or a portion of the Bonds or refunding bonds previously issued to refund Bonds. Such refunding bonds may be secured by a lien on Pledged Revenues on a parity with or subordinate to the lien securing the Bonds.

Section 5.03 Other Additional Bonds.

(a) In regard to the Pledged Revenues, the City reserves and retains the right to issue or incur additional obligations secured in whole or in part by a parity lien on such Pledged Revenues or by a lien junior and subordinate to the lien on such Pledged Revenues securing payment of the Parity Bonds; provided, however, that no such Parity Bonds or Junior Subordinate Lien Bonds shall be issued unless the following conditions are satisfied:

(i) the City's Director of Finance and Administrative Services (or other officer of the City having primary responsibility for the financial affairs of the City) shall provide a certificate showing that, for the City's most recent completed Fiscal Year or for any consecutive 12-month period out of the most recent 18 months preceding the month the ordinance authorizing the issuance of the Parity Bonds or Junior Subordinate Lien Bonds is adopted (the "Coverage Period"), (A) the Pledged Hotel Occupancy Tax Revenues for the Coverage Period are equal to at least 130% of the maximum annual Debt Service Requirement of all

Prior Lien Bonds and Parity Bonds then Outstanding scheduled to occur in the then current or any future Fiscal Year after taking into consideration the issuance of the Parity Bonds, if any, proposed to be issued, and deducting from the maximum annual Debt Service Requirement for such Prior Lien Bonds and Parity Bonds an amount equal to the revenues received from the Special Hotel Occupancy Tax for the Coverage Period and (B) the "Net Pledged Hotel Occupancy Tax Revenues" for the Coverage Period (i.e., the Pledged Hotel Occupancy Tax Revenues after deducting an amount equal to the maximum annual Debt Service Requirement applied in satisfying the coverage requirement in clause (A) above), together with any other revenues pledged in whole or in part to the payment of any Junior Subordinate Lien Bonds, are equal to at least 130% of the maximum annual Debt Service Requirement on all Junior Subordinate Lien Bonds then Outstanding and scheduled to occur in the then current or any future Fiscal Year after giving effect to the issuance of the Junior Subordinate Lien Bonds then being issued, if any; provided, however, at such time as the Prior Lien Bonds are no longer Outstanding, the coverage requirement in clause (A) above shall be reduced to 125% and the coverage requirement of clause (B) shall be reduced to 100%; and

(ii) provision is made in the ordinance authorizing issuance of the Parity Bonds or Junior Subordinate Lien Bonds, as the case may be, for the complete funding of any required reserves for payment of principal of and interest on such Parity Bonds or Junior Subordinate Lien Bonds as of the initial delivery thereof.

(b) Among the future obligations authorized to be issued or incurred pursuant to Section 5.03(a) are Credit Agreements. The City may enter into such a Credit Agreement payable from and secured in whole or in part by a lien on Pledged Revenues if it obtains either (i) the consent from any Credit Provider issuing a Credit Facility in support of the Bonds or (ii) written confirmation from each Rating Agency then rating the Parity Bonds at the request of the City that issuance of the Credit Agreement will not cause a withdrawal or reduction in the rating assigned to the Bonds. The City may secure its obligations under a future Credit Agreement by a lien on Pledged Revenues if such lien is on a parity with or subordinate to the lien securing the Parity Bonds.

(c) If the City issues Variable Rate Obligations, it shall use the following procedures for purposes of determining the maximum and the average annual Debt Service Requirements of Variable Rate Obligations:

(i) At the sole discretion of the City, such Variable Rate Obligation shall be deemed to bear interest at one of the following rates: (A) an interest rate equal to the average rate borne by such obligations (or by comparable debt in the event that such obligations have not been outstanding during the preceding 24 months) for any 24-month period ending within 30 days prior to the date of calculation; (B) if the City has entered into a related Credit Agreement in the nature of a Matched Interest Rate Exchange Agreement, the rate payable by the City under such Credit Agreement; or (C) an interest rate equal to the 30-Year Tax-Exempt Revenue Bond Index rate as published in The Bond Buyer on any date selected by the City within 30 days prior to the date of calculation. If such index is no longer published in The Bond Buyer, an index of tax-exempt revenue bonds with maturities of 20 years, or more, published in a financial newspaper or

journal with national circulation may be selected by the City and used for this purpose.

(ii) If the City has entered into a Credit Agreement in connection with an issue of obligations payable from and secured by Pledged Revenues and if Clause B of paragraph (c)(i) above does not apply, (X) payments due under the Credit Agreement, from either the City or the other party to the Credit Agreement, shall be included in such calculation except to the extent that the payments are already taken into account in the debt service calculation, (Y) any payments that would otherwise be included under the debt service calculation which are to be replaced by payments under a Credit Agreement from either the City or the other party to the Credit Agreement shall be excluded from such calculation, and (Z) payments due under a Credit Agreement that are paid at a variable rate shall be deemed to be made at a fixed rate determined in a manner consistent with clause A of paragraph (c)(i) above. For any calculation of historic data, only those payments actually made in the subject period shall be taken into account in making such calculation and for prospective calculations, only those payments reasonably expected to be made in the subject period shall be taken into account in making the calculation.

(d) If the City has entered into a Credit Agreement to discharge or purchase any of its obligations payable from or secured by Pledged Revenues under arrangements whereby the City's obligation to repay the amounts advanced under the Credit Agreement for the discharge or purchase is payable over more than one year from the advance under the Credit Agreement, then the portion of the obligations committed to be discharged or purchased pursuant to the Credit Agreement shall be excluded from any calculation of debt service requirements, and the principal of and interest requirements that constitute the City's reimbursement obligation shall be added.

(e) In determining the Pledged Hotel Occupancy Tax Revenues available to satisfy the coverage requirements of condition (a) above, the City may take into consideration an increase in the portion of the Pledged Hotel Occupancy Tax Revenues that became effective during the Coverage Period and, for purposes of satisfying the above coverage tests, make a pro forma determination of the Pledged Hotel Occupancy Tax Revenues for the Coverage Period based on such increased portion of the Pledged Hotel Occupancy Tax Revenues being in effect for the entire Coverage Period.

(f) Any Additional Bonds may bear any name or designation provided by the ordinance authorizing their issuance and be issued in such form and manner as may be authorized by law. Furthermore, any such bonds may be secured by any other source of payment lawfully available for such purposes, including a Credit Agreement, financial guaranty insurance policy or similar credit or liquidity support. Any Reimbursement Obligation or obligation under a Credit Agreement may be secured by Pledged Revenues on a basis *pari passu* with the Parity Bonds or Junior Subordinate Lien Bonds.

ARTICLE 6. COVENANTS AND PROVISIONS RELATING TO ALL PARITY OBLIGATIONS

Section 6.01 Punctual Payment of Parity Obligations. The City covenants it will punctually pay or cause to be paid the interest and any premium on and principal of all Parity Obligations according to the terms thereof and will faithfully do and perform, and at all times fully

The City further covenants and represents that, other than to the payment of the Prior Lien Bonds, the bonds and obligations authorized and reserved to be issued in this Ordinance, the Pledged Revenues are not and will not be made subject to any other lien, pledge or encumbrance to secure the payment of any debt or obligation of the City unless such lien, pledge or encumbrance is junior and subordinate to the lien and pledge securing payment of the Parity Obligations.

Section 6.03 Bondholders Remedies. This Ordinance shall constitute a contract between the City and the Holders of the Bonds from time to time Outstanding and the beneficiaries of other Parity Obligations and this Ordinance shall be and remain irrevocable until the Bonds and the other Parity Obligations shall be fully paid or discharged or provision therefor shall have been made as provided herein. In the event of a default in the payment of the principal of or interest or any premium on any of the Bonds or a default in the performance of any duty or covenant provided by law or in this Ordinance, each Holder of a Bond and each beneficiary of any Parity Obligation may pursue all legal remedies afforded by the Constitution and laws of the State of Texas to compel the City to remedy such default and to prevent further default or defaults. Without in any way limiting the generality of the foregoing, it is expressly provided that each Holder of a Bond and each beneficiary of any Parity Obligation may at law or in equity, by suit, action, mandamus, or other proceedings, enforce and compel performance of all duties required to be performed by the City under this Ordinance, including the application of Pledged Revenues in the manner required in this Ordinance; provided, however, that no Holder of a Bond and no beneficiary of a Parity Obligation shall ever have the right to demand payment of the principal of, interest on or any redemption premium on the Bonds or any payment on any Parity Obligation out of any funds raised or to be raised by taxation, other than the Pledged Hotel Occupancy Tax Revenues and the Special Hotel Occupancy Tax.

Section 6.04 Satisfaction of Obligation of City. If the City shall pay or cause to be paid, or there shall otherwise be paid to the Holders, the principal of, premium, if any, and interest on the Bonds, at the times and in the manner stipulated in this Ordinance, then the pledge of the Pledged Revenues under this Ordinance and all other obligations of the City to the Holders shall thereupon cease, terminate, and become void and be discharged and satisfied.

Bonds or any principal amount(s) thereof shall be deemed to have been paid within the meaning and with the effect expressed above in this Section when (i) money sufficient to pay in full such Bonds or the principal amount(s) thereof at maturity or to the redemption date therefor, together with all interest due thereon, shall have been irrevocably deposited with and held in trust by the Paying Agent/Registrar, or an authorized escrow agent, or (ii) Government Obligations shall have been irrevocably deposited in trust with the Paying Agent/ Registrar, or an authorized escrow agent, which Government Obligations have been certified by an independent accounting firm to mature as to principal and interest in such amounts and at such times as will insure the availability, without reinvestment, of sufficient money, together with any moneys deposited therewith, if any, to pay when due the principal of and interest on such Bonds, or the principal amount(s) thereof, on and prior to the Stated Maturity thereof or (if notice of redemption has been duly given or waived or if irrevocable arrangements therefor acceptable to the Paying Agent/Registrar have been made) the redemption date thereof. The City

covenants that no deposit of moneys or Government Obligations will be made under this Section and no use made of any such deposit which would cause the Bonds to be treated as "arbitrage bonds" within the meaning of Section 148 of the Code, or Regulations.

Any moneys so deposited with the Paying Agent/ Registrar, or an authorized escrow agent, and all income from Government Obligations held in trust by the Paying Agent/Registrar or an authorized escrow agent, pursuant to this Section which is not required for the payment of the Bonds, or any principal amount(s) thereof, or interest thereon with respect to which such moneys have been so deposited shall be remitted to the City or deposited as directed by the City. Furthermore, any money held by the Paying Agent/Registrar for the payment of the principal of and interest on the Bonds and remaining unclaimed for a period of three (3) years after the Stated Maturity, or applicable redemption date, of the Bonds such moneys were deposited and are held in trust to pay shall, upon the request of the City, be remitted to the City against a written receipt therefor. Notwithstanding the above and foregoing, any remittance of funds from the Paying Agent/Registrar to the City shall be subject to any applicable unclaimed property laws of the State of Texas.

Section 6.05 Non-Business Days. In any case where the date of maturity of interest on or principal of the Bonds or the date fixed for redemption of any Bonds or the due date for the payment or performance of any obligation shall be other than a Business Day, then such payment need not be made on such due date but may be made on the next succeeding day which is a Business Day with the same force and effect as if made on the date of maturity or the date fixed for redemption or other due date, and no interest shall accrue for the period from the scheduled due date to the date of actual payment. In case any Transfer Date shall not be a Business Day, then the transfer otherwise required to be made on such date pursuant to Section 5.05 shall be made on the next preceding date which is not a Business Day.

(b) If and to the extent required by a Credit Facility, Liquidity Facility, a Swap Agreement, another Credit Agreement or other provision of this Ordinance, the City shall first obtain the consent of the Credit Provider, any Liquidity Provider and the Swap Counterparty to any such amendment pursuant to this Section 8.03.

(c) By all Holders of Outstanding Bonds if the Bonds are in a SAVRS Mode and if written notice of the substance of the proposed amendment has been furnished to the Holders and if following such disclosure, there have occurred at least two

consecutive Auctions (as defined in Appendix A) and in each such Auction either Sufficient Clearing Bids existed or the SAVRS Rate determined was the Winning Bid Rate;

(d) By any Holder in any number of concurrent writings of similar tenor, signed by such Holder or his duly authorized attorney. Proof of the execution of any such consent or of the writing appointing any such attorney and of the ownership of Parity Bonds, if made in the following manner, shall be sufficient for any of the purposes of this Ordinance, and shall be conclusive in favor of the City with regard to any action taken, suffered or omitted to be taken by the City under such instrument, namely:

(i) the fact and date of the execution by any person of any such writing may be proved by the certificate of any officer in any jurisdiction who by law has power to take acknowledgments within such jurisdiction that the person signing such writing acknowledged before him the execution thereof, or by affidavit of any witness to such execution; and

(ii) the fact of the ownership by any person of any Bond and the date of the ownership of same may be proved by a certificate executed by an appropriate officer of the Paying Agent/Registrar, stating that at the date thereof such Bond was registered in the name of such party in the Security Register.

In lieu of the foregoing the City may accept such other proofs of the foregoing as it shall deem appropriate.

Consents obtained pursuant to Section 8.04(d) shall be valid only if given following the mailing of notice by or on behalf of the City requesting such consent and setting forth the substance of the amendment of this Ordinance in respect of which such consent is sought and stating that copies thereof are available at the office of the City Clerk for inspection. Such notice shall be mailed by certified mail to each Holder of the Parity Bonds affected at the address shown on the Security Register.

Section 8.05 Revocation of Consent. Any consent by any Holder of a Bond pursuant to the provisions of Section 8.04(d) shall be irrevocable for a period of six months from the date of mailing of the notice provided for in this Article, and shall be conclusive and binding upon all future Holders of the same Bond and any Bond delivered on transfer thereof or in exchange for or replacement thereof during such period. Such consent may be revoked at any time after six months from the date of the first mailing of such notice by the owner who gave such consent or by a successor in title, by filing notice thereof with the Paying Agent/Registrar, but such revocation shall not be effective if the Holders of a majority in aggregate principal amount of the Parity Bonds Outstanding as in this Ordinance defined have, prior to the attempted revocation, consented to and approved the amendment.

The provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of such amendment, as well as such changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount of the Outstanding Bonds consent to such amendment or (b) a Person that is unaffiliated with the City (such as nationally recognized bond counsel) determines that such amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with Section 10.02 an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

ARTICLE 11. TAX MATTERS

Section 11.01 Tax Exemption. (a) Definitions. When used in this Section, the following terms shall have the following meanings:

"Closing Date" means the date on which the Bonds are first authenticated and delivered to the initial purchasers against payment therefor.

"Code" means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

"Computation Date" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

"Investment" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Nonpurpose Investment" means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

"Rebate Amount" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Regulations" means any proposed, temporary, or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds.

"Yield" of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations and (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

(a) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(b) No Private Use or Private Payments. Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(i) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds (including property financed with Gross Proceeds of the Refunded Bonds), and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds (including property financed with Gross Proceeds of the Refunded Bonds), other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(c) No Private Loan. Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(d) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any

time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested), if as a result of such investment the Yield from the Closing Date of all investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(e) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(f) Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(g) Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last Outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds by the Underwriter and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall pay to the United States out of the Debt Service Account or its general fund, as permitted by applicable Texas statute, regulation or opinion of the Attorney General of the State of Texas, the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(h) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(i) Elections. The City hereby directs and authorizes the City Manager and Chief Financial Officer, either or any combination of them, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Certificate as to Tax Exemption or similar or other appropriate certificate, form or document.

(j) Bonds Not Hedge Bonds. With respect to the original bonds refinanced by the Refunded Bonds, (1) the City reasonably expected to spend at least 85% of the spendable proceeds of the original bonds within three years after such original bonds were issued and (2) not more than 50% of proceeds of the original bonds were invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of 4 years or more.

(k) Qualified Advance Refunding. The Bonds are issued to refund the Refunded Bonds, and the Bonds will be issued more than 90 days before the redemption of the Refunded Bonds. The City represents as follows:

(i) The Bonds are the first advance refunding of the Refunded Bonds, within the meaning of section 149(d)(3) of the Code.

(ii) The Refunded Bonds are being called for redemption, and will be redeemed not later than the earliest date on which such bonds may be redeemed.

(iii) The initial temporary period under section 148(c) of the Code will end: (i) with respect to the proceeds of the Bonds not later than 30 days after the date of issue of such Bonds; and (ii) with respect to proceeds of the Refunded Bonds on the Closing Date if not ended prior thereto.

(iv) On and after the date of issue of the Bonds, no proceeds of the Refunded Bonds will be invested in Nonpurpose Investments having a Yield in excess of the Yield on such Refunded Bonds.

(v) The Bonds are being issued for the purposes stated in the preamble of this Ordinance. There is a present value savings associated with

the refunding. In the issuance of the Bonds the City has neither: (i) overburdened the tax exempt bond market by issuing more bonds, issuing bonds earlier or allowing bonds to remain outstanding longer than reasonably necessary to accomplish the governmental purposes for which the Bonds were issued; (ii) employed on "abusive arbitrage device" within the meaning of Section 1.148-10(a) of the Regulations; nor (iii) employed a "device" to obtain a material financial advantage based on arbitrage, within the meaning of section 149(d)(4) of the Code, apart from savings attributable to lower interest rates and reduced debt service payments in early years.

This Appendix A and other portions of the Ordinance are intended to be construed together as one document; provided, however, that in the event of a conflict between the terms of this Appendix A and the terms of other provisions of the Ordinance with respect to the Bonds, the terms of this Appendix A shall control.

All references to this Appendix A shall be deemed to include the Exhibits hereto. Section references herein shall be to this Appendix A unless otherwise specified.

Section 1.02 **Definitions.** In addition to the words and terms defined in the Ordinance, the following terms have the following meanings unless the context clearly requires otherwise. All references in this Appendix A to designated "Articles," "Sections," "Exhibits," and other provisions are to the designated Articles, Sections, Exhibits, and other provisions of this Appendix.

"Agent Member" means a member of, or participant in, the Securities Depository who shall act on behalf of a Bidder.

"All Hold Rate" means, as of any Auction Date, 45% of the Reference Rate in effect on such Auction Date.

"Alternate Credit Facility" or "Alternate Liquidity Facility" means a letter of credit, insurance policy, line of credit, surety bond, standby purchase agreement or other security or liquidity instrument, as the case may be, issued in accordance with the terms of this Appendix A as a replacement or substitute for any Credit Facility or Liquidity Facility, as applicable, then in effect.

"Alternate Letter of Credit" means a letter of credit or other security or liquidity device delivered in accordance with Section 2.19 of this Appendix A which shall have a term of not less than one year and shall have the same material terms as the Letter of Credit.

"Alternate Term Rate" means for a Bond in the Term Mode, an index published or provided by Kenny Information Systems, which index is based on yield evaluations at par of bonds, the interest on which is excluded from gross income for purposes of Federal income taxation and are not subject to a "minimum tax" or similar tax under the Code (unless all tax-exempt bonds are subject to such tax). The bonds upon which the index is based shall include not less than five "high grade" component issuers selected by Kenny Information Systems which shall include, without limitation, issuers of general obligation bonds. The specific issuers included among the component issuers may be changed from time-to-time by Kenny Information Systems in its discretion. The yield evaluation period for the index shall be a one year evaluation.

“Applicable Percentage” means, as of any Auction Date, the Percentage of Reference Rate (in effect on such Auction Date) determined as set forth below, based on the Prevailing Rating of the Bonds in effect at the close of business on the Business Day immediately preceding such Auction Date:

<u>Prevailing Rating</u>	<u>Percentage of Reference Rate</u>
AAA/Aaa	175%
AA/Aa	200
A/A	250
BBB/Baa	275

“Auction” means each periodic implementation of the Auction Procedures.

“Auction Agent” means the auction agent appointed in accordance with Section 3.09 of this Appendix A.

The last Business Day of a Special Rate Period shall be the Auction Date for the Auction Period which begins on the next succeeding Business Day, if any. Section 2.01 **Initial Rate.** From the date of initial issuance and delivery of the Bonds to but not including _____, 2005, the Bonds shall bear interest at the per annum rate established on the Business Day prior to the date of initial issuance and delivery of the Bonds, in accordance with the Bond Purchase Agreement and the Ordinance. Thereafter, until a Mode Change, the interest rate on the Bonds shall be the Weekly Rate established as provided in Section 2.06 of this Appendix A.

Section 2.02 **Rates Generally.** Pursuant to the Ordinance and this Appendix A, the Bonds may bear interest in an SAVRS Mode, a Fixed Mode, a Daily Mode, a Weekly Mode, a Commercial Paper Mode, or a Term Mode. After the issuance of the Bonds, the Mode may only be changed pursuant to a Mode Change as set forth in this Appendix A.

Section 2.03 **Mode Change.** Upon City Order, unless previously converted to the Fixed Mode, all Bonds (in an amount which is an Authorized Denomination for the New Mode) may be converted from the Current Mode to another Mode or, if the Current Mode is the Term Mode, to another Interest Period in the Term Mode; provided, however, that any such conversion shall be made in accordance with the applicable provisions of this Article Two. Subsequent to

such Mode Change (other than a change to a Fixed Mode), such Bonds may again be changed to a different Mode at the times and in the manner hereinafter provided. A Fixed Mode shall be in effect until the Stated Maturity, and may not be changed to any other Mode. All the Bonds must be in the same Mode at all times.

Section 2.04 **Calculation and Payment of Interest; Mode Change; Maximum Lawful Rate.** When a Short-Term Mode or Commercial Paper Mode is in effect, interest on Bonds shall be calculated on the basis of a 365/366 day year for the actual number of days elapsed. When a SAVRS Mode is in effect and the Auction Period is 180 days or less, interest shall be calculated on the basis of a 360 day year for the actual days elapsed. When a SAVRS Mode is in effect and the Auction Period is greater than 180 days, interest on Bonds shall be calculated on the basis of a 360 day year of twelve 30 day months. Interest on Liquidity Provider Bonds shall be calculated on the basis of a 360 day year for the actual number of days elapsed. Payment of interest on each Bond shall be made on each Interest Payment Date for such Bond for unpaid interest accrued during the Interest Accrual Period to the Holder of such Bond on the applicable Regular Record Date.

No Bonds in any Mode shall bear interest at an interest rate higher than the Maximum Lawful Rate.

In the absence of manifest error, the determination of interest rates (including any determination of rates in connection with a New Mode) and interest periods by the Remarketing Agent and the record of interest rates maintained by the Paying Agent/Registrar shall be conclusive and binding upon the Remarketing Agent, the Paying Agent/Registrar, the Credit Provider, the Liquidity Provider, the Tender Agent, the City, and the Holders.

Section 2.05 **Determination of Commercial Paper Rates and Interest Periods During the Commercial Paper Mode.**

A. A Commercial Paper Rate Period for a Commercial Paper Bond shall be of such duration, ending on a Business Day (but not later than the current Expiration Tender Date), of from one to [270-360] calendar days, as the Remarketing Agent shall determine in accordance with the provisions of this Section 2.05. A Commercial Paper Bond can have a Commercial Paper Rate Period, and bear interest at a rate, different than other Commercial Paper Bonds. In making the determinations with respect to Commercial Paper Rate Periods, on each Rate Determination Date for a Commercial Paper Bond, the Remarketing Agent shall select for such Bond the Commercial Paper Rate Period which would result in the Remarketing Agent being able to remarket such Bond at par in the secondary market at the lowest interest rate then available and for the longest Commercial Paper Rate Period available at such rate, provided that if on any Rate Determination Date, the Remarketing Agent determines that current or anticipated future market conditions or anticipated future events are such that a different Commercial Paper Rate Period would result in a lower average interest cost on such Bond, then the Remarketing Agent shall select the Commercial Paper Rate Period which in the judgment of the Remarketing Agent would permit such Bond to achieve such lower average interest cost; provided, however, that if the Remarketing Agent has received notice from

the City that any Bond is to be changed from the Commercial Paper Mode to any other Mode or is to be purchased in accordance with a mandatory purchase described in subsection (4) of the definition of Mandatory Tender Date, the Remarketing Agent shall, with respect to such Bond, select Commercial Paper Rate Periods which do not extend beyond the Mandatory Purchase Date.

B. On or after 4:00 p.m., New York City time, on the Business Day next preceding each Rate Determination Date for a Commercial Paper Bond, any Owner of such Bond may telephone the Remarketing Agent and receive notice of the anticipated next Commercial Paper Rate Period and the anticipated Commercial Paper Rate for such Commercial Paper Rate Period for such Bond.

C. By 12:30 p.m., New York City time, on each Rate Determination Date for a Commercial Paper Bond, the Remarketing Agent shall determine the Commercial Paper Rate for the Commercial Paper Rate Period then selected for such Bond and shall give notice by Electronic Means to the Paying Agent/Registrar of the Owners, the Commercial Paper Rate Period, the Purchase Date and the Commercial Paper Rate.

D. By 1:00 p.m., New York City time, on each Rate Determination Date, the Remarketing Agent will assign CUSIP numbers for each Commercial Paper Bond for which a Commercial Paper Rate and Commercial Paper Rate Period have been determined on such date and notify the Paying Agent/Registrar of such assignment by Electronic Means.

Section 2.06 **Determination of Interest Rates During the Daily Mode and the Weekly Mode.** The interest rate for the Bonds in the Daily Mode or Weekly Mode shall be the rate of interest per annum determined by the Remarketing Agent on and as of the applicable Rate Determination Date as the minimum rate of interest which, in the opinion of the Remarketing Agent under then-existing market conditions, would result in the sale of the Bonds in the Daily Rate Period or Weekly Rate Period, as applicable, at a price equal to the principal amount thereof, plus interest, if any, accrued through the Rate Determination Date during the then current Interest Accrual Period.

A. During the Daily Mode, the Remarketing Agent shall establish the Daily Rate by 10:00 a.m., New York City time, on each Rate Determination Date. The Daily Rate for any day during the Daily Mode which is not a Business Day shall be the Daily Rate established on the immediately preceding Rate Determination Date. The Remarketing Agent shall make the Daily Rate available by telephone to any Owner or Notice Party requesting such rate, and on the last Business Day of each month, shall give notice to the Paying Agent/Registrar of the Daily Rates that were in effect for each day of such month by Electronic Means.

B. During the Weekly Mode, the Remarketing Agent shall establish the Weekly Rate by 4:00 p.m., New York City time, on each Rate Determination Date. The Weekly Rate shall be in effect (i) initially, from and including the first day the Bonds become subject to the Weekly Mode to and including the following _____ and (ii) thereafter, from and including each _____ to and including the following _____

_____. The Remarketing Agent shall make the Weekly Rate available (i) after 4:00 p.m., New York City time, on the Rate Determination Date by telephone to any Owner or Notice Party requesting such rate and (ii) by Electronic Means to the Paying Agent/Registrar not later than the second Business Day immediately succeeding the Rate Determination Date.

C. The Remarketing Agent may also furnish any such Daily Rate or Weekly Rate to any other Person in the discretion of the Remarketing Agent.

Section 2.07 Determination of Term Rates and Fixed Rates.

A. Term Rates. Each Term Rate shall be determined by the Remarketing Agent not later than 12:00 p.m., New York City time, on the Rate Determination Date for the applicable Term Rate Period. Each such Term Rate shall be the minimum rate which, in the sole judgment of the Remarketing Agent, would result in a sale of such Bonds at a price equal to the principal amount thereof on the Rate Determination Date for the Term Rate Period selected by the City in writing delivered to the Remarketing Agent before such Rate Determination Date. If a new Term Rate Period is not selected by the City prior to a Rate Determination Date (for a reason other than a court prohibiting such selection), the new Term Rate Period shall be the same length as the current Term Rate Period (or such lesser period as shall be necessary to comply with the last sentence of this paragraph). The Remarketing Agent shall make the Term Rate available by telephone or Electronic Means after 5:00 p.m., New York City time, on the Rate Determination Date to the City, the Paying Agent/Registrar and any Holder requesting such Term Rate. The Remarketing Agent may also furnish any such Term Rate to any other Person in the discretion of the Remarketing Agent. No Term Rate Period in the Term Mode may extend beyond the applicable Stated Maturity.

Upon converting Bonds to a Term Mode, the City shall determine whether or not such Bonds shall be entitled to the benefit of a Liquidity Facility. If such Bonds are entitled to the benefit of a Liquidity Facility, then, notwithstanding anything to the contrary contained herein, no Term Rate Period for such Bond may extend beyond the Expiration Tender Date.

B. Fixed Rates. The Remarketing Agent shall determine the Fixed Rate for Bonds being converted to the Fixed Mode in the manner and at the times as follows: not later than 4:00 p.m., New York City time, on the applicable Rate Determination Date, the Remarketing Agent shall determine the Fixed Rate (or Rates, if the Bonds will have Serial Stated Maturities in accordance with Section 2.09B(5) or Section 2.10C(7) of this Appendix A. Except as set forth in Section 2.09B(5) or Section 2.10C(7) of this Appendix A, the Fixed Rate shall be the minimum interest rate which, in the sole judgment of the Remarketing Agent, will result in a sale of such Bonds at a price equal to the principal amount thereof on the Rate Determination Date. The Remarketing Agent shall make the Fixed Rates available by telephone or by Electronic Means after 5:00 p.m., New York City time, on the Rate Determination Date to the City, the Paying Agent/Registrar and any Holder requesting such Fixed Rate. The Remarketing Agent may also furnish any such Fixed Rate to any other Person in the discretion of the Remarketing Agent. Subject to Section 2.09(B)(5) and Section 2.10C(7) of this Appendix

A, the Fixed Rate so established shall remain in effect until the Stated Maturity of such Bonds.

Section 2.08 **Alternate Rates.** The following provisions shall apply in the event (1) the Remarketing Agent is required to, but fails or is unable to, determine the interest rate or Interest Period for the Bonds (except with respect to Bonds in a Term Mode), (2) the method by which the Remarketing Agent determines the interest rate or Interest Period with respect to the Bonds (or the selection by the City of the Interest Periods for such Bonds in the Term Mode) shall be held to be unenforceable by a court of law of competent jurisdiction or (3) if the Remarketing Agent suspends its remarketing efforts as to the Bonds in accordance with the applicable Remarketing Agreement. These provisions shall continue to apply until such time as the Remarketing Agent (or the City if applicable) again makes such determinations or selection and, if applicable, the Remarketing Agent continues to conduct remarketing efforts in accordance with the applicable Remarketing Agreement and, in the case of clause (2) above, the Remarketing Agent (or the City, if applicable) again makes such determination (or selection) at such time as there is delivered to the Remarketing Agent an opinion of counsel of nationally recognized standing in the field of law relating to municipal bonds to the effect that there are no longer any legal prohibitions against such determinations or selections. The following shall be the methods by which the interest rates and, in the case of the Term Mode, the Interest Periods, shall be determined for such Bonds as to which any of the events described in clauses (1), (2) or (3) shall be applicable. Such methods shall be applicable from and after the date any of the events described in clauses (1), (2) or (3) first become applicable to the Bonds until such time as the events described in clauses (1), (2) or (3) are no longer applicable to such Bonds.

A. For a Commercial Paper Bond, the next Interest Period shall be from, and including, the last day of the current Interest Period for such Bond to, but excluding, the next succeeding Business Day and thereafter shall commence on each Business Day and extend to, but exclude, the next succeeding Business Day. For each such Interest Period, the interest rate for such Bond shall be the Lehman Brothers Tax Exempt Commercial Paper Index in effect on the Business Day that begins an Interest Period.

B. If such Bond is in the Daily Mode, then such Bond shall bear interest during each subsequent Interest Period at the last lawful interest rate for such Bond set by the Remarketing Agent pursuant to Section 2.06 of this Appendix A.

C. If such Bond is in the Weekly Mode, then such Bond shall bear interest during each subsequent Interest Period at the BMA Municipal Swap Index in effect on the first day of such Interest Period.

D. If such Bond is in the Term Mode and if (i) such Bond is secured by an Alternate Liquidity Facility, it will be changed automatically to the Commercial Paper Mode with an Interest Period and Commercial Paper Rate to be determined by the Remarketing Agent in accordance with Section 2.05 of this Appendix A or (ii) if such Bond is not secured by a Liquidity Facility, then such Bond shall stay in the Term Mode for subsequent Interest Periods, each beginning on the last Interest Payment Date and ending on the next Interest Payment Date, and shall bear interest at the Alternate Term Rate in effect at the beginning of each such Interest Period.

Section 2.09 **Mode Change (Other than to or from the SAVRS Mode)**. Subject to the provisions of this Section, the City, may effect a Mode Change from one Mode to another (except for a Mode Change to or from the SAVRS Mode which is set forth under Section 2.10 below) with respect to the Bonds by following the procedures set forth in this Section.

A. **Changes to Modes Other Than Fixed Mode**. The Bonds (other than Bonds in the Fixed Mode) may be changed from one Mode to another Mode (other than the Fixed Mode) as follows:

(1) **Mode Change Notice; Notice to Holders**. No later than a Business Day which is at least 45 days (or such shorter time as may be agreed to by the City, any Tender Agent and the Remarketing Agent) preceding the proposed Mode Change Date, the City shall give written notice to the Notice Parties of its intention to effect a change in the Mode from the Current Mode to the New Mode specified in such written notice, and, if the change is to a Term Mode, the length of the initial Interest Period as set by the City. In the case of a change to a Term Mode, such notice to the Notice Parties shall also include a statement as to whether there will be a Liquidity Facility and/or Credit Facility in effect with respect to the Bonds following such change. Bonds may not be changed to a Daily Mode or Weekly Mode unless there will be a Liquidity Facility in effect. The notice shall state the identity of any provider of such Liquidity Facility and/or Credit Facility. Notice of the proposed Mode Change shall be given by the Tender Agent to the Owners not later than the 30th day next preceding the Mode Change Date. Such notice shall state: (a) the Mode to which the conversion will be made and the Mode Change Date; (b) except in the case of a change from the Daily Mode to the Weekly Mode or from the Weekly Mode to the Daily Mode, that the Bonds will be subject to mandatory tender for purchase on the Mode Change Date and the Purchase Price of the Bonds; and (c) if the Book-Entry System is no longer in effect, information with respect to required delivery of Bond certificates and payment of Purchase Price.

(2) **Determination of Interest Rates**. The New Mode shall commence on the Mode Change Date and the interest rate(s) (together with, in the case of a change to the Term Mode, the Interest Period(s)) shall be determined by the Remarketing Agent (or the City) in the manner provided in Sections 2.05, 2.06, 2.07, or Article Three of this Appendix A, as applicable.

(3) **Conditions Precedent**. Conditions precedent are applicable to a certain Mode Change to a Mode other than a Fixed Mode, as follows:

- a. The Mode Change Date shall be:
 - (i) a Business Day;
 - (ii) from the Commercial Paper Mode, a Purchase Date for the Commercial Paper Bonds;

(iii) in the case of a change from the Daily or Weekly Mode, any Interest Payment Date;

(iv) in the case of a change from the Term Mode to another Mode, or from a Term Rate Period to a Term Rate Period of a different duration, the Mode Change Date shall be limited to any Interest Payment Date (without giving effect to the planned Mode Change) on which the Bonds are subject to optional redemption or to the last Interest Payment Date of the current Term Rate Period, as the case may be. Such Bonds shall be purchased on such Mode Change Date at a Purchase Price equal to 100% of the principal amount thereof, provided that if such Bonds are to be purchased on an Interest Payment Date other than the last Interest Payment Date and would otherwise be subject to optional redemption on such Mode Change Date at a Redemption Price of more than 100% of the principal amount thereof, such Bonds shall be purchased at a Purchase Price equal to such Redemption Price;

b. In the case of a change from any Mode other than a change between the Daily Mode and the Weekly Mode, the City must receive on the Mode Change Date an Opinion of Counsel to the effect that the Mode Change will not adversely affect the excludability of interest on the Bonds subject to the change from the gross incomes of the owners thereof for federal income tax purposes;

c. If there is to be an Alternate Liquidity Facility or Alternate Credit Facility delivered in connection with such Mode Change, the Remarketing Agent must receive on or prior to the Mode Change Date the items required by Section 2.19B of this Appendix A;

d. On or prior to the Mode Change Date, a Rating Confirmation Notice, unless the Mode Change Date is a Mandatory Tender Date, in which event only a notice from the Rating Agencies of the rating(s) to be assigned the Bonds on such Mode Change Date is required; and

e. If the Bonds to be changed are in the Commercial Paper Mode, no Interest Period set after delivery by the City to the Remarketing Agent of the notice of the intention to effect a Mode Change with respect to such Bonds shall extend beyond the proposed Mode Change Date.

B. Change to Fixed Mode. At the option of the City, the Bonds may be changed to the Fixed Mode as provided in this Section 2.09B. On any Business Day which is at least 45 days (or such shorter time as may be agreed to by the City, the Tender Agent and the Remarketing Agent) before the proposed Mode Change Date, the City shall give written notice to the Notice Parties stating that the Mode will be changed to the Fixed Mode and setting forth the proposed Mode Change Date. Such notice shall also

state whether or not there shall be a Credit Facility with respect to the Bonds following such change and, if so, the identity of the Credit Provider. In addition, such notice shall state whether some or all of the Bonds to be converted shall be converted to Serial Bonds and, if so, the applicable Serial Stated Maturities and Serial Payments, all as determined pursuant to subsection (5) of this subsection (B). Any such Mode Change shall be subject to the following:

(1) Mode Change Date. The Mode Change Date shall be on a Business Day, subject to the following conditions, as applicable:

a. in the case of a change from the Commercial Paper Mode, a Purchase Date for the Commercial Paper Bond;

b. in the case of a change from the Daily Mode or Weekly Mode, the Mode Change Date shall be on any Interest Payment Date (determined without regard to the Mode Change);

c. in the case of a change from the Term Mode, the Mode Change Date shall be limited to any Interest Payment Date on which the Bonds are subject to optional redemption or to the next Mandatory Tender Date for the Term Rate Bonds, as the case may be. Such Bonds shall be purchased on such Mode Change Date at a Purchase Price equal to 100% of the principal amount thereof, provided that if such Bonds would otherwise be subject to optional redemption on such Mode Change Date at a Redemption Price of more than 100% of the principal amount thereof, such Bonds shall be purchased at a Purchase Price equal to such Redemption Price; and

(2) Notice to Holders. Not later than the 30th day next preceding the Mode Change Date, the Tender Agent shall mail, in the name of the City, a notice of such proposed change to the Holders of the Bonds stating that the Mode will be changed to the Fixed Mode, the proposed Mode Change Date and that such Holder is required to tender such Holder's Bonds for purchase on such proposed Mode Change Date.

(3) General Provisions Applying to Change to Fixed Mode. The change to the Fixed Mode shall not occur unless the following items shall have been delivered to the City and the Remarketing Agent on or prior to the Mode Change Date:

a. an Opinion of Counsel dated the Mode Change Date and addressed to the City, the Credit Provider, and the Remarketing Agent specifying that such mode changes will not adversely affect the excludability of interest on the Bonds subject to the change from the gross incomes of the owners thereof for federal income tax purposes and either specifying that such mode change does not constitute a reissuance for state

law purposes requiring the approval of the Attorney General of the State of Texas, or stating that the required approval has been obtained; and

b. notice from the Rating Agencies of the rating(s) to be assigned the Bonds on such Mode Change Date.

(4) Determination of Interest Rate. The Fixed Rate (or rates in the case of Serial Bonds) for the Bonds to be converted to the Fixed Mode shall be established by the Remarketing Agent on the Rate Determination Date applicable thereto pursuant to the provisions of Section 2.07B. Such Rate shall remain in effect until the Stated Maturity(ies) of the Bonds.

(5) Serialization and Sinking Fund; Price. Upon conversion of the Bonds to the Fixed Mode, the converted Bonds shall be remarketed at par. shall mature on the same Stated Maturities and be subject to the same mandatory sinking fund redemption, if any, and optional redemption provisions as set forth in the Ordinance for any prior Mode; provided, however, that if the City shall deliver to the Remarketing Agent, the Credit Provider and the Paying Agent/Registrar an Opinion of Counsel specifying that such actions will not adversely affect the excludability of interest on the Bonds subject to the change from the gross incomes of the owners thereof for federal income tax purposes, the City may elect to (a) have some of the Bonds be Serial Bonds and some subject to sinking fund redemption even if such Bonds were not Serial Bonds or subject to mandatory sinking fund redemption prior to such change, (b) change the optional redemption dates and/or premiums set forth in the Ordinance, and/or (c) sell some or all of the Bonds at a premium or a discount to par.

C. Failure to Satisfy Conditions Precedent to a Mode Change. In the event the conditions described above in subsections A or B, as applicable, of this Section have not been satisfied by the applicable Mode Change Date, then the New Mode shall not take effect (although any mandatory tender shall be made on such date if notice has been sent to the Holders stating that such Bonds would be subject to mandatory tender on such date). If the failed Mode Change was from the Daily Mode, the Bonds shall remain in the Daily Mode, and if the failed Mode Change was from the Weekly Mode, the Bonds shall remain in the Weekly Mode, in each case with interest rates established in accordance with the applicable provisions of Section 2.06 on and as of the failed Mode Change Date. If the failed Mode Change was from the Term Mode, then the Bonds shall stay in the Term Mode with an Interest Period of one year, commencing on the first day following the last day of the current Interest Period for the Bonds and extend to, but exclude, the first Business Day on or after 365 days later and the interest rate for such new Interest Period shall remain the same as during the preceding Interest Period.

D. Rescission of Election. Notwithstanding anything herein to the contrary, the City may rescind any election by it to change a Mode as described above prior to the Mode Change Date by giving written notice thereof to the Notice Parties prior to such Mode Change Date. If the Tender Agent receives notice of such rescission prior to the time it has given notice of the Mode Change Date to the Holders of the Bonds, then such

notice of Mode Change shall be of no force and effect. If the Tender Agent receives notice from the City of rescission of a Mode change after the Tender Agent has given notice thereof to the Holders of the Bonds, then if the proposed Mode Change Date would have been a Mandatory Tender Date, such date shall continue to be a Mandatory Tender Date. If the proposed Mode Change was from the Daily Mode, the Bonds shall remain in the Daily Mode, and if the proposed Mode Change was from the Weekly Mode, the Bonds shall remain in the Weekly Mode, in each case with interest rates established in accordance with the applicable provisions of Section 2.06 on and as of the proposed Mode Change Date. If the proposed Mode Change was from the Term Mode, then the Bonds shall stay in the Term Mode for an Interest Period ending on the following Interest Payment Date for the Bonds in the Term Mode and the interest rate shall be established by the Remarketing Agent on the proposed Mode Change Date in accordance with Section 2.07A hereof. If the Remarketing Agent is unable to determine the interest rate on the proposed Mode Change Date, the provisions of Section 2.08 shall apply.

E. Required Mode Changes. Upon the occurrence of any one of the following events, the Credit Provider may require by written notice that the City direct a Mode Change to a Term Rate or Fixed Rate, as directed by the Credit Provider, of any Bond that is then in a Weekly Mode or Daily Mode:

- (1) a Liquidity Facility Failure occurs;
- (2) the Liquidity Facility expires or terminates and the City does not provide an Alternate Liquidity Facility in accordance with this Appendix A; or
- (3) if the Bonds are held as Liquidity Provider Bonds for forty-five or more consecutive days;

provided, however, that this Section shall not require the City to implement an additional Mode Change if, within thirty days after the occurrence of any of the events set forth above, there will otherwise be a Mode Change in accordance with the terms hereof that provides for the Bonds to be converted to a Term Mode or a Fixed Mode.

F. Termination Obligations. If a Mode Change would result in the termination of an interest rate exchange agreement or other obligation of the City as a result of which the City would be obligated to make a payment to a third party, the City may not effect the Mode Change unless the City has made adequate provision for the payment.

Section 2.10 Mode Change to or from the SAVRS Mode.

A. Mode Change to SAVRS Mode. At the option of the City, all of the Bonds (in an amount which is an Authorized Denomination for the New Mode) may be converted from another Mode to the SAVRS Mode. Any such conversion shall be made as follows:

(1) In any such conversion from another Mode, the Mode Change Date shall be a regularly scheduled Interest Payment Date on which interest is payable for the Interest Period from which the conversion is to be made; provided, however, that if the conversion is from a Term Mode, the Mode Change Date shall be a regularly scheduled Interest Payment Date on which a new Term Rate Period would otherwise have commenced, and in any such conversion from a Commercial Paper Mode, the Mode Change Date shall be the last regularly scheduled Interest Payment Date on which interest is payable for any Interest Period theretofore established for the Bonds to be converted.

(2) The City shall give written notice of any such Mode Change to the Notice Parties not less than seven (7) Business Days prior to the date on which the Tender Agent is required to notify the Owners of the conversion pursuant to subparagraph (3) below. Such notice shall specify the Mode Change Date and the length of the initial Auction Period. Together with such notice, the City shall deliver to the Auction Agent, the Remarketing Agent, the Tender Agent, the Credit Provider and the Paying Agent/Registrar an Opinion of Bond Counsel to the effect that the conversion of the Bonds to the SAVRS Mode shall not adversely affect the validity of the Bonds or any exclusion from gross income for federal income tax purposes to which interest on the Bonds would otherwise be entitled. No such change to the SAVRS Mode shall become effective unless the City shall also obtain an Opinion of Bond Counsel to the same effect dated the Mode Change Date.

(3) Not less than fifteen (15) days prior to the Mode Change Date, the Tender Agent shall mail a written notice of the Mode Change to the Owners of all Bonds to be converted; provided, however, that the Paying Agent/Registrar shall not mail such written notice if converting from a Commercial Paper Mode until it has received a written confirmation from the Remarketing Agent that no Interest Period for the Bonds extends beyond the Mode Change Date.

(4) The SAVRS Rate for the Auction Period commencing on the Mode Change Date shall be the lowest rate which, in the judgment of the Broker-Dealer, is necessary to enable the Bonds to be remarketed at a price equal to the principal amount thereof, plus accrued interest, if any, on the Mode Change Date. Such determination shall be conclusive and binding upon the City, the Auction Agent and the Owners of the Bonds to which such rate will be applicable.

(5) Not later than 5:00 p.m., New York City time, on the date of determination of the SAVRS Rate, the Broker-Dealer shall notify the City, the Paying Agent/Registrar and the Auction Agent of the SAVRS Rate by telephone, promptly confirmed in writing.

(6) The City may revoke its election to effect a conversion of the interest rate on any Bonds to a SAVRS Rate by giving written notice of such revocation to the Notice Parties at any time prior to the setting of the SAVRS Rate by the Broker-Dealer.

(7) No Bonds may be converted to the SAVRS Mode when the Bonds are not held in Book-Entry System.

(8) If there is to be an Alternate Liquidity Facility or an Alternate Credit Facility delivered in connection with such Mode Change, then the City shall deliver the items required by Section 2.19B of this Appendix A in connection with the delivery of such Alternate Liquidity Facility or Alternate Credit Facility prior to or on the Mode Change Date.

B. Mode Change from SAVRS Mode. At the option of the City, all of the Bonds (in an amount which is an Authorized Denomination for the New Mode) may be converted from the SAVRS Mode to another Mode other than a Fixed Mode pursuant to this Section 2.10B. Any such conversion shall be made as follows:

(1) If the Bonds are in an Auction Period other than the daily Auction Period, the Mode Change Date shall be the second regularly scheduled Interest Payment Date following the final Auction Date. If the Bonds are in a daily Auction Period, the Mode Change Date shall be the next regularly scheduled Interest Payment Date.

(2) The City shall give written notice of any such Mode Change to the Notice Parties not less than seven (7) Business Days prior to the date on which the Tender Agent is required to notify the Owners of the Mode Change pursuant to subparagraph (3) below. Such notice shall specify the Mode Change Date and the Mode to which the conversion will be made (and the length of any Term Rate Period). Together with such notice, the City shall deliver to the Auction Agent, the Remarketing Agent, the Tender Agent, the Credit Provider and the Paying Agent/Registrar an Opinion of Bond Counsel to the effect that the conversion of the Bonds to be converted will not adversely affect the validity of the Bonds or any exclusion from gross income for federal income tax purposes to which interest on the Bonds would otherwise be entitled. No change to the Mode shall become effective unless the City shall also obtain an Opinion of Bond Counsel to the same effect dated the Mode Change Date.

(3) Not less than twenty (20) days prior to the Mode Change Date, the Tender Agent shall mail a written notice of the conversion to the Owners of all the Bonds to be converted, specifying the Mode Change Date.

(4) If there is to be an Alternate Liquidity Facility or an Alternate Credit Facility delivered in connection with such Mode Change, then the City shall deliver the items required by Section 2.19B of this Appendix A in connection with the delivery of such Alternate Liquidity Facility or Alternate Credit Facility prior to or on the Mode Change Date.

(5) If on the Mode Change Date any condition precedent to such conversion required under the Ordinance or this Appendix A is not satisfied, the Tender Agent will give written notice by first class mail postage prepaid as soon

as practicable and in any event not later than the next succeeding Business Day to the Owners of the Bonds to have been converted, and the Notice Parties that such conversion has not occurred, that the Bonds will not be purchased on the failed Mode Change Date, that the Auction Agent will continue to implement the Auction Procedures on the Auction Dates with respect to such Bonds which otherwise would have been converted excluding however, the Auction Date falling on the Business Day next preceding the failed Mode Change Date, and that the interest rate will continue to be the SAVRS Rate; provided, however, that the interest rate borne by such Bonds during the Auction Period commencing on such failed Mode Change Date will be the Maximum SAVRS Rate, and the Auction Period will be the seven-day Auction Period.

(6) On the Mode Change Date applicable to the Bonds to be converted, the Bonds to be converted shall be subject to mandatory tender at a purchase price equal to 100% of the principal amount thereof, plus accrued interest. The purchase price of such Bonds so tendered shall be payable solely from the proceeds of the remarketing of such Bonds. In the event that the conditions of a Mode Change are not satisfied, including the failure to remarket all applicable Bonds on a mandatory tender date, the Bonds to have been converted will not be subject to mandatory tender, will be returned to their Owners, will automatically convert to a seven-day Auction Period and will bear interest at the Maximum SAVRS Rate.

C. Conversion from SAVRS Mode to Fixed Mode. At the option of the City, all of the Bonds in the SAVRS Mode (in an amount which is an Authorized Denomination for the New Mode) may be converted to bear interest at a Fixed Rate as follows:

(1) The Mode Change Date shall be, in the case of a Mode Change from the SAVRS Mode in other than a daily Auction Period, the second regularly scheduled Interest Payment Date following the final Auction Date and in the case of a Mode Change from a daily Auction Period, the first Business Day of any calendar month.

(2) Not less than seven (7) Business Days prior to the date on which the Tender Agent is required to notify the Owners of the Mode Change pursuant to subparagraph (3) below, the City shall give written notice of the Mode Change to the Notice Parties, setting forth the Mode Change Date. Together with such notice, the City shall deliver to the Auction Agent, the Remarketing Agent, the Credit Provider and the Paying Agent/Registrar an Opinion of Bond Counsel to the effect that the Mode Change of the Bonds to the Fixed Mode, including the assignment of new Serial Stated Maturities, if any, pursuant to subparagraph (7) of this Section 2.10, will not adversely affect the validity of the Bonds or any exclusion from gross income for federal income tax purposes to which interest on the Bonds would otherwise be entitled. No Mode Change to the Fixed Mode shall occur unless the City shall also obtain an Opinion of Bond Counsel to the same effect dated the Mode Change Date.

(3) The Tender Agent shall mail a notice of the proposed Mode Change to the Owners of the Bonds to be converted not less than twenty (20) days prior to the Mode Change Date.

(4) Not later than 12:00 noon, New York City time, on the Business Day prior to the Mode Change Date, the Remarketing Agent shall determine the Fixed Rate for the Bonds to be converted.

(5) Such determination shall be conclusive and binding upon the City, the Credit Provider, the Liquidity Provider, if any, the Broker-Dealer, if any, the Auction Agent, if any, and the Owners of the Bonds to which such rate will be applicable. Not later than 5:00 p.m., New York City time, on the date of determination of the Fixed Rate, the Remarketing Agent shall notify the Paying Agent/Registrar, the Liquidity Provider and the City of such rate by telephone.

(6) The City may revoke its election to effect a Mode Change of the interest rate on the Bonds to the Fixed Rate by giving written notice of such revocation to the Notice Parties, at any time prior to the determination of the Fixed Rate by the Remarketing Agent.

(7) Prior to the Mode Change of any of the Bonds to a Fixed Rate pursuant to this Section 2.10, the Remarketing Agent shall deliver to the Notice Parties a certificate which includes the principal amount of the Bonds converted to Fixed Mode, any mandatory sinking fund redemption amounts, the Serial Stated Maturities, if any, the Serial Payments, if any, and the interest rate payable on such Bonds (and each Serial Stated Maturity, if any) to be converted to a Fixed Rate. In determining the Serial Stated Maturities, the Serial Payments and interest rates, the Remarketing Agent shall use the following guidelines:

a. The Remarketing Agent shall determine the schedule of principal payments on the Bonds to be converted to a Fixed Rate to achieve annual level debt service with respect to the converted Bonds. In making such schedule, the Remarketing Agent shall, to the extent necessary, alternately round down and up to the nearest \$5,000 the amount allocable to the Bonds which are being converted;

b. The Remarketing Agent shall allocate the Bonds to be converted to a Fixed Rate between serial bonds and term bonds in such manner as shall produce the lowest aggregate interest payable with respect to such Bonds; and

c. The Remarketing Agent shall set the interest rate on each Bond to be converted to a Fixed Rate of a particular Stated Maturity at the lowest interest rate that will enable such Bond, upon Mode Change, to be remarketed at par (plus any accrued interest) taking into account the Stated Maturity of such Bond and mandatory redemption of the Bonds of such Stated Maturity.

The foregoing notwithstanding, the City may agree to another method for providing for payment of principal of the Bonds after the Mode Change Date if (i) the Remarketing Agent deems the utilization of such other method necessary in order to remarket the Bonds at a price of par, and (ii) the City obtains an Opinion of Bond Counsel to the effect that utilization of such other method will not adversely affect the validity of any Bonds or any exclusion from federal income taxation to which the interest on the Bonds would otherwise be entitled.

(8) Mandatory redemption of the Bonds converted to the Fixed Rate by operation of a mandatory sinking fund shall be without premium. The Bonds converted to the Fixed Rate shall be redeemed by the City pursuant to the provisions of this Section and the Ordinance without any notice from or direction by the City.

D. Termination Obligations. If a Mode Change would result in the termination of an interest rate exchange agreement or other obligation of the City as a result of which the City would be obligated to make a payment to a third party, the City may not effect the Mode Change unless the City has made adequate provision for the payment.

Section 2.11 **Optional Tenders of Bonds in the Daily Mode or the Weekly Mode.**

A. Subject to Section 2.20, the Owners (other than Excluded Persons) in a Daily Mode or a Weekly Mode may elect to have their Bonds (or portions of those Bonds in amounts equal to an Authorized Denominations) purchased on any Business Day at a price equal to the Purchase Price, upon delivery to the Tender Agent of an Optional Tender Notice by the Tender Notice Deadline; provided, however, that the Purchase Date for any optional tender of Bonds in a Weekly Mode must be the first Business Day on or after the commencement of a Weekly Rate Period. The Tender Agent shall promptly notify the Liquidity Provider and the Remarketing Agent by Electronic Means confirmed by mailed written notice of each such tender notice.

Section 2.12 **Mandatory Tender.**

A. The Bonds shall be subject to mandatory tender on each Mandatory Tender Date at the Purchase Price. The Tender Agent shall give notice of such mandatory tender by mail to the Holders of the Bonds subject to mandatory tender by the applicable Tender Notice Deadline. No later than the Business Day immediately after the Tender Agent becomes aware of a Mandatory Tender Date, it shall notify by Electronic Means confirmed by mailed written notice the Liquidity Provider, the Credit Provider, the City and the Remarketing Agent of the Mandatory Tender Date and the clause of the definition thereof pursuant to which the Mandatory Tender Date exists. The City shall give each Rating Agency written notice of each mandatory tender as soon as practicable after the related Mandatory Tender Date has been established. Any notice shall state the Mandatory Tender Date, the Purchase Price, the numbers of the Bonds to be purchased if less than all of the Bonds owned by such Holder are to be purchased, and that interest on

Bonds subject to mandatory tender shall cease to accrue for the account of such Holders from and after the Mandatory Tender Date. If notice of a mandatory tender is given by the Tender Agent as provided herein, the failure of any Holder or other Person to receive such notice for any reason shall not affect the requirement that such Bonds be mandatorily tendered and such Bonds shall be deemed to be mandatorily tendered on the mandatory tender date at the price stated in the tender notice and shall not be deemed outstanding for any purpose other than to receive the tender price for such Bonds from the tender agent. Any notice mailed will be conclusively presumed to have been given, whether or not actually received by any Holder.

B. Any Bond subject to mandatory tender and not tendered pursuant to the applicable procedures specified in this Appendix A shall, nevertheless, be deemed tendered on the applicable Mandatory Tender Date.

C. With the consent of the Liquidity Provider, which shall not be unreasonably withheld, the City may direct that all or part of the Bonds be subject to mandatory tender on a Mandatory Tender Date that is a Business Day selected by the City pursuant to a City Order; provided, however, that such Mandatory Tender Date may not occur during a Term Mode or Fixed Mode unless the Bonds subject to mandatory tender are, as of such date, eligible for optional redemption. Subsections A and B of this Section 2.12 shall apply to any mandatory tender effected pursuant to this subsection C; provided, however, that if Bonds subject to such mandatory tender are in a Term Mode or Fixed Mode, the Purchase Price shall consist of the same price that would have been paid upon redemption of the same if the redemption date were to occur on the Mandatory Tender Date.

Section 2.13 **Remarketing of Bonds; Notices.**

A. **Remarketing of Bonds.** Subject to Section 2.18, the Remarketing Agent shall use its best efforts to offer for sale to Persons other than Excluded Persons and at not less than par:

(1) all Bonds or portions thereof as to which notice of tender pursuant to Section 2.11 has been given; and

(2) all Bonds required to be purchased on a Mandatory Tender Date described in clauses (1), (2), (3), (4), (5) and (7) of the definition thereof; and

(3) any Liquidity Provider Bonds (i) purchased on a Purchase Date described in clause (1) or (2) above, (ii) with respect to which the Liquidity Facility has been reinstated in accordance with its terms, (iii) with respect to which an Alternate Liquidity Facility and Alternate Credit Facility is in effect (if such Bonds were secured by a Credit Facility prior to becoming Liquidity Provider Bonds which Credit Facility is no longer in effect), or (iv) which are being marketed as Fixed Rate Bonds.

B. **Notice of Remarketing; Registration Instructions; New Bonds.** On each Purchase Date on which the Remarketing Agent is to remarket Bonds:

(1) the Remarketing Agent shall notify, by Electronic Means, the City and the Tender Agent by 11:30 a.m., New York City time, (a) if it has been unable to remarket any tendered Bonds, and shall include in such notice the principal amount of Bonds it has been unable to remarket, or (b) if it has remarketed all of the tendered Bonds;

(2) the Remarketing Agent shall notify the Tender Agent by Electronic Means not later than 11:30 a.m., New York City time, of the names of the purchasers of the remarketed Bonds and such information as may be necessary to register the Bonds and the registration instructions (i.e., the names, addresses and taxpayer identification numbers of the purchasers and the desired Authorized Denominations) with respect thereto;

(3) the Remarketing Agent shall, at or prior to 11:45 a.m., New York City time, cause the aggregate Purchase Price of tendered Bonds that have been successfully remarketed to be paid to the Tender Agent in immediately available funds for deposit to the Remarketing Proceeds Account of the Purchase Fund;

(4) if any Liquidity Provider Bonds are remarketed, the City shall pay to the Liquidity Provider the Differential Interest Amount and the Excess Interest Amount, if any; and

(5) if the Bonds are no longer in the Book-Entry System, the Paying Agent/Registrar shall authenticate new Bonds for the respective purchasers thereof which shall be available for pick-up by the Remarketing Agent not later than 2:30 p.m., New York City time.

C. Draw on Liquidity Facility. On each Purchase Date, if the Tender Agent has not received the notice specified in clause B(1)(b) above that the Remarketing Agent has remarketed all of the Bonds subject to purchase, the Tender Agent shall draw on the Liquidity Facility, or make demand for the purchase of tendered Bonds thereunder, by 12:00 noon, New York City time, in an amount equal to the Purchase Price of all such Bonds which have not been successfully remarketed; provided, however, that the Tender Agent shall not draw on the Liquidity Facility or make demand for the purchase of tendered Bonds if such Bonds are Liquidity Provider Bonds or are held by Excluded Persons. In connection with a draw on the Liquidity Facility in connection with a substitution of an Alternate Credit Facility or Alternate Liquidity Facility, the draw on the Liquidity Facility shall be on the Liquidity Facility in effect at the time the Mandatory Tender Notice is issued and not on the Alternate Liquidity Facility.

D. Not Gross Revenues. Neither the proceeds of any remarketing of the Bonds nor any funds drawn or claimed under a Liquidity Facility or Credit Facility shall constitute Gross Revenues.

Section 2.14 Source of Funds for Purchase of Bonds. By the close of business on the date on which a Bond is to be purchased pursuant to a remarketing, and except as set forth in Section 2.20, the Tender Agent shall purchase tendered Bonds from the tendering Holders at the

applicable Purchase Price by wire transfer in immediately available funds. Funds for the payment of such Purchase Price shall be derived solely from the following sources in the order of priority indicated and neither the Tender Agent nor the Remarketing Agent shall be obligated to provide funds from any other source:

A. First, immediately available funds on deposit in the Remarketing Proceeds Account; and

B. Second, immediately available funds on deposit in the Liquidity Facility Purchase Account.

Section 2.15 **Delivery of Remarketed Bonds.** Bonds issued or sold to pay the Purchase Price of Bonds on a Purchase Date shall be delivered as follows:

A. Bonds sold by the Remarketing Agent and purchased with money described in Section 2.14A shall be delivered by the Remarketing Agent to the purchasers of such Bonds by 3:00 p.m., New York City time; and

B. Bonds purchased by the Tender Agent with moneys described in Section 2.14B shall be registered as soon as practicable in the name of the Liquidity Provider or its designee (which may be the Securities Depository) on or before 3:00 p.m., New York City time on the Purchase Date. The Tender Agent shall hold Liquidity Provider Bonds on behalf of the Liquidity Provider as provided in the Liquidity Facility. Such Bonds may not be subsequently delivered to any purchaser pursuant to a remarketing unless the Tender Agent has received written confirmation that the Liquidity Provider has reinstated the Available Commitment with respect to such Bonds.

Section 2.16 **Book-Entry Tenders.**

A. Notwithstanding any other provision of this Article to the contrary, all tenders for purchase during any period in which the Bonds are registered in the name of Cede & Co. (or the nominee of any successor Securities Depository) shall be subject to the terms and conditions set forth in the Representation Letter and to any regulations promulgated by DTC (or any successor Securities Depository). For so long as the Bonds are registered in the name of Cede & Co., as nominee for DTC, the tender option rights of Holders of Bonds may be exercised only by a Direct Participant of DTC acting, directly or indirectly, on behalf of a beneficial owner of Bonds by giving notice of its election to tender Bonds or portions thereof at the times and in the manner described above. Procedures under which a beneficial owner may direct a Direct Participant or DTC, or an Indirect Participant of DTC acting through a Direct Participant of DTC, to exercise a tender option right in respect of Bonds or portions thereof in an amount equal to all or a portion of such beneficial owner's beneficial ownership interest therein shall be governed by standing instructions and customary practices determined by such Direct Participant or Indirect Participant. For so long as the Bonds are registered in the name of Cede & Co., as nominee for DTC, delivery of Bonds required to be tendered for purchase shall be effected by the transfer by a Direct Participant on the applicable Purchase Date of a book-entry credit to the account of the Tender Agent of a beneficial interest in such Bonds.

B. Notwithstanding anything expressed or implied herein to the contrary, so long as the Book-Entry System for the Bonds is maintained:

(1) there shall be no requirement of physical delivery to or by the Tender Agent or the Remarketing Agent of:

a. any Bonds subject to mandatory or optional purchase as a condition to the payment of the Purchase Price therefor;

b. any Bonds that have become Liquidity Provider Bonds; or

c. any remarketing proceeds of such Bonds or Liquidity Provider Bonds; and

(2) except as provided in (3), below, none of the Tender Agent, the Remarketing Agent, or the Paying Agent/Registrar shall have any responsibility for paying the Purchase Price of any tendered Bond or for remitting remarketing proceeds to any person; and

(3) the Tender Agent's sole responsibilities in connection with the purchase and remarketing of a tendered Bond shall be to:

a. draw upon the Liquidity Facility in the event the Remarketing Agent notifies the Tender Agent as provided herein that such Bond has not been remarketed on or before the Purchase Date therefor, which draw shall be in an amount equal to the difference between such Purchase Price and any remarketing proceeds received by Remarketing Agent in connection with a partial remarketing of such Bond, and to remit the amount so drawn to or upon the order of the Securities Depository for the benefit of the tendering beneficial owners; and

b. remit any proceeds derived from the remarketing of a Liquidity Provider Bond to the Liquidity Provider.

Section 2.17 **No Book-Entry System.** If at any time the Bonds shall no longer be in the Book-Entry System, the following procedures shall be followed on each Purchase Date:

A. Bonds shall be delivered (with all necessary endorsements) at or before 12:00 noon, New York City time, on the Purchase Date at the office of the Tender Agent; provided, however, that payment of the Purchase Price shall be made pursuant to this Section only if the Bond so delivered to the Tender Agent conforms in all respects to the description thereof in the notice described in this Section. Payment of the Purchase Price with respect to purchases under this Section shall be made to the Holders of tendered Bonds by wire transfer in immediately available funds by the Tender Agent by 3:00 p.m., New York City time, on the Purchase Date.

B. If a Bond to be purchased is not delivered by the Holder to the Tender Agent by 12:00 noon, New York City time, on the date on which such Bond is to be

purchased, the Tender Agent shall hold any funds received for the purchase of those Bonds in trust in a separate account and shall pay such funds to the former Holders of the Bonds upon presentation of the Bonds. Such undelivered Bonds shall cease to accrue interest as to the former Holders on such purchase date and moneys representing the Purchase Price shall be available against delivery of those Bonds at the Designated Office of the Tender Agent; provided, however, that any funds which shall be so held by the Tender Agent and which remain unclaimed by the former Holder of a Bond not presented for purchase for a period of three years after delivery of such funds to the Tender Agent, shall, to the extent permitted by law, upon request in writing by the City and the furnishing of security or indemnity to the Tender Agent's satisfaction, be paid to the City free of any trust or lien and thereafter the former Holder of such Bond shall look only to the City and then only to the extent of the amounts so received by the City without any interest thereon and the Tender Agent shall have no further responsibility with respect to such moneys or payment of the purchase price of such Bonds. The Paying Agent/Registrar shall authenticate a replacement Bond for any undelivered Bond which may then be remarketed by the Remarketing Agent.

C. The Tender Agent shall hold all Bonds properly tendered to it for purchase hereunder as agent and bailee of, and in escrow for the benefit of, the respective Holders of the Bonds which shall have so tendered such Bonds until moneys representing the Purchase Price of such Bonds shall have been delivered to or for the account of or to the order of such Holders.

Section 2.18 No Remarketing After a Credit Provider or Liquidity Provider Failure.

A. Anything herein to the contrary notwithstanding, if there shall have occurred and be continuing either a Credit Facility Failure or a Liquidity Facility Failure, the Remarketing Agent shall not remarket any Bonds; provided, however, that with the consent of the City and the Credit Provider, the Remarketing Agent may remarket Bonds in connection with a Mode Change following a Liquidity Facility Failure.

B. All other provisions of this Appendix A, including without limitation those relating to the setting of interest rates and Interest Periods and mandatory and optional purchases, shall remain in full force and effect during the continuance of such an event. As provided in Section 2.09E, a Liquidity Facility Failure may result in a Mode Change.

Section 2.19 Credit Facility and Liquidity Facility.

A. On each Purchase Date, the Tender Agent shall, as provided in Section 2.13C, by demand given as provided in the Liquidity Facility before 12:00 noon, New York City time, draw on the Liquidity Facility, or make demand for the purchase of tendered Bonds thereunder, in accordance with the terms thereof so as to receive thereunder by 2:30 p.m., New York City time, on such date an amount, in immediately available funds, sufficient, together with the proceeds of the remarketing of Bonds on such date, to enable the Tender Agent to pay the Purchase Price in connection therewith.

The proceeds of such draw shall be paid to the Tender Agent, who shall deposit said proceeds in the Liquidity Facility Purchase Account pursuant to Article Five, paragraph B.

B. Subject to Subsections C and E below, if at any time there shall have been delivered to the Paying Agent/Registrar or the Tender Agent (1) an Alternate Credit Facility or an Alternate Liquidity Facility in substitution for the Credit Facility or Liquidity Facility then in effect, (2) an Opinion of Counsel specifying that such change will not adversely affect the excludability of interest on the Bonds subject to the change from the gross incomes of the owners thereof for federal income tax purposes and specifying that the City is authorized to execute the Alternate Credit Facility or Alternate Liquidity Facility under Texas law, (3) a written Opinion of Counsel for the provider of the Alternate Credit Facility or Alternate Liquidity Facility, as applicable, to the effect that such Alternate Credit Facility or Alternate Liquidity Facility is a valid, legal and binding obligation of the provider thereof, (4) as to any Alternate Liquidity Facility, the written consent of the Credit Provider (unless a Credit Facility Failure exists) to the Alternate Liquidity Provider and to the Alternate Liquidity Facility, and (5) unless waived by such entity, written evidence satisfactory to the Credit Provider and the Liquidity Provider of the provision for purchase from the Liquidity Provider of all Liquidity Provider Bonds, at a price equal to the principal amount thereof plus accrued and unpaid interest, and payment of all amounts due to the Credit Provider and the Liquidity Provider under the Ordinance and the applicable Credit Reimbursement Agreement on or before the effective date of such Alternate Letter of Credit or Alternate Liquidity Facility, then the Paying Agent/Registrar or Tender Agent, as applicable, shall accept such Alternate Letter of Credit or Alternate Liquidity Facility then in effect to the Date and shall surrender the Credit Facility or Liquidity Facility in connection with the provider thereof on the Substitution Date, but only if all draws in connection with the mandatory tender occurring on such Substitution Date have been honored in full. The City shall give the Notice Parties written notice of the proposed substitution of an Alternate Credit Facility or Alternate Liquidity Facility no less than thirty (30) days prior to the proposed Substitution Date. The City shall cause to be given notice of such proposed substitution by first-class mail to the Holders of the Bonds no less than fifteen (15) days prior to the proposed Substitution Date. Notwithstanding any other provision of this clause B, so long as the Bonds are in a Term Mode or Fixed Mode, no Alternate Credit Facility shall be substituted for the Credit Facility then in effect unless the Paying Agent/Registrar has obtained a Rating Confirmation Notice with respect to such substitution. The City and the Tender Agent shall not cause the Bond Policy to be substituted, cancelled, terminated, amended or modified in any respect which materially and adversely affects the rights of the initial Liquidity Provider without the prior written consent of the initial Liquidity Provider.

C. Without the prior written consent of the Credit Provider, the City may not substitute an Alternate Liquidity Facility in substitution for the Liquidity Facility then in effect, unless the Liquidity Provider is rated at least "A-1" by Standard & Poor's or "VMIG-1" or "PI" by Moody's. So long as the Bonds are in the Daily Mode or Weekly Mode, the City shall maintain in effect a Liquidity Facility meeting the requirements hereof.

D. The City shall provide a Liquidity Facility or an Alternate Liquidity Facility upon a Mode Change, instituted at the direction of the City, of the Bonds to a Commercial Paper Mode, Daily Mode, or Weekly Mode and the City shall comply with subsection B of this Section 2.19 in connection therewith. The City is not required to provide a Liquidity Facility or an Alternate Liquidity Facility upon a Mode Change instituted at the direction of the City to a SAVRS Mode, Term Mode or Fixed Mode.

E. Other Liquidity Provider Charges. To the extent permitted by applicable Texas law, the City shall pay the Liquidity Provider, in addition to the amounts specified in the Ordinance and this Appendix A, the other amounts required to be paid pursuant to the applicable Liquidity Facility or Credit Reimbursement Agreement with respect to the Liquidity Facility. With respect to the initial Liquidity Facility, such additional amounts include (without limitation, but only to the extent permitted by applicable Texas law):

(1) If the Liquidity Provider advances interest as part of the Purchase Price and such interest is not promptly reimbursed by the City, the same shall constitute an advance to the City, and shall bear interest at the Bank Rate from the date of advance until paid. The City shall pay such amounts on the first Interest Payment Date after the applicable Purchase Date.

(2) The City shall pay the other amounts required under each Liquidity Facility.

Section 2.20 Inadequate Funds for Tenders. If sufficient funds are not available from remarketing proceeds and from the Liquidity Facility (if any) for the purchase of all tendered Bonds required to be purchased on any Purchase Date, the Tender Agent shall not apply any remarketing proceeds from the Remarketing Proceeds Account to purchase tendered Bonds until such deficiency is cured, and then only if the Remarketing Agent has not directed the Tender Agent to return such remarketing proceeds to the Remarketing Agent. Subject to the immediately preceding sentence, if insufficient remarketing proceeds have been received to pay in full the Purchase Price of all Bonds due to be purchased, the Tender Agent shall apply the money available to pay, on a pro rata basis, the Purchase Price of portions of the Bonds tendered, and shall take all actions available to it to obtain sufficient funds from the Remarketing Agent and the Liquidity Provider to purchase all such Bonds on or before 12:00 noon, New York City time, on the Business Day next succeeding such Purchase Date. Thereafter, the Tender Agent shall continue to take all such action available to it to obtain such funds from the Remarketing Agent and the Liquidity Provider to cause the deposit of such funds from remarketing proceeds or proceeds of the Liquidity Facility, respectively. Until such purchase of the entire principal amount of tendered Bonds is consummated and the full Purchase Price paid (which shall include interest on the unpaid principal portion to the date of payment), the Tender Agent shall, at the expense of the City, hold the tendered but unpurchased Bonds for the account of the tendering Holders.

Section 2.21 Liquidity Provider Bonds.

A. (1) Liquidity Provider Bonds shall bear interest at the Liquidity Provider Interest Rate for the period commencing from the date that the Liquidity

Provider shall have purchased such Bond or advanced funds for such purpose and, subject to Subsection 2.21B below and the last sentence of this Subsection 2.21A(1), continuing until the Liquidity Provider (or a purchaser from the Liquidity Provider pursuant to Subsection 2.21B) shall no longer be the owner of such Bond. Interest payable on Liquidity Provider Bonds shall be payable on each Interest Payment Date. The Liquidity Provider Interest Rate at any time shall be equal to either (x) the Bank Rate if no event of default referenced in the following clause (y) has occurred or (y) during the occurrence and continuance of an event of default described in Section 8.03(d) of the initial Liquidity Facility, the Default Rate; subject in each case to any applicable adjustment pursuant to Section 2.21A(2) and further subject to the limitation that in no event shall interest borne by the Liquidity Provider Bonds on any date ever exceed the Maximum Lawful Rate. With respect to any Liquidity Provider Bonds which the Liquidity Provider (or any purchaser from the Liquidity Provider pursuant to Subsection 2.21B) elects not to sell to the Remarketing Agent (or to Persons identified by the Remarketing Agent) following receipt of a Purchase Notice as defined in the initial Liquidity Facility, the Liquidity Provider Interest Rate for such Bonds commencing on the day the Liquidity Provider or any purchaser from the Liquidity Provider pursuant to Subsection 2.21B so elects not to sell such Bonds shall be equal to the interest rate applicable to Bonds other than Liquidity Provider Bonds.

(1) If the amount of interest that would have been payable hereunder under any Liquidity Provider Bond for any period in accordance with the terms hereof without limiting such rate to the Maximum Lawful Rate exceeds the amount of interest that would be payable for such period had interest for such period been calculated at the Maximum Lawful Rate, then interest for such period shall be payable in an amount calculated at the Maximum Lawful Rate. Any interest that would have been due and payable for any period without regard to the Maximum Lawful Rate limitation shall, less interest actually paid to the Liquidity Provider for such period, constitute the "Excess Interest Amount." To the extent permitted by applicable Texas law, if there is accrued and unpaid Excess Interest Amount as of any date, then the Liquidity Provider Bonds shall, so long as they remain outstanding, bear interest at the Maximum Lawful Rate, until the date as of which the Liquidity Provider will be paid the entire Excess Interest Amount. To the extent permitted by applicable Texas law, on the first to occur of the date on which no Bonds are Liquidity Bonds or on the date on which no Bonds remain outstanding, the City shall pay to the Liquidity Provider a fee equal to any accrued and unpaid Excess Interest Amount in accordance with the terms of the Liquidity Facility.

B. Payment of Liquidity Provider Bonds. The City shall redeem each Liquidity Provider Bond, in equal semi-annual principal installments, the first such installment being payable on the fifteenth (15th) of _____ or _____ first occurring at least six (6) months after the Purchase Date on which the Liquidity Provider acquired the Bonds, with subsequent redemption installments on _____ and _____ thereafter until such Liquidity Provider Bond is fully paid, so that all of such Liquidity Provider Bonds are paid in full no later than the seventh (7th) anniversary of the date that is six months following the Purchase Date.

All obligations of the City with respect to each Liquidity Provider Bond owned by the Liquidity Provider (or its assignees) shall be due and payable in full on the earliest of (a) the date such Bonds are remarketed and sold or deemed sold by the Liquidity Provider (or its assignee) pursuant to a remarketing, (b) the date the Bonds are converted to a Mode other than the Weekly Mode or the Daily Mode, or (c) on the date of the effectiveness of an Alternate Liquidity Facility.

C. Right To Sell Bonds. The Liquidity Provider may sell, to the extent permitted by law, at any time, Liquidity Provider Bonds (upon notice to the purchasers thereof that no rating will be applicable to such Liquidity Provider Bonds if no rating will be applicable to such Liquidity Provider Bonds); provided that Liquidity Provider Bonds may only be sold pursuant to this Subsection 2.21C subject to the limitation that they may not again be sold, assigned or otherwise disposed of by the assignee of the Liquidity Provider, beneficially or on the Security Register without the assignee of the Liquidity Provider obtaining an authorization from the subsequent purchaser that the Remarketing Agent is authorized to sell such Bonds on behalf of such purchaser. All Liquidity Provider Bonds shall be noted indicating the requirement of such authorization. Any such sales may be made only to affiliates of the Liquidity Provider or to institutional investors or other entities or individuals which customarily purchase commercial paper or municipal securities in large denominations. After any such sale, the Bonds so sold shall continue to bear interest at the Liquidity Provider Interest Rate until such Bonds are resold by the Remarketing Agent or until an election not to sell such Bonds has been made in writing by the Liquidity Provider (or such other purchaser) following the receipt of a Purchase Notice (as defined in the initial Liquidity Facility).

ARTICLE THREE

SAVRS RATE

Section 3.01 Orders by Existing Owners and Potential Owners.

A. Prior to the Submission Deadline on each Auction Date:

(1) each Existing Owner may submit to a Broker-Dealer, in writing or by such other method as shall be reasonably acceptable to such Broker-Dealer, information as to:

a. the principal amount of Bonds, if any, held by such Existing Owner which such Existing Owner irrevocably commits to continue to hold for the next succeeding Auction Period without regard to the rate determined by the Auction Procedures for such Auction Period,

b. the principal amount of Bonds, if any, held by such Existing Owner which such Existing Owner irrevocably commits to continue to hold for the next succeeding Auction Period if the rate determined by the Auction Procedures for such Auction Period shall not be less than the rate per annum then specified by such Existing Owner

(and which such Existing Owner irrevocably offers to sell on the next succeeding Interest Payment Date (or the same day in the case of a daily Auction Period) if the rate determined by the Auction Procedures for the next succeeding Auction Period shall be less than the rate per annum then specified by such Existing Owner), and/or

c. the principal amount of Bonds, if any, held by such Existing Owner which such Existing Owner irrevocably offers to sell on the next succeeding Interest Payment Date (or on the same day in the case of a daily Auction Period) without regard to the rate determined by the Auction Procedures for the next succeeding Auction Period; and

(2) for the purpose of implementing the Auctions and thereby to achieve the lowest possible interest rate on the Bonds, the Broker-Dealers shall contact Potential Owners, including Persons that are Existing Owners, to determine the principal amount of Bonds, if any, which each such Potential Owner irrevocably offers to purchase if the rate determined by the Auction Procedures for the next succeeding Auction Period is not less than the rate per annum then specified by such Potential Owner.

For the purposes hereof an Order containing the information referred to in clause (1)a. above is herein referred to as a "Hold Order", an Order containing the information referred to in clause (1)b or (2) above is herein referred to as a "Bid", and an Order containing the information referred to in clause (1)c above is herein referred to as a "Sell Order."

B. (1) A Bid by an Existing Owner shall constitute an irrevocable offer to sell:

a. the principal amount of Bonds specified in such Bid if the rate determined by the Auction Procedures on such Auction Date shall be less than the rate specified therein; or

b. such principal amount or a lesser principal amount of Bonds to be determined as set forth in subsection A(5) of Section 3.04 hereof if the rate determined by the Auction Procedures on such Auction Date shall be equal to such specified rate; or

c. a lesser principal amount of Bonds to be determined as set forth in subsection B(4) of Section 3.04 hereof if such specified rate shall be higher than the Maximum SAVRS Rate and Sufficient Clearing Bids do not exist.

(2) A Sell Order by an Existing Owner shall constitute an irrevocable offer to sell:

a. the principal amount of Bonds specified in such Sell Order;
or

b. such principal amount or a lesser principal amount of Bonds as set forth in subsection B(4) of Section 3.04 hereof if Sufficient Clearing Bids do not exist.

(3) A Bid by a Potential Owner shall constitute an irrevocable offer to purchase:

a. the principal amount of Bonds specified in such Bid if the rate determined by the Auction Procedures on such Auction Date shall be higher than the rate specified therein; or

b. such principal amount or a lesser principal amount of Bonds as set forth in subsection A(6) of Section 3.04 hereof if the rate determined by the Auction Procedures on such Auction Date shall be equal to such specified rate.

C. Anything herein to the contrary notwithstanding:

(1) for purposes of any Auction, any Order which specifies Bonds to be held, purchased or sold in a principal amount which is not \$25,000 or an integral multiple thereof shall be rounded down to the nearest \$25,000, and the Auction Agent shall conduct the Auction Procedures as if such Order had been submitted in such lower amount;

(2) for purposes of any Auction other than during a daily Auction Period, any portion of an Order of an Existing Owner which relates to a Bond which has been called for redemption on or prior to the Interest Payment Date next succeeding such Auction shall be invalid with respect to such portion and the Auction Agent shall conduct the Auction Procedures as if such portion of such Order had not been submitted;

(3) for purposes of any Auction other than during a daily Auction Period, no portion of a Bond which has been called for redemption on or prior to the Interest Payment Date next succeeding such Auction shall be included in the calculation of Available Bonds for such Auction; and

(4) the Auction Procedures shall be suspended during the period commencing on the date of the Auction Agent's receipt of notice from the City of the occurrence of an Event of Default resulting from a failure to pay principal, premium or interest on any Bond when due (provided, however, that for purposes of this provision payment by the Credit Provider shall be deemed to cure such Event of Default and no suspension of the Auction Procedures shall occur) but shall resume two Business Days after the date on which the Auction Agent receives notice from the City that such Event of Default has been waived or cured, with the next Auction to occur on the next regularly scheduled Auction Date occurring thereafter.

A. Each Broker-Dealer shall submit to the Auction Agent in writing or by such other method as shall be reasonably acceptable to the Auction Agent, prior to the Submission Deadline on each Auction Date, all Orders obtained by such Broker-Dealer and specifying, if requested, with respect to each Order:

(1) the aggregate principal amount of Bonds, if any, that are the subject of each Order;

(2) to the extent that such Bidder is an Existing Owner:

a. the principal amount of Bonds, if any, subject to any Hold Order placed by such Existing Owner;

b. the principal amount of Bonds, if any, subject to any Bid placed by such Existing Owner and the rate specified in such Bid; and

c. the principal amount of Bonds, if any, subject to any Sell Order placed by such Existing Owner; and

(3) to the extent such Bidder is a Potential Owner, the rate specified in such Bid.

B. If any rate specified in any Bid contains more than three figures to the right of the decimal point, the Auction Agent shall round such rate up to the next highest one thousandth of one percent (0.001%).

C. If an Order or Orders covering all of the Bonds held by an Existing Owner is not submitted to the Auction Agent prior to the Submission Deadline, the Auction Agent shall deem a Hold Order to have been submitted on behalf of such Existing Owner covering the principal amount of Bonds held by such Existing Owner and not subject to Orders submitted to the Auction Agent; provided, however, that if there is a Mode Change from one Auction Period to another Auction Period and Orders have not been submitted to the Auction Agent prior to the Submission Deadline covering the aggregate principal amount of Bonds to be converted held by such Existing Owner, the Auction Agent shall deem a Sell Order to have been submitted on behalf of such Existing Owner covering the principal amount of Bonds to be converted held by such Existing Owner not subject to Orders submitted to the Auction Agent.

D. If one or more Orders covering in the aggregate more than the principal amount of Outstanding Bonds held by any Existing Owner are submitted to the Auction Agent, such Orders shall be considered valid as follows:

(1) all Hold Orders shall be considered Hold Orders, but only up to and including in the aggregate the principal amount of Bonds held by such Existing Owner;

(2) a. any Bid of an Existing Owner shall be considered valid as a Bid of an Existing Owner up to and including the excess of the principal amount

of Bonds held by such Existing Owner over the principal amount of the Bonds subject to Hold Orders referred to in paragraph (1) above;

a. subject to clause "a" above, all Bids of an Existing Owner with the same rate shall be aggregated and considered a single Bid of an Existing Owner up to and including the excess of the principal amount of Bonds held by such Existing Owner over the principal amount of Bonds held by such Existing Owner subject to Hold Orders referred to in paragraph (1) above;

b. subject to clause a. above, if more than one Bid with different rates is submitted on behalf of such Existing Owner, such Bids shall be considered Bids of an Existing Owner in the ascending order of their respective rates up to the amount of the excess of the principal amount of Bonds held by such Existing Owner over the principal amount of Bonds held by such Existing Owner subject to Hold Orders referred to in paragraph (1) above; and

c. the principal amount, if any, of such Bonds subject to Bids not considered to be Bids of an Existing Owner under this paragraph (2) shall be treated as the subject of a Bid by a Potential Owner; and

(3) all Sell Orders shall be considered Sell Orders, but only up to and including a principal amount of Bonds equal to the excess of the principal amount of Bonds held by such Existing Owner over the sum of the principal amount of the Bonds considered to be subject to Hold Orders pursuant to paragraph (1) above and the principal amount of Bonds considered to be subject to Bids of such Existing Owner pursuant to paragraph (2) above.

E. If more than one Bid is submitted on behalf of any Potential Owner, each Bid submitted with the same rate shall be aggregated and considered a single Bid and each Bid submitted with a different rate shall be considered a separate Bid with the rate and the principal amount of Bonds specified therein.

F. Neither the City nor the Auction Agent shall be responsible for the failure of any Broker-Dealer to submit an Order to the Auction Agent on behalf of any Existing Owner or Potential Owner.

Section 3.03 **Determination of SAVRS Rate.**

A. Not later than 9:30 a.m., New York City time, on each Auction Date, the Auction Agent shall advise the Broker-Dealers and the City by telephone of the All Hold Rate, the Maximum SAVRS Rate and the Reference Rate.

B. Promptly after the Submission Deadline on each Auction Date, the Auction Agent shall assemble all Orders submitted or deemed submitted to it by the Broker-Dealers (each such Order as submitted or deemed submitted by a Broker-Dealer being hereinafter referred to as a "Submitted Hold Order," a "Submitted Bid" or a

“Submitted Sell Order.” as the case may be, and collectively as a “Submitted Order”) and shall determine (i) the Available Bonds, (ii) whether there are Sufficient Clearing Bids, and (iii) the Auction Rate.

C. Promptly after the Auction Agent has made the determinations pursuant to subsection B above the Auction Agent shall advise the City and the Broker-Dealers by telephone (promptly confirmed in writing), telex or facsimile transmission of the Auction Rate for the next succeeding Auction Period and the Auction Agent shall promptly notify the Securities Depository of such Auction Rate.

D. In the event the Auction Agent fails to calculate or, for any reason, fails to timely provide the Auction Rate for any Auction Period, (i) if the preceding Auction Period was a period of 35 days or less, the new Auction Period shall be the same as the preceding Auction Period and the SAVRS Rate for the new Auction Period shall be the same as the SAVRS Rate for the preceding Auction Period, and (ii) if the preceding Auction Period was a period of greater than 35 days, the preceding Auction Period shall be extended to the seventh day following the day that would have been the last day of such Auction Period had it not been extended (or if such seventh day is not followed by a Business Day then to the next succeeding day which is followed by a Business Day) and the SAVRS Rate in effect for the preceding Auction Period will continue in effect for the Auction Period as so extended. In the event an Auction Period is extended as set forth in clause (ii) of the preceding sentence, an Auction shall be held on the last Business Day of the Auction Period as so extended to take effect for an Auction Period beginning on the Business Day immediately following the last day of the Auction Period as extended which Auction Period will end on the date it would otherwise have ended on had the prior Auction Period not been extended. Notwithstanding the foregoing, no SAVRS Rate shall be extended for more than 35 days. If at the end of 35 days the Auction Agent fails to calculate or provide the Auction Rate, the SAVRS Rate shall be the Maximum SAVRS Rate.

E. In the event the Auction Procedures are suspended due to the failure to pay principal of, premium or interest on any Bond, the SAVRS Rate for the next succeeding Auction Period shall be the Default Rate.

F. In the event of a failed Mode Change from a the SAVRS Mode to another Mode or in the event of a failure to change the length of the current Auction Period due to the lack of Sufficient Clearing Bids at the Auction on the Auction Date for the first new Auction Period, the SAVRS Rate for the next Auction Period shall be the Maximum SAVRS Rate and the Auction Period shall be a seven-day Auction Period.

G. If the Bonds are not rated or if the Bonds are no longer maintained in book-entry-only form by the Securities Depository then the SAVRS Rate shall be the Maximum SAVRS Rate.

Section 3.04 **Allocation of Bonds.**

A. In the event of Sufficient Clearing Bids, subject to the further provisions of subsections C and D below, Submitted Orders shall be accepted or rejected as follows in the following order of priority:

(1) the Submitted Hold Order of each Existing Owner shall be accepted, thus requiring each such Existing Owner to continue to hold the Bonds that are the subject of such Submitted Hold Order;

(2) the Submitted Sell Order of each Existing Owner shall be accepted and the Submitted Bid of each Existing Owner specifying any rate that is higher than the Winning Bid Rate shall be rejected, thus requiring each such Existing Owner to sell the Bonds that are the subject of such Submitted Sell Order or Submitted Bid;

(3) the Submitted Bid of each Existing Owner specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring each such Existing Owner to continue to hold the Bonds that are the subject of such Submitted Bid;

(4) the Submitted Bid of each Potential Owner specifying any rate that is lower than the Winning Bid Rate shall be accepted, thus requiring each such Potential Owner to purchase the Bonds that are the subject of such Submitted Bid;

(5) the Submitted Bid of each Existing Owner specifying a rate that is equal to the Winning Bid Rate shall be accepted, thus requiring each such Existing Owner to continue to hold the Bonds that are the subject of such Submitted Bid, but only up to and including the principal amount of Bonds obtained by multiplying (A) the aggregate principal amount of Outstanding Bonds which are not the subject of Submitted Hold Orders described in paragraph (1) above or of Submitted Bids described in paragraphs (3) or (4) above by (B) a fraction the numerator of which shall be the principal amount of Outstanding Bonds held by such Existing Owner subject to such Submitted Bid and the denominator of which shall be the aggregate principal amount of Outstanding Bonds subject to such Submitted Bids made by all such Existing Owners that specified a rate equal to the Winning Bid Rate, and the remainder, if any, of such Submitted Bid shall be rejected, thus requiring each such Existing Owner to sell any excess amount of Bonds;

(6) the Submitted Bid of each Potential Owner specifying a rate that is equal to the Winning Bid Rate shall be accepted, thus requiring each such Potential Owner to purchase the Bonds that are the subject of such Submitted Bid, but only in an amount equal to the principal amount of Bonds obtained by multiplying (A) the aggregate principal amount of Outstanding Bonds which are not the subject of Submitted Hold Orders described in paragraph (1) above or of Submitted Bids described in paragraphs (3), (4) or (5) above by (B) a fraction the numerator of which shall be the principal amount of Outstanding Bonds subject to such Submitted Bid and the denominator of which shall be the sum of the

aggregate principal amount of Outstanding Bonds subject to such Submitted Bids made by all such Potential Owners that specified a rate equal to the Winning Bid Rate, and the remainder of such Submitted Bid shall be rejected; and

(7) the Submitted Bid of each Potential Owner specifying any rate that is higher than the Winning Bid Rate shall be rejected.

B. In the event there are not Sufficient Clearing Bids, subject to the further provisions of subsections C and D below, Submitted Orders shall be accepted or rejected as follows in the following order of priority:

(1) the Submitted Hold Order of each Existing Owner shall be accepted, thus requiring each such Existing Owner to continue to hold the Bonds that are the subject of such Submitted Hold Order;

(2) the Submitted Bid of each Existing Owner specifying any rate that is not higher than the Maximum SAVRS Rate shall be accepted, thus requiring each such Existing Owner to continue to hold the Bonds that are the subject of such Submitted Bid;

(3) the Submitted Bid of each Potential Owner specifying any rate that is not higher than the Maximum SAVRS Rate shall be accepted, thus requiring each such Potential Owner to purchase the Bonds that are the subject of such Submitted Bid;

(4) the Submitted Sell Orders of each Existing Owner shall be accepted as Submitted Sell Orders and the Submitted Bids of each Existing Owner specifying any rate that is higher than the Maximum SAVRS Rate shall be deemed to be and shall be accepted as Submitted Sell Orders, in both cases only up to and including the principal amount of Bonds obtained by multiplying (A) the aggregate principal amount of Bonds subject to Submitted Bids described in paragraph (3) of this subsection B by (B) a fraction the numerator of which shall be the principal amount of Outstanding Bonds held by such Existing Owner subject to such Submitted Sell Order or such Submitted Bid deemed to be a Submitted Sell Order and the denominator of which shall be the principal amount of Outstanding Bonds subject to all such Submitted Sell Orders and such Submitted Bids deemed to be Submitted Sell Orders, and the remainder of each such Submitted Sell Order or Submitted Bid shall be deemed to be and shall be accepted as a Hold Order and each such Existing Owner shall be required to continue to hold such excess amount of Bonds; and

(5) the Submitted Bid of each Potential Owner specifying any rate that is higher than the Maximum SAVRS Rate shall be rejected.

C. If, as a result of the procedures described in subsection A or B above, any Existing Owner or Potential Owner would be required to purchase or sell an aggregate principal amount of Bonds which is not an integral multiple of \$25,000 on any Auction Date, the Auction Agent shall by lot, in such manner as it shall determine in its sole

discretion, round up or down the principal amount of Bonds to be purchased or sold by any Existing Owner or Potential Owner on such Auction Date so that the aggregate principal amount of Bonds purchased or sold by each Existing Owner or Potential Owner on such Auction Date shall be an integral multiple of \$25,000, even if such allocation results in one or more of such Existing Owners or Potential Owners not purchasing or selling any Bonds on such Auction Date.

D. If, as a result of the procedures described in subsection A above, any Potential Owner would be required to purchase less than \$25,000 in principal amount of Bonds on any Auction Date, the Auction Agent shall by lot, in such manner as it shall determine in its sole discretion, allocate Bonds for purchase among Potential Owners so that the principal amount of SAVRS purchased on such Auction Date by any Potential Owner shall be an integral multiple of \$25,000, even if such allocation results in one or more of such Potential Owners not purchasing Bonds on such Auction Date.

Section 3.05 **Notice of SAVRS Rate.**

A. On each Auction Date, the Auction Agent shall notify by telephone or other telecommunication device or in writing each Broker-Dealer that participated in the Auction held on such Auction Date of the following:

(1) the SAVRS Rate determined on such Auction Date for the succeeding Auction Period;

(2) whether Sufficient Clearing Bids existed for the determination of the Winning Bid Rate;

(3) if such Broker-Dealer submitted a Bid or a Sell Order on behalf of an Existing Owner, whether such Bid or Sell Order was accepted or rejected and the principal amount of Bonds, if any, to be sold by such Existing Owner;

(4) if such Broker-Dealer submitted a Bid on behalf of a Potential Owner, whether such Bid was accepted or rejected and the principal amount of Bonds, if any, to be purchased by such Potential Owner;

(5) if the aggregate principal amount of the Bonds to be sold by all Existing Owners on whose behalf such Broker-Dealer submitted Bids or Sell Orders is different from the aggregate principal amount of Bonds to be purchased by all Potential Owners on whose behalf such Broker-Dealer submitted a Bid, the name or names of one or more Broker-Dealers (and the Agent Member, if any, of each such other Broker-Dealer) and the principal amount of Bonds to be (A) purchased from one or more Existing Owners on whose behalf such other Broker-Dealers submitted Bids or Sell Orders or (B) sold to one or more Potential Owners on whose behalf such Broker-Dealer submitted Bids; and

(6) the immediately succeeding Auction Date.

B. On each Auction Date, each Broker-Dealer that submitted an Order on behalf of any Existing Owner or Potential Owner shall: (i) advise each Existing Owner and Potential Owner on whose behalf such Broker-Dealer submitted an Order as to (A) the SAVRS Rate determined on such Auction Date, (B) whether any Bid or Sell Order submitted on behalf of each such Owner was accepted or rejected and (C) the immediately succeeding Auction Date; (ii) instruct each Potential Owner on whose behalf such Broker-Dealer submitted a Bid that was accepted, in whole or in part, to instruct such Existing Owner's Agent Member to pay to such Broker-Dealer (or its Agent Member) through the Securities Depository the amount necessary to purchase the principal amount of Bonds to be purchased pursuant to such Bid (including, with respect to the Bonds in a daily Auction Period, accrued interest if the purchase date is not an Interest Payment Date for such Bond) against receipt of such Bonds; and (iii) instruct each Existing Owner on whose behalf such Broker-Dealer submitted a Sell Order that was accepted or a Bid that was rejected in whole or in part, to instruct such Existing Owner's Agent Member to deliver to such Broker-Dealer (or its Agent Member) through the Securities Depository the principal amount of Bonds to be sold pursuant to such Bid or Sell Order against payment therefor.

Section 3.06 **Reference Rate.**

A. The Reference Rate on any Auction Date with respect to the Bonds in any Auction Period of less than 180 days shall be the greater of LIBOR or the Thirty-Day "AA" Composite Commercial Paper Rate on such date. The Reference Rate with respect to the Bonds in any Auction Period of 180 days or more shall be the greater of LIBOR or the rate on United States Treasury Securities having a maturity which most closely approximates the length of the Auction Period, as last published in *The Wall Street Journal*. If either rate is unavailable, the Reference Rate shall be an index or rate agreed to by all Broker-Dealers and consented to in writing by an Authorized Official on behalf of the City.

"Thirty-Day 'AA' Composite Commercial Paper Rate" on any date of determination, means the interest equivalent of the Thirty-Day rate on commercial paper placed on behalf of non financial issuers whose corporate bonds are rated AA by S&P, or the equivalent of such rating by S&P, as made available on a discount basis or otherwise by (A) the Federal Reserve Bank of New York for the Business Day immediately preceding such date of determination, or (B) if the Federal Reserve Bank of New York does not make available any such rate, then the arithmetic average of such rates, as quoted on a discount basis or otherwise, by Lehman Commercial Paper Inc., Goldman, Sachs & Co. and Merrill Lynch, Pierce, Fenner & Smith Incorporated or, in lieu of any thereof, their respective affiliates or successors which are commercial paper dealers (the "Commercial Paper Dealers"), to the Auction Agent before the close of business on the Business Day immediately preceding such date of determination.

For purposes of the definitions of Thirty-Day "AA" Composite Commercial Paper Rate, the "interest equivalent" means the equivalent yield on a 360-day basis of a discount-basis security to an interest-bearing security. If any Commercial Paper Dealer does not quote a commercial paper rate required to determine the Thirty-Day "AA"

Composite Commercial Paper Rate, the Thirty-Day "AA" Composite Commercial Paper Rate shall be determined on the basis of the quotation or quotations furnished by the remaining Commercial Paper Dealer or Commercial Paper Dealers and any substitute commercial paper dealer not included within the definition of Commercial Paper Dealer above, which may be _____ or _____ or their respective affiliates or successors which are commercial paper dealers (a "Substitute Commercial Paper Dealer") selected by the City (who shall be under no liability for such selection) to provide such commercial paper rate or rates not being supplied by any Commercial Paper Dealer or Commercial Paper Dealers, as the case may be, or if the City does not select any such Substitute Commercial Paper Dealer or Substitute Commercial Paper Dealers, by the remaining Commercial Paper Dealer or Commercial Paper Dealers.

B. If for any reason on any Auction Date the Reference Rate shall not be determined as hereinabove provided in this Section, the Reference Rate shall be the Reference Rate for the Auction Period ending on such Auction Date.

C. The determination of the Reference Rate as provided herein shall be conclusive and binding upon the City, the Broker-Dealers, the Auction Agent and the Owners of the Bonds.

Section 3.07 **Miscellaneous Provisions Regarding Auctions.**

A. In this Appendix A, each reference to the purchase, sale or holding of Bonds shall refer to beneficial interests in Series 2005 Bonds, unless the context clearly requires otherwise.

B. During a SAVRS Rate Period, the provisions of this Appendix A, including without limitation the definitions of All Hold Rate, Default Rate, Interest Payment Date, Maximum SAVRS Rate, Reference Rate, Applicable Percentage and SAVRS Rate, may be amended pursuant to the Ordinance and this Appendix A by obtaining the consent of the owners of all Outstanding Bonds bearing interest at a SAVRS Rate as follows: If on the first Auction Date occurring at least 20 days after the date on which the Paying Agent/Registrar mailed notice of such proposed amendment to the registered owners of the Outstanding Bonds as required by the Ordinance, (i) the SAVRS Rate which is determined on such date is the Winning Bid Rate and (ii) there is delivered to the City an opinion of Bond Counsel to the effect that such amendment shall not adversely affect the validity of the Bonds or any exemption from federal income tax to which the interest on the Bonds would otherwise be entitled, the proposed amendment shall be deemed to have been consented to by the owners of all affected Outstanding Bonds bearing interest at a SAVRS Rate.

C. During a SAVRS Rate Period, so long as the ownership of the Bonds is maintained in book-entry form by the Securities Depository, an Existing Owner or a beneficial owner may sell, transfer or otherwise dispose of a Bond only pursuant to a Bid or Sell Order in accordance with the Auction Procedures or to or through a Broker-Dealer, provided that (i) in the case of all transfers other than pursuant to Auctions such Existing Owner or its Broker-Dealer or its Agent Member advises the Auction Agent of

such transfer and (ii) a sale, transfer or other disposition of Bonds from a customer of a Broker-Dealer who is listed on the records of that Broker-Dealer as the holder of such Bonds to that Broker-Dealer or another customer of that Broker-Dealer shall not be deemed to be a sale, transfer or other disposition for purposes of this paragraph if such Broker-Dealer remains the Existing Owner of the Bonds so sold, transferred or disposed of immediately after such sale, transfer or disposition.

Section 3.08 Changes in Auction Period or Auction Date.

A. Changes in Auction Period.

(1) During any SAVRS Rate Period, the City may, from time to time on any Interest Payment Date, change the length of the Auction Period with respect to all of the Bonds among daily, seven-days, 28-days, 35-days, six months and a Special Rate Period in order to accommodate economic and financial factors that may affect or be relevant to the length of the Auction Period and the interest rate borne by such Bonds. The City shall initiate the change in the length of the Auction Period by giving written notice to the Notice Parties and the Securities Depository that the Auction Period shall change if the conditions described herein are satisfied and the proposed effective date of the change, at least 10 Business Days prior to the Auction Date for such Auction Period.

(2) Any such changed Auction Period shall be for a period of one day, seven-days, 28- days, 35-days, six months or a Special Rate Period and shall be for all of the Bonds in a SAVRS Rate Period.

(3) The change in the length of the Auction Period shall not be allowed unless Sufficient Clearing Bids existed at both the Auction before the date on which the notice of the proposed change was given as provided in this subsection (a) and the Auction immediately preceding the proposed change.

(4) The change in length of the Auction Period shall take effect only if (A) the Auction Agent receives, by 11:00 a.m., New York City time, on the Business Day before the Auction Date for the first such Auction Period, a certificate from the City consenting to the change in the length of the Auction Period specified in such certificate and (B) Sufficient Clearing Bids exist at the Auction on the Auction Date for such first Auction Period. For purposes of the Auction for such first Auction Period only, each Existing Owner shall be deemed to have submitted Sell Orders with respect to all of its Bonds except to the extent such Existing Owner submits an Order with respect to such Bonds. If the condition referred to in (A) above is not met, the Auction Rate for the next Auction Period shall be determined pursuant to the Auction Procedures and the Auction Period shall be the Auction Period determined without reference to the proposed change. If the condition referred to in (A) is met but the condition referred to in (B) above is not met, the Auction Rate for the next Auction Period shall be the Maximum SAVRS Rate, and the Auction Period shall be a seven-day Auction Period.

B. Changes in Auction Date. During any SAVRS Rate Period, the Auction Agent, with the written consent of the City, may specify an earlier Auction Date (but in no event more than five Business Days earlier) than the Auction Date that would otherwise be determined in accordance with the definition of "Auction Date" in order to conform with then current market practice with respect to similar securities or to accommodate economic and financial factors that may affect or be relevant to the day of the week constituting an Auction Date and the interest rate borne on the Bonds. The Auction Agent shall provide notice of its determination to specify an earlier Auction Date for an Auction Period by means of a written notice delivered at least 30 days prior to the proposed changed Auction Date to the Notice Parties.

Section 3.09 **Auction Agent.**

A. The Auction Agent shall be appointed by the City, to perform the functions specified herein. The Auction Agent shall designate its Principal Office and signify its acceptance of the duties and obligations imposed upon it hereunder by a written instrument, delivered to the City, the Liquidity Provider, if any, and each Broker-Dealer which shall set forth such procedural and other matters relating to the implementation of the Auction Procedures as shall be satisfactory to the City.

B. Subject to any applicable governmental restrictions, the Auction Agent may be or become the owner of or trade in the Bonds with the same rights as if such entity were not the Auction Agent.

C. The Auction Agent shall be (a) a bank or trust company organized under the laws of the United States or any state or territory thereof having a combined capital stock, surplus and undivided profits of at least \$30,000,000, or (b) a member of NASD having a capitalization of at least \$30,000,000 and, in either case, authorized by law to perform all the duties imposed upon it by this Appendix A and a member of or a participant in, the Securities Depository. The Auction Agent may at any time resign and be discharged of the duties and obligations created by this Appendix A by giving at least ninety (90) days notice to the Notice Parties. The Auction Agent may be removed at any time by the City by written notice, delivered to the Notice Parties. Upon any such resignation or removal, the City shall appoint a successor Auction Agent meeting the requirements of this section. The City shall provide written notice to the Notice Parties of the appointment of the Remarketing Agent and of any resignation, removal or replacement of a Remarketing Agent.

B. The Remarketing Agent may at any time resign and be discharged of the duties and obligations created by this Appendix by giving at least ten (10) days' written notice to the Notice Parties.
