On May 18, 2022, the OPO received a phone complaint.

The complainant alleges: The complainant's child's mother's boyfriend, who lives with the child's mother, is a police officer. The complainant called the mother to get his child and got into an altercation with the boyfriend/officer, who said, "Stop raising your voice at me. I'm the law and I'll send you to jail." The officer tried to keep the complainant from getting his child. The complainant feared for his life and doesn't want the officer around his child anymore because he seems unstable. The alleged officer's first name is [REDACTED]. He lives at the address provided. The complainant feels that [REDACTED] is abusing his power as a police officer.

This notice of complaint is a request for Internal Affairs to initiate an investigation to determine if the employee conduct is within compliance of APD policy, Civil Service Rules, and Municipal Civil Service Rules.
