

# Take Care of Your Pets in an Emergency

Texas has pet friendly emergency/evacuation shelters so you can bring your pet with you if you have to evacuate your home and stay in a shelter.

## Emergency pet kit

Your pet kit should be a lightweight, smaller version of what your family has. Consider having both a home emergency pet kit as well as a smaller grab-and-go kit.

## Your pet's carrier

Write the name of your pet, its description and your phone number on their carrier.

### What goes in your pet's emergency kit?

Collar, leash and ID tag that includes your phone number

Copy of immunization and health records

Pet muzzle (to prevent bites to rescue personnel)

Picture of your pet, in case you are separated

Pet food, water (seven-day supply) and dish

Pet medication (seven-day supply)

Treats and pet toys
