City of Austin Wellness Program

## Diabetes Control Program - Diabetes Control Program Lifestyle Class

Members in the Diabetes Control Program must watch the entire webinar to receive credit for completion. When you register for the webinar, make sure you provide your accurate identifying information.

**NOTE—Watching the DCP webinar does not enroll you into the Diabetes Control Program. If you are looking to join this program you must first schedule and attend your initial appointment with a Randall's Pharmacist. Call 1-877-728-6655 to schedule.**
