Reprise: A Photographic Replay **Kevin Greenblat, Fritz Henle, Graciela Iturbide, Barry Stone**

Reprise: A Photographic Replay is a curated selection of photographs amassed from ABIA's photo print collection. Featuring work from both contemporary and traditional artists Reprise reimagines the work of these four artists from previous ABIA exhibitions; unified through monochromatic resonance, the artists and images represented converge on themes of cultural memory, contemporary landscapes, and documentation.

On display through summer, 2016

Location: Behind BookPeople across from Gate 11
