

The Bust of Farrah, bronze 1973 by Charles Umlauf

## **From the Vault:**

**Celebrating the UMLAUF Sculpture Garden & Museum's 25th Anniversary in Austin, Texas**

An exhibition of some never seen before works of American sculptor and educator Charles Umlauf (1910-1994). The exhibit features four decades of work including a terra cotta carving titled, Dora from 1948 and other works cast in bronze, plaster, stone and clay. Of special note is a life size bronze bust of iconic super model and actress, Farrah Fawcett, made in 1973 by Umlauf while she was a student at UT. More of Umlauf's larger works can be seen at the UMLAUF Sculpture Garden & Museum in Austin, Texas.

On display through August 16, 2016

**Location:** Between Gates 7 - 11
