Inspector Initials: SC Date: 11/23/13

Facility: Austin Animal Center

Registration No: 07-0009 P. 283

Feeding (cont.)		Rabies Quarantine Facilities (Completed by DSHS Only) - [Section 169.27(a)]	
29. Are food pans kept clean and sanitary, and if disposable food pans are used, are they discarded after each feeding?	<u>Yes</u>	37. Is there documentation of twice-daily observations of quarantined animals?	
C. Watering - [Section 169.26(c)]		Rabies Quarantine Facilities (Completed by DSHS Only) - [Section 169.28(a)]	
30. Do animals have convenient access to fresh water and is it offered at least twice daily for at least an hour?	<u>Yes</u>	38. Does the facility have a written Standard Operating Procedure (SOP)?	
31. Are the water bowls clean and sanitary?	<u>Yes</u>	39. Is the SOP specific for the facility?	
32. Do domestic ferrets have 24-hour access to water in a drinking bottle and to food?	<u>Yes</u>	40. Is the SOP posted or otherwise readily available to all employees?	
D. Sanitation - [Section 169.26(d)]		41. Is the SOP designed to ensure effective and safe quarantine procedures?	
33. Are excreta removed from primary enclosures often enough to prevent contamination of the animals (at least once a day)?	<u>Yes</u>	42. Do enclosures have solid walls to prevent physical contact between animals?	
34. Are primary enclosures maintained in a sanitary condition?	<u>Yes</u>	43. Do enclosures have tops to prevent escape?	
35. Are the building and premises kept clean?	<u>Yes</u>	44. Do quarantine runs, cages, or rooms have "Rabies Quarantine" signs posted?	
E. Pest Control - [Section 169.26(e)]		For Facilities Subject to Chapter 829 (Located in Non-exempt County) - (Sections 829.002 and 829.007)	
36. Is there a regular program in place for control of insects, ectoparasites, and other pests and is the facility free from visible signs of vermin?	<u>Yes</u>	45. This standard is for purposes of meeting requirements set forth in Chapter 829 only. Are all employees whose primary job is to enforce animal control laws in compliance with training requirements (Sec. 829.002)? If so, this inspection form serves as a certificate of compliance per Section 829.007.	

This facility has approximately 174 cat cages and 257 dog cages/pens.

When the facility was inspected today, it was housing approximately 263 cats and 312 dogs.

Inspector Comments: (4) The food storage area is clean & free from infestation but unopened bags of food are not kept with at least 12 inches of clearance between the floor & the first level.
 Check here if additional inspector comments are attached

Facility Rating: Satisfactory ✓ Unsatisfactory _____ Probation _____

If applicable, timeline for probationary period _____

As the inspector, I certify that I have personally inspected this facility and that it conforms to the statements above.

Inspection for Rabies Quarantine Facilities and
Impoundment/Shelter Facilities
Z-3 Supplemental for Additional Comments**

Inspector comments continued:

⑩ a. Some animals, very few, but due to space some male & female dogs are kept in the same kennel if they came in together or if they have been tested to behaviorally get along. The dogs are spayed ^{and} ~~or~~ neutered when housed together.

The facility does house rabies quarantine suspect animals.
