COVID-19 Public Health Emergency Extended

The City of Austin, in partnership with BlueCross BlueShield of Texas (BCBSTX), is closely monitoring the Public Health Emergency (PHE) for COVID-19.

COVID-19 testing is covered at 100% on all City medical plans (CDHP, PPO & HMO) during the PHE. The current Public Health Emergency declaration is through **January 11, 2023.**

If enrolled on a City Medical Plan, Testing Resources Include:
- [Employee Health & Wellness Clinics](#), call 512-640-4997
- [Austin Public Health](#)
- [COVID.gov/tests](#)
- Use a provider in the [BCBS medical provider](#) or [COVID pharmacy network](#) or call 888-907-7880 for help locating a provider

If you are <u>not enrolled on a City medical plan, Testing Resources Include</u>:
- [COVID.gov/tests](#)
- [Austin Public Health](#)

For up-to-date COVID-19 information and resources, visit [austintexas.gov/covid19](#) or the [Emergency Information](#) page on CitySpace.
