

# WE'RE PROTECTING OUR FOOD SERVICE PROVIDERS FROM COVID-19

In response to Public Health direction, we:

Screen employees daily for symptoms including fever, cough and shortness of breath.

Ensure sick employees stay home.

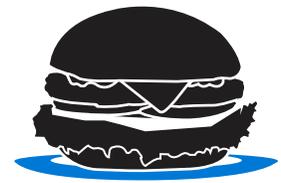

Make hand washing and hand sanitizer available.

All employees must wear fabric face coverings.

Support safe handling of food supply.

## Please help in protecting our community:

- Stay home if you're feeling sick
- Customers are required to wear a face mask unless seated at a table
- Wash hands before eating all meals
- Keep social distance with curbside, takeout and drive-thru
- Use "tap and pay" if possible to limit handling of cash
