

## Contract Management Department

# Welcome to the Subcontractors Academy!

The City of Austin Contract Management Department (CMD), in partnership with the Austin Area Black Contractors Association (ABCA), U.S. Hispanic Contractors Association de Austin (USHCA), Asian Contractor Association (ACA), Small & Minority Business Resources (SMBR), and Public Works (PWD), is breaking ground with a new educational series, the *Subcontractors Academy*. The Subcontractors Academy consists of a series of seminars and interactive sessions especially designed with the City subcontractors in mind. The goals of the program are to:

1. Ensure all interested subcontractors have access to information, resources and tools they need to be successful in their City construction contracts; and to
2. Provide subcontractors an opportunity to network with, and learn alongside, government contracting officials to gain a better understanding of the City processes, roles, and responsibilities associated with City government contracting.

Classes will be conducted the 4<sup>th</sup> Wednesday of each month beginning February 26, 2014; and are open to City subcontractors and all interested parties.
