Submittal Requirements

The following items are **required** in order to file an application for interpretation to the Board of Adjustment:

1. **A completed application** with all information provided. Additional information may be provided as an addendum to the application.
2. **Standing to Appeal Status:** A letter stating that the appellant meets the requirements as an Interested Party as listed in Section 25-1-131(A) and (B) of the City of Austin Land Development Code (LDC). The letter must also include all information required under 25-1-132(C).
3. **Site Plan/Plot Plan** drawn to scale, indicating present and proposed construction and location of existing structures on adjacent lots.
4. **Application fee.** See Board of Adjustment fees: <http://www.austintexas.gov/department/fees>.
5. **If property is located in Williamson County**, then contact Williamson County Appraisal District for an electronic spreadsheet list of the property owners' names and addresses within a 500-foot radius.

An appeal must be filed by the 14th day after the date of the decision of a board or commission, or by the 20th day after an administrative decision (LDC Section 25-1-182). Applications which do not include all the required items listed above will not be accepted for filing.

Section 2: Findings

The Board must determine the existence of, sufficiency of and weight of evidence supporting the findings described below. Therefore, you must complete each of the applicable findings statements as part of your application. Failure to do so may result in your application being rejected as incomplete. Please attach any additional supporting documents.

1. There is a reasonable doubt of difference of interpretation as to the specific intent of the regulations or map in that:

2. An appeal of use provisions could clearly permit a use which is in character with the uses enumerated for the various zones and with the objectives of the zone in question because:

3. The interpretation will not grant a special privilege to one property inconsistent with other properties or uses similarly situated in that:
