---

## Limited Residential Inspections January 10 - January 13

The Development Services Department (DSD) Residential Inspections Division will have limited personnel available from Tuesday, January 10 through Friday, January 13, 2023, while staff attend training.

The training is expected to impact operations through January 20 while residential inspectors work through the temporary backlog of requests. As a reminder, inspections will not be conducted on Monday, January 16 as City staff observe Martin Luther King Jr. Day. Residential permit customers with scheduling flexibility are encouraged to request an inspection date after January 20.

We thank you for your understanding. Contact us via email at [building.inspections@austintexas.gov](mailto:building.inspections@austintexas.gov) if you have questions or need assistance with rescheduling your inspection.

Thank you,  
DSD Residential Building Inspections Division
