

Phone: 311 (or 512-974-2000 outside Austin)
For submittal and fee information, see austintexas.gov/code

PURPOSE: All private haulers that collect, remove, or transport waste, recycling, and/or organic/compost within the City of Austin must obtain a Private Hauler License. This Article of the City Code may be viewed in whole at the City Clerk's Office or at: City of Austin Code 15-6, Article 3.

Instructions

1. Complete this application. This application must be signed by a legally authorized representative. All attachments must be clearly labeled.
2. Submit application by mail: City of Austin Development Services Department, Attn: Finance-Private Hauler, PO Box 1088, Austin, TX 78767, in person: 6310 Wilhelmina Delco Dr, Austin, TX 78752, or by email: DSDHaulerLicense@austintexas.gov
3. Payment must be cash, check or money order payable to: City of Austin, by credit card in person, or with our cashier at 512-974-9142. For questions, email DSDHaulerLicense@austintexas.gov

Upon submission of all required documents and fees, you will receive two decals for each vehicle indicated. The placement of the decals shall be on the driver's door and the passenger door.

Checklist

- Complete Private Hauler Application
- Insurance Certification (City of Austin Code, §15-6-53) - Attach a copy of your commercial general liability AND commercial auto liability insurance policy. Must show minimum limits of \$250,000 per individual and \$500,000 per occurrence for bodily injury and \$100,000 for property damage, OR \$1,000,000 on a combined single limit basis.
- Annual State of Texas Vehicle Inspection Certification for each Licensed Vehicle - If certification is unavailable, three pictures must be taken of each vehicle: side view of full vehicle, front view with license plate visible, and close up of inspection sticker.
- Vehicle License Fee (City of Austin Code, §15-6-56) - \$365 per solid waste vehicle annually.
- Tonnage Report – Most recent 6-month reporting period.
- All Containers must have a Landfill, Recycling, or Organics Sticker (City of Austin Code §15-6-93(D))

Private Collection Services

1. What type of collection services do you provide?

Do you haul C&D Material? Yes No

2. List the names of the facilities materials are hauled to:

Six-month reporting period (check one and complete the year):

- January to June, 20__
- July to December, 20__

Enter tons of each type of material hauled to each type of facility. Enter zero (0) to indicate your company didn't haul a particular type of material to a facility type. Each box should have an entry.

Destination Facility	Tons of Material (Excluding C&D)	Tons of C&D Debris	Total
Disposal Facility/Landfill		+	=
Recycling Facility/Operation		+	=
Organic Processor		+	=

Definitions

Disposal facility – a landfill or facility that processes material into a fuel; includes anaerobic digester.

Recycling facility – a facility that processes recovered materials into raw materials for the production of new products.

Organic processor – a facility that processes organic material (landscaping, yard trimmings, brush, grass, tree stumps, untreated wood, food, etc.) into animal feed, mulch, compost, or similar product.

Construction or Demolition (C&D) Material – by-products of construction or demolition projects, such as building components, concrete, corrugated cartons, gypsum wallboard, metal, paper, paving, plastics, and wood.

DO NOT report tonnages for these items: excavated soil, stone, asbestos-containing materials, lead-containing materials, and similar items.
