

the people's gallery

tenth anniversary show
2005-2014

Welcome to the 10th Annual People's Gallery Exhibition!

Each year the Cultural Arts Division of the Economic Development Department presents the People's Gallery exhibition, designed to showcase regional artistic endeavors and to encourage public dialogue, understanding, and enjoyment of the visual arts. Since 2005, the year the current building opened, Austin City Hall has been an annual showcase for works by local Austin area artists. The goal of the program is to present a series of exhibitions that reflect the artistic excellence and diversity of Austin and promote the City's cultural and economic initiatives. The works presented span a range of sensibilities and materials while holding to a high standard of quality in the field. The success of this program would not be possible without the Austin artists, galleries, collectors, and museums which generously loan their pieces to the exhibition for the enjoyment of Austin residents and visitors.

Exhibition Hours

The 2014 exhibition will be on display from February 28, 2014 through January 8, 2015. Visitors can view the exhibition during regular business hours, Monday–Friday, 8 a.m.–5 p.m.

Featured This Year

The works included this year were selected from approximately 1,000 entries submitted by more than 250 local artists and art organizations. Each year, a panel of arts professionals reviews the submissions. The panelists this year were artist and curator Michael Anthony García, illustrator and designer Terrence Moline, and Tiny Park Gallery co-founder Thao Votang. The exhibition was managed and designed by Exhibition Specialist Suzanne Burton, with assistance from Brogan Ward.

This year's exhibition presents works by over 100 artists, all of whom use their own visual language and a wide range of materials to represent Austin's diverse sub-cultures. Throughout the space you will find featured works by People's Choice-winning artists from the past 10 years, an artist nominated by the Mexic-Arte Museum, and works in honor of artists we lost in 2013.

On the first floor is a special exhibit of works by artists from VSA Texas, a not-for-profit organization that creates an arts-inspired inclusive community of individuals with diverse abilities. VSA Texas creates and maintains an accessible and open community where everyone can participate. Their goal is to provide support and training to the public, to enhance personal growth, and to offer Texans access to the creative work of people with diverse abilities.

The People's Choice

Each year the public is invited to vote for their favorite artwork! Gallery visitors can submit their top three choices by paper ballot. The ballots and ballot box are located in the second floor lobby of City Hall. Each person is allowed only one ballot, and no anonymous ballots will be accepted. Previous winners of the People's Choice and other artworks in the City's permanent collection are ineligible for this year's vote. Voting ends December 31, 2014, and the winner will be announced at the opening reception of next year's People's Gallery exhibition. "The People's Choice" is selected from among the top-recommended artworks each year.

Support Your Local Artists

Many of the works in the exhibition are for sale by the artist. Pricing and contact information are included in the gallery guide. Artworks that are not for sale are labeled "NFS."
