## COVID-19 PANDEMIC

In March 2020, the World Health Organization and the President of the United States separately declared the outbreak of a respiratory disease caused by a novel coronavirus (“COVID-19”) to be a public health emergency. On March 13, 2020, the Governor of Texas (the “Governor”) declared a state of disaster for all counties in the State of Texas (the “State”) because of the effects of COVID-19. Subsequently, in response to a rise in COVID-19 infections in the State and pursuant to Chapter 418 of the Texas Government Code, the Governor issued a number of executive orders intended to help limit the spread of COVID-19 and mitigate injury and the loss of life, including limitations imposed on business operations, social gatherings and other activities.

Since then, COVID-19 has negatively affected commerce, travel and businesses locally and globally, and negatively affected economic growth worldwide and within the U.S., the State and the City. Following the widespread release and distribution of various COVID-19 vaccines beginning in December 2020 and a decrease in active COVID-19 cases generally in the United States, state governments (including Texas) have started to lift business and social limitations associated with COVID-19. Beginning in March 2021, the Governor issued various executive orders, which, among other things, rescinded and superseded prior executive orders and provide that there are currently no COVID-19 related operating limits for any business or other establishment except possibly in counties with an “area with high hospitalizations,” where a county judge may impose COVID-19 related mitigation strategies. None of Travis, Williamson and Hays Counties is currently an “area with high hospitalizations.” The Governor retains the right to impose additional restrictions on activities if needed in order to mitigate the effects of COVID-19. Additional information regarding executive orders issued by the Governor is accessible on the website of the Governor at <https://gov.texas.gov/>. Neither the information on, nor accessed through, such website of the Governor is incorporated by reference into this document.

With the easing or removal of governmental restrictions, economic activity has increased. However, there are no assurances that economic activity will continue or increase at the same rate, especially if there are future outbreaks of COVID-19. The COVID-19 pandemic may result in lasting changes in some businesses and social practices, which could affect business activity and City revenues and expenses, including revenues collected and paid from ad valorem taxes. The City cannot predict the long-term economic effect of COVID-19 or the effect of any future outbreak of COVID-19 or a similar virus on the City’s operations or financial condition.

## **Financial Impact of the Pandemic on Austin Water**

Austin Water has maintained a strong financial condition during the COVID-19 pandemic and its operations and capital spending plans were not materially impacted due to the COVID-19 pandemic. On August 12, 2021, the City Council approved the FY 2021-2022 budget which includes an increase in service revenues of \$18 million over the FY 2020-2021 approved amended budget, with such revenue increase attributable to customer growth. The Water and Wastewater service revenue budget is \$555.8 million for the fiscal year ending September 30, 2021 (FY 2020-2021). As described further below, Austin Water instituted temporary rate reductions and provided other forms of financial assistance in fiscal year 2021 and in fiscal year 2022 to assist ratepayers affected by the COVID-19 pandemic. Even with these temporary rate reductions, Austin Water currently projects that it will continue to maintain reserves and a debt service coverage ratio that is consistent with its financial policies, which, as recently amended, requires 180 days cash on hand and 1.75x debt service coverage, respectively. The COVID-19 pandemic has not had a significant effect on Austin Water's construction activities and capital improvement plans. Austin Water is working with the City's Homeland Emergency Security Management department on potential Federal Emergency Management Agency ("FEMA") reimbursements for COVID-19 response-related expenses estimated to be \$4.3 million. Austin Water has no dependence on receipt of FEMA funding for meeting any of its financial obligations.

In response to the economic impact of COVID-19, the City Council of the City approved rate reductions for certain customer classes, which took effect April 9, 2020: a 10% rate reduction of tiers 1, 2 and 3 for water volume rates and tiers 1 and 2 for wastewater volume rates. The rate reductions applied to customer rates in the residential Customer Assistance Program (CAP) – a program that provides for lower rates for residents on low or fixed incomes – and customer rates for residential Non-CAP rates. These temporary rates were effective through October 31, 2020, after which the non-CAP rates returned to the normal rate schedule (as adopted by the City on November 1, 2019) while the 10% rate reduction for CAP Customers was extended through the remainder of FY 2020-2021 and will continue through FY 2021-2022 (September 30, 2022)

Austin Water provided an additional \$5 million contribution to the Emergency Financial Assistance Plus 1 program in FY 2019-2020 and FY 2020-2021 for a combined \$10 million. Other methods for assistance included additional measures to halt disconnects for non-payment, waived late fees and payment arrangements for customers in need. Disconnects were halted in April 2020 due to COVID-19 but resumed on July 16, 2021 with a phased-in approach. Overall, Austin Water has experienced a modest increase in account receivable trends due to COVID-19. In advance of and since disconnects resumed, City of Austin Utilities has been working with customers to bring account balances current. As a result, Austin Water has seen an increase in payment arrangement balances and a decrease in delinquent balances as compared to September 2020 balances.

In April 2021, Austin Water implemented a Multifamily CAP program for low-income customers who do not have a dedicated water meter, but nevertheless, receive water and wastewater service from Austin Water. This program provides a \$17 monthly credit on their Austin Energy utility bill, shown as Austin Water Multi-Family CAP Program Discount. The Multifamily CAP program offers a safety net to thousands of vulnerable customers who have traditionally been ineligible for Austin Water financial assistance through the residential Customer Assistance Program because they are not directly billed for water and wastewater service.

## **TEXAS 2021 WINTER WEATHER EVENT**

### **General**

From February 14, 2021 through February 19, 2021, much of the continental United States, including Texas, experienced a severe winter storm resulting from the southern migration of a polar vortex that meteorologists characterize as the most significant in terms of scope and duration since monitoring of these weather phenomena began in the 1950s (such winter storm, the "2021 Weather Event"). As a result of the 2021 Weather Event, Texas experienced statewide, record breaking cold weather. Temperatures in Austin remained below freezing for 162 consecutive hours, with a low temperature of 7 degrees recorded on February 16, 2021. As the 2021 Weather Event covered the State, the Electric Reliability Council of Texas ("ERCOT") implemented what were initially expected to be rolling blackouts to conserve electricity and address energy needs across the entirety of the State; however, due to the severity of 2021 Weather Event and the corresponding increase in demand on the Texas electric grid, combined with limited availability of generation, widespread and prolonged power outages began at 1:00 a.m., Central time, on Monday, February 15, 2021, and continued throughout the week. Ultimately, approximately 4,000,000 Texas residents were without power for significant stretches of the week.

## **Impact of 2021 Weather Event on Austin Water**

The extreme weather conditions experienced during the 2021 Weather Event, coupled with widespread power outages in Texas, caused significant disruption to water service, ultimately resulting in widespread water outages and a City-wide Boil Water Notice.

On February 15 and 16, dropping temperatures continued to affect public infrastructure and private buildings, and Austin Water began to receive reports of pipe breaks. Water demand across the Austin Water service area increased from approximately 150 million gallons per day (MGD) on February 15 to a peak hourly demand of 260 MGD in the evening of February 16. Storage levels began to deplete in Southwest Austin, and conditions rapidly changed during the overnight hours of February 16. A Boil Water Notice was issued for Southwest Austin on the morning of February 17 because pressure in that portion of the distribution system dropped below the regulatory requirement. There was no indication of system-wide loss of service at that time. On February 17, water demand continued to rise to a peak hourly demand of 330 MGD, more than double levels observed in February 2020. In the early afternoon, the Ullrich Water Treatment Plant experienced a disruption to both of the electric feeds to the plant. The electrical outage was restored and plant systems were systemically restarted, restoring treatment capacity within approximately 11 hours. With the temporary reduction of water production, coupled with the extremely high water demands, system storage was depleted resulting in widespread water outages. Due to pressure dropping below the regulatory requirement, a Boil Water Notice was issued for all Austin Water customers during the evening of February 17.

System recovery efforts were focused on reducing water consumption and repairing leaks to replenish storage capacity and re-pressurize the distribution system. Initial efforts focused on restoring water to hospitals and other critical customers by isolating key transmission mains. Pressure was gradually restored to the distribution system, and the Boil Water Notice was lifted in phases throughout February 22 and 23.

Despite the significant operational impacts from the 2021 Weather Event, Austin Water experienced minimal financial impacts with \$5 million of emergency response costs and \$1.2 million in property damage.

## **Impact of 2021 Weather Event on Austin Energy**

Austin Energy generation assets largely stayed online during the 2021 Weather Event. Combined with ERCOT-mandated load sheds, this resulted in Austin Energy generation output exceeding its customers' usage. Austin Energy was able to more than fully offset the unprecedented high gas prices and costs to serve its customers with corresponding revenues from the generation fleet. Austin Energy is in a net positive financial position from the effects of the 2021 Weather Event. Austin Energy estimates that over the course of the 2021 Weather Event, it accumulated positive net revenue of \$101 million.

## **Legislative Response**

On June 8, 2021, the Governor signed Senate Bill 3 ("SB 3") to address the issues that arose during the 2021 Weather Event. SB3 law requires weather emergency preparedness and the identification of critical facilities in the natural gas supply chain and electric utilities. The bill makes several changes to the ERCOT market and how municipally owned utilities (MOUs) will operate. Moreover, the bill expands the Public Utility Commission of Texas' (PUCT) oversight over MOUs, particularly regarding customer communications during emergencies, weatherization requirements, and the allocation of load shed responsibilities. The bill does not affect an MOU's ability to set rates nor its obligation to serve its certificated service territory. Additionally, SB 3 includes provisions that could affect wholesale energy costs and operations. The bill requires the PUCT to instruct ERCOT to establish requirements to meet the reliability needs of the power region and determine the quantity and characteristics of ancillary or reliability services needed to maintain reliability during periods of low non-dispatchable generation. It also instructs ERCOT to procure ancillary or reliability services on a competitive basis during those periods of low non-dispatchable generation with appropriate qualification and performance requirements. The bill requires the PUCT to implement an emergency wholesale pricing mechanism regarding the system-wide offer cap, to take effect if the high cap is in place for 12 hours in a 24-hour period, as well as an associated ancillary services cap. The bill requires the PUCT to allow generators to be reimbursed for reasonable and verifiable operating costs, even if those costs exceed the relevant cap. The PUCT is required to review each cap at least once every five years, with the first review by December 31, 2021. Austin Energy is engaged in all associated rulemakings to implement the legislation.

The 2021 Weather Event created significant financial impacts for many ERCOT market participants. In response, the Texas Legislature passed HB4492, which creates two securitization processes to be repaid through a ratepayer surcharge

over a period of up to 30 years. In both processes, the PUC issued and approved a debt obligation on October 14, 2021. The first securitization mechanism is addressed in PURA Chapter 39, Subchapter M and considered in PUC Docket 52321 covers amounts owed to ERCOT by wholesale market participants that would have been otherwise uplifted due to short pays and replenished financial auction receipts used by ERCOT to reduce amounts that were short paid to market participants and reasonable costs incurred to implement a debt obligation order. The legislation set a cap at \$800 million dollars. As a short-paid market participant, Austin Energy is included in this process. The second securitization mechanism is addressed in PURA Chapter 39, Subchapter N and considered in PUC Docket 52322. This provision covers Reliability Deployment Price Adder charges and Ancillary Services costs above the system-wide offer cap during the 32-hour period between February 15 and February 19, 2021. This excludes any amounts securitized under PURA Chapter 41 for cooperative securitization and any amounts from defaulted entities that are no longer ERCOT market participants. This amount totals \$2.1 billion plus reasonable costs. There was a one-time opt out available for this docket and Austin Energy successfully opted out because it has paid in full all invoices owed to ERCOT. Therefore, Austin Energy customers will not be subject to the payment of any securitized amounts in this docket.

SB3 also creates Section 13.1394 of the Texas Water Code (“Section 13.1394”) that requires a water utility to ensure the emergency operation of its water system during a power outage that lasts longer than 24 hours at a minimum pressure of 20 pounds per square inch, or at a water pressure level approved by the Texas Commission on Environmental Quality (the “TCEQ”), as soon as safe and practicable following the occurrence of a natural disaster. Section 13.1394 also requires that a water utility adopt and submit an emergency preparedness plan to the TCEQ for its approval that include a timeline for implementing the plan. The submitted plan must provide for one, or a combination, of fourteen options and approaches to provide services as required by Section 13.1394. The options provided include but are not limited to auxiliary generators; on-site power generation; designation of the water system as a critical load facility or redundant, isolated or dedicated electrical feeds; water storage capabilities; the ability to provide water through artesian flows; redundant interconnectivity between pressure zones; emergency water demand rules to maintain emergency operations and any other alternative determined by the TCEQ to be acceptable.

Water utilities are required to submit their emergency preparedness plan to the TCEQ by March 1, 2022. Implementation of emergency plans must begin by the later of July 1, 2022, or upon final approval by the TCEQ. A utility may submit a written request for an extension not to exceed 90 days. Austin Water is developing its response to ensure timely compliance with State law.

SB 3 also created Section 13.151 of the Texas Water Code (“Section 13.151”) which addresses billing for services provided during an extreme weather emergency. Section 13.151 defines an “extreme weather emergency” as a period when the previous day’s highest temperature did not exceed 28 degrees Fahrenheit, and the temperature is predicted to remain at or below that level for the next 24 hours according to the nearest National Weather Service reports. In these circumstances a retail public utility that operates under a certificate of public convenience and necessity is prohibited from imposing late fees or disconnecting service for nonpayment of bills that are due during an extreme weather emergency until after the emergency is over. The utility is also required to work with customers that request to establish a payment schedule for unpaid bills that are due during the extreme weather emergency. Section 13.414 of the Texas Water Code was amended by SB3 to provide that a violation of Section 13.151 is subject to a civil penalty of not less than \$100 nor more than \$50,000 for each violation.

## **THE BONDS**

### **General Description**

The Bonds are being issued in the aggregate principal amount set forth in APPENDIX A of this Private Placement Memorandum and will mature and be subject to redemption prior to maturity as described in Appendix A. The Bonds are being issued as fully registered bonds in denominations of \$5,000, or any integral multiple thereof. The Bonds will be dated as of the Dated Date, will mature on the dates, and will bear interest at the rates per annum set forth in “APPENDIX A - MATURITY SCHEDULE.”

Interest on the Bonds is payable semiannually on each Interest Payment Date, and will be calculated on the basis of a 360-day year consisting of twelve 30-day months. Principal of and the redemption price with respect to the Bonds will be payable to the Owners upon presentation and surrender at the principal office of the Paying Agent/Registrar.

### **Purpose**

See “APPENDIX B - FORM OF OFFICIAL ACTION.”

## **Authority for Issuance**

The Bonds are issued pursuant to the Constitution and general laws of the State of Texas, particularly Chapter 1502, Texas Government Code, and the terms of the Master Ordinance adopted June 8, 2000, governing the issuance of water and wastewater revenue bonds (the “Master Ordinance”) and of the Bond Ordinance. The Master Ordinance and the Bond Ordinance are referred to collectively as the “Ordinance.”

## **Security for the Bonds**

See “APPENDIX B - FORM OF OFFICIAL ACTION.”

## **Redemption Provisions**

On May 15, 2032, or on any date thereafter, the Bonds maturing on and after November 15, 2032 may be redeemed prior to their scheduled maturities, upon the written direction of the City, with funds provided by the City, at par plus accrued interest to the date fixed for redemption as a whole, or in part, and if less than all of the Bonds of a stated maturity are to be redeemed the Paying Agent/Registrar will determine by lot the Bonds, or portions thereof within such maturity to be redeemed (provided that a portion of a Bond may be redeemed only in Authorized Denominations).

## **Notice of Redemption; Selection of Obligations to Be Redeemed**

See “APPENDIX B - FORM OF OFFICIAL ACTION.”

In the Ordinance, the City agrees to provide written notice to the Texas Water Development Board (“TWDB”) of its exercising its right to redeem the Bonds prior to their scheduled maturities at least 90 days prior to the stated redemption date. The Paying Agent/Registrar, so long as a Book-Entry-Only System is used for the Bonds, will send any notice of redemption of the Bonds, notice of any proposed amendment to the Official Action or other notices with respect to the Bonds only to DTC. Any failure by DTC to advise any DTC participant, or of any DTC participant or indirect participant to notify the beneficial owner, shall not affect the validity of the redemption of the Bonds called for redemption or any other action premised on any such notice. Redemption of portions of the Bonds by the Issuer will reduce the outstanding principal amount of such Bonds held by DTC.

## **Book-Entry-Only System**

DTC will act as securities depository for the Bonds (the “Securities”). The Securities will be issued as fully-registered securities registered in the name of Cede & Co. (DTC’s partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Security certificate will be issued for each maturity of the Securities, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world’s largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a “banking organization” within the meaning of the New York Banking Law, a member of the Federal Reserve System, a “clearing corporation” within the meaning of the New York Uniform Commercial Code, and a “clearing agency” registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 100 countries that DTC’s participants (“Direct Participants”) deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants’ accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). Direct Participants and Indirect Participants are referred to collectively as “Participants”. DTC has a Standard & Poor’s rating of “AA+.” The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Securities under the DTC system must be made by or through Direct Participants, which will receive a credit for the Securities on DTC's records. The ownership interest of each actual purchaser of each Security ("Beneficial Owner") is in turn to be recorded on the Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Securities are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Securities, except in the event that use of the book-entry system for the Securities is discontinued.

To facilitate subsequent transfers, all Securities deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Securities with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Securities; DTC's records reflect only the identity of the Direct Participants to whose accounts such Securities are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Securities may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Securities, such as redemptions, tenders, defaults, and proposed amendments to the Security documents. For example, Beneficial Owners of Securities may wish to ascertain that the nominee holding the Securities for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Securities within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such issue to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Securities unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Securities are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds and principal and interest payments on the Securities will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or the Paying Agent/Registrar, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Paying Agent/Registrar, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the City or the Paying Agent/Registrar, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Participants.

DTC may discontinue providing its services as depository with respect to the Securities at any time by giving reasonable notice to the City or the Paying Agent/Registrar. Under such circumstances, in the event that a successor depository is not obtained, Security certificates are required to be printed and delivered. Subject to DTC's policies and guidelines, the City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Security certificates will be printed and delivered.

**The information in this section concerning DTC and DTC's book-entry-only system has been obtained from sources that the City and PFM Financial Advisors LLC each believes to be reliable, but neither the City nor PFM Financial Advisors LLC takes any responsibility for the accuracy thereof.**

## OTHER INFORMATION

### Forward Looking Statements

The statements contained in this Private Placement Memorandum, including the cover page, appendices, and any other information or documents provided by the Issuer, that are not purely historical, are forward-looking statements, including statements regarding the Issuer’s expectations, hopes, intentions, or strategies regarding the future. All forward looking statements included in this Private Placement Memorandum are based on information available to the Issuer on the date hereof. It is important to note that the Issuer’s actual results could differ materially from those in such forward-looking statements.

### Ratings

**The Bonds will not be rated. No application has been made to any ratings agency or municipal bond insurance company for qualification of the Bonds for ratings or municipal bond insurance, respectively.** Certain of the City’s outstanding water and wastewater system separate lien revenue bonds are rated “Aa2” (stable outlook) by Moody’s Investors Service, “AA” (stable outlook) by S&P Global Ratings and “AA-” (stable outlook) by Fitch Ratings. An explanation of the significance of such ratings may be obtained from the organization furnishing the rating. The ratings reflect only the respective views of such organizations and the City makes no representation as to the appropriateness of the ratings. There is no assurance that such ratings will continue for any given period of time or that they will not be revised downward or withdrawn entirely by any or all of such rating companies, if in the judgment of one or more companies, circumstances so warrant. Any such downward revision or withdrawal of such ratings may have an adverse effect on the market price of the Bonds.

### Concurrent Issuance of Additional Parity Water/Wastewater Obligations

Concurrently with the delivery of the Bonds, the City anticipates issuing its Water and Wastewater System Revenue and Refunding Bonds, Series 2021 in a par amount sufficient to refund certain outstanding bonds for debt service savings and to refund approximately \$102 million of outstanding commercial paper notes; \$18,000,000 Water and Wastewater System Revenue Bonds, Series 2021C; and \$23,100,000 Water and Wastewater System Revenue Bonds, Series 2021D (CWSRF) (collectively, the “2021 Parity Obligations”). The 2021 Parity Obligations, when issued, will constitute additional Parity Water/Wastewater Obligations, and together with the Bonds and outstanding Parity Water/Wastewater Obligations, will be equally and ratably secured by a lien on and pledge of the net revenues of the Water and Wastewater system.

## LITIGATION

A number of claims against the City, as well as certain other matters of litigation, are pending with respect to various matters arising in the normal course of the City’s operations. The City Attorney and the City management are of the opinion that resolution of the claims pending (including the matters described below) will not have a material adverse effect on the City’s financial condition or the financial condition of the Electric Utility System or of the Water and Wastewater System.

### Electric Utility System Litigation

On May 3, 2017, Data Foundry, Inc., filed a lawsuit against the City (Cause No. D-1-GN-17-000937 in the 419th Judicial District Court of Travis County, Texas), alleging that the ERCOT nodal market design disqualifies the City’s electric generation assets from being considered as used and useful for the purpose of establishing rates for electric service to the City’s retail customers, and otherwise challenging the reasonableness of the City’s rate of return and debt service coverage levels. The lawsuit seeks declaratory relief that the City’s current retail electric rates are unlawful due to the inclusion of costs and return related to generation assets, and seeks a permanent injunction against the City’s establishing electric rates that include costs and return related to generation assets and operations.

The Electric Utility System has been served in several property damage lawsuits and one wrongful death lawsuit, as well as several notices of subrogation from insurers, relating to outages caused by the 2021 Weather Event that affected the ERCOT system. See “TEXAS 2021 WINTER WEATHER EVENT.”

### **CONTINUING DISCLOSURE OF INFORMATION**

In the Official Action, the Issuer has made a continuing disclosure undertaking agreement for the benefit of the holders and beneficial owners of the Bonds. The Issuer is required to observe this agreement for so long as it remains obligated to advance funds to pay the Bonds. Under this agreement, the Issuer will be obligated to provide certain updated financial information and operating data, and timely notice of specified material events, to the Municipal Securities Rulemaking Board through the Electronic Municipal Market Access System. SEE APPENDIX B - “FORM OF OFFICIAL ACTION – Section 21: Continuing Disclosure Undertaking.”

#### **Compliance with Prior Undertakings**

With respect to the City’s continuing disclosure agreement regarding the Rental Car Special Facility Revenue Bonds, the City failed to file rating upgrades from Moody’s and Fitch within the ten business day window which started on July 10, 2015 and August 17, 2016, respectively. The City filed the event notices with respect to the ratings upgrade on December 14, 2016. Notice of the failure to file the ratings upgrade in a timely manner was also filed on the same date. With respect to the continuing disclosure agreement entered into by Austin-Bergstrom Landhost Enterprise (“ABLE”), with respect to its Series 1999A and 1999B Bonds, ABLE did not file its financial statements by the June 30 deadline for Fiscal Year December 31, 2015. The financial statements were filed on July 19, 2016 and the notice of the failure to file was filed on September 1, 2017. The referenced ABLE bonds are no longer outstanding. With respect to the City’s continuing disclosure agreements regarding its outstanding Combined Utility Revenue Bonds, Water and Wastewater System Revenue Bonds, and Electric Utility System Revenue Bonds, on February 3, 2017, the City filed a ratings upgrade notice for the Prior First-Lien Combined Electric, Water and Wastewater Revenue Bonds, which took place on July 1, 2015. The notice of failure to file the ratings upgrade in a timely manner was also filed on the same date. On June 30, 2017, the City filed updated financial information and operating data to reflect Fiscal Year 2016 information on the first page of the “Water Service Rates” table. The City has implemented procedures to ensure timely filing of all future financial information and event notices.

Whenever any Bonds are surrendered for exchange, the Paying Agent/Registrar shall register and deliver new Bonds, executed on behalf of, and furnished by, the City, to the Holder requesting the exchange.

All Bonds issued upon any transfer or exchange of Bonds shall be delivered at the Designated Payment/Transfer Office of the Paying Agent/Registrar, or sent by United States Mail, first class postage prepaid, to the Holder and, upon the delivery, the same shall be valid obligations of the City, evidencing the same obligation to pay, and entitled to the same benefits under the Forty-First Supplement, as the Bonds surrendered in such transfer or exchange.

All transfers or exchanges of Bonds under this Section shall be made without expense or service charge to the Holder, except as otherwise provided in the Forty-First Supplement, and except that the Paying Agent/Registrar shall require payment by the Holder requesting such transfer or exchange of any tax or other governmental charges required to be paid with respect to such transfer or exchange.

Bonds canceled by reason of an exchange or transfer under the provisions of the Forty-First Supplement are defined to be "Predecessor Bonds," evidencing all or a portion, as the case may be, of the same obligation to pay evidenced by the Bond or Bonds registered and delivered in the exchange or transfer. Additionally, the term "Predecessor Bonds" shall include any mutilated, lost, destroyed, or stolen Bond for which a replacement Bond has been issued, registered and delivered under Section 19 of the Forty-First Supplement and the new replacement Bond

shall be deemed to evidence the same obligation as the mutilated, lost, destroyed, or stolen Bond.

Neither the City nor the Paying Agent/Registrar shall be required to transfer or exchange any Bond called for redemption, in whole or in part, within 45 days of the date fixed for redemption of the Bond; provided, however, this limitation of transfer shall not be applicable to an exchange by the Holder of the unredeemed balance of a Bond called for redemption in part.

The Paying Agent/Registrar for the Bonds shall act as the closing agent for the delivery of the Bonds to the TWDB, and in connection therewith, the Paying Agent/Registrar understands the Bonds are to be delivered to the TWDB using the book-entry only system provided by DTC.

The City agrees to deliver to the Paying Agent/Registrar one initial Bond numbered T-1, as provided in Section 9 of the Forty-First Supplement, and registered to the TWDB following the approval by the Attorney General of the State and the registration by the Comptroller of Public Accounts. Proceeds from the Bonds will be held in escrow and disbursed to the City in accordance with procedures approved by the TWDB.

**SECTION 7: BOOK-ENTRY-ONLY TRANSFERS AND TRANSACTIONS.** Notwithstanding the provisions contained in Sections 4, 5 and 6 of the Forty-First Supplement relating to the payment, and transfer/exchange of the Bonds, the City approves and authorizes the use of the “Book-Entry-Only” securities clearance, settlement and transfer system provided by The Depository Trust Company (“DTC”), a limited purpose trust company organized under the laws of the State of New York, in accordance with the operational arrangements referenced in the Blanket Issuer Letter of Representation, by and between the City and DTC (the “Depository Agreement”).

Pursuant to the Depository Agreement and the rules of DTC, the Bonds shall be deposited with DTC, who shall hold the Bonds for its participants (the “DTC Participants”). While the Bonds are held by DTC under the Depository Agreement, the Holder of the Bonds on the Security Register for all purposes, including payment and notices, shall be Cede & Co., as nominee of DTC, notwithstanding the ownership of each actual purchaser or owner of each Bond (the “Beneficial Owners”) being recorded in the records of DTC and DTC Participants.

In the event DTC determines to discontinue serving as securities depository for the Bonds or otherwise ceases to provide book-entry clearance and settlement of securities transactions in general or the City determines that DTC is incapable of properly discharging its duties as securities depository for the Bonds, the City

covenants and agrees with the Holders of the Bonds to cause Bonds to be printed in definitive form and provide for the Bond certificates to be issued and delivered to DTC Participants and Beneficial Owners, as the case may be. The Bonds in definitive form shall be assigned, transferred and exchanged on the Security Register maintained by the Paying Agent/Registrar and payment of the Bonds not held by DTC under the Depository Agreement shall be made in accordance with the provisions of Sections 4, 5 and 6 of the Forty-First Supplement.

**SECTION 8: EXECUTION - REGISTRATION.** The Bonds shall be executed on behalf of the City by the Mayor or Mayor Pro Tem under its seal reproduced or impressed on the Bonds and countersigned by the City Clerk. The signature of the officers on the Bonds may be manual or facsimile. Bonds bearing the manual or facsimile signatures of individuals who are or were the proper officers of the City on the Dated Date shall be deemed to be executed on behalf of the City, notwithstanding that those individuals or either of them shall cease to hold the offices at the time of delivery of the Bonds to the Purchaser and with respect to Bonds delivered in subsequent exchanges and transfers, all as authorized and provided in Chapter 1201.

No Bond shall be entitled to any right or benefit under the Forty-First Supplement, or be valid or obligatory for any purpose, unless there appears on the Bond either a certificate of registration substantially in the form provided in the FORM OF BOND, manually executed by the Comptroller of Public Accounts of the State or his or her authorized agent, or a certificate of registration substantially in the form provided in the FORM OF BOND, manually executed by an authorized officer, employee or representative of the Paying Agent/Registrar, and either certificate upon any Bond signed shall be conclusive evidence, and the only evidence, that the Bond has been certified, registered and delivered.

**SECTION 9: INITIAL BOND.** The Bonds shall be initially issued as a single fully registered bond, payable in the aggregate principal amount of the Bonds, and numbered T-1 (the "Initial Bond"). The Initial Bond shall be registered in the name of the Purchaser or its designee. The Initial Bond shall be submitted to the Office of the Attorney General of the State for approval, certified and registered by the Office of the Comptroller of Public Accounts of the State and delivered to the Purchaser. Any time after the delivery of the Initial Bond, the Paying Agent/Registrar, pursuant to written instructions from the Purchaser, or its designee, shall cancel the Initial Bond delivered and exchange for the Initial Bond definitive Bonds of authorized denominations, Stated Maturities, principal amounts and bearing applicable interest rates for transfer and delivery to the Holders named at the addresses identified for the Holders; all pursuant to and in accordance with such written instructions from the Purchaser, or its designee, and any other

information and documentation as the Paying Agent/Registrar may reasonably require.

**SECTION 10: FORMS.** The Bonds, the Registration Certificate of the Comptroller of Public Accounts of the State, the Certificate of Registration, and the form of Assignment to be printed on each of the Bonds, shall be substantially in the forms set forth in the FORM OF BOND set forth in **Exhibit A** to the Forty-First Supplement, with appropriate insertions, omissions, substitutions, and other variations as are permitted or required by the Forty-First Supplement, and may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures (CUSIP) of the American Bankers Association) and any other legends and endorsements (including insurance legends in the event the Bonds, or any maturities of the Bonds, are purchased with insurance and any reproduction of an opinion of counsel) as may be established by the City or determined by the officers executing the Bonds as evidenced by their execution of the Bonds. Any portion of the text of any Bond may be set forth on the reverse of the Bond, with an appropriate reference on the face of the Bond.

The definitive Bonds and the Initial Bond shall be printed, lithographed, or engraved, typewritten, photocopied or otherwise reproduced in any other similar manner, all as determined by the officers executing the Bonds as evidenced by their execution of the Bonds.

**SECTION 11: CRITERIA FOR ISSUANCE OF PARITY WATER/WASTEWATER OBLIGATIONS.** The City has provided certain criteria and established certain covenants and agreements in relation to the issuance of Parity Water/Wastewater Obligations of the Water/Wastewater System pursuant to the Master Ordinance and Prior Supplements. The Forty-First Supplement provides for the authorization, issuance, sale, delivery, form, characteristics, provisions of payment, and security of the Bonds which are Parity Water/Wastewater Obligations. The Master Ordinance is incorporated by reference and made a part of the Forty-First Supplement for all purposes, except to the extent modified and supplemented by the Prior Supplements and the Forty-First Supplement, and the Bonds are declared to be Parity Water/Wastewater Obligations under the Master Ordinance and Prior Supplements. The City determines that it will have sufficient funds to meet the financial obligations of the Water/Wastewater System, including sufficient Net Revenues to pay the Annual Debt Service Requirements of the Bonds and the Previously Issued Parity Water/Wastewater Obligations and to meet all financial obligations of the City relating to the Water/Wastewater System.

**SECTION 12: PLEDGE.** The Net Revenues of the Water/Wastewater System are pledged to the payment of the Bonds, and the Bonds, together with the Prior Subordinate Lien Obligations and the Previously Issued Parity

Water/Wastewater Obligations currently Outstanding, shall be equally and ratably secured by a parity lien on and pledge of the Net Revenues of the Water/Wastewater System in accordance with the terms of the Master Ordinance and the Forty-First Supplement. Additionally, the Bonds and the Previously Issued Parity Water/Wastewater Obligations shall be equally and ratably secured by a lien on the funds, if any, deposited to the credit of the Debt Service Fund in accordance with the terms of the Master Ordinance, the Prior Supplements and the Forty-First Supplement. The Parity Water/Wastewater Obligations, and the interest on the Parity Water/Wastewater Obligations, shall constitute a lien on the Net Revenues of the Water/Wastewater System and be valid and binding and fully perfected from and after the date of adoption of the Forty-First Supplement without physical delivery or transfer of control of the Net Revenues, the filing of the Forty-First Supplement or any other act, all as provided in Chapter 1208. The owners of the Parity Water/Wastewater Obligations shall never have the right to demand payment out of funds raised or to be raised by taxation, or from any source other than specified in the Master Ordinance, the Prior Supplements and the Forty-First Supplement.

Chapter 1208 applies to the issuance of the Bonds and the pledge of the Net Revenues of the Water/Wastewater System granted by the City under this Section 12, and the pledge is valid, effective and perfected. If Texas law is amended at any time while the Bonds are Outstanding such that the pledge of the Net Revenues of the Water/Wastewater System granted by the City under this Section 12 is to be subject to the filing requirements of Chapter 9, then to preserve to the registered owners of the Bonds the perfection of the security interest in the pledge, the City agrees to take measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, and enable a filing to perfect the security interest in the pledge to occur.

**SECTION 13: DEBT SERVICE FUND.** By reason of the issuance of the Bonds, the City need not establish any special accounts within the Debt Service Fund and following the delivery of the Bonds, the City agrees and covenants that in addition to the deposits for the payment of the Previously Issued Parity Water/Wastewater Obligations there shall be deposited to the credit of the Debt Service Fund an amount equal to one hundred percent (100%) of the amount required to fully pay the interest on and principal of the Bonds falling due on or before each maturity, mandatory redemption date and interest payment date, and such deposits shall be made in substantially equal monthly amounts on or before the 14th day of each month beginning on or before the 14th day of the month next following the month the Bonds are delivered to the Purchaser.

The required monthly deposits to the Debt Service Fund for the payment of principal of and interest on the Bonds shall continue to be made in the manner

provided in this Section until such time as (i) the total amount on deposit in the Debt Service Fund is equal to the amount required to fully pay and discharge all Parity Water/Wastewater Obligations then Outstanding or (ii) the Bonds are no longer outstanding, *i.e.*, fully paid as to principal and interest or all the Bonds have been refunded.

Any accrued interest received from the Purchaser shall be deposited in the Debt Service Fund, and shall be taken into consideration and reduce the amount of the monthly deposits that would otherwise be required to be deposited to the credit of the Debt Service Fund from the Net Revenues of the Water/Wastewater System.

**SECTION 14: RESERVE FUND.** In accordance with the provisions of the Prior Supplements authorizing the issuance of certain of the Previously Issued Water/Wastewater Obligations, the Required Reserve Amount is funded with cash and Credit Facilities originally issued by Ambac Assurance Corporation and XL Capital Assurance Inc.

The Reserve Fund shall be funded in an amount of no less than the average annual debt service requirements on the Bonds, either (a) with proceeds of the Bonds, in the amount described in the letter of instructions executed in accordance with Section 26 of the Forty-First Supplement, or (b) by the deposit of Net Revenues in approximately equal monthly installments over the initial 60 months following the issuance of the Bonds, all in accordance with the Board Resolution and as further provided in the letter of instructions.

Furthermore, in accordance with Section 10(d) of the Master Ordinance, council finds that the Gross Revenues will be sufficient to meet the obligations of the Water/Wastewater System, including sufficient Net Revenues to satisfy the Annual Debt Service Requirements of Parity Water/Wastewater Obligations currently Outstanding and the financial obligations of the City under any Credit Facility entered into with the Credit Facility providers.

**SECTION 15: PAYMENT OF BONDS.** On or before the first scheduled interest payment date, and on or before each subsequent interest payment date and principal payment date while any Bond is Outstanding, the City shall cause an amount to be transferred to the Paying Agent/Registrar in immediately available funds from the Debt Service Fund sufficient to pay the interest on and the principal amount of the Bonds, as shall become due on each payment date, respectively, at maturity or by redemption prior to maturity. The Paying Agent/Registrar shall destroy all paid Bonds and furnish the City with an appropriate certificate of cancellation or destruction.

**SECTION 16: COVENANTS TO MAINTAIN TAX-EXEMPT STATUS.**

The City covenants to refrain from any action which would adversely affect, or to take any action to assure, the treatment of the Bonds as obligations described in section 103 of the Code, the interest on which is not includable in the "gross income" of the holder for purposes of federal income taxation. In furtherance thereof, the City covenants as follows:

(a) to take any action to assure that no more than 10 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited to a reserve fund, if any) are used for any "private business use", as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds are so used, that amounts, whether or not received by the City, with respect to such private business use, do not, under the terms of this Forty-First Supplement or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(b) to take any action to assure that in the event that the "private business use" described in subsection (a) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" which is "related" and not "disproportionate", within the meaning of section 141(b)(3) of the Code, to the governmental use;

(c) to take any action to assure that no amount which is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any), is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(d) to refrain from taking any action which would otherwise result in the Bonds being treated as "private activity bonds" within the meaning of section 141(a) of the Code;

(e) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(f) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds which were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) which produces a materially higher yield over the term of the Bonds, other than investment property acquired with --

(1) proceeds of the Bonds invested for a reasonable temporary period, until such proceeds are needed for the purpose for which the Bonds are issued,

(2) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(3) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(g) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(h) to refrain from using the proceeds of the Bonds or the proceeds of any prior bonds to pay debt service on another issue more than ninety (90) days after the issuance of the Bonds in contravention of section 149 of the Code (relating to advance refundings);

(i) to pay to the United States of America at least once during each five-year period (beginning on the Delivery Date of the Bonds) an amount that is at least equal to 90 percent of the "excess earnings", within the meaning of section 148(f) of the Code, and to pay to the United States of America, not later than 60 days after the Bonds have been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code; and

(j) to file with the Internal Revenue Service an executed Form 8038-G, in furtherance of the requirements of section 149(e) of the Code.

The City understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of a refunding bond, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of the issuance of the Bonds. It is the understanding of the City that these covenants are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant to the Code. In the event that regulations or rulings are hereafter promulgated which modify or expand provisions of the Code, as applicable to the Bonds, the City will not be required to comply with any covenant contained in this Section to the extent that the failure to comply, in the opinion of nationally-recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In the event that

regulations or rulings are hereafter promulgated which impose additional requirements which are applicable to the Bonds, the City agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally-recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of the foregoing, the Mayor, the City Manager, any Assistant City Manager, the Chief Financial Officer of the City, any Deputy Financial Officer of the City and the City Treasurer may execute any certificates or other reports required by the Code and make such elections, on behalf of the City, which may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds. In order to facilitate compliance with the above clause (i), a "Rebate Fund" is established by the City for the sole benefit of the United States of America, and the Rebate Fund shall not be subject to the claim of any other person, including without limitation the registered owners of the Bonds. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

**SECTION 16A: ALLOCATION OF, AND LIMITATION ON, EXPENDITURES FOR THE BOND-FINANCED PROPERTY; DISPOSITION OF BOND-FINANCED PROPERTY.**

The City covenants to account for on its books and records the expenditure of proceeds from the sale of the Bonds and any investment earnings thereon to be used for the improvement and extension of the System (referred to in this Section as a "Project") by allocating proceeds to expenditures within 18 months of the later of the date that (a) the expenditure on a Project is made or (b) each such Project is completed. The foregoing notwithstanding, the City shall not expend such proceeds or investment earnings more than 60 days after the later of (a) the fifth anniversary of the Delivery Date of the Bonds or (b) the date the Bonds are retired, unless the City obtains an opinion of nationally-recognized bond counsel substantially to the effect that such expenditure will not adversely affect the tax-exempt status of the Bonds. For purposes of this Section, the City shall not be obligated to comply with this covenant if it obtains an opinion of nationally-recognized bond counsel to the effect that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

The City covenants that the property constituting the Project will not be sold or otherwise disposed in a transaction resulting in the receipt by the City of cash or other compensation, unless the City obtains an opinion of nationally-recognized bond counsel substantially to the effect that the sale or other disposition will not adversely affect the tax-exempt status of the Bonds. The portion of the property comprising personal property and disposed of in the ordinary course of business shall not be treated as a transaction resulting in the receipt of cash or other

compensation. The City shall not be obligated to comply with this covenant if it obtains an opinion of nationally-recognized bond counsel to the effect that the failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

#### SECTION 17: **AMENDMENT OF FORTY-FIRST SUPPLEMENT.**

(a) Required Owner Consent for Amendments. The owners of a majority in Outstanding Principal Amount of the Bonds shall have the right from time to time to approve any amendment to the Forty-First Supplement which may be deemed necessary or desirable by the City; provided, however, nothing contained in the Forty-First Supplement shall permit or be construed to permit the amendment of the terms and conditions in the Forty-First Supplement so as to:

- (1) Make any change in the maturity of any of the Outstanding Bonds;
- (2) Reduce the rate of interest borne by any of the Outstanding Bonds;
- (3) Reduce the amount of the principal payable on the Bonds;
- (4) Modify the terms of payment of principal of, premium, if any, or interest on the Outstanding Bonds or impose any conditions with respect to such payment;
- (5) Affect the rights of the owners of less than all of the Bonds then Outstanding;
- (6) Amend this subsection (a) of this Section; or
- (7) Change the minimum percentage of the principal amount of Bonds necessary for consent to any amendment;

unless such amendment or amendments be approved by the owners of all of the Bonds affected by the change or amendment then Outstanding.

(b) Notice of Amendment Requiring Consent. If at any time the City shall desire to amend the Forty-First Supplement under this Section, the City shall cause notice of the proposed amendment to be published in a financial newspaper or journal published in The City of New York, New York, and a newspaper of general circulation in the City, once during each calendar week for at least two successive calendar weeks. The notice shall briefly set forth the nature of the proposed amendment and shall state that a copy of the notice is on file with the Paying Agent/Registrar for the Bonds. Publication is not required, however, if notice in writing is given by United States Mail, first class postage prepaid, to each owner of the Bonds.

(c) Time Period for Obtaining Consent. If within one year from (i) the date of the first publication of notice or (ii) the date of the mailing by the Paying Agent/Registrar of written notice to the owners of the Bonds, whichever date first

occurs if both methods of giving notice are used, the City shall receive an instrument or instruments executed by the owners of at least a majority in Outstanding Principal Amount of the Bonds consenting to and approving such amendment in substantially the form of the copy of such instrument on file with each Paying Agent/Registrar, the governing body of the City may pass the amendatory ordinance in substantially the same form.

(d) Revocation of Consent. Any consent given by the owner of a Bond pursuant to the provisions of this Section shall be irrevocable for a period of six months from the date for measuring the one year period to obtain consents noted in paragraph (c) above, and shall be conclusive and binding upon all future owners of the same Bonds during such period. At any time after six months from the date for measuring the one year period to obtain consents noted in paragraph (c) above, consent may be revoked by the owner who gave the consent, or by a successor in title, by filing written notice with the Paying Agent/Registrar for the Bonds and the City, but revocation shall not be effective if the owners of at least a majority in Outstanding Principal Amount of the then Outstanding Bonds as determined in accordance with this Section have, prior to the attempted revocation, consented to and approved the amendment.

(e) Implementation of Amendment. Upon the passage of any amendatory ordinance pursuant to the provisions of this Section, the Forty-First Supplement shall be deemed to be amended, and the respective rights, duties and obligations of the City under the Forty-First Supplement and all the owners of then Outstanding Bonds shall be determined, exercised and enforced in all respects in accordance with the amendment.

(f) Amendment without Consent. The preceding provisions of this Section notwithstanding, the City by action of its governing body may amend the Forty-First Supplement for any one or more of the following purposes:

(1) To add to the covenants and agreements of the City contained in the Forty-First Supplement, other covenants and agreements thereafter to be observed, grant additional rights or remedies to the owners of the Bonds or to surrender, restrict or limit any right or power reserved in the Forty-First Supplement to or conferred upon the City;

(2) To make provision for the purpose of curing any ambiguity, or curing, correcting or supplementing any defective provision contained in the Forty-First Supplement, or in regard to clarifying matters or questions arising under the Forty-First Supplement, as are necessary or desirable and not contrary to or inconsistent with the

Forty-First Supplement and which shall not adversely affect the interests of the owners of the Bonds then Outstanding;

(3) To modify any of the provisions of the Forty-First Supplement in any other respect whatever, provided that any modification shall be, and be expressed to be, effective only after all the Bonds outstanding at the date of the adoption of the modification shall cease to be outstanding;

(4) To make amendments to the Forty-First Supplement as may be required, in the opinion of Bond Counsel, to ensure compliance with sections 103 and 141 through 150 of the Code and the regulations promulgated under and applicable to those sections and regulations;

(5) To make changes, modifications or amendments as may be necessary or desirable to allow the owners of the Bonds to avail themselves of a book-entry system for payments, transfers and other matters relating to the Bonds, which changes, modifications or amendments are not contrary to or inconsistent with other provisions of the Forty-First Supplement and which shall not adversely affect the interests of the owners of the Bonds;

(6) To make amendments to the Forty-First Supplement as permitted by Section 21(e) of the Forty-First Supplement;

(7) To make changes, modifications or amendments as may be necessary or desirable to obtain the approval of the Bonds from the Attorney General of Texas, to obtain or maintain the granting of a rating on the Bonds by a Rating Agency or to obtain or maintain a Credit Agreement or a Credit Facility; and

(8) To make changes, modifications or amendments as may be necessary or desirable, which shall not adversely affect the interests of the owners of the Bonds, in order, to the extent permitted by law, to facilitate the economic and practical utilization of interest rate swap agreements, foreign currency exchange agreements, or similar types of agreements with respect to the Bonds.

Notice of an amendment may be published by the City in the manner described in clause (b) of this Section; provided, however, that the publication of a notice shall not constitute a condition precedent to the adoption of an amendatory ordinance and the failure to publish a notice shall not adversely affect the implementation of an amendment as adopted pursuant to the amendatory ordinance.

(g) Ownership. For the purpose of this Section, the ownership and other matters relating to all Bonds shall be established by the Security Register maintained by the Paying Agent/Registrar. Furthermore, the owner of any Bonds insured as to the payment of principal of and interest shall be deemed to be the insurance company providing the insurance coverage on the Bonds; provided, the amendment to the Forty-First Supplement is an amendment that can be made with the consent of a majority in Outstanding Principal Amount of the Bonds and the insurance company is not in default with respect to its obligations under its insurance policy, if any.

**SECTION 18: FINAL DEPOSITS; GOVERNMENT OBLIGATIONS.**

All or any of the Bonds shall be deemed to be paid, retired and no longer outstanding within the meaning of the Forty-First Supplement when payment of the principal of, and redemption premium, if any, on the Bonds, plus interest on the Bonds to the due date (whether the due date is by reason of maturity or otherwise) either (i) shall have been made or caused to be made in accordance with the terms of the Bonds, or (ii) shall have been provided by irrevocably depositing with, or making available to, the Paying Agent/Registrar, in trust and irrevocably set aside exclusively for this payment, (1) money sufficient to make the payment or (2) Government Obligations, certified by an independent public accounting firm of national reputation, to mature as to principal and interest in amounts and at the times as will insure the availability, without reinvestment, of sufficient money to make this payment, and all necessary and proper fees, compensation and expenses of the Paying Agent/Registrar with respect to which the deposit is made shall have been paid or the payment provided for the satisfaction of the Paying Agent/Registrar. Once a Bond shall be deemed to be paid under the Forty-First Supplement, it shall no longer be secured by or entitled to the benefit of the Forty-First Supplement, the Master Ordinance or a lien on and pledge of the Net Revenues of the Water/Wastewater System, and shall be entitled to payment solely from the money or Government Obligations.

Any moneys so deposited with the Paying Agent/Registrar, or an authorized escrow agent, may at the direction of the City also be invested in Government Obligations, maturing in the amounts and at the times as set forth in this Section, and all income from all Government Obligations not required for the payment of the Bonds, the redemption premium, if any, and interest on the Bonds, with respect to which the money has been so deposited, shall be turned over to the City or deposited as directed by the City. The City covenants that no deposit will be made or accepted under clause (ii) of this Section and no use made of any deposit which would cause the Bonds to be treated as arbitrage bonds within the meaning of section 148 of the Code.

Notwithstanding any other provisions of the Forty-First Supplement, all money or Government Obligations set aside and held in trust pursuant to the provisions of this Section for the payment of the Bonds, the redemption premium, if any, and interest on the Bonds, shall be applied to and used for the payment of the Bonds, the redemption premium, if any, and interest on the Bonds and the income on the money or Government Obligations shall not be considered to be "Gross Revenues" under the Forty-First Supplement.

**SECTION 19: DAMAGED, MUTILATED, LOST, STOLEN, OR DESTROYED BONDS.** In the event any Outstanding Bond is damaged, mutilated, lost, stolen, or destroyed, the Paying Agent/Registrar shall cause to be printed, executed, and delivered, a new bond of the same principal amount, maturity, and interest rate, as the damaged, mutilated, lost, stolen, or destroyed Bond, in replacement for the Bond in the manner provided in this Section. An application for the replacement of damaged, mutilated, lost, stolen, or destroyed Bonds shall be made to the Paying Agent/Registrar. In every case of loss, theft, or destruction of a Bond, the applicant for a replacement bond shall furnish to the City and to the Paying Agent/Registrar security or indemnity as may be required by them to save each of them harmless from any loss or damage with respect thereto. Also, in every case of loss, theft, or destruction of a Bond, the applicant shall furnish to the City and to the Paying Agent/Registrar evidence to their satisfaction of the loss, theft, or destruction of the Bond, as the case may be. In every case of damage or mutilation of a Bond, the applicant shall surrender to the Paying Agent/Registrar for cancellation the Bond so damaged or mutilated. Prior to the issuance of any replacement bond, the Paying Agent/Registrar shall charge the owner of the Bond with all legal, printing, and other expenses in connection with this issuance. Every replacement bond issued pursuant to the provisions of this Section by virtue of the fact that any Bond is lost, stolen, or destroyed shall constitute a contractual obligation of the City whether the lost, stolen, or destroyed Bond shall be found at any time, or be enforceable by anyone, and shall be entitled to all the benefits of the Forty-First Supplement equally and proportionately with any and all other Bonds issued under the Forty-First Supplement.

Notwithstanding the preceding provisions of this Section, in the event any Bond shall have matured, and no default has occurred which is then continuing in the payment of the principal of, redemption premium, if any, or interest on the Bond, the City may authorize the payment of the same (without surrender of the Bond except in the case of a damaged or mutilated Bond) instead of issuing a replacement Bond, provided security or indemnity is furnished as above provided in this Section. Furthermore, in accordance with Chapter 1206 (specifically Section 1206.022), this Section shall constitute authority for the issuance of any replacement bond without necessity of further action by the governing body of the City or any other body or person, and the duty of the replacement of Bonds is

authorized and imposed upon the Paying Agent/Registrar, and the Paying Agent/Registrar shall authenticate and deliver replacement bonds in the form and manner and with the effect, as provided in Section 6 of the Forty-First Supplement for Bonds issued in exchange for other Bonds.

**SECTION 20: FORTY-FIRST SUPPLEMENT TO CONSTITUTE A CONTRACT; EQUAL SECURITY.** In consideration of the acceptance of the Bonds by the Holders from time to time, the Forty-First Supplement shall be deemed to be and shall constitute a contract between the City and the Holders from time to time of the Bonds and the pledge made in the Forty-First Supplement by the City and the covenants and agreements set forth in the Forty-First Supplement to be performed by the City shall be for the equal and proportionate benefit, security, and protection of all Holders, without preference, priority, or distinction as to security or otherwise of any of the Bonds authorized under the Forty-First Supplement over any of the others by reason of time of issuance, sale, or maturity or otherwise for any cause whatsoever, except as expressly provided in or permitted by the Forty-First Supplement.

**SECTION 21: CONTINUING DISCLOSURE UNDERTAKING.**

(a) Definitions. As used in this Section, the following terms have the meanings ascribed below:

“*MSRB*” means the Municipal Securities Rulemaking Board.

“*Rule*” means SEC Rule 15c2-12, as amended from time to time.

“*SEC*” means the United States Securities and Exchange Commission.

(b) Annual Reports. The City shall provide annually to the MSRB (1) within six months after the end of each fiscal year ending in or after 2021, financial information and operating data with respect to the City of the general type included in the final Official Statement and which is described in **Exhibit B** to the Forty-First Supplement, and (2) if not provided as part of the financial information and operating data, audited financial statements of the City, when and if available. For these purposes, any event described in the immediately preceding paragraph 12 is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the City in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the City, or if jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the City.

of 1934, as the same may be amended from time to time; and the term "Obligated Person" means the City.

(d) Filings with the MSRB. All financial information, operating data, financial statements, notices, and other documents provided to the MSRB in accordance with this Section shall be provided in an electronic format prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB.

(e) Limitations, Disclaimers, and Amendments. The City shall be obligated to observe and perform the covenants specified in this Section with respect to the City and the Bonds while, but only while, the City remains an "obligated person" with respect to the Bonds within the meaning of the Rule, except that the City in any event will give the notice required by subsection (c) of this Section of any Bond calls and defeasance that cause the City to be no longer such an "obligated person."

The provisions of this Section are for the sole benefit of the Holders and beneficial owners of the Bonds, and nothing in this Section, express or implied, shall give any benefit or any legal or equitable right, remedy, or claim to any other person. The City undertakes to provide only the financial information, operating data, financial statements, and notices which it has expressly agreed to provide pursuant to this Section and does not undertake to provide any other information that may be relevant or material to a complete presentation of the financial results, condition, or prospects of the City or the State or undertake to update any information provided in accordance with this Section or otherwise, except as expressly provided in this Section. The City does not make any representation or warranty concerning the information or its usefulness to a decision to invest in or sell Bonds at any future date.

**UNDER NO CIRCUMSTANCES SHALL THE CITY BE LIABLE TO THE HOLDER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE CITY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS SECTION, BUT EVERY RIGHT AND REMEDY OF ANY PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE.**

No default by the City in observing or performing its obligations under this Section shall constitute a breach of or default under the Forty-First Supplement for purposes of any other provision of the Forty-First Supplement.

Nothing in this Section is intended or shall act to disclaim, waive, or otherwise limit the duties of the City under federal and state securities laws.

Should the Rule be amended to obligate the City to make filings with or provide notices to entities other than the MSRB, the City agrees to undertake the obligation in accordance with the Rule as amended.

Notwithstanding any provisions in the Forty-First Supplement to the contrary, the provisions of this Section may be amended by the City from time to time to adapt to changed circumstances resulting from a change in legal requirements, a change in law, or a change in the identity, nature, status, or type of operations of the City, but only if (1) the provisions of this Section, as so amended, would have permitted an underwriter to purchase or sell Bonds in the primary offering of the Bonds in compliance with the Rule, taking into account any amendments or interpretations of the Rule to the date of the amendment, as well as the changed circumstances, and (2) either (a) the Holders of a majority in aggregate principal amount (or any greater amount required by any other provision of the Forty-First Supplement that authorizes the amendment) of the Outstanding Bonds consent to the amendment or (b) a Person that is unaffiliated with the City and the State (such as nationally recognized bond counsel) determines that the amendment will not materially impair the interests of the Holders and beneficial owners of the Bonds. The provisions of this Section may also be amended from time to time or repealed by the City if the SEC amends or repeals the applicable provisions of the Rule or a court of final jurisdiction determines that the provisions are invalid, but only if and to the extent that reservation of the City's right to do so would not prevent underwriters of the initial public offering of the Bonds from lawfully purchasing or selling Bonds in the offering. If the City so amends the provisions of this Section, it shall include with any amended financial information or operating data next provided in accordance with subsection (b) an explanation, in narrative form, of the reasons for the amendment and of the impact of any change in the type of financial information or operating data so provided.

**SECTION 22: REMEDY IN EVENT OF DEFAULT.** In addition to all rights and remedies provided by the laws of the State and set forth in the Board Resolution (other than acceleration), the City covenants and agrees particularly that in the event the City (a) defaults in payments to be made to the Debt Service Fund as required by the Forty-First Supplement or the Master Ordinance, (b) defaults in the observance or performance of any other of the covenants, conditions or obligations set forth in the Forty-First Supplement or the Master Ordinance or (c) the City declares bankruptcy, the Holders of any of the Bonds shall be entitled to a writ of mandamus issued by a court of proper jurisdiction, compelling and requiring the City and its officers to observe and perform any covenant, condition or obligation prescribed in the Forty-First Supplement or the Master Ordinance.

No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power, or shall be construed to be a waiver of any such default or acquiescence in such default, and every such right and power may be exercised from time to time and as often as may be deemed expedient.

The specific remedy provided in this Section shall be cumulative of all other existing remedies and the specification of such remedy shall not be deemed to be exclusive.

**SECTION 23: SALE OF BONDS.** The Bonds are to be sold by the City to the Purchaser for the price of par, less an origination fee of \$588,235. The Bonds have been purchased by the Purchaser pursuant to the Board Resolution. The Initial Bond shall be registered in the name of the Texas Water Development Board. The Private Placement Memorandum prepared in connection with the sale of the Bonds to the Purchaser, in substantially the form attached to the Forty-First Supplement, is approved. The City has determined, based upon the advice provided by its financial advisor, that acceptance of the purchase price for the Bonds is on terms advantageous to, and in the best interests of, the City.

It is the intent of the parties to the sale of the Bonds that if TWDB ever determines to sell all or a part of the Bonds, it shall notify the City at least 60 days prior to the sale of the Bonds of the decision to sell the Bonds.

**SECTION 24: ADDITIONAL COVENANTS.** In connection with the sale of the Bonds to the TWDB, the City covenants as follows:

The audit shall be performed by an independent certified public accountant, a firm of independent certified public accountants, or a licensed professional auditor, in accordance with generally accepted accounting principles applicable to governmental entities such as the City. In addition, monthly operating statements for the Water/Wastewater System shall be maintained by the City and made available, on request, to the TWDB as long as the State owns any Bond, and the monthly operating statement shall be in such detail as requested by the Development Fund Manager of the TWDB until the Development Fund Manager of the TWDB waives this requirement.

(c) Final Accounting. The City shall render, and submit within 60 days of the completion of the project, a final accounting to the TWDB in reference to the total cost incurred by the City for improvements and extensions to the Water/Wastewater System which were financed by the issuance of the Bonds, together with a copy of "as built" plans of the improvements and extensions upon completion.

(d) Defeasance. Should the City exercise its right under the Master Ordinance to effect the defeasance of the Bonds, the City agrees that it will provide the TWDB with written notice of any defeasance.

To the extent permitted by law, the City agrees to indemnify, hold harmless, and protect the TWDB from any and all claims, causes of action, or damages to the person or property of third parties arising from the sampling, analysis, transport, storage, treatment, and disposition of any contaminated sewage sludge, contaminated sediments, and/or contaminated media that may be generated by the City, its contractors, consultants, agents, officials, and employees as a result of activities relating to the project funded with proceeds of the Bonds.

(g) Environmental Determination. In connection with the project financed with the Bonds, the City agrees to implement any environmental determination issued by the Executive Administrator of TWDB to satisfy the environmental review requirements set forth in 31 Texas Administrative Code 371.

(i) Water Conservation Program. The City has implemented or will implement an approved water conservation program in compliance with 31 Texas Administrative Code 371.71(a)(2)(F).

(j) City will not Purchase TWDB Bonds. The City agrees that it or any related party to the City will not purchase, as an investment or otherwise, bonds issued by TWDB including, without limitation, bonds issued by TWDB, the proceeds of which were used by TWDB to purchase the Bonds.

The City acknowledges that it has a legal obligation to comply with any applicable requirements of federal law relating to contracting with disadvantaged business enterprises, and the City shall report to the TWDB the amount of Bond proceeds, if any, that were used to compensate historically underutilized businesses that worked on the project, in accordance with 31 TAC § 363.1312.

(m) Compliance with Davis-Bacon Act. (o) Adherence to Project Schedule. The City acknowledges that all proceeds of the Bonds will be timely and expeditiously used, as required by 40 CFR § 35.3135(d), and that the City will adhere to the approved Project schedule.

(p) Use of Iron and Steel Products. The City agrees that it will abide by all applicable construction contract requirements related to the use of iron and steel products produced in the United States, as required by 31 TAC § 375.3, 33 U.S.C. § 1388, and related State Revolving Fund Policy Guidelines.

**SECTION 25: CONTROL AND CUSTODY OF BONDS.** The City Manager of the City shall be and is authorized to take and have charge of all necessary orders and records pending the sale of the Bonds, and shall take and have charge and control of the Initial Bond pending the approval thereof by the Attorney General, the registration thereof by the Comptroller of Public Accounts and the delivery thereof to the Purchaser.

A true and correct reproduction of the opinion is authorized to be printed

on the definitive Bonds or an executed counterpart of the opinion shall accompany the global Bonds deposited with DTC.

**SECTION 28: CUSIP NUMBERS.** CUSIP numbers may be printed or typed on the definitive Bonds. **SECTION 30: LIMITATION OF BENEFITS WITH RESPECT TO THE FORTY-FIRST SUPPLEMENT.** With the exception of the rights or benefits expressly conferred in the Forty-First Supplement, nothing expressed or contained in the Forty-First Supplement or implied from the provisions of the Forty-First Supplement or the Bonds is intended or should be construed to confer upon or give to any person other than the City, the Holders, and the Paying Agent/Registrar, any legal or equitable right, remedy, or claim under or by reason of or in respect to the Forty-First Supplement or any covenant, condition, stipulation, promise, agreement, or provision contained in the Forty-First Supplement. Forty-First Supplement provides for notice in any manner, the notice may be waived in writing by the Holder entitled to receive the notice, either before or after the event with respect to which notice is given, and the waiver shall be the equivalent of the notice. Waivers of notice by Holders shall be filed with the Paying Agent/Registrar, but a filing shall not be a condition precedent to the validity of any action taken in reliance upon the waiver.

All capitalized terms not defined herein shall have the same meaning as given said terms in the Master Ordinance or the Forty-First Supplement.

The Bonds maturing on and after November 15, 2032, may be redeemed prior to their Stated Maturities, at the option of the City, in whole or in part, in principal amounts of \$5,000 or any integral multiple thereof (and if within a Stated Maturity by lot by the Paying Agent/Registrar), on May 15, 2032, or on any date thereafter at the redemption price of par plus accrued interest thereon to the redemption date.

Not less than thirty days prior to a redemption date, the City shall cause a written notice of such redemption to be sent by United States Mail, first class postage prepaid, to the registered owners of each Bond to be redeemed at the address shown on the Security Register and subject to the terms and provisions relating thereto contained in the Forty-First Supplement. If a Bond (or any portion of its principal sum) shall have been called for redemption and notice of such redemption given, then upon such redemption date such Bond (or the portion of its principal sum to be redeemed) shall become due and payable, and interest thereon shall cease to accrue from and after the redemption date therefor, provided moneys for the payment of the redemption price and the interest on the principal amount to be redeemed to the date of redemption are held for the purpose of such payment by the Paying Agent/Registrar.

In the event a portion of the principal amount of a Bond is to be redeemed and the registered owner is someone other than Cede & Co., payment of the redemption price of such principal amount shall be made to the registered owner only upon presentation and surrender of such Bond to the Designated Payment/Transfer Office of the Paying Agent/Registrar, and a new Bond or Bonds of like maturity and interest rate in any Authorized Denomination for the then unredeemed balance of the principal sum of such Bond or Bonds will be issued to the registered owner, without charge. If a Bond is selected for redemption, in whole or in part, the City and the Paying Agent/Registrar shall not be required to transfer such Bond to an assignee of the registered owner within forty-five days of the redemption date; provided, however, such limitation on transferability shall not be applicable to an exchange by the registered owner of the unredeemed balance of a Bond redeemed in part.

With respect to any optional redemption of the Bonds, unless the Paying Agent/Registrar has received funds sufficient to pay the principal and premium, if any, and interest on the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Paying Agent/Registrar on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Paying Agent/Registrar shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

The Bonds are special obligations of the City payable solely from and, together with the Prior Subordinate Lien Obligations and the Previously Issued Parity Water/Wastewater Obligations currently Outstanding, equally and ratably secured by a parity lien on and pledge of, the Net Revenues of the

Water/Wastewater System in the manner provided in the Master Ordinance and the Forty-First Supplement. Additionally, the Bonds and Previously Issued Parity Water/Wastewater Obligations referenced above shall be equally and ratably secured by a parity lien on the funds, if any, deposited to the credit of the Debt Service Fund in accordance with the terms of the Master Ordinance and the Forty-First Supplement. The Bonds do not constitute a legal or equitable pledge, charge, lien or encumbrance upon any property of the City or the Water/Wastewater System, except with respect to the Net Revenues. The Holder of this Bond shall never have the right to demand payment of this obligation out of any funds raised or to be raised by taxation.

Subject to satisfying the related terms and conditions, the City has reserved the right to issue additional revenue obligations payable from and equally and ratably secured by a parity lien on and pledge of the Net Revenues of the Water/Wastewater System, in the same manner and to the same extent as the Bonds.

Reference is made to the Master Ordinance and the Forty-First Supplement, copies of which are on file with the Paying Agent/Registrar, and to all of the provisions of which the Holder by the acceptance of this Bond assents, for definitions of terms; the description of and the nature and extent of the security for the Bonds; the properties constituting the Water/Wastewater System; the Net Revenues pledged to the payment of the principal of and interest on the Bonds; the nature and extent and manner of enforcement of the lien and pledge securing the payment of the Bonds; the terms and conditions for the issuance of additional revenue obligations; the terms and conditions relating to the transfer or exchange of this Bond; the conditions upon which either the Master Ordinance or the Forty-First Supplement may be amended or supplemented with or without the consent of the Holders; the rights, duties, and obligations of the City and the Paying Agent/Registrar; the terms and provisions upon which the liens, pledges, charges and covenants made in the Master Ordinance and the Forty-First Supplement may be discharged at or prior to the maturity of this Bond, and this Bond deemed to be no longer Outstanding under the Master Ordinance and the Forty-First Supplement; and for the other terms and provisions contained in the Master Ordinance and the Forty-First Supplement. Capitalized terms used in this Bond have the same meanings assigned in the Master Ordinance and the Forty-First Supplement.

This Bond, subject to certain limitations contained in the Forty-First Supplement, may be transferred on the Security Register only upon its presentation and surrender at the Designated Payment/Transfer Office of the Paying Agent/Registrar, with the Assignment endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Paying Agent/Registrar executed by the Registered Owner, or the authorized agent of the Registered Owner. When

a transfer on the Security Register occurs, one or more new fully registered Bonds of the same Stated Maturity, of authorized denominations, bearing the same rate of interest and of the same aggregate principal amount will be issued by the Paying Agent/Registrar to the designated transferee or transferees.

The City and the Paying Agent/Registrar, and any agent of either, may treat the Registered Owner of this Bond whose name appears on the Security Register (i) on the Record Date as the owner entitled to payment of interest on this Bond, (ii) on the date of surrender of this Bond as the owner entitled to payment of principal of this Bond at its Stated Maturity, or its redemption, in whole or in part, and (iii) on any other date as the owner for all other purposes, and neither the City nor the Paying Agent/Registrar, or any agent of either, shall be affected by notice to the contrary. In the event of non-payment of interest on a scheduled payment date and for thirty days after such event, a new record date for such interest payment (a "Special Record Date") will be established by the Paying Agent/Registrar, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be fifteen days after the Special Record Date) shall be sent at least five business days prior to the Special Record Date by United States Mail, first class postage prepaid, to the address of each Holder appearing on the Security Register at the close of business on the last business day next preceding the date of mailing of such notice.

It is certified, recited, represented and covenanted that the City is a duly organized and legally existing municipal corporation under and by virtue of the Constitution and laws of the State of Texas; that the issuance of the Bonds is authorized by law; that all acts, conditions and things required to exist and be done precedent to and in the issuance of the Bonds to render the same lawful and valid obligations of the City have been properly done, have happened and have been performed in regular and due time, form and manner as required by the Constitution and laws of the State of Texas, the Master Ordinance and the Forty-First Supplement; that the Bonds do not exceed any constitutional or statutory limitation; and that due provision has been made for the payment of the principal of and interest on the Bonds by a pledge of the Net Revenues of the Water/Wastewater System. In case any provision in this Bond or any application thereof shall be invalid, illegal, or unenforceable, the validity, legality, and enforceability of the remaining provisions and applications shall not in any way be affected or impaired. The terms and provisions of this Bond, the Master Ordinance and the Forty-First Supplement shall be construed in accordance with and shall be governed by the laws of the State of Texas.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be executed under the official seal of the City.

**FORM OF OPINION OF BOND COUNSEL**

City of Austin, Texas

Austin, Texas 78701

Texas Water Development Board  
1700 N. Congress Avenue

CITY OF AUSTIN, TEXAS  
WATER AND WASTEWATER SYSTEM REVENUE BONDS, SERIES 2021E (DWSRF)  
\$30,000,000

Ladies and Gentlemen:

As Bond Counsel for the City of Austin, Texas (the "City"), the issuer of the bonds described above (the "Bonds"), we have examined into the record of proceedings relating to the issuance of the Bonds. The Bonds bear interest from the date and mature on the dates specified on the face of the Bonds, and are subject to redemption prior to maturity on the dates and in the manner specified in the Bonds, all in accordance with the master ordinance (the "Master Ordinance") and the forty-first supplemental ordinance to the Master Ordinance of the City authorizing the issuance of the Bonds (the "Forty-First Supplement", and together with the Master Ordinance, the "Ordinance"). Terms used herein and not otherwise defined shall have the meaning given in the Ordinance.

We have examined the Constitution and statutes of the State of Texas, the Charter of the City, certified copies of the proceedings of the City Council of the City, and other proofs authorizing and relating to the issuance of the Bonds, including one of the executed Bonds (Bond No. T-1).

In our opinion, under existing laws, such record of proceedings shows lawful authority for the issuance and sale of the Bonds in accordance with the provisions, terms and conditions of the Ordinance, which was duly adopted by the City. We are further of the opinion that, under existing laws, the Ordinance and the Bonds constitute valid and legally binding special obligations of the City, and, except as may be limited by laws applicable to the City relating to bankruptcy, reorganization, and other similar matters affecting creditors' rights, that the interest on and principal of the Bonds, together with outstanding Previously Issued Parity Water/Wastewater Obligations and Prior Subordinate Lien Obligations, are payable from, and secured by a parity lien on and pledge of, the Net Revenues of the System in the manner provided in the Ordinance. The

Bonds are secured ratably by such pledge of revenues in such manner that no one Bond shall have priority of lien over any other Bond so secured. The holder or holders of the Bonds shall never have the right to demand payment out of money raised or to be raised by taxation.

The City has reserved the right, subject to certain restrictions, to issue additional revenue obligations in all things on parity with the Bonds and payable from and equally secured by a lien on and pledge of the Net Revenues of the System in the same manner and to the same extent as the Bonds.

It is further our opinion, except as discussed below, that the interest on the Bonds is excludable from the gross income of the owners for federal income tax purposes under the statutes, regulations, published rulings, and court decisions existing on the date of this opinion. We are further of the opinion that the Bonds are not "specified private activity bonds" and that, accordingly, interest on the Bonds will not be included as an individual alternative minimum tax preference item under section 57(a)(5) of the Internal Revenue Code of 1986 (the "Code"). In expressing the aforementioned opinions, we have relied on, certain representations, the accuracy of which we have not independently verified, and assume compliance with certain covenants, regarding the use and investment of the proceeds of the Bonds and the use of the property financed therewith. We call your attention to the fact that if such representations are determined to be inaccurate or upon a failure by the City to comply with such covenants, interest on the Bonds may become includable in gross income retroactively to the date of issuance of the Bonds.

Except as stated above, we express no opinion as to any other federal, state or local tax consequences of acquiring, carrying, owning or disposing of the Bonds. In particular, but not by way of limitation, we express no opinion with respect to the federal, state or local tax consequences arising from the enactment of any pending or future legislation.

We express no opinion as to any insurance policies issued with respect to the payments due for the principal of and interest on the Bonds, nor as to any such insurance policies issued in the future.

Our sole engagement in connection with the issuance of the Bonds is as Bond Counsel for the City, and, in that capacity, we have been engaged by the City for the sole purpose of rendering an opinion with respect to the legality and validity of the Bonds under the Constitution and laws of the State of Texas, and with respect to the exclusion from gross income of the interest on the Bonds for federal income tax purposes, and for

no other reason or purpose. The foregoing opinions represent our legal judgment based upon a review of existing legal authorities that we deem relevant to render such opinions and are not a guarantee of a result. We have not been requested to investigate or verify, and have not independently investigated or verified any records, data, or other material relating to the financial condition or capabilities of the City, or the disclosure thereof in connection with the sale of the Bonds and have not assumed any responsibility with respect thereto. We express no opinion and make no comment with respect to the marketability of the Bonds and have relied solely on certificates executed by officials of the City as to the availability and sufficiency of the Net Revenues of the System.

Our opinions are based on existing law, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention or to reflect any changes in any law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Internal Revenue Service (the "Service"); rather, such opinions represent our legal judgment based upon our review of existing law and in reliance upon the representations and covenants referenced above that we deem relevant to such opinions. The Service has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations is includable in gross income for federal income tax purposes. No assurance can be given whether or not the Service will commence an audit of the Bonds. If an audit is commenced, in accordance with its current published procedures the Service is likely to treat the City as the taxpayer. We observe that the City has covenanted not to take any action, or omit to take any action within its control, that if taken or omitted, respectively, may result in the treatment of interest on the Bonds as includable in gross income for federal income tax purposes.

This opinion is furnished solely for your benefit and may be relied upon only by the addressees hereof or anyone to whom specific permission is given in writing by us.

Respectfully,
