NOTICE OF RULES

BY: Dr. Desmar Walkes, Health Authority.

EFFECTIVE DATE OF RULES
The rules adopted by this notice are effective on December 14, 2021. This rule supersedes the rule effective on August 21, 2021 and December 10, 2021.

SUMMARY OF RULES
This rule governs public schools, including public charter schools in the City of Austin and public colleges; and imposes a requirement reasonably necessary to protect public health related to the transmission of COVID-19.

TEXT OF THE RULES
See Exhibit A attached to this Notice of Rules Adoption.

RULES ARE NECESSARY
The Health Authority finds that the rules attached to this notice are reasonably necessary to protect the health of persons within the City. Specifically, these rules are necessary to reduce the spread of COVID-19 and to protect public health.

AUTHORITY FOR ADOPTION OF PROPOSED RULES
The authority to adopt these rules is established in Ordinance No. 20201203-043 and any superseding or subsequent ordinances authorizing the Health Authority to adopt rules reasonably necessary to protect the health of persons within the City.

CERTIFICATION BY CITY ATTORNEY
By signing this Notice of Rules, the City Attorney certifies the City Attorney has reviewed the rules and finds that adoption of these rules is a valid exercise of the Health Authority and City Manager's authority.

1. Expectations and Definitions.

1.1. Community Expectations

1.1.1. An individual who is not fully vaccinated will continue to wear face coverings, keep at least three feet of physical distance from other individuals, and avoid crowds and poorly ventilated spaces.

1.1.2. An individual who is fully vaccinated will continue to wear face coverings and, to the extent feasible, keep at least three feet of physical distance from other individuals when the risk of transmission to those who are not fully vaccinated is significant.

1.1.3. A person in control of a site is encouraged to support and provide incentives for workers and patrons to obtain the vaccine to reduce the risk to those who are unable to receive the vaccine.

1.1.4. Nothing in these rules prevents a person in control of a site from requiring additional precautions to prevent the spread of COVID-19.

1.2. Definitions.

A. AUSTIN PUBLIC HEALTH’S RISK-BASED CHART means the chart attached as Exhibit 1 to this rule.

B. FACE COVERING means a form of covering that fits snugly over their nose and mouth, such as a commercially made or homemade fabric mask, scarf, bandana.

C. SCHOOL means all public schools, including public charter schools and public colleges, in the City of Austin.

2. Face Covering Applicable to School.

2.1. Students, staff, and visitors over the age of two are required to wear a face covering while on school property or school buses during Stages 3, 4, and 5 as set forth in Austin Public Health’s Risk-Based Chart.

2.2. A principal, the responsible staff member, or administrator of the students may determine when it is not appropriate to require students, staff, and visitors to wear a face covering.
