ImmTrac2, the Texas immunization registry, is a free service of the Texas Department of State Health Services (DSHS). The immunization registry is a secure and confidential service that consolidates immunization records for public health purposes (e.g., giving all doctors treating a patient a central place to see that patient's immunization records). With your consent, your immunization information will be included in ImmTrac2. For a family member younger than 18 years of age, a parent, legal guardian, or managing conservator may grant consent for participation for that minor by completing the ImmTrac2 Minor Consent Form (# C-7). The ImmTrac2 Minor Consent Form (# C-7) can be downloaded by visiting www.ImmTrac.com.

The Texas Department of State Health Services encourages your voluntary participation in the Texas immunization registry.
