

DOWNLOAD LATEST SOFTWARE VERSION FOR VFC 400 TO YOUR DESKTOP

<https://www.vfcdataloggers.com/software-downloads>

The screenshot displays the Control Solutions website interface. At the top, there is a navigation bar with the company logo on the left and a search bar on the right. The search bar contains the text '503-410-5996 NEW TO DATA LOGGERS? PRODUCT RECOMMENDATIONS ACCOUNT CART Search'. Below the navigation bar, a horizontal menu lists various categories: Products, Calibration, Cloud, Software Download, Support, Our Company, and Contact. The main content area features a large heading 'DOWNLOAD THE LATEST SOFTWARE' with a download icon. Below this heading, there is a paragraph of text explaining the importance of up-to-date software and providing instructions on how to download it. A second paragraph offers assistance from the sales team. A note at the bottom left specifies that all software requires Windows 7 or later, and Mac OS is not supported unless specified. A 'FIND YOUR SOFTWARE' button is located at the bottom left. On the right side, there is a large image of a tablet displaying the VFC 400 software interface, which includes a 'DOWNLOAD' button. A small graphic on the right says 'OUR SALES TEAM IS HERE TO HELP YOU'. A chat icon is visible in the bottom right corner.
