H *Health & More! / ¡Salud y Mas!* is a 21st century publication with a sheer focus on accessibility to the many resources offered in the Greater Austin area of Bastrop, Caldwell, Hays, Travis, and Williamson counties.

Many of the services and resources included in this guide relate to the treatment, care, and support of people living with HIV/AIDS; however, setting it apart from previous versions, the current guide has been developed to expand beyond HIV/AIDS resources, thus enabling it to be a more comprehensive publication.

Because people are living longer, stronger lives with HIV/AIDS, efforts have been made to ensure this guide is reflective of and responsive to the changing needs of an evolving population. Whether you're an individual in need of information or a professional provider seeking resources on behalf of a client, as you explore the pages of *Health & More! / ¡Salud y Mas!*, it will be like traveling the "yellow brick road" that leads to an enriched quality of life . . . not in Kansas, but in the Greater Austin Area.
