Re: Request for City of Austin Resolutions

Foundation Communities (FC), established in 1990, is a local, homegrown nonprofit with a mission to create housing where families and individuals succeed. We provide deeply affordable, beautifully designed, and sustainable housing within safe and welcoming communities that Austinites can be proud to call home. Now with 23 communities in Austin, three in North Texas, and another four coming online by 2024, we are thrilled to request City of Austin support for our newest planned community, Sweetbriar Apartments.

We are excited to bring forth Sweetbriar Apartments, with up to 90 homes and a host of supportive services, in a transit-connected area of South Congress. We are uniquely qualified to develop a healthy, green, and safe community with long-term affordability and extensive resident supportive services. We have been developing, rehabilitating, and maintaining service-enriched housing in Austin for over 30 years. We have the track record, experience, and organizational and financial strength to deliver this vision with the ability to attract competitive tax credit pricing and secure gap funding.

REQUEST FOR CITY OF AUSTIN RESOLUTIONS & OTHER REQUIREMENTS
for
2023 9% Competitive Low Income Housing Tax Credits

This is the Application for developers requesting resolutions required by the Texas Department of Housing and Community Affairs (TDHCA) for 9% Low Income Housing Tax Credit applications for the 2023 Cycle. This form and all attachments will be due no later than **5 P.M. on Wednesday, December 14, 2023**. *All resolutions being requested are subject to approval by the Austin City Council. Staff reserves the right not to recommend approval for any resolution request. It is anticipated that resolutions will be on the Austin City Council Agenda for the February 9, 2023 meeting.*

1. Resolutions. Please indicate each applicable resolution requested from the City of Austin.

☒ Resolution of Support or No Objection from the Local Governing Body (to receive the Support Resolution, the development must meet criteria outlined in section 4 below, Preference Criteria)

☒ Twice the State Average Per Capita (will be provided to all Requestors completing this form and providing all attachments if required by TDHCA's Site Demographic and Characteristics Report)

_____ One-Mile/Three-Year Rule

_____ Limitations on Developments in Certain Census Tracts

_____ Development is located within a census tract that has a poverty rate above 40% for individuals (subject to staff approval)

2. Commitment of Development Funding by Local Political Subdivision. Funding commitments from the City of Austin will be provided to developments in the form of waived fees through the S.M.A.R.T. Housing Program. Letters from the City of Austin regarding waived fees will comply with the requirements of the 2023 QAP and will be provided to applicants if the development qualifies for S.M.A.R.T. Housing Certification. **Applications for S.M.A.R.T. Housing certification go through a separate review process, and are due by Friday, January 06, 2023.** For more information on the [S.M.A.R.T. Housing Program](#), email Brendan Kennedy, Project Coordinator, at brendan.kennedy@austintexas.gov.

3. Application Requirements. For the Resolution request to be considered, please certify this Application and include the following information in the Application PDF:

- 1) A brief narrative overview of the proposed development, including specifying who the target population is as defined by TDHCA (Supportive Housing, elderly, or general).
- 2) A complete Project Summary Form (completed in Excel) attached as a tab in the PDF. [The Project Summary Form is available on HPD's website.](#) **Please also submit the Excel sheet when submitting your application.**

- 3) If the development will be located in a CRP Area, then provide the name of that CRP, a brief description of how the investments in that area together constitute a CRP, and a map of the area and the development's relative location within it. Also, the Requestor **must identify in the Project Summary Form the City of Austin council resolution(s) that created the CRP area.** Attach this information to the Application behind the appropriate tab.
 - 4) Provide an aerial map indicating the Development's location and the distance a resident would have to walk on a paved surface to get to the nearest transit stop. Attach the map to the Application behind the appropriate tab.
 - 5) Provide a flood plain map generated by www.ATXFloodPro.com with the property parcel identified and the legend displayed showing the various types of FEMA Flood Plain zones, if any. Attach the map to the Application behind the appropriate tab.
 - 6) Provide information about the Developer's experience and development history. Attach this information to the Application behind the appropriate tab.
 - 7) If located in the ETJ, the application must include the resolution from the applicable county behind the appropriate tab.
 - 8) If the proposed development involves the rehabilitation of a currently occupied development, provide an Excel table of the current rents by unit type and the proposed rents by unit type following the completion of rehabilitation.
- 4) **Preference Criteria.** In order to receive a Resolution of Support, a development must meet **one** of the following criteria:
- 1) The development is located on a site owned, or slated to be owned, by the Austin Housing Finance Corporation (AHFC), the City of Austin, or an affiliate of AHFC or the City of Austin.
 - 2) The development is located in a High Opportunity Area, [according to the City of Austin RHDA/OHDA Application Map Series](#).
 - ✓ 3) The development is located in a Gentrification area, [according to the City of Austin RHDA/OHDA Application Map Series](#) (all tracts but "susceptible" are eligible).
 - ✓ 4) The development is located within 0.5 miles of an Imagine Austin Center/Corridor or a Mobility Bond Corridor, [according to the City of Austin RHDA/OHDA Application Map Series](#).
 - 5) No less than 25% of the units in the development are dedicated to the Continuum of Care, as confirmed by an executed MOU with ECHO (to be provided by February 10, 2023).
- 5) **CRP Letter Instructions.** If the development is not located in a QCT but is located in what the Requestor believes is a CRP area, then by **Friday, January 27, 2023** submit to Brendan Kennedy an analysis and explanation as to how and why the Requestor believes that the CRP area meets the requirements of TDHCA's Qualified Allocation Plan, as it pertains to 10 TAC §11.9(d)(7)(A)(v)(II). Please contact Brendan Kennedy with any questions about this requirement.
- 6) **Zoning.** Zoning verification letters can be provided by contacting Brendan Kennedy. Zoning verification letters are provided solely for the purpose of the TDHCA application. The applicant may request that the zoning verification letter detail preliminary eligibility for the Affordability Unlocked bonus program. **However, this letter does not grant automatic**

Affordability Unlocked certification, and the applicant must ultimately execute a full Affordability Unlocked agreement before applying for site plan and building permits.

- 7) **How to Submit.** Applications should be sent by email to Brendan Kennedy at Brendan.Kennedy@austintexas.gov. Please include the PDF with all the incorporated attachments and please include the Excel version of the Project Summary as well. If Requestors are unable to submit by email, Applications may be submitted to Housing and Planning Department, 1000 East 11th Street, 2nd Floor, Austin, TX 78702 to the attention of Brendan Kennedy. For more information, contact Brendan Kennedy at 512-978-1594 or by e-mail at Brendan.Kennedy@austintexas.gov.

Attachment 1 - Project Narrative

A brief narrative overview of the proposed development. Specify the TDHCA Target Population, whether Supportive Housing, elderly, or general.

Project Description

Sweetbriar Apartments will be a newly constructed affordable family community located at 6201 South Congress Ave, one block from Pleasant Hill Elementary. FC will develop this site into up to 90 one-, two-, and three-bedroom units affordable to households living with 30% to 60% Austin Median Incomes. Sweetbriar Apartments is still in the early phase of design, but is envisioned as a single building with structured parking, a leasing center, support services office, kid friendly play space, and community space for youth, educational, financial, and health-oriented programming and classes, and a healthy food pantry for residents

Sweetbriar Apartments will meet TDHCA's Supportive Housing criteria and have a target population of extremely low to low-income households, families with children, households experiencing homelessness, at risk of homelessness, and households with special needs.

At least 20 percent of units will place preference for homeless families via Foundation Communities' Children's HOME Initiative (CHI) Program, an established FC program model that has been serving homeless families across Austin since 2003. These families will have access to a full-time, on-site case manager, as well as a wide and deep range of additional support services to support families on their path to financial self-sufficiency.

This location meets several of the City's preferences for affordable housing as it is located within several Imagine Austin Corridors and Centers and Mobility Bond Corridors: Stassney Lane Activity Corridor, South Congress Activity Corridor, South 1st Activity Corridor, William Cannon Drive Activity Corridor, William Cannon Drive Mobility Bond Corridor, and South Congress Mobility Bond Corridor. This location is also 1/4 mile of high frequency transit and less than one mile from healthy food. Residents will benefit from proximity to numerous retailers and jobs along South 1st, South Lamar, William Cannon, South Congress, and downtown. Simultaneously, Sweetbriar will contribute up to 90 affordable homes in a gentrifying area with limited affordable housing options.

*(If the development is not located in a QCT but will be located in a CRP Area, then provide the name of that CRP, a brief description of how the investments in that area together constitute a CRP, and a map of the area and the development's relative location within it. Also, the Requestor **must identify the City of Austin council resolution(s) that created the CRP area.**)*

Concerted Revitalization Plan (CRP)

6201 S Congress is located within the South Congress Combined Neighborhood Planning Area and NOT located in a Qualified Census Tract. This neighborhood plan meets the criteria for CRP points in the 2023 TDHCA Qualified Allocation Plan. Because the site is not located in a QCT, A letter of support from the City is required for CRP points.

The Plan was adopted by the City of Austin in August 2005 and was created with significant and ongoing input from local residents. Residents, business owners, and property owners have been meeting with City staff since 2004 to develop and implement this plan to improve their neighborhood and to guide future development. This community vision involves 5 overarching goals with several objectives and recommended actions. Examples of goals that meet TDHCA's CRP criteria are promoting the development and enhancement of the neighborhood's major corridors, improving bicycle and pedestrian traffic safety, and improve the quality, safety, and cleanliness of area parks, creeks, and green spaces. The implementation of each recommended action is tracked in an Implementation Tracking Chart. To date, approximately 35 out of 84 action items have been completed. Some are capital improvement projects and some are planning and administrative in nature. The remaining action items are underway or planned for the future.

Developer, Owner, Property Manager, and
Service Provider under **One Roof**

**FOUNDATION
COMMUNITIES**

Serving Austin Since 1990

Foundation Communities

Foundation Communities is a nationally recognized nonprofit founded in 1990 with a mission to provide quality affordable housing and supportive services to low-income families and individuals. Our vision for strong families and communities involves more than just providing a roof over people's heads. By combining affordable housing and free on-site services, we empower low-income residents with the tools they need to achieve long-term stability and self-sufficiency.

We own and manage over 3,700 apartments across 23 properties in Austin, 3 in North Texas, and 4 coming online in 2022 and 2023. Over 7,000 residents call our communities home. We are the lifetime owner, developer, property manager, and services provider to our Austin portfolio. We invest upfront in high quality design, materials, and green building strategies for our new properties, and we invest heavily in capital repairs, maintenance, and green upgrades at our older properties.

All FC residents have access to health amenities and resources including fitness, cooking and nutrition, food pantries, gardens, and disease management/prevention services. On-site Learning Centers give over 600 children of working parents academic and enrichment support, including the Green and Healthy Kids program. 85% of students maintain or improve their grades in our free out-of-school time programs. Adult education is also a priority and includes job and computer skills, English as a Second Language, and digital and financial literacy.

We have an active board made up of residents and community leaders. Staff members are drawn from a wide variety of cultures and skills. The common thread: commitment to Foundation Communities' mission and to serving the community. Financing is fully diversified and, as much as possible, sustainable. 75% of our \$60 million budget comes from apartment rentals. The rest is grants and individual donations. We receive grants from governmental sources (federal, state, county, city), foundations, and corporations.

Development Experience

- **30 years of experience developing affordable housing**

Foundation Communities has 30 years of experience developing, owning, and managing affordable housing in Austin. Each new community requires extensive due diligence, negotiations, and compliance with long-term agreements. As experienced recipients of significant public funding from the City, State, and Federal level and a long history of public and private partnerships, FC has the staff capacity, experience, and knowledge to maintain timelines, performance standards, and compliance with complex public funding requirements.

- **Long history of managing complex funding stacks**

FC has strong working relationships with multiple lenders and investors, expertise in negotiating complex investor and lender agreements, a great track record for securing funding in competitive allocations, and a long history of managing complex funding stacks. As a nonprofit with an excellent track record, FC has a unique ability to access critical gap funds from National Housing Trust Fund, Federal Home Loan Bank, Capital Magnet Fund, and large foundations and donors. FC has applied for and received 16 tax credit awards, 15 FHLB awards, 20 awards for various local and federal funds distributed by the City of Austin, and 15 awards for various state and federal funds distributed by TDHCA.

- **Experience with Rehabs and Maintaining Older Properties**

FC has a long history of rehabbing, preserving, and maintaining communities that are 20 to 40 years old. We are proud to have had our start in the affordable housing industry by acquiring and rehabbing four communities during our first few years in operation. 15 of our 26 communities are rehabs, with another coming online in early 2023. FC has rehabbed over 2,100 units in Texas and maintains the communities we own in high quality condition. Because we are a lifetime owner and manage the properties we own, we rehab communities with longevity and durability in mind. We feel strongly that preservation is a valuable and sustainable approach to addressing the affordable housing crisis in Austin.

Property Management Experience

- **Experienced lifetime owner and property manager**

Foundation Communities will remain the lifetime owner and property manager for this community. We have 30 years of experience managing our properties. We perform all leasing, maintenance, accounting, compliance, and other property management functions for our 26 properties and earn property management and asset management fees that help support the overall nonprofit mission. Our staff have the experience, training, and upper management support to excel in their jobs, as well as competitive salaries and benefits. FC invests heavily in our staff as well as preventive maintenance as this saves time and money in the long-term, instills a sense of pride in the residents, and generally provides a positive example of affordable housing.

- **Blended Management Model**

Property management and services staff use a blended management approach to collaborate closely to maintain residents' housing stability. Our properties are crewed and managed by a Property Manager, Assistant Property Manager, Leasing Assistants and three to five Maintenance staff, who work together to ensure the site's smooth operation and deliver optimal services to residents. Property management staff must have practical experience with at least two years in the industry and receive annual training in Fair Housing and tax credit compliance.

- **Robust Asset Management and Preventive Maintenance**

We own, manage, and maintain several 20 to 40-year-old properties. Our team monitors portfolio health, tracks each project monthly, and aggregates detailed performance metrics at the portfolio level for review by the CFO. FC also has a well-funded Central Reserve and robust Asset Management program to keep properties in good condition and eliminate unforeseen capital/repair expenses that would undermine FC's organizational and financial strength. The success of our property management is demonstrated through its high occupancy (97% in 2021), low turnover, and healthy investment in capital repairs and upgrades to existing portfolio (\$680/unit in 2021).

Supportive Service Experience

- **Foundation Communities will be the primary service provider**

Foundation Communities has over 25 years of experience in the provision of supportive services to its residents. FC is considered a national leader in the provision of service-enriched housing. The majority of supportive services will be provided by Foundation Communities staff and volunteers. We do, however, partner with more than fifty nonprofits and community groups to provide additional services. FC is a non-profit, managed by an active Board, and able to meet APH insurance requirements. We have demonstrated experience serving homeless populations, comply with VAWA and Move-On Policy requirements, and will record all service delivery in HMIS.

- **Services are offered at all FC properties**

Supportive services are an integral part of all FC properties and are included in the planning process for every new community from inception. Our learning centers house our tried-and-true afterschool and summer youth programs, which includes academics, homework help, social emotional learning, physical activity, and healthy snacks. Our communities also have healthy food pantries, annual health fairs, fitness and nutrition classes, ESL, and computer and financial literacy courses. A full-time Learning Center Coordinator is on-site and dedicated to coordination of programming, managing part-time instructors, volunteers, and program partners.

- **Long Track record of fundraising for services**

FC has a long history of fundraising to cover the cost of services, which are delivered free to FC residents and community members. Funding for operations, staff, and services offered at the Neighborhood Center will come from a combination of cash flow, grants, and fundraising from private foundations, corporations and individuals. Annual expenses for a typical FC Learning Center are approx \$350K. This is the same method used to fund the supportive service programs at all our existing properties and Prosper Centers. FC has deep relationships with the donor community, a well-funded Central Reserve, and maintains a healthy portfolio contributing strong ongoing revenue to the organization. FC has raised approximately \$43 million over the past 5 years to fund services at our existing properties in Austin.
