Summary/Project Proposal**

Family Eldercare RHDA Request #2 – Real Gardens fka Rosewood II

The Real Gardens project, formerly known as Rosewood II, was the recipient of an RHDA award of \$3,400,000 in the summer of 2022. Since then, Family Eldercare and its development coordinator Capital A Housing have worked to complete the project's capital stack. As with many other real estate projects during the turbulent market conditions of the past 12 months, construction cost increases have surfaced in the development budget as Real Gardens has moved into the Schematic Design phase and received pricing from a general contractor.

Additionally, Family Eldercare submitted a HOME-ARP application to the Texas Department of Housing and Community Affairs in January, and while the Department has been reviewing the application, we do not yet have certainty if an award will be made to the project. For these reasons, the request is structured as the following:

	New RHDA Request	New Subsidy per Unit	Total RHDA Subsidy	Total Subsidy per Unit	% of Total Project Sources
Scenario A – If HOME-ARP is not awarded:	\$4,740,584	\$79,010	\$8,140,584	\$135,676	61.6%
Scenario B – If HOME-ARP is awarded:	\$930,859	\$15,514	\$4,330,859	\$72,180	32.8%

We anticipate clarity on whether or not Real Gardens will be a recipient of HOME-ARP funding by late September. Should HOME-ARP not be awarded to this project – based on publicly available information from TDHCA - it likely be awarded to another Austin supportive housing project that is making an RHDA request this quarter. In other words, if there is the need for a full \$4.7 million request for this project, we anticipate that another RHDA request submitted in this round by another supportive housing project would be able to be reduced.

We appreciate the City of Austin's continued partnership on this project to provide deeply affordable supportive housing and the consideration for an additional request of RHDA.

TAB 17 – DEVELOPMENT NARRATIVE

REAL GARDENS fka ROSEWOOD II – AUSTIN, TX

Real Gardens fka Rosewood II is the new construction of 60 units of Supportive Housing that will provide high-quality housing paired with voluntary, wrap-around services for Austin’s most housing-fragile. Real Gardens will be built on the track record of Family Eldercare and its supporting organization, Real St. Supportive Housing who together own and operate a 54-unit HUD 202 property for adults 62+, make supportive services available to over 1,400 units at affordable housing communities across Austin, and provide rapid-rehousing services to transition hundreds of households out of homelessness. During COVID, Family Eldercare distributed over \$2 million in emergency COVID relief funds to prevent residents from being displaced.

Family Eldercare has been serving older adults and people with disabilities since 1982 and ensuring their financial and housing stability is a critical priority. Family Eldercare thoughtfully partners with families, individuals, and other local organizations to create stability, dignity, and success for aging Central Texans. As fierce advocates for aging in the community, Family Eldercare offers a continuum of services to keep our neighbors stably housed, financially secure, healthy, socially connected, and protected from abuse, neglect, or exploitation - regardless of income. Family Eldercare believes older adults and people with disabilities are a vital part of creating a more livable, inclusive community for everyone.

About the Community:

Real Gardens will be a four-story, stick-frame, elevator-served building that will be designed with comfort and safety in mind for older adults who have experienced long-term trauma, violence and homelessness. The building will feature a secure single point of entry with interior corridors on all levels. There will be ample common area spaces to encourage residents to get out of their units and create a supportive and therapeutic community. Elements to assist with trauma such as light, fresh air, and doorways that do not open directly into a walkway were included whenever possible. Durability and long-term ownership will be key goals in mind when selecting finishes and surfaces. The property will be ‘all bills paid’ by Real St. Supportive Housing, so energy and water efficiency features will translate into a healthy cash flow to ensure the property is financially strong. Real Gardens will include:

- 60 efficiency apartment units
- Community spaces including a multitude of community gathering spaces as well as a community kitchen, computer lab, supportive service staff offices, laundry rooms, and single-entry/controlled-access reception area
- Trauma informed design imperative to respectfully house target population
- Supportive services by Family Eldercare – including case management, financial and housing stability services, service coordination, mental health counseling, and onsite and virtual programming

About the Residents:

Real Gardens will target older adults in need of specialized and specific non-medical services in order to maintain housing. The property will serve elderly persons transitioning out of homelessness, persons at-risk of homelessness, persons with physical, intellectual, and/or developmental disabilities, persons unable to secure permanent housing elsewhere due to various barriers, and persons with special housing needs including Violence Against Women Act Protections (domestic violence, dating violence, sexual assault, and stalking.) All 60 units will serve households at or below 50% of the Area Median Family Income, and 35 of which may serve households at or below 30% of the Area Median Family Income with continued support of vouchers from the Housing Authority of the City of Austin.

About the Location:

Real Gardens is a unique opportunity to create affordable and supportive housing in an amenity-rich, transit-connected urban location and its abundance of healthcare, employment, retail and educational options. The project is situated within an accessible radius of high-frequency transit. Lastly, this site is just over one mile from Family Eldercare's Lyons Gardens property, creating a community of housing that will allow older adults experiencing homelessness a choice of permanent housing options in a city where options are limited.

About the Service Provider Track Record and Supportive Services:

Family Eldercare will be the Supportive Service Coordinator and the main provider of Supportive Services at Real Gardens.

The following wrap-around supportive services are provided by Family Eldercare:

Financial and Housing Stability

Representative Payee & V.A. Fiduciary services are proven to ensure that people's basic needs are met and that they do not experience financial abuse, exploitation, or other neglect. Case managers frequently work with clients to improve their money habits and share tools and resources to stabilize their finances.

Family Eldercare's Benefits Enrollment Center was the first in Central Texas to receive a designation from the National Council on Aging (NCOA) because of the person-centered approach to assisting older adults with obtaining and maintaining their benefits.

Homeless Prevention is a critical intervention for older adults as they face upward pressure on housing, transportation, and medical costs. For those experiencing a crisis, it is far more cost effective to prevent the loss of housing than to provide shelter and re-housing assistance after such loss. Family Eldercare provides funds and case management to prevent eviction, pay off rental and/or utility debts, negotiate with property owners, and provide money management skills training. With this model Family Eldercare hopes to end homelessness by preventing it in the first place.

Family Eldercare's Rapid Rehousing for Older Adults is Austin's only crisis response system for older adults experiencing homelessness. Research shows there is an emerging crisis of aged homelessness as the homeless population is increasingly represented by older adults. This intervention transitions older adults experiencing homelessness into permanent housing with financial assistance and case management to reduce the number of days they experience homelessness and prevent it from recurring.

Service Coordination Program

This program addresses the issues of poverty, social isolation and loneliness, and the need for support to find resources to meet needs of low-income older adults and adults with disabilities. It also connects them to onsite and virtual healthy aging programs through our Healthy Connections program. The strategy centers on the provision of supports and services in the very same place people live. This is necessary because many of the individuals we serve have severe mobility issues as well as complex health issues that often preclude them from leaving the property. Service Coordination participants live below 200% of the federal poverty guidelines, and as a result, have limited ability to pay for and access needed services. Service Coordinators are Family Eldercare staff that are embedded in low-income housing communities including seven of the Housing Authority of the City of Austin's (HACA) public housing as well as properties owned and operated by various nonprofit agencies.

Healthy Connections and Lifetime Connections Without Walls (LCWW)

Healthy Connections comprises both onsite and virtual socialization programs. Onsite programming is provided at properties around the city. LCWW is a virtual socialization program for older adults (50+) that allows them to easily connect by phone or video with other older adults from the comfort of their own home to combat social isolation among home-bound older adults. Both programs provide a variety of daily classes ranging from the creative (Art workshops) to educational (Medicare Minutes), that allow participants to engage in stimulating activities while interacting with their peers.

Counseling Program

Counseling is provided to homebound older adults by Licensed Clinical Social Workers to reduce social isolation and maintain or improve mental health outcomes.

Summer Fan Drive

The Summer Fan Drive is a community health initiative beginning May 1st–August 31st. The fans and funds collected during the Summer Fan Drive provide heat relief to low-income older adults, adults with disabilities, veterans and children living Central Texans who cannot afford air conditioning during the hottest months of the year. This program also connects these individuals to unknown additional resources and services they may need.

About History of Fundraising:

Family Eldercare has a powerful fundraising track record and community partnerships to cover the supportive services at Real Gardens including a combination of private and public grants and donations from private foundations, corporations, and individuals. Family Eldercare has an \$11.2M organizational operating budget which comprises \$2.2M in philanthropic dollars, over \$7M in governmental grants and \$1.8M in fees for services supporting service and housing programs. Further providing strength to Family Eldercare's powerful fundraising track record, are Family Eldercare's deep relationship with community donors, a strong Board Governance and oversight structure, and impactful programming that performs by both numbers and mission. Family Eldercare has over \$5.7M in total assets with strong balances in both cash and investments.

Donors and funders that have long-supported the work of Family Eldercare include:

- St. David's Foundation
- A Glimmer of Hope Foundation
- All Together Austin
- Anderson Foundation
- Applied Materials Foundation
- Communities Foundation of Texas
- HEB
- Impact Austin
- May and Stanley Smith Charitable Trust
- Moody Foundation
- Sempra Energy Foundation
- Shield Ayres Foundation
- The Barilla Foundation
- United Way for Good
- City of Austin
- Travis County Health and Human Services Department

- Texas Department of Housing and Community Affairs
- US Department of Housing and Urban Development

Although not anticipated, in the event of operating deficits at Real Gardens, the Board of Family Eldercare through its supporting organization – Real St. Supportive Housing - has made an irrevocable commitment to fund any operating deficits throughout the term of the affordability period and MFDL loan term.

About the Organizational Structure:

Real St. Supportive Housing is a 501(c)(3) nonprofit organization that will serve as Applicant and Development Owner. Real St. Supportive Housing is a supporting organization to Family Eldercare. Family Eldercare appoints the board of Real Gardens.

About the Development Team:

Family Eldercare has partnered with Capital A Housing -a local Austin developer of affordable and mixed-income housing – to develop Real Gardens. The project’s primary goal is to expand Austin and Travis County’s homelessness response system by providing 60 units of housing for target populations in need of significantly more housing resources in our community.

This project is part of the Travis County Supportive Housing Collaborative, in which seven local nonprofit organizations have united to construct new supportive, homelessness response housing by leveraging \$1100 million in American Rescue Plan Act funds, General Obligation Bonds, and philanthropic and foundational dollars in partnership with Travis County, the City of Austin, the State of Texas, and the philanthropic community. The other members of the Collaborative are A New Entry, Austin Area Urban League, Caritas of Austin, Integral Care and Lifeworks. The project aims to leverage a TDHCA HOME-ARP commitment, State and Local Fiscal Recovery Funds, and RHDA funding to ensure Real Gardens can be completed with the most financially feasible capital stack to ensure long-term operational success.

Capital A Housing is an Austin development company that specializes in residential projects with a heavy income-restricted affordable housing component. Capital A Housing maintains close relationships with Civilitude, an Austin civil engineering firm, and Constructinople, an Austin construction company, that together allow Capital A to handle affordable and market-rate housing development from soup to nuts. Capital A Housing and Constructinople specialize in development and construction for housing non-profit and governmental clients, as well as their own projects.

While Capital A Housing is a relatively new company, founded in 2018, its leadership is well versed in affordable housing in Austin, from construction to sales to policy. Capital A has a new 17-townhouse development in north-central Austin, “A at Lamppost”, nearing its completion in fall 2021. A at Lamppost was the first project to be built under the city’s Affordability Unlocked policy, which principal Conor Kenny worked on during his tenure at the city’s Planning Commission. Capital A also partnered with the City of Austin to secure \$1.3 million in development assistance funding to keep 100% of the units there below-market-rate, with buyers falling below 80% of the city’s Median Family Income.

Austin faces significant challenges in creating adequate affordable housing in the coming years, and Capital A Housing is deeply invested in meeting that challenge. Capital A’s developments and overall strategy are built around Austin programs like Affordability Unlocked and Housing Development Assistance funding, the state’s Low-Income Housing Tax Credit programs, and the Austin Transit Partnership’s upcoming anti-displacement programs. Capital A applies its extensive knowledge of these policies and programs not only for its own developments, but also for other developers, in part because Austin’s affordable housing needs are so great. Capital A also specializes in harmonizing its projects with the city’s strategies around housing, transportation, and other intersecting issues, as well as with the needs and wishes of the city’s diverse neighborhoods and communities.

CAPITAL  HOUSING

Project Name

A at Lamppost

Total Construction Cost

\$4,700,000

Unit Count or Sq ft.

17 multi-bedroom units

Location

12500 Lamppost Lane, Austin, TX 78727

Completion Date

Est. Fall 2021

Capital A Housing's "A at Lamppost" development, at 12500 Lamppost Lane, contains 17 multi-bedroom, family-friendly, townhouse-style homes for purchase all by families making 60-80% of Austin's Median Family Income. It is the first development utilizing the "Affordability Unlocked" ordinance to break ground in Austin. The development qualified for the "Tier 1" ordinance provisions, which waive or relax city requirements for parking, setbacks, and density levels for projects with at least half of their units being income-restricted. A at Lamppost was financed in part with \$1.3 million from the City of Austin's Ownership Housing Development Assistance program, and is on-track for completion by Fall 2021. The development team included several team members for A at St. Johns: Capital A Housing as Developer, Civiltude as Civil Engineer, Constructinople as General Contractor, and Guadalupe Neighborhood Development Company handling buyer qualification screening and general affordability compliance.

2203 Salina St, Austin, TX 78702

1910 Salina St, Austin, TX 78702

Completion Date

October 2020

Owner

Blackland CDC

The Blackland CDC Alley Flats were built by A at St Johns team members Constructinople as the General Contractor and Community Powered Workshop as the Architect. These income restricted Alley Flats were designed in collaboration with Blackland CDC to fit behind existing single family residences. Three 2-bed, 2-bath accessory dwelling units were completed on an expedient 7 month timeline.

CAPITAL A HOUSING

Project Experience

Project Name

Jordan at Mueller

Total Construction Cost

\$26,700,000

Unit Count or Sq ft.

132 units

Location

2724 Philomena St, Austin, TX 78723

Completion Date

December 2019

Capital A Housing President Eyad Kasemi and St Johns Village’s civil engineer Civiltude designed the site for the Jordan at Mueller, receiving a site development permit in a record four months. Open in 2019, the Jordan is located in the Mueller neighborhood in East Austin. This new community provides 132 deeply affordable, service-rich homes for low-income families. The Jordan features housing for people making about 50 to 60 percent of the median family income, with 14 units reserved for families who are homeless or at risk of homelessness. The Jordan was built utilizing low-income housing tax credits from the Texas Department of Housing and Community Affairs and bond funding via the City of Austin’s Rental Housing Development Assistance program.

CAPITAL A HOUSING

Project Experience

Project Name

La Vista de Lopez

Total Construction Cost

\$5,800,000

Unit Count or Sq ft.

27 units

Location

809 E. 9th St, Austin, TX 78702

Completion Date

Est December 2022

La Vista de Lopez will be a 27 unit income-restricted affordable housing building for seniors near the heart of downtown. It will be fully ADA-compliant and will be income-restricted for seniors making less than 50% Austin's Median Family Income. It is being developed by some members of the A at St. Johns team, including developer Guadalupe Neighborhood Development Corporation and civil engineering by Eyad Kasemi of Capital A Housing and Civiltude. The nine-story tower is being built adjacent to a historic property on land purchased through financing from the Austin Housing Finance Corporation.

CAPITAL A HOUSING

Project Experience

Project Name

Cedar Alley Flat

Total Construction Cost

\$167,000

Unit Count or Sq ft.

1 units

Location

1608 Cedar Avenue, Austin, TX 78702

Completion Date

December 2019

The Cedar Alley Flat was built by St Johns Village team members Constructinople as General Contractor, Civiltude as civil engineer, and Community Powered Workshop as architect. The 3 Star Green Building home is income-restricted for a 3 person family at 80% of Austin’s MFI or below. Designed in collaboration with the landowners to fit behind an existing home by Community Powered Workshop’s Alley Flat Initiative, the Cedar Alley Flat is the kind of thoughtful infill housing that Capital A Housing aims to deliver in addition to other forms of missing middle housing.

2a. Resumes of principals

Fayez Kazi, PE, LEED AP
Principal

Mr. Kazi has over 24 years of experience providing public and private sector clients with entitlements and the design, management and construction of site development projects. Mr. Kazi has worked on ADA improvements projects to complex site development and roadway projects. Mr. Kazi brings a unique combination of technological savvy, professional service, technical knowledge and enthusiastic commitment to his clients. His strengths also include a deep understanding of the permitting process, environmental sensitivities, grading and drainage as demonstrated by the list of selected projects below:

Relevant Project Experience

La Vista de Lopez, Austin, TX,

La Vista de Lopez will be a 27 unit income-restricted affordable housing building for seniors near the heart of downtown. It will be fully ADA-compliant and will be income-restricted for seniors making less than 50% Austin's Median Family Income. It is being developed by some members of the A at St. Johns team, including developer Guadalupe Neighborhood Development Corporation and civil engineering by Eyad Kasemi of Capital A Housing and Civiltude. The nine-story tower is being built adjacent to a historic property on land purchased through financing from the Austin Housing Finance Corporation.

Lakeline Station Apartments, Austin, TX

128-unit SMART Housing multi-family development with Learning Center, Trail and Sidewalk to Lakeline TOD Station in the northwest corner of Rudledge Spur and 620 North. The project was within the Northwest Park and Ride TOD district which required partial street and pedestrian improvements in both City and TxDOT public right of way. The project also required a water main extension through private property. Civiltude provided context sensitive site design and permitting which includes pavement repair and expansion, street parking and pedestrian path improvements along the southern most section of Rudledge Spur (one of eight local mobility areas to be studied by the City). The team resolved various challenges along this narrow street including above ground electrical infrastructure, topography, and existing trees.

Cardinal Points Apartments, Austin, TX

120-unit SMART Housing multi-family development at the southwest corner of Four Points Dr and River Place Blvd. The project site has several critical environmental issues such as caves, underground voids, golden cheeked warblers endangered species, and densed inventory of trees. In addition to developing the site, Civiltude also assisted Foundation Communities to extend almost one mile of sidewalk to connect the site to the nearest job center and modify Four Points Drive

Guadalupe Saldana Apartments, Austin, TX

Project Principal & Project Manager for 90-unit fully affordable detached condominium and single-family Netzero development in East Austin. Design included flood plain modeling and modification, low-impact development techniques such as raingardens and biofiltration pond.

Sierra Vista Apartments, Austin, TX

Civiltude teamed up with the non-profit consultant Community Powered Workshop to design Foundation Community's Sierra Vista Apartments. First developed in the early 1980's, the site had entered a state of disrepair and required extensive interior renovation and site improvements, including several foundation repairs and bringing parking & pathways into ADA compliance.

Gaston Place Apartments, Austin, TX

Civiltude collaborated with HACA, AHA! and Community Powered Workshop to design a 27-unit complex in northeast Austin. Gaston Place Apartments provides one and two-bedroom apartments for households with incomes below 50% of the median family income.

A at Lamppost, Austin, TX

Capital A Housing's "A at Lamppost" development, at 12500 Lamppost Lane, contains 17 multi-bedroom, family-friendly, townhouse-style homes for purchase all by families making 60-80% of Austin's Median Family Income. It is the first development utilizing the "Affordability Unlocked" ordinance to break ground in Austin. The development qualified for the "Tier 1" ordinance provisions, which waive or relax city requirements for parking, setbacks, and density levels for projects with at least half of their units being income-restricted. A at Lamppost was financed in part with \$1.3 million from the City of Austin's Ownership Housing Development Assistance program, and is on-track for completion by May of this year. The development team included several team members for A at St. Johns: Capital A Housing as Developer, Civiltude as Civil Engineer, Constructinople as General Contractor, and Guadalupe Neighborhood Development Company handling buyer qualification screening and general affordability compliance.

Jordan at Mueller, Austin, TX

Capital A Housing President Eyad Kasemi and St Johns Village's civil engineer Civiltude designed the site for the Jordan at Mueller, receiving a site development permit in a record four months. Open in 2019, the Jordan is located in the Mueller neighborhood in East Austin. This new community provides 132 deeply affordable, service-rich homes for low-income families. The Jordan features housing for people making about 50 to 60 percent of the median family income, with 14 units reserved for families who are homeless or at risk of homelessness. The Jordan was built utilizing low-income housing tax credits from the Texas Department of Housing and Community Affairs and bond funding via the City of Austin's Rental Housing Development Assistance program.

La Vista de Lopez, Austin, TX

La Vista de Lopez will be a 27 unit income-restricted affordable housing building for seniors near the heart of downtown. It will be fully ADA-compliant and will be income-restricted for seniors making less than 50% Austin's Median Family Income. It is being developed by some members of the A at St. Johns team, including developer Guadalupe Neighborhood Development Corporation and civil engineering by Eyad Kasemi of Capital A Housing and Civiltude. The nine-story tower is being built adjacent to a historic property on land purchased through financing from the Austin Housing Finance Corporation.

Waterloo Terrace, Austin, TX

Project Manager for 132-unit permanent supportive housing for single adults on 2.5 acres near the Mo Pac Expressway and Parmer Lane intersection - near the Domain, job opportunities, medical services at St. David's Hospital and the Walnut Creek Greenbelt. Eyad performed grading, drainage, utilities and site plan production and permitting.

Colony Park, Austin, TX

Located in Northeast Austin, the project site offers a unique opportunity to meet the needs of the community & provide a catalyst for economic development & growth for the area. Funded through a US HUD Sustainable Communities Challenge Grant to further its six livability principles, the development will incorporate best practice strategies for energy-efficient, building design, water conservation & zero-waste technology to create a model sustainable & livable mixed-use, mixed-income community. Civiltude provided utility infrastructure design services for the 258-acre masterplanned community and Eyad served as a design team member

Conor Kenny

Principal and Director of Public Affairs

Conor Kenny is a longtime government, politics, and policy professional at the local, state, and federal levels, having worked for a variety of government-focused non-profits and the state government. He has been deeply engaged in Austin housing and development policy as a member of the city's Design Commission and Planning Commission, where he served as chair and led the commission's Transportation Working Group and the Land Development Code Re-Write working groups on residential and non-residential zoning. At Capital A Housing he performs a wide variety of roles, including planning, community engagement, advocacy, government relations, strategy, and business development. Mr. Kenny specializes in putting together projects that are responsive to the city's - and particular neighborhoods' - needs and priorities, for development that breaks the usual mold and is welcomed by communities.

TRUE CASA CONSULTING, LLC

Bio for Jennifer Hicks, Founder:

Jennifer Hicks has over 20 years of affordable housing development and finance experience first as Director of Finance for the State's premier nonprofit, affordable housing developer for 16 years and then founding True Casa Consulting, LLC. While at Foundation Communities, Hicks led the development of 14 innovative and high-impact communities that provided 1,559 units of affordable housing. Hicks also helped create and implement the first supportive housing model in Austin and grew the model to 783 units before her departure. As founder of True Casa Consulting, LLC, Hicks has continued working with nonprofits to help structure and access capital for affordable housing projects in Texas providing consult to 877 units in development and construction with an additional 450 units in the pipeline. Hicks' passion and expertise is centered around high-impact housing and enjoys the complexity and challenge these projects provide. She marries her development and finance skills with a deep understanding of the target population that helps inform both the physical and programmatic design of the project that best suits the target population.

Hicks is a graduate of Texas Tech University with a B.A. in Journalism and a graduate of the LBJ School of Public Affairs with a Master of Public Affairs.

Affordable Housing Development Experience

True Casa has the following experience in Affordable Housing Development:

- 1) Leading affordable housing site selection for new communities including analyzing sites for scoring and threshold requirements with Housing Tax Credit program.
- 2) Structuring purchase contracts to meet requirements of Housing Tax Credit program.
- 3) Reviewing purchase contracts and ensuring milestones are all achieved.
- 4) Coordinating professionals to conduct third party due diligence reports and reviewing all reports (i.e. Phase I ESA, appraisals, market studies, property condition assessments, civil engineering reports, and surveys.)
- 5) Managing the required follow-up for any third-party due diligence reports (i.e. Phase II ESA work.)
- 6) Coordinating RFQ's for architect and general contractor selection, including participating in selection committee.
- 7) Overseeing the financial structuring and development of 2,500 units of affordable housing.
- 8) Running project budgets and proformas for proposed affordable housing developments.
- 9) Managing the construction budget process including reviewing bids and participating in value engineering.
- 10) Leading the contract review and finalization for general contractor and architect and ensuring all federal requirements are properly referenced and adhered to, as well.
- 11) Participating in design review and input to ensure housing is designed with target population in mind.
- 12) Creating the organizational structure for new affordable housing developments including name registration and new entity creation with the Texas Secretary of State.

TRUE CASA CONSULTING, LLC

- 13) Ensuring that design and construction team is made aware of State and Federal housing construction requirements and that they are properly adhered to.
- 14) Overseeing compliance with Davis Bacon wage reporting and Federal labor standard laws.
- 15) Coordinating with development team on zoning and permit issues and timing, as needed.
- 16) Engaging with neighborhoods and community organizations on affordable housing education and specific development support.
- 17) Raising over \$300 million in grants and loans from public and private sources for the acquisition, rehabilitation and new construction of affordable housing.
- 18) Winning 9% low-income housing tax credits in Texas on 15 developments.
- 19) Preparing and processing 9% HTC applications including leading response to all deficiencies, underwriting and ensuring project meets all required reporting milestones.
- 20) Completing all reporting due to TDHCA on all HTC-funded projects – commitment, Carryover Allocation Agreement, 10% Test, construction monitoring reports, LURA origination, and Cost Certification.
- 21) Creating RFP for equity investors and lenders on affordable housing developments and analyzing responses for a final selection recommendation.
- 22) Negotiating the final LOIs from investors and lenders, as well as reviewing and negotiating the limited partnership agreement for tax credit projects.
- 23) Securing over \$14M in grant awards from the Federal Home Loan Bank Affordable Housing Program in 15 awards – application, underwriting, subsidy draw and initial compliance monitoring.
- 24) Securing gap funding from a variety of funding sources including: City of Austin Rental Housing Development Assistance Program, TDHCA Multifamily Direct Loan Program and Capital Magnet Fund.
- 25) Ensuring construction stays on timeline and meets any funder required deadlines (i.e. HTCPIS deadline.)
- 26) Leading the construction draw requests to construction lender and equity provider.
- 27) Ensuring all tax credit equity is drawn according to agreed upon milestones.
- 28) Coordinating with property management on lease-ups for HTC projects.
- 29) Structuring housing vouchers in new developments.
- 30) Designing supportive housing models based on site and project parameters.
- 31) Tracking project stabilization and leading the conversion to permanent mortgage.
- 32) Facilitating the refinancing of six different communities and preserving affordability.
- 33) Coordinating the Year 15 response on HTC financed communities.
- 34) Leading the closing on land acquisition and all project financing including coordinating the closing team and responding to due diligence calls from lender and investor.
- 35) Creating a compliance checklist that details all funder requirements for ongoing operations.

Firm Overview & History

Civiltude is a local, Asian minority-owned engineering and planning firm, established in early 2010. Led by Fayez Kazi, PE, Civiltude's core principle was to deliver effective design solutions and experienced project management competitive to large companies while providing personal, flexible and timely communication that is unique to a small, nimble firm. Nhat Ho, PE, started as an engineer with Civiltude since its early inception and joined the management team in 2014. Jim Schissler, PE, joined Civiltude's leadership team in early 2018 after three decades of practice and management with several major local firms.

Civiltude brings the full package of technical and permitting knowhow, positive working relationships with City staff, as well as experience in interfacing with neighborhoods and other community stakeholders. Our leadership team packs a combined 65 years of

experience in delivering various project types, including field engineering with daily interaction with property owners. Our extensive experience with SMART housing projects (a type of certification by the City of Austin), public schools and downtown high-rise developments with compressed permitting timelines has enabled our team to test, benchmark and optimize effective permitting strategies. Additionally, as the prime engineers for various public entities including the City of Austin, our team has successfully cultivated positive working relationships with reviewers at several levels across multiple regulatory bodies. Most importantly, our team's past and present service on the City of Austin's Planning Commission, Water and Wastewater Commission, Environmental Commission as well as several non-profit boards and neighborhood associations puts us in a unique position to facilitate conversations, resolve issues and build neighborhood goodwill and consensus in the community.

When it comes to growth, our focus is not only on our team size and expanding public and private sector portfolios but also deepening trust with our clients. In 2010, our team of three dedicated our expertise to serving public school and affordable housing segments which were largely underserved, especially when there were fewer and smaller projects.

Today, with our team size of 23 employees, Civiltude maintains a diverse and balanced portfolio with projects spanning both public and private sectors including but not limited to public infrastructure such as pipelines, roadways, trails, ponds, and parks; educational and sports facilities; tax credit and market-rate multi-family housing; master planned communities; and mixed use complexes for office, retail, entertainment and industrial. Our core services include land feasibility studies; site and infrastructure construction documents; site permitting and acceleration strategies; bid review, value engineering and cost control; project management; and construction administration. Civiltude specializes in pipeline design, site and right-of-way permitting and acceleration, and karst void mitigation. Our clients are just as diverse, from individual home owners, to neighborhood associations, housing authorities, municipalities, non-profit affordable housing providers, transportation authorities, and private developers.

Relevant Experiences

Project Name

Gaston Place Apartments

Location

1920 Gaston Place, Austin, TX

Owner

Accessible Housing Austin!

Completion Date

Summer 2020

Construction Cost

\$3 Million

Reference

Melissa Orren, Executive Director of Accessible Housing Austin!, 1640A East 2nd St, Austin, TX, 78702

Gaston Place Apartments

Founded by leaders in Austin’s disability rights community, Accessible Housing Austin! (AHA!) is excited to be breaking ground later this year for AHA! at Briarcliff. The 27-unit complex in northeast Austin will provide one and two-bedroom apartments for households with incomes below 50% of the median family income. Six of the units will be designated as “deeply affordable.”

In keeping with its mission to provide affordable and accessible housing for tenants with disabilities, AHA! will exceed federal integration standards with half of the units being accessible and the other half adaptable.

Civiltude worked closely with AHA! & HACA to minimize public sidewalk improvements required by the City of Austin under subchapter E. We also assist the successful partnership with Public Works that built the missing section of sidewalk in front of the site which further reduced project construction cost. Civiltude assisted HACA in understanding and resolving issues related to the unified development agreement due to complex site ownership structure.

Project Name

Lakeline Station Apartments

Location

13636 Rutledge Spur, Austin TX

Owner

Foundation Communities

Completion Date

December 2016

Construction Cost

\$19 Million

Reference

Walter Moreou, Executive Director of Foundation Communities, 3036 South First Street, Austin, TX 78704

Lakeline Station Apartments

128-unit SMART Housing multi-family development with Learning Center, Trail and Sidewalk to LakelineTOD Station in the northwest corner of Rudledge Spur and 620 North. The project was within the Northwest Park and Ride TOD district which required partial street and pedestrian improvements in both City and TxDOT public right of way. The project also required a water main extension through private property.

Civiltude provided context sensitive site design and permitting which includes pavement repair and expansion, street parking and pedestrian path improvements along the southern most section of Rutledge Spur (one of eight local mobility areas to be studied by the City). The team resolved various challenges along this narrow street including above ground electrical infrastructure, topography, and existing trees.

Colony Park

208 acres master planned community including Colony Loop Drive extension and several new streets with above ground and underground infrastructures to serve a mixed use development.

Civiltude provided preliminary utility plan for the entire masterplan and construction plans for water, wastewater and reclaimed water in the Phase 1 street extensions. The project features several miles of roadways with seventeen street sections, some with very limited public right-of-way width. Civiltude played crucial role in facilitating conversation between Austin Water Utility and street design consultant in order to achieve the desirable sections while still accommodating necessary utilities. The team also assisted with resolving issues related to erosion hazard zone, critical environmental feature buffer, and creek crossing for streets and bridges. Civiltude prepared Service Extension Request analysis to optimize offsite improvements as well as designed phase 1 construction plans for water, reclaimed and wastewater improvements on site.

Project Name

Greenwater Redevelopment

Location

San Antonio 2nd, 78701

Client

Trammell Crow/Mark Fowler (Rep)

Completion Date

S2016

Construction Cost

\$5.1 Million

Greenwater Redevelopment

Public-private partnership redevelopment project in Downtown Austin to extend West 2nd Street for two blocks from San Antonio to Shoal Creek Bridge and Nueces Street from Cesar Chavez to West 2nd Street alley including all utilities.

Civiltude designed and permitted 900 LF of 16" water, 800 LF of 12" wastewater, 300 LF of 8" reclaimed water, and 400 LF 24" supply & return chilled water main extension. Civiltude's Principal and project manager, Mr. Nhat Ho, personally resolved major field issues and facilitated meeting with reviewers and inspectors on site to ensure project continuation. Examples of field issues are bypass pumping for tie-in to a major 42" wastewater main, assessment of major box manholes, and curve wastewater line with fiber-glass manholes due to dry utility conflicts.

Fayez Kazi PE, LEED AP
CEO

Years of Experience:
24 years

Education:
MS Engineering &
BS Architectural Engineering,
The University of Texas at Austin

Registration:
Licensed Professional Engineer Texas PE # 96489
LEED Accredited Professional

Affiliations:
Former Chair, Planning Commission
Associate Professor, Department of Civil, Architectural & Environmental Engineering at UT Austin
Former Vice Chair, Zero Waste Advisory Commission
Real Estate Council of Austin Board
Austin Asian Chamber Board
Former Chair, South Congress Combined Neighborhood Asian American Resource Center, Design Advisory Panel
UT Austin Projects for Underserved Communities, Service Learning Advisory Board
Austinites for Action Advisory Board

Mr. Kazi has over 20 years of experience providing public and private sector clients with entitlements and the design, management and construction of site development projects. Mr. Kazi has worked on projects as small as ADA improvement projects to complex site development and roadway projects. Mr. Kazi brings a unique combination of technological savvy, professional service, technical knowledge and enthusiastic commitment to his clients. His strengths also include a deep understanding of the permitting process, environmental sensitivities, grading and drainage as demonstrated by the list of selected projects below:

Relevant Project Experience

Trails at Vintage Creek – Foundation Communities – Austin, Texas

Design Engineer on two separate contracts for water utility improvement and construction documents to upgrade water meter connections and a structural retaining wall design. Responsibilities include working with Austin Fire Department, Austin Water Utility, and commercial building inspectors, preparing construction plans, spoils calculation, and specifications for reuse of elevated pathways.

Sierra Vista Apartments – Foundation Communities – Austin, Texas

Project Principal on three separate contracts beginning with a tree & topographical survey of 9-acre tract with existing multi-family apartment units. The survey was used to provide a report with profiles of the accessible paths and sections at every 5' to help identify non-compliant slopes. Involvement led to preparation of well plugging plan and permitting through the Barton Springs Edwards Aquifer Conservation District for a 4' wide, 37' deep unrecorded well on the property. Currently developing construction plans for sidewalk & grading to provide ADA accessibility and improve drainage. Design includes 315 LF stormwater line & area inlets and site improvements for proposed Learning Center.

Greenwater Redevelopment – Trammel Crow – Austin, Texas

Project Principal for site/civil construction documents and permitting for utility infrastructure design for \$550 million redevelopment project of the former City of Austin Green Water Treatment Plant that will provide nearly 2 million square feet of new space. Planned development includes high-rise mixed use buildings, apartment residential units with provisions for affordable housing, hotel, office and retail space. Nueces Street and 2nd Street will be extended through the site to connect the Second Street and Seaholm Power District.

Presidium Riverside Apartments – Cadence McShane – Austin, TX

Project Principal for site/civil construction documents and permitting for utility infrastructure development will provide 1, 2 and 3 bedroom apartments and amenities.

Jenkins Design Center Office Complex – Jenkins Custom Homes – Bee Cave, TX

Project Principal for the civil/site design for office complex on a 1-acre tract in Bee Cave, Texas. Development included a 7,000 SF Luxury Home Idea Center at Jenkins Park Plaza with high-end custom home fit and finish within walking distance of the Hill Country Galleria and residential apartments. Designed with professional architects, engineers and artists in mind, the site incorporates an interior tree grove and rock outcropping into the visual aesthetics. Civiltitude team designed and permitted the first full infiltration raingarden in the City – educated local government and regulatory officials. Contaminant removals satisfied the stringent water quality regulations of the City of Bee Cave while promoting low impact development thus enhancing the site.

Colony Park – City of Austin – Austin, Texas

Located in Northeast Austin, the project site offers a unique opportunity to meet the needs of the community & provide a catalyst for economic development & growth for the area. Funded through a US HUD Sustainable Communities Challenge Grant to further its six livability principles, the development will incorporate best practice strategies for energy-efficient, building design, water conservation & zero-waste technology to create a model sustainable & livable mixed-use, mixed-income community. Civiltitude provided utility infrastructure design services for the 258-acre masterplanned community

Nhat M. Ho PE, LEED GA
President

Years of Experience:

10 years

Education:

BS Architectural Engineering, The University of Texas at Austin

Registration:

Licensed Professional Engineer Texas PE # 119194
LEED Green Associate

Affiliations:

Water & Wastewater Commissioner
Joint Sustainability Committee
Chair of Mueller Neighborhood Association
Real Estate Council of Austin
Greater Austin Asian Chamber of Commerce
Downtown Austin Alliance
South Congress Combined Neighborhood Contact Team
Structural Engineering Institute

Mr. Ho brings over ten years of versatile experience from different areas of **civil engineering, structural engineering**, architectural design, Revit modeling and production drafting. His integrated civil and structural knowledge ranges from stormwater management systems, wet utilities, and sports running tracks to retaining structures, spatial arrangement of buildings and site integration. His land development experience includes site feasibility studies, zoning changes, subdivisions, and commercial site plans. He has cultivated relationships with review staff, especially at the City of Austin, and has built a reputation for effective and responsible design. His in-depth expertise includes utilities, innovative water quality management and accelerated site plan permitting. Specifically with RRISD & AISD, Mr. Ho has extensive knowledge with the inter-local agreements and dedicated review teams that control school projects for the City of Austin.

Relevant Project Experience

Trails at Vintage Creek - Foundation Communities - Austin, Texas

Design Engineer on two separate contracts for water utility improvement and construction documents to upgrade wa-ter meter connections and a structural retaining wall design. Responsibilities include working with Austin Fire Department, Austin Water Utility, and commercial building inspectors, pre-paring construction plans, spoils calculation, and specifica-tions for reuse of elevated pathways.

Sierra Vista Apartments - Foundation Communities - Austin, Texas

Field Engineer responsible for quantifying soil volume and dynamic cost estimate for contract work required to plug a 4' wide, 37' deep unrecorded well discovered on the prop-erty. Work also included site investigation, coordination with licensed well driller, and on-field direct response regarding material and procedure of the plugging process.

Greenwater Redevelopment - Trammel Crow - Austin, Texas

Project Manager designing utility infrastructure to serve the redevelopment of the former Green Water Treatment Plant. Responsible for producing water, wastewater and chilled water construction documents and obtaining development permits with Austin Water Utility and Austin Energy on an accelerated timeline. Performed coordination with other entities to avoid conflicts with a congested downtown underground utility network while existing in harmony with the aboveground Great Streets elements.

Edison Riverside Apartments - Presidium - Austin, Texas

Project Manager leading site permit, license agree and providing construction documents and permitting for utility infrastructure design for 353 unit residential apartments, leasing office and resident amenities.

The Yard Redevelopment - The Yard LLC - Austin, Texas

Project Principal overseeing the public water and wastewater improvements to serve over 150,000 SF of mixed use redevelopment. In charge of wastewater capacity analysis for over 8,000 properties near the project site to develop accurate demand for the proposed

Colony Park Masterplan - Urban Design Group - Austin, Texas

Project Manager in charge of preliminary utility plan, Service Extension Request, design and permitting of phase 1 infrastructures. Working closely with the urban planner to provide utility placement for multiple street cross sections to allow narrow urban street width.

Woodbridge Subdivision - Polis Properties - Austin, Texas

Project Manager for subdivision construction documents and permitting for public street, utility, and storm-water infrastructure design for 9 lot subdivision in Austin. Design included over 800 LF of 8" water and wastewater lines. The development will provide 18 duplex housing units in East Austin close to downtown.

Fox Sparrow Subdivision - Verdant Frontiers - Cedar Park, TX

Project Manager for site/civil construction documents and permitting for public street, utility, and stormwater infrastructure design for 17 lot subdivison in Cedar Park. Design included over 1,710 LF of 8" water and wastewater lines.

Mike Reyes PE
Director of Civil Engineering

Mr. Reyes's career includes more than 14 years of extensive experience in the design, construction management, review, and approval of civil engineering land development projects throughout the Greater Austin area and the State of Texas. Current projects consist of the design and construction management of several concurrent municipal and private projects in Central Texas. Duties include working closely with clients and development teams, feasibility studies, site development, drainage and innovative water quality design, utility design, regulatory permitting through local and state agencies, cost estimating and construction management as demonstrated by the list of selected projects below:

CLMP220 Mobility Rotation List - Phase 2 - City of Austin - Austin, Texas

QA/QC for civil engineering on several projects under this rotation list. The successful completion of these projects required close coordination with City agencies, a thorough knowledge of local conditions and construction practices, familiarity with TDLR and ADA accessibility regulations, efficient deadline setting, and the ability to respond to public input during the design and construction processes.

Austin Water Utility Smart Meter Installation - ACLARA - Austin, Texas

QA/QC for Civiltitude's traffic control plan for over 150 sites of Data Collection Unit installation across Austin Water's service area. Civiltitude works closely with Aclara and construction vendors in developing optimized traffic control scenarios based on means and methods. Civiltitude also collaborates with Austin transportation department staff in developing pre-approved new traffic control details specifically for the workflow of this public project.

BondWide Technical Review & Permitting Support - AECOM & McKissack&McKissack - Austin, Texas

Project Manager that provided technical peer review for the civil discipline to ensure code compliance, constructability and risk mitigation for the District. We also reviewed, benchmarked and developed permitting strategies for the design team to ensure the project's success.

Highland & Brownie Park - City of Austin - Austin, Texas

Project Manager for the improvements at Highland and Brownie Park. Mike leads/coordinates the site permitting, and site plan exemption for both sites.

Fontain Plaza - RedLeaf Properties & Austin Community College-Highland - Austin, Texas

Project Manager for the site, drainage, and utility relocation and improvements at Fontaine Plaza, a former mall surface parking lot transformed into an urban park. Coordinated ADA compliant paths throughout the park to connect to the internal circulation routes of the Highland Campus.

Waterloo Greenway - Corridor Framework Plan - City of Austin - Austin, Texas

Project Engineer for The Corridor Framework plan which consisted of a comprehensive investigation of the post-Waller Creek tunnel completion conditions along Waller Creek, and preparation of the plan that would guide the redevelopment of Waterloo Greenway public trails and parks from Lady Bird Lake to 15th Street. Mike led research efforts and onsite field investigations to document the location/existence of all storm-water creek outfalls, water/wastewater utilities, overhead and underground dry utilities along Waller Creek. He developed utility feasibility relocation plans and strategies to allow for proposed public trail and park improvements. Mike also coordinated with stakeholders, COA, and the Waterloo Greenway Conservancy on preliminary trail alignments and creek restoration efforts.

Canopy Walk at the Fairmont Hotel - Manchester Financial Group - Austin, Texas

Project Manager for The Canopy Walk, an outdoor aerial walkway connecting the Fairmont Hotel to the Austin Convention Center (ACC), spanning over Red River Street and Waller Creek. This is one of the first public/private collaborative design and construction efforts to be compatible with the vision for the Waterloo Greenway, a future public park winding along Waller Creek. Utilizing HEC-RAS, Mike led/coordinated the floodplain drainage study within Waller Creek within the vicinity of the ACC. He also designed the relocation of existing ACC roof drainage outfalls into Waller Creek. Creek restoration and construction phase creek protection plans were also developed. Mike also managed construction phase services and site inspections through final project completion.

Our Firm

Merriman Pitt / Anderson, Inc.

Firm History |

Merriman Pitt / Anderson, Inc. (MPA) is an Austin, Texas based Architecture, Interior Design, and Planning firm. We provide consulting services for Programming, Site Planning, Architectural Design, Space Planning, Interior Architecture, Graphic Design, LEED/Sustainable Design, 3-D Animations, Virtual Reality Services, and Facilities' Move Coordination.

MP/A is a diversified practice with experience in a broad range of project sizes, types and complexities. We tailor our services to meet individual client and project needs. Our area of expertise includes corporate, commercial, industrial, hospitality, multi-family, mixed-use, historic rehabilitation, adaptive re-use and civic projects. With affiliate offices in Dallas (MAA) and Charlotte (MSA), we provide professional consulting services to local, state and national clients. We emphasize repeat relationships as the heart of our practice.

MPA: Brett Pitt is the President of the Austin office. He was an Associate in the Dallas office (MAA) from 1997-2004, then relocated to Austin to start his own venture. In 2012, Merriman Pitt / Anderson, Inc. was created with Jerry Merriman and Milton Anderson. Mr. Pitt has held full ownership of MPA since March 2019.

MAA: Jerry Merriman practiced architecture in Dallas from 1972 - 2020, and is the past President and founder of Merriman Anderson/Architects (MAA), currently in its 35th year of continuous operation. Milton Anderson joined as the Principal in Charge of Design in 1996, and became President of MAA in September of 2020.

MSA: Steve Schmitt and Jerry Merriman cofounded this Charlotte based location in 1996. Mr. Schmitt has held full ownership of MSA since 2008.

The three independent corporate offices generate their own business and profits. However, they often collaborate on projects together as geographic markets and client relationship situations arise.

From 1997-2004, Brett was an Associate in the Dallas office of MAA, but relocated to Austin in 2005 and formed Pitt Architecture, LLC. In 2012, he, Jerry Merriman and Milton Anderson merged Pitt Architecture into Merriman Pitt /Anderson, Inc.

Brett is integrally involved in the firm's daily operations, overseeing business development, client management and ultimate responsibility for all projects' success. He is supported by an incredibly talented and dedicated staff, each with skills that cohesively contribute to the design, documentation, and construction phases, and translate the art of architecture into the built environment.

Over the past 25 years, his broad-based experience includes Corporate Office, Medical Office, Tenant-Improvement, Mixed-Use Facilities, Hospitality, Multi-Family, K-12 Schools, Retail, Financial, Civic, Religious, Energy Facilities, Transportation/Aviation Facilities, Industrial/Manufacturing, and Historical Rehabilitation and Adaptive Reuse. This experience range provides a solid understanding of appropriate design and construction considerations, enabling him to achieve the most design value for customer's investments. Whether it is a small specialty project, a challenging urban core infill project, or a multi-million master-planned development, Brett gives each his full attention and makes it the best project possible.

He is especially honored to have continued working relationships with the following National Clients: Penske Truck Leasing & Logistics, Niagara Bottling, Diamond Resorts International, Marriott International, Hilton Hotels & Resorts, Choice Hotels, InterContinental Hotels Group, G6 Hospitality, Hyatt, Carlson-Rezidor, and Select Energy Services. Regional Clients include: McCombs Enterprises, Lincoln Property Company, B29 Investments, Missouri Land Company, Mages Group, Premiere Management Group, Builders, Inc. and Million Air. Through these repeat project relationships, trust has been built and the design processes are expedited, providing all parties with success.

Brett strives daily to expand MPA's presence in Austin, one of the most active and vibrant cities in the nation. He balances his professional and family life with the help of his wife Tara, and their three children. His hobbies include domestic and international travel, trail running, mountain biking, and fly fishing.

JAMES WAITHAKA

DESIGN PROFESSIONAL

Master of Architecture, University of Texas at Arlington
Bachelor of Architecture, University of Texas at Arlington

James' interest in Architecture was sparked across continental lines in Kenya, East Africa where he was born and raised. After receiving the opportunity to come and study in the United States, he settled in Texas where he attended the University of Texas at Arlington. After graduating with his Masters degree, James worked in the Dallas / Fort Worth area primarily on multi-family and hospitality projects alongside other commercial project types. During this time, he worked on the various stages of project development from concept design, construction documentation and construction administration. Out of this experience he has gained a deeper appreciation for how design and construction come together, and this is a continued pursuit in every project he works on to make it a better process.

James is currently taking the ARE exams and working towards his licensure. In his free time, James spends time with his wife and young baby while also reading and researching emerging trends in Architecture and graphic design. If time allows, he enjoys traveling around getting to know Austin and the surrounding areas of the Hill Country.

MARGO ELDER, RID

INTERIOR DESIGNER / PROJECT MANAGER

Bachelor of Science in Interior Design, Texas State University

Registered Interior Designer
Texas No. 12728

CIDQ Certified No. 36309

BOMA Certified

**Member of the International
Interior Design Association**

Margo brings her ability to generate fresh solutions for interiors, including structural alterations, as well as an ambitious and competitive drive that fosters creative growth in our office. Staying involved in the latest industry innovations, Margo thrives on turning a space into an environment for all that encounter the surroundings. Margo succeeds on being creative across multiple settings and disciplines, working as part of the team, and paying attention to detail. She also has proven how to function as a leader among her peers and coworkers and will be a valuable asset to the Interior Design team here at MPA in Austin.

While attending Texas State University Margo earned a Bachelor of Science in Family and Consumer Sciences with a major in Interior Design and a minor in Business. Apart from studying Margo, was a part of many university organizations, holding leadership roles in all of them. She also continued her love for dance being a part of the collegiate dance team of the Texas State Strutters. After graduating she continues to be involved in organizations that made an impact of her life.

Margo is a Texas native, who grew up in the big busy city of Houston. At a young age she knew that she wanted to be an interior designer. She often found herself participating in creative activities. She found her first love of transforming and transitioning a space by upcycling furniture. Going around Houston with the women in her family to re-sale shops and finding beauty in things that were old and unique. Finding that turning something that has lost its meaning to one person can become something beautiful and new to someone else. All her past experiences have led her to design, and grown her love for the arts, and the joy of transforming a space.

Outside of the office, Margo enjoys spending her time outdoors, doing the newest fitness craze, and trying new places around town.

Connie Quillen is Vice President in Austin, Texas. Connie oversees the operations and activities of six regional supervisors and managers, a total of 6,000 apartment units. The portfolio contains affordable housing, conventional and senior housing assets. As Vice President, Ms. Quillen is responsible for the operational, contractual and regulatory performance of the assets. In her role as investment manager, she maintains regular and informative contact with asset investors and clients.

Ms. Quillen holds a degree in Business Administration from Central Texas College. Connie began her career in property management in 1991 as a property manager. She worked for the Travis County Housing Authority with responsibility for Public Housing and then as its Director of Assisted Housing. Connie joined Asset Living in 2001 and was promoted to Regional Supervisor in 2003. After rising to the role of Senior Regional Supervisor, Connie was promoted to Vice President in December 2018. Connie's experience with Public Housing and Section 8 makes her invaluable to clients with difficult to manage properties with high levels of rental assistance. She has been responsible for the operations of literally dozens of Low-Income Housing Tax Credit (LIHTC) and Project Based Section 8 properties across Texas over the past 15 years.

Ms. Quillen is a licensed Texas real estate broker. She is a Housing Credit Certified Professional (HCCP), a Certified Apartment Portfolio Supervisor (CAPS), a Public Housing Manager (PHM) and a Section 8 Housing Manager (SHM).

Koren Actouka serves as a Regional Supervisor for Asset Living. In her role, she manages, directs and implements strategies to ensure the successful achievement of operational efficiencies and profitability for clients and their assets. Koren offers her clients expertise in a diverse collection of management activities including resident relations, vendor management, lease compliance, and contract negotiation. She directly supervises the activities of all property managers and regional office staff for a portfolio of properties targeting positive financial results. Ms. Actouka supervises 10 assets, totaling almost 1,000 units comprised of Low-Income Housing Tax (LIHTC) housing, Senior and conventional properties.

Koren began her property management experience in 1998 on the facilities maintenance staff where she was promoted to leasing agent and then manager of a Tax Credit rehab property with site-based housing all within 1 year. Koren was later recruited by a Syndicator as an asset manager with a multi-state portfolio of 13 properties working closing with the underwriters and the state financing agency to ensure the success of the all the developments. She oversaw the management of 5 LIHTC, HOME and BOND Communities with over 700 combined units until joining Asset Living as a property manager in 2007. After assisting with several initial lease ups of (LIHTC) projects, she became an executive Assistant and was promoted to Regional Supervisor in 2018

Koren is a Certified Credit Compliance Professional (C3P), a Certified Occupancy Specialist (COS) and a Housing Credit Certified Professional (HCCP)

Trista is Controller at Asset Living. As a Corporate Department Head, Trista provides critical support to the daily site and regional property operation. At Asset Living, our clients meet their financial goals when we support the needs of our customers at the point of service. Administrative productivity and efficiency are essential. Trista manages corporate accounting for all Asset Living offices, including internal employee reimbursements and cost allocations where appropriate. Ms. Browning maximizes technology to accomplish and meet deadlines in a timely and accurate manner.

Ms. Browning received her Associates degree and attended both the University of North Texas and the University of Texas at Dallas, studying business and accounting. After several year managing commercial and medical offices, Trista joined Asset Living in 1997. Initially responsible for the property accounting for all assets, she also managed software migrations and new property integrations. As the client services division grew, in 2009 Ms. Browning focused her efforts in the role of Controller. She continues to inform and provide support to company auditors, ensuring accuracy and timeliness of corporate reporting and works collaboratively with client accounting services.

Trista is an active member of the Institute of Finance and Management.

Terri Turner is Director of Accounts Payable. As a Corporate Department Head, Terri provides critical support to the daily site and regional property operation. At Asset Living, our clients meet their financial goals when we support the needs of our customers at the point of service. Administrative productivity and efficiency are essential. Terri ensures property and regional payables and receivables are posted accurately and timely. Terri directs a team of four accounts payable specialists who each support a portfolio of properties based on client needs. Her team is trained to interact positively with supplier partners, residents and clients regarding payables at their assets.

Terri studied at Southern Arkansas University Tech. The first five years of Terri's work history were in bookkeeping and office administration in a retail business. Her real estate management career started in 1993 in the role as Manager at both conventional and tax credit properties. Her experience in the property offices taught her the value of the payable's relationship with the owner. She joined Asset Living in 1999 as an Assistant Manager and was responsible for receivables and payables processing on site. Upon her arrival, she instituted system checks and balances and portfolio assignments to heighten efficiencies.

In 2007, the Terri was promoted to the corporate office in the Accounts Payable Department. She quickly assumed a leadership role and now serves at the Director of Accounts Payable.

Lori Erbst is Director of Compliance. As a Corporate Department Head, Lori provides critical support to the daily site and regional property operation. At Asset Living, our clients meet their financial goals when we support the needs of our customers at the point of service. Administrative productivity and efficiency are essential. Lori specifically directs the administration of the Asset Living compliance department, overseeing 18 specialists who ensure the regulatory and contractual obligations are met at all levels with local and state housing and support agencies. Ongoing training and support of site personnel is a key performance indicator. First year files, tenant income certifications and renewals and audit preparation and findings corrections are managed by Ms. Erbst.

Lori attended Dallas County Community College and began her career in property management in Dallas in 1996 with an owner/developer of Low-Income Housing Tax Credit (LIHTC) properties. In 2001, she joined Asset Living as a compliance specialist and was promoted to Director of Compliance in 2007. Over time, the department grew to a manager and six specialists. Lori's extensive knowledge and experience with Housing Tax Credit, HOME, BOND, Housing Trust Fund and the Affordable Housing Disposition program make her invaluable to our clients and staff members. Additionally, through strong business relationships, Lori is able to work closely with all state agencies and maintain a respected partnership.

Lori participates regularly in training offered by the Texas Department of Housing and Community Affairs. Ms. Erbst is a Certified Credit Compliance Professional (C3P), a Housing Credit Certified Professional (HCCP) and a National Compliance Professional (NCP).

Rebecca Rodriguez Alonzo is the Director of Business Development for Asset Living. In this role, Ms. Alonzo is responsible for the strategic support of Asset Living clients and investors, offering extensive asset analysis and reporting, strategic recommendations for value growth and new and additional business model development. She serves as an essential liaison between clients, suppliers and the Asset Living' Executive, Business Development and Accounting teams. The firm continues to grow both its statistical footprint and status as a leading operator of affordable housing and a proven asset value-enhancer.

Ms. Alonzo holds a Bachelor of Arts degree in Sociology from The University of Texas, Arlington. She began her career in property management in 1998. Her Property Management involvement includes on-site operations, project management, business development, and multi-family housing marketplace. With a specialty in contract administration, Rebecca is able to oversee the smooth transition of property acquisitions, due diligences and take over management, including working closely with HUD, TDHCA, and the local Housing Authorities. Ms. Alonzo joined Asset Living in mid-2017 and has intentionally grown her knowledge and experience with HUD and Low-Income Housing Tax Credit (LIHTC) requirements, making her invaluable to clients and staff members.

Ms. Alonzo is a Certified Apartment Portfolio Supervisor (CAPS) and a Housing Credit Certified Professional (HCCP).

Dear Sir or Madam:

This is in response to your request of February 5, 2004, regarding your organization's tax-exempt status.

In January 1984 we issued a determination letter that recognized your organization as exempt from federal income tax. Our records indicate that your organization is currently exempt under section 501(c)(3) of the Internal Revenue Code.

Based on information subsequently submitted, we classified your organization as one that is not a private foundation within the meaning of section 509(a) of the Code because it is an organization described in sections 509(a)(1) and 170(b)(1)(A)(vi).

This classification was based on the assumption that your organization's operations would continue as stated in the application. If your organization's sources of support, or its character, method of operations, or purposes have changed, please let us know so we can consider the effect of the change on the exempt status and foundation status of your organization.

Your organization is required to file Form 990, Return of Organization Exempt from Income Tax, only if its gross receipts each year are normally more than \$25,000. If a return is required, it must be filed by the 15th day of the fifth month after the end of the organization's annual accounting period. The law imposes a penalty of \$20 a day, up to a maximum of \$10,000, when a return is filed late, unless there is reasonable cause for the delay.

All exempt organizations (unless specifically excluded) are liable for taxes under the Federal Insurance Contributions Act (social security taxes) on remuneration of \$100 or more paid to each employee during a calendar year. Your organization is not liable for the tax imposed under the Federal Unemployment Tax Act (FUTA).

Organizations that are not private foundations are not subject to the excise taxes under Chapter 42 of the Code. However, these organizations are not automatically exempt from other federal excise taxes.

Donors may deduct contributions to your organization as provided in section 170 of the Code. Bequests, legacies, devises, transfers, or gifts to your organization or for its use are deductible for federal estate and gift tax purposes if they meet the applicable provisions of sections 2055, 2106, and 2522 of the Code.

Your organization is not required to file federal income tax returns unless it is subject to the tax on unrelated business income under section 511 of the Code. If your organization is subject to this tax, it must file an income tax return on the Form 990-T, Exempt Organization Business Income Tax Return. In this letter, we are not determining whether any of your organization's present or proposed activities are unrelated trade or business as defined in section 513 of the Code.

Section 6104 of the Internal Revenue Code requires you to make your organization's annual return available for public inspection without charge for three years after the due date of the return. The law also requires organizations that received recognition of exemption on July 15, 1987, or later, to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. Organizations that received recognition of exemption before July 15, 1987, and had a copy of their exemption application on July 15, 1987, are also required to make available for public inspection a copy of the exemption application, any supporting documents and the exemption letter to any individual who requests such documents in person or in writing. For additional information on disclosure requirements, please refer to Internal Revenue Bulletin 1999 - 17.

Because this letter could help resolve any questions about your organization's exempt status and foundation status, you should keep it with the organization's permanent records.

If you have any questions, please call us at the telephone number shown in the heading of this letter.

This letter affirms your organization's exempt status.

Sincerely,

Janna K. Skulca, Acting Director, TE/GE

3c. Board Resolution

**Family Eldercare, Inc.
Board Resolution
(Rosewood II)**

This resolution was duly adopted by the Board of Directors of Family Eldercare, Inc., a Texas nonprofit corporation (the "*Family Eldercare*") on May 3, 2022.

Background

WHEREAS, Family Eldercare is a 501(c)(3) tax-exempt nonprofit corporation whose mission encompasses creating new, affordable, supportive housing for the purpose of responding to homelessness;

WHEREAS, Family Eldercare has proposed a development for affordable and supportive, multifamily rental housing for low-income and homeless seniors to be located at 2824 Real St, Austin, TX. 78722 (the "*Development*");

WHEREAS, the Board of Directors of Family Eldercare (the "*Board*") has determined that it is in the organization's best interest and to the benefit of the residents of Austin to apply to the City of Austin for Rental Housing Development Assistance ("*RHDA*");

WHEREAS, Family Eldercare will cause the formation of a Texas nonprofit corporation with the name of Rosewood II ("*Rosewood II*"), with Family Eldercare serving as the sole, corporate member of Rosewood II;

WHEREAS, Family Eldercare will cause Rosewood II to apply to the Internal Revenue Service for 501(c)(3) tax-exempt status; and

WHEREAS, Family Eldercare desires to adopt a resolution approving the proposed Development and authorizing a RHDA application for up to \$3,400,000.

NOW THEREFORE, BE IT RESOLVED, that the Board authorizes Kent Herring, President and Chief Executive Officer of Family Eldercare, and Kim Wilson, Chair of the Board, and succeeding chief executive officers and board chairs, to enter into all applications and related documents, to sign for and perform any and all responsibilities in relation to, and to cause the submission of applications to the City of Austin for RHDA funding, individually and as the future sole member of Rosewood II, on behalf of such corporation.

[Secretary Certification on Following Page]

Secretary Certification

The foregoing resolution was duly adopted by the Board of Directors of Family Eldercare, Inc., on the date set forth above.

Charles Colley, Secretary

3e. Funding Commitment Letters

Financing Narrative ROSEWOOD II - AUSTIN, TEXAS

Construction Sources and Uses

The construction funding sources include a construction loan from Texas State Affordable Housing Corporation up to \$420,000, a TDHCA MFDL loan in the amount of \$4,000,000, and \$3,959,037 in American Rescue Plan Act (ARPA) funding earmarked by Travis County for homelessness response efforts, this application for \$3,400,000 in Rental Housing Developer Assistance funding and \$415,910 in owner equity.

The construction loan has an estimated interest rate of 3% and will require interest-only payments during the construction period.

The developer is simultaneously applying for \$4,000,000 in TDHCA Multifamily Direct Loan funding under the Supportive Housing/Soft Repayment Set-Aside. Term of the loan will be for 40 years at zero percent interest. This loan will be requested as deferred forgivable.

This application is for \$3,400,000 in funding from the Austin Housing Finance Corporation (City of Austin). The source of the funds is general obligation bond funding administered through the City's Rental Housing Developer Assistance program that is not Federal. The loan will be used for soft and hard costs. Terms of the loan will be for a minimum of 40 years at zero percent interest. The request is for a deferred forgivable loan because of the nature of the project as supportive housing with no hard debt.

The \$3,959,037 in Travis County ARPA funding has already been earmarked through a resolution approving the \$50,000,000 in ARPA funds to the Travis County Supportive Housing Collaborative – a group of seven local non-profits dedicated to serving unhoused Austinites. The developer partner – Capital A Housing – and the Travis County Supportive Housing Collaborative are working through the funding process with Travis County staff with loan docs for the individual collaborative partner development's to be available this summer.

Family Eldercare will make up the gap in sources with an owner equity commitment of \$415,910. This amount will be made up of fundraising to include a FHLB grant or a shifting of additional Travis County ARPA funds once all the budgets and capital stacks of the Collaborative projects have been finalized.

Permanent Sources and Uses

The developer is applying for \$3,400,000 in funding from the Austin Housing Finance Corporation (City of Austin). The source of the funds is general obligation bond funding administered through the City's Rental Housing Developer Assistance program that is not Federal. The loan will be used for soft and hard costs. Terms of the loan will be for a minimum of 40 years at zero percent interest. The loan is requested as deferred forgivable.

The developer is simultaneously applying for \$4,000,000 in TDHCA Multifamily Direct Loan funding under the Supportive Housing/Soft Repayment Set-Aside. Term of the loan will be for 40 years at zero percent interest. The loan will be requested as deferred forgivable.

The \$3,959,037 in Travis County ARPA funding has already been earmarked through a resolution approving the \$50,000,000 in ARPA funds to the Travis County Supportive Housing

Collaborative – a group of seven local non-profits dedicated to serving unhoused Austinites. As the construction costs are finalized over the summer, the grant amounts will be locked in and loan docs drafted.

Finally, Family Eldercare will make up the gap in sources with an owner equity commitment of \$415,910. This amount will be made up of fundraising to include a FHLB grant or a shifting of additional Travis County ARPA funds once all the budgets and capital stacks of the Collaborative projects have been finalized.

Travis County Commissioners Court

Resolution

- WHEREAS,** Travis County and the neighborhoods within are faced with a crisis of homelessness in our community while also experiencing the COVID-19 pandemic;
- WHEREAS,** the population of people experiencing homelessness or at risk of homelessness is diverse with varied and individual needs with people of color, people with disabilities, and veterans overrepresented in the population of people experiencing homelessness and couples, singles, the elderly, and families with young children are living in cars, in shelters, and in campsites which are now illegal locally and across Texas;
- WHEREAS,** many people experiencing homelessness or at risk of homelessness have no or very low income, lack safe places to sleep and bathe, and suffer ongoing health needs that often cause them to seek help repeatedly from expensive emergency services or to be arrested repeatedly for criminal trespass;
- WHEREAS,** Nationally and locally, evidenced based solutions to homelessness require a holistic approach known as supportive housing;
- WHEREAS,** Rapid Rehousing and Permanent Supportive Housing (PSH) are each types of supportive housing using rental units, such as apartments at Foundation Communities, LifeWorks or SAFE or nestled within market rate apartment complexes or tiny homes at Community First! Village and, in each instance, everyone pays rent and must abide by their lease;
- WHEREAS,** Travis County participates in a successful program that provides PSH for 20 justice involved tenants and is in negotiations with community partners to collectively provide PSH for 200 future tenants; and, Travis County contracts with several non-profit organizations and Integral Care to provide the supportive services, nonetheless, the community need for supportive housing has exceeded the County's or City of Austin's capacity to meet the need;
- WHEREAS,** the Travis County Housing Finance Corporation utilizes public financing tools and strategies to catalyze development of affordable housing and the supportive services people need to thrive;
- WHEREAS,** the Travis County Commissioners Court shares a commitment to use our partnerships to deepen affordability for long periods of time across the county, in areas that offer residents access to transportation, employment, doctors, and groceries;
- WHEREAS,** recently, community groups such as the Austin Chambers, Austin Justice Coalition, ECHO, and the Downtown Austin Alliance working alongside people with lived experience, service providers and city and county officials have come together and set a goal to rehouse 3,000 people over the next 3 years;

System and use a Coordinate Entry System to ensure equitable access to shelter, housing, and services;

WHEREAS, Rapid Rehousing and Permanent Supportive Housing requiring affordable and low barrier rental units, rental vouchers, support services, and case managers reflective of the diversity of the population served are the main strategies planned for meeting that goal;

WHEREAS, the budget necessary to meet the goal exceeds \$500,000,000 and requires a commitment of both public and private resources;

WHEREAS, Travis County has been allocated \$247,450,630 in Local Fiscal Recovery Funds through the American Recovery Plan Act (LFRF/ARPA) which can be used to address public health needs including affordable housing and strategies to rehouse people experiencing homelessness;

WHEREAS, community Stakeholders across Travis County have been working together for years to develop a system of outreach, housing, services, and collaboration designed to make homelessness rare, brief, and non-recurring, as evidenced in the 2017 Action Plan to End Homelessness, the ECHO report Addressing Racial Disparities in Austin/Travis County 2019, the Coordinated Community Plan to Prevent & End Youth Homelessness in Travis County, and the local report Locked Out: Criminal History Barriers to Affordable Rental Housing in Austin, Tx.;

WHEREAS, many individual community members have called and written Travis County leaders to urge that Travis County invest at least \$100,000,000 of LFRF/ARPA funds to address homelessness;

WHEREAS, any commitment of LCRF/ARPA funds by Travis County should be consistent with its financial policies and budget rules for use of one-time funds, and must include measurable outcomes;

WHEREAS, by acting now with a one-time investment of \$110,000,000 to form diverse partnerships with local non-profits and local developers, Travis County can boldly address homelessness by catalyzing the development of deeply affordable housing units and building a pipeline of supportive housing units dedicated for people experiencing homelessness at the scale needed to help meet the community's goal of rehousing 3000 people in 3 years;

WHEREAS, Foundation Communities and Mobile Loaves and Fishes/Community First! Village have requested that Travis County invest \$50,000,000.00 of LFRF/ARPA funds, to create the Burleson Village, a new supportive housing community for approximately 700 new residents;

WHEREAS, the Austin Area Urban League, Caritas, Family Eldercare, Integral Care, LifeWorks, A New Entry, and SAFE Alliance have formed the Travis County Supportive Housing Collaborative and have jointly requested that Travis County invest \$50,000,000 of its available LFRF/ARPA funds, to develop new affordable supportive housing communities at different geographic locations across the County, for approximately 1000 new residents;

WHEREAS, the Other Ones Foundation has successfully operated Camp Esperanza and is moving forward on its plans to construct 200 tiny homes at that site that will provide shelter for an estimated 300 persons and will include supportive services and rental assistance with a goal of rehousing 400 – 475 persons per year, in partnership with Sunrise Church, Integral Care and Travis County Constable Precinct 3;

WHEREAS, Foundation Communities has invested \$20,000,000 in its Juniper Creek Apartments project to provide affordable housing resources for 100 formerly homeless families with children and has committed to connecting these families to case management and supportive services to include childcare and healthcare and needs community partners to complete its project; and

WHEREAS, support of Burleson Village, the Travis County Supportive Housing Collaborative, Camp Esperanza, and Juniper Creek will create the Travis

County Supportive Housing Initiative Pipeline to deliver 2000 deeply affordable housing units; and

WHEREAS, it is crucial to the success of our system that each of these projects engage stakeholders with lived expertise and people who have been impacted by homelessness, community organizations, and the Leadership Council, which is the governing body of the continuum of care, so as to collect adequate input and ensure equitable outcomes for all investments of public funds; and

WHEREAS, community engagement on these projects has already begun and additional opportunities for public input are planned and public hearings will be held at the time that each of these individual projects are brought before the Court for consideration and approval.

NOW, THEREFORE, BE IT RESOLVED THAT THE TRAVIS COUNTY COMMISSIONERS COURT EARMARK \$110,000,000 OF LFRF/ARPA FUNDS TO CREATE THE TRAVIS COUNTY SUPPORTIVE HOUSING INITIATIVE PIPELINE (TCSHIP) INCLUDING BUT NOT LIMITED TO \$50M FOR THE BURLESON VILLAGE AND \$50M FOR PROJECTS TO BE DEVELOPED IN PARTNERSHIP WITH THE COLLABORATIVE, \$6.5M FOR THE JUNIPER CREEK APARTMENTS, AND \$3M FOR CAMP ESPERANZA.

BE IT FURTHER RESOLVED THAT, PRIOR TO SEEKING FINAL BUDGET APPROVAL FROM THE COURT, ALL PROJECTS SHALL COMPLETE A COMMUNITY ENGAGEMENT PROCESS IN ACCORDANCE WITH EXHIBIT A, ENGAGING IN AN INCLUSIVE PROCESS WITH KEY STAKEHOLDERS TO ENSURE EQUITABLE OUTCOMES FOR THE CLIENTS AND COMMUNITY, AND RESPOND TO THE QUESTIONS PROVIDED THEREIN.

BE IT FURTHER RESOLVED THAT PROJECTS MUST BE CULTURALLY COMPETENT, EQUITABLE, AND INTENTIONAL IN ADDRESSING RACIAL AND OTHER DISPARITIES IN TREATMENT AND SERVICE, INCLUDING PROVIDING ADEQUATE INFRASTRUCTURE FOR PEOPLE WITH DISABILITIES, ELDERLY PEOPLE, TRANS AND NONBINARY PEOPLE, PEOPLE WITH SPECIAL NEEDS AND FORMERLY INCARCERATED PEOPLE.

BE IT FURTHER RESOLVED THAT PROJECTS MUST COORDINATE WITH THE AUSTIN/TRAVIS COUNTY CONTINUUM OF CARE AND SERVE CONTINUUM OF CARE CLIENTS IN ORDER TO BUILD OUT A COMMUNITY-WIDE SYSTEM OF CARE AND SUPPORT ONGOING WORK BY TRAVIS COUNTY TO ADDRESS HOMELESSNESS.

SIGNED AND ENTERED THE 14th DAY OF SEPTEMBER 2021.

EXHIBIT A

ENGAGING IN AN INCLUSIVE PROCESS WITH KEY STAKEHOLDERS TO ENSURE EQUITABLE OUTCOMES FOR THE CLIENTS AND COMMUNITY.

Conduct an engagement process that includes key stakeholders from:

- People with lived expertise/impacted by homelessness
- BIPOC-led community groups and organizations
- Other service providers/collaborators in the Continuum of Care, that is tasked with coordinating housing and services funding for homeless families and individuals in Travis County and the City of Austin
- Homelessness Response System Leadership Council - The Governing Body of the Continuum of Care formed of representatives from Travis County, the City of Austin, homelessness service providers, leaders with lived experience, and other representatives

People with lived expertise being unhoused should be justly compensated for their time in providing feedback and engaging with these concerns.

The process should answer the following questions:

- How will this project align with the community's desired goals and values, including the goal of equitably housing at least 3,000 unhoused people in the next 3 years. What percentage of the units developed will serve Continuum of Care clients, to ensure a robust interagency, cross-sector approach to addressing homelessness, as recommended by the United States Interagency Council on Homelessness (USICH)?
- How will this project collaborate, share data, and cooperate with other service providers, and encourage a system-wide approach to addressing homelessness, including relying on a coordinated entry process as recommended by USICH?
- How will this process be culturally competent, equitable, and intentional in addressing racial disparities in treatment and service? Will Black and Brown leaders, service providers, case workers, or caregivers be attached to this project?
- What, if any, screening criteria will be used to determine eligibility for housing and service provision under the proposed project? What, if any, terms will be applied to determine whether a person loses access to housing or services being provided under the proposed project? What process may be available for tenants to follow to help them stay stably housed in the event set terms (see previous question) are violated?
- How will this plan create access to opportunities and resources for unhoused people, including necessary support and wraparound services
- How will this project adequately serve people with disabilities, elderly people, trans and nonbinary people, and people with special needs?
- How will the projects funded be evaluated and how will course corrections be made to ensure equitable outcomes are met, including the above contingencies, and that the projects are impacting the most vulnerable in our community
 - Will the County require quarterly/monthly reports on the project outcomes once launched?
 - What are the long-term compliance requirements for the life of the project?
- How will projects adhere to the Austin/Travis County Reentry Roundtable's "Texas Criminal Background Screening Guide for Rental Housing Providers" April 2018 report?

Re: Application for construction financing for the Rosewood II, Austin, Texas

Dear Mr. Herring,

The Texas State Affordable Housing Corporation is conducting its initial review of your application for construction financing for the Rosewood II in Austin, Texas. Although we have not completed underwriting, we are happy to provide this Letter of Interest. Your application will require additional review and approval from our loan committee and board before a commitment can be issued. This letter is not to be considered a commitment of funding on behalf of the Corporation.

At this time the proposed construction loan has been underwritten at the principal amount of up to \$420,000, with an interest rate of 3.00% for a term of two years. Interest payments will be due on a monthly basis on the outstanding principal amount drawn. A final payment of the outstanding principal and interest, if any, will be due on the Maturity Date two years after the loan is closed.

We acknowledge the following additional anticipated sources:

- \$4,000,000 deferred, forgivable loan from TDHCA Multifamily Direct Loan Program
- \$3,400,000 deferred, forgivable loan from Austin Housing Finance Corporation - RHDA program
- \$3,959,037 in grant funding from Travis County SLFRF ARP
- \$415,910 in owner equity from Family Eldercare, Inc.

Please let us know if you need any additional information. We are very happy to be working with you on the Rosewood II Apartment project and look forward to moving forward with our approvals.

Sincerely,

A handwritten signature in black ink, appearing to read 'David Danenfelzer', is written over a light blue horizontal line.

Re: TDHCA #22511 – Rosewood II
Owner Contribution

Dear Mr. Campbell:

Family Eldercare, Inc., a mission-driven charitable nonprofit organization, is committed and fully prepared to provide \$415,910 as a permanent owner's contribution to the Rosewood II development. Family Eldercare, Inc. certifies that these funds are and will remain readily available at Commitment and until the required investment is completed. Since Rosewood II will not carry third-party permanent debt, owner contributions are a critical piece of the funding stack. It is very customary for mission-based, service-enriched housing developed by non-profits to have their own funding paired with fundraising as a substantial piece of their permanent funding stack.

Family Eldercare, Inc. has a stellar track record of fundraising as evidenced by this sample of large governmental and private donations:

- Grants
 1. St David's Foundation : \$1,628,397
 2. Moody Foundation : \$450,000
 3. Smith Charitable Foundation: \$290,000
- Anonymous Individual : \$40,000
- Anonymous individual : \$27,500
- Anonymous Individual : \$22,000

Family Eldercare, Inc. is able to make these owner contributions due to its strong fundraising history and fiscal oversight. Past large foundation donors include: St. David's Foundation, Moody Foundation, May and Stanley Smith Foundation, Topfer Foundation, Sheild-Ayers Foundation, Isla Carroll Turner Friendship Trust, The Hammill Foundation, Lola Wright Foundation, Montandon Charitable Trust, Texas Bar Foundation, Texas Women's Lawyers Foundation, Friedel Family Foundation, and many others.

The owner contribution represents less than 5% of the Total Housing Development Cost; therefore, documentation as required by §11.204(7)(C) is not included.

Sincerely,

Kent Herring, Chief Executive Officer
Family Eldercare, Inc.

Re: Rosewood II Market Study
2824 and 2826 Real Street
Austin, Travis County, Texas 78722

Dear Ms. Banker:

At your request, Novogradac Consulting LLP has performed a study of the rental market in the Austin, Travis County, Texas area relative to the above-referenced proposed new construction Multifamily Direct Loan (MFDL) Program HOME and National Housing Trust Fund (NHTF) project known as Rosewood II (Subject).

The purpose of this market study is to assess the viability of the Subject, a proposed HOME and NHTF new construction multifamily age-restricted housing development. The Subject will offer a total of 60 studios set aside at 30 and 50 percent of Area Median Income (AMI) and targeted to senior households aged 62 and older.

The following report provides support for the findings of the study and outlines the sources of information and the methodologies used to arrive at these conclusions. Ibrahim Alvi inspected the Subject on March 16, 2022, which will serve as the effective date of this report. All persons signing this report have read and understand the requirements of the Texas Department of Housing and Community Affairs (TDHCA) 2022 Real Estate Analysis Rules and Guidelines. The scope of this report includes the following:

- Inspection of the Subject, Comparable Properties, and Neighborhood
- Project Description
- Delineation of the Market Area(s)
- Market Area Economy and Demographic Summary
- A Competitive Rental Market Analysis
- Demand Analysis
- Recommendations/Conclusions
- Photographs
- Market Analyst Qualifications

This report contains, to the fullest extent possible and practical, explanations of the data, reasoning, and analyses that were used to develop the opinions contained herein. The depth of discussion contained in the report is specific to the needs of the client and the requirements of the TDHCA. The report and the conclusions are subject to the *Assumptions and Limiting Conditions* attached.

Rosewood II

The National Council of Housing Market Analysts (NCHMA) is a professional organization chartered to promote the development of high-quality market analysis for the affordable housing industry. Novogradac is a charter member of this organization. NCHMA has compiled model content standards for market studies. This report generally conforms to those standards. Any slight modifications or departures from those standards are considered incidental and result from client specific needs. Additionally, Novogradac is an approved Qualified Market Analyst as defined by TDHCA.

Capital A Housing is the client of this report and TDHCA is granted full authority to rely on the findings of the report. Novogradac Consulting LLP is a disinterested party and will not materially benefit from the Development in any other way than receiving a fee for performing the Market Analysis, and the fee is in no way contingent upon the outcome of the Market Analysis. All persons signing this report have read and understand the requirements of the Texas Department of Housing and Community Affairs (TDHCA) 2022 Real Estate Analysis Rules and Guidelines, which are the most recent available, particularly Section 11.303.

The authors of this report certify that we are not part of the development team, owner of the Subject property, general contractor, nor are we affiliated with any member of the development team engaged in the development of the Subject property or the development's partners or intended partners. Any person signing this Report acknowledges that the Department may publish the full report on the Department's website, release the report in response to a request for public information and make other use of the as authorized by law.

Please do not hesitate to contact us if there are any questions regarding the report or if Novogradac Consulting LLP can be of further assistance. It has been our pleasure to assist you with this assignment.

Respectfully submitted,
Novogradac Consulting LLP

II. ASSUMPTIONS AND LIMITING CONDITIONS

ASSUMPTIONS AND LIMITING CONDITIONS

1. In the event that the client provided a legal description, building plans, title policy and/or survey, etc., the consultant has relied extensively upon such data in the formulation of all analyses.
2. The legal description as supplied by the client is assumed to be correct and the author assumes no responsibility for legal matters, and renders no opinion of property title, which is assumed to be good and merchantable.
3. All encumbrances, including mortgages, liens, leases, and servitudes, were disregarded in this valuation unless specified in the report. It was recognized, however, that the typical purchaser would likely take advantage of the best available financing, and the effects of such financing on property value were considered.
4. All information contained in the report which others furnished was assumed to be true, correct, and reliable. A reasonable effort was made to verify such information, but the author assumes no responsibility for its accuracy.
5. The report was made assuming responsible ownership and capable management of the property.
6. The sketches, photographs, and other exhibits in this report are solely for the purpose of assisting the reader in visualizing the property. The author made no property survey, and assumes no liability in connection with such matters. It was also assumed there is no property encroachment or trespass unless noted in the report.
7. The author of this report assumes no responsibility for hidden or unapparent conditions of the property, subsoil or structures, or the correction of any defects now existing or that may develop in the future. Equipment components were assumed in good working condition unless otherwise stated in this report.
8. It is assumed that there are no hidden or unapparent conditions for the property, subsoil, or structures, which would render it more or less valuable. No responsibility is assumed for such conditions or for engineering, which may be required to discover such factors.
9. The investigation made it reasonable to assume, for report purposes, that no insulation or other product banned by the Consumer Product Safety Commission has been introduced into the Subject premises. Visual inspection by the consultant did not indicate the presence of any hazardous waste. It is suggested the client obtain a professional environmental hazard survey to further define the condition of the Subject soil if they deem necessary.
10. A valuation estimate for a property is made as of a certain day. Due to the principles of change and anticipation the value estimate is only valid as of the date of valuation. The real estate market is non-static and change and market anticipation is analyzed as of a specific date in time and is only valid as of the specified date.
11. Possession of the report, or a copy thereof, does not carry with it the right of publication, nor may it be reproduced in whole or in part, in any manner, by any person, without the prior written consent of the author particularly as to value conclusions, the identity of the author or the firm with which he or she is connected. Neither all nor any part of the report, or copy thereof shall be disseminated to the general public by the use of advertising, public relations, news, sales, or other media for public communication without the prior written consent and approval of the consultant. Nor shall the consultant, firm, or professional organizations of which the consultant is a member be identified without written consent of the consultant.

12. Disclosure of the contents of this report is governed by the Bylaws and Regulations of the professional appraisal organization with which the consultant is affiliated: specifically, the Appraisal Institute.
13. The author of this report is not required to give testimony or attendance in legal or other proceedings relative to this report or to the Subject unless satisfactory additional arrangements are made prior to the need for such services.
14. The opinions contained in this report are those of the author and no responsibility is accepted by the author for the results of actions taken by others based on information contained herein.
16. All applicable zoning and use regulations and restrictions are assumed to have been complied with, unless nonconformity has been stated, defined, and considered in the appraisal report.
17. It is assumed that all required licenses, permits, covenants or other legislative or administrative authority from any local, state, or national governmental or private entity or organization have been or can be obtained or renewed for any use on which the value estimate contained in this report is based.
18. On all appraisals, subject to satisfactory completion, repairs, or alterations, the appraisal report and value conclusions are contingent upon completion of the improvements in a workmanlike manner and in a reasonable period of time. A final inspection and value estimate upon the completion of said improvements should be required.
19. All general codes, ordinances, regulations or statutes affecting the property have been and will be enforced and the property is not subject to flood plain or utility restrictions or moratoriums, except as reported to the consultant and contained in this report.
20. The party for whom this report is prepared has reported to the consultant there are no original existing condition or development plans that would subject this property to the regulations of the Securities and Exchange Commission or similar agencies on the state or local level.
21. Unless stated otherwise, no percolation tests have been performed on this property. In making the appraisal, it has been assumed the property is capable of passing such tests so as to be developable to its highest and best use, as detailed in this report.
22. No in-depth inspection was made of existing plumbing (including well and septic), electrical, or heating systems. The consultant does not warrant the condition or adequacy of such systems.
23. No in-depth inspection of existing insulation was made. It is specifically assumed no Urea Formaldehyde Foam Insulation (UFFI), or any other product banned or discouraged by the Consumer Product Safety Commission has been introduced into the appraised property. The consultant reserves the right to review and/or modify this appraisal if said insulation exists on the Subject.
24. Acceptance of and/or use of this report constitute acceptance of all assumptions and the above conditions. Estimates presented in this report are not valid for syndication purposes.

III. PROJECT DESCRIPTION

PROJECT DESCRIPTION

DESCRIPTION OF THE SITE

The location of an apartment community can have a substantial negative or positive impact upon the performance, safety, and appeal of the project. The following site description will discuss the physical features of the site, as well as the layout, access issues, and traffic flow.

Identification: The Subject property is a proposed HOME and NHTF new construction multifamily age-restricted housing development to be located at 2824 and 2826 Real Street in Austin, Texas. The site is currently improved with a small shed that will be demolished prior to construction. According to the Travis Central Appraisal District, the Subject site consists of two subdivided parcels defined as Property IDs 204171 and 204172. The Subject is located in Census Tract 48453000402, which is not a 2022 Qualified Census Tract. The Subject will be accessible from a driveway on the north side of Real Street.

Site Location: The following image was taken from Google Earth and details the boundaries of the Subject site.

Source: Google Earth, March 2022

Shape/Size: The Subject site is irregular in shape. According to the site plan provided by the developer, the Subject site is approximately 0.55 acres, or 24,000 square feet.

- Zoning:** The Subject site is located in Austin, Texas. According to the Austin Planning and Zoning Department, the Subject site is currently zoned Transit Oriented Development – Neighborhood Plan Combining District (TOD-NP). Typical uses in the Transit Oriented Development District include single-family residential, townhouse residential, lowrise condominium residential, multifamily residential, and neighborhood retail and office uses, as well as mixed-use buildings. The average density ranges from approximately 15 to 25 dwelling units per acre, and the typical building height is one to six stories. The NP designation indicates the property is part of a neighborhood plan, and modifies use and site development regulations to address specific circumstances presented by a site. Therefore, the permitted density for the Subject will be contingent on individual development approval, and we assume the Subject will be successfully approved as proposed. Overall, the development will represent a legal, conforming use, upon completion.
- Flood Plain:** According to FEMA flood map number 48453C0465K, dated January 22, 2020, the Subject site is located in Zone X. Zone X is defined as an area outside the 100- and 500-year floodplains. Further analysis is beyond the scope of this market study and Novogradac Consulting LLP's expertise.
- Topography:** The site exhibits generally level topography.
- Utilities:** All utilities are available to the Subject site.
- Visibility/Views:** The Subject has fair visibility from Real Street. Views to the north of the Subject site consist of single-family homes in average condition. Views to the immediate east and south consist of commercial uses that will be demolished for the construction of a market rate development. Views farther east consist of a vacant commercial use. Views farther south consist of Hospice Austin's Christopher House, a Texas Workforce Commission building, and MLK Highline, a luxury market rate multifamily property in the final stages of construction. Views to the west consist of Heritage Park Rehabilitation and Skilled Nursing Center. Overall, visibility and views are considered average.
- Access/Traffic Flow:** The Subject will be accessible from a driveway on the north side of Real Street. Real Street is a short, lightly trafficked road that traverses east/west and intersects with Alexander Avenue just east of the Subject. Alexander Avenue is a light to moderately trafficked road that traverses north/south and intersects with E Martin Luther King Jr Boulevard approximately 0.2 miles southwest of the Subject. E Martin Luther King Jr Boulevard is a moderately trafficked four-lane road that traverses east/west through Austin and provides access to Interstate 35 via Interstate 35 Frontage Road approximately 1.1 miles west of the Subject. Interstate 35 is a heavily trafficked north/south traversing highway that provides access to Dallas approximately 200 miles to the northeast and San Antonio approximately 90 miles to the southwest. Overall, access is considered average, and traffic flow is light to moderate in the Subject's immediate area.
- Detrimental Influences:** No detrimental influences were observed at the time of the inspection that would adversely impact the marketability of the Subject.

Ownership History:

According to the Travis Central Appraisal District, the Subject's two parcels are each subdivided. Current ownership of the Subject's two subdivided parcels is vested in 2824/2826 Real Horizon Investors LP (2824 and 2826 Real Street). 2824/2826 Real Horizon Investors LP purchased 2824 Real Street from 2824 Real LP on December 9, 2021, and purchased 2826 Real Street from Real LLC on December 9, 2021. There have been no known transfers of the subdivided parcels in the past three years.

Conclusion:

The Subject site is considered to be in a desirable location for multifamily use and is physically capable of supporting a variety of legally permissible uses.

DESCRIPTION OF THE IMPROVEMENTS

Property Improvements: The Subject is a proposed 60-unit multifamily age-restricted housing development that will offer studio HOME and NHTF units to senior households aged 62 and older earning 30 and 50 percent of the AMI, or less. The site is currently improved with a small shed that will be demolished prior to construction.

Subject site

Subject site

Number of Stories: The Subject will consist of one four-story elevator-serviced lowrise residential building.

Date of Construction: The anticipated completion date for the Subject is August 2024. However, the Subject will begin lease-up in July 2024.

Proposed Rents: The following table details the proposed unit mix, unit sizes, and the proposed HOME and NHTF rents.

PROPOSED RENTS

Unit Type	Unit Size (SF)	Number of Units	Asking Rent	Utility Allowance (1)	Gross Rent	2021 HOME Maximum Allowable Gross Rent	2021 NHTF Maximum Allowable Gross Rent	2021 HUD Fair Market Rents
@30% (NHTF)								
OBR / 1BA	363	31	\$520	\$0	\$520	-	\$520	\$1,059
@50% (HOME)								
OBR / 1BA	363	29	\$866	\$0	\$866	\$866	-	\$1,059
		60						

Notes (1) Source of Utility Allowance provided by the Developer.

As indicated in the above table, the proposed HOME and NHTF rents at 30 and 50 percent of the AMI are set at the 2021 maximum allowable rent limits.

Community Amenities: The Subject’s common area amenities will include a business center/computer lab, clubhouse/meeting room/community room, courtyard,

elevators, exercise facility, central laundry, off-street parking, on-site management, service coordination, theatre, and Wi-Fi.

- Unit Amenities:** The Subject's unit amenities will include blinds, cable/satellite/internet, carpeting, central air conditioning, ceiling fans, microwaves, ovens, and refrigerators.
- Resident Services:** The Subject will offer a range of supportive services provided by Family Eldercare. Services provided will cover housing and community services, health and wellness, and advocacy and outreach, and may include benefits enrollment and management, homeless prevention, food assistance, in-home counseling, and social programs.
- Security Features:** The Subject will offer limited access and video surveillance as security features.
- Parking:** The Subject will offer seven off-street surface parking spaces at no additional charge. This equates to a parking ratio of approximately 0.12 spaces per unit, which appears adequate given the Subject's tenant base and proximity to public transportation. It should be noted the Subject will receive a 100 percent parking adjustment based on the affordable nature of the Subject.
- Utility Structure:** The landlord will be responsible for all utility expenses at the Subject, including electric cooking, heating and cooling, and water heating expenses, as well as cold water, sewer, and trash expenses.
- Quality of Construction & Deferred Maintenance:** We assume the property will be constructed in a timely manner consistent with the information provided, using good quality materials in a workmanlike manner.
- Condition:** The Subject will be in excellent condition upon completion.
- Conclusion:** The Subject will be the new construction of an affordable multifamily age-restricted housing development. The Subject will not suffer from functional or physical obsolescence and will provide good utility for its intended use.

IV. PRIMARY & SECONDARY MARKET INFORMATION

PRIMARY & SECONDARY MARKET INFORMATION

REGIONAL AND LOCAL AREA SUMMARY

The Subject is located in Austin, Travis County, Texas. As of the 2020 U.S. Census, the total population of Austin was 961,855. The Primary Market Area (PMA) primarily encompasses a central portion of Austin in Travis County.

Based on TDHCA guidelines, the boundaries of the PMA were defined by census tracts. Thus, for the purposes of this study, the Subject's Primary Market Area (PMA) is comprised of the following census tracts:

PMA CENSUS TRACTS			
48453000306	48453000803	48453002104	48453002110
48453000307	48453000804	48453002105	48453002111
48453000401	48453000901	48453002106	48453002112
48453000402	48453000902	48453002107	48453002113
48453000801	48453001811	48453002108	
48453000802	48453001812	48453002109	

General boundaries of this PMA include:

- North: U.S. Route 183
- South: Colorado River and E Cesar Chavez Street
- East: U.S. Route 183 and Colorado River
- West: Interstate 35, San Jacinto Boulevard, and Airport Boulevard

This area comprises a central portion of Austin in Travis County, and was defined based upon conversations with local property managers and city officials, as well as commuting patterns, major roadways, and overall similarities in market characteristics observed during the field inspection. These boundaries were determined based on where we believe tenants would be willing to relocate from based on our conversations with local property managers and city officials, as well as commuting patterns, major roadways, and overall similarities in market characteristics observed during the field inspection.

There is no more logical of a PMA than the one determined. We believe the proximity of the Subject to suburban Austin with many amenities and its location near Interstate 35 would attract tenants from surrounding rural communities. We believe the excellent quality of the Subject will attract tenants to Austin. The PMA does not cross county lines, and is part of the Austin-Round Rock, TX MSA. The Area Median Income (AMI) in Travis County is \$98,900 as of 2021. It is assumed that more than 90 percent of the income-qualified and size-eligible household demand for the Subject will be generated from within the PMA. A map of the PMA follows. Per TDHCA guidelines, the base year (2022) population of the PMA is 98,308, and does not exceed 100,000 persons.

In order to determine appropriate boundaries for the PMA and MSA, we interviewed local market participants, as well as researched other recent housing studies to define our boundaries. We attempted to contact Austin Chamber of Commerce Economic Development to discuss Austin housing supply and demand. However, as of the date of this report, our phone calls have not been returned. Based on our research, we identified residential development concentrated along Interstate 35 in central Austin.

ROSEWOOD II – AUSTIN, TEXAS – MARKET STUDY

To finalize the PMA boundaries, we supplemented our interviews and published housing data research with census data for where employees work versus where they live. The following data from the U.S. Census Bureau’s OnTheMap tool illustrates worker inflow and outflow for the Subject’s zip code.

Source: U.S. Census Bureau, March 2022

According to Census statistics, there are 2,542 persons that do not live in the Subject’s zip code (78722), but commute to the Subject’s zip code for work. This indicates a significant potential demand source for the Subject from a market area outside of the Subject’s zip code. To provide additional support, we have also looked at commuting patterns for residents living in the Subject’s zip code as well as for residents that work in the Subject’s zip code but do not live within the Subject’s zip code.

Works in the Subject’s zip code but lives outside the Subject’s zip code:

Source: U.S. Census Bureau, March 2022

As indicated above, the majority of commuters come from within Austin, as well as northern and southwestern Travis County. Further, the Subject’s zip code’s residents also commute to other parts of Austin and surrounding areas for employment, as illustrated below.

Lives in the Subject's zip code but works outside the Subject's zip code:

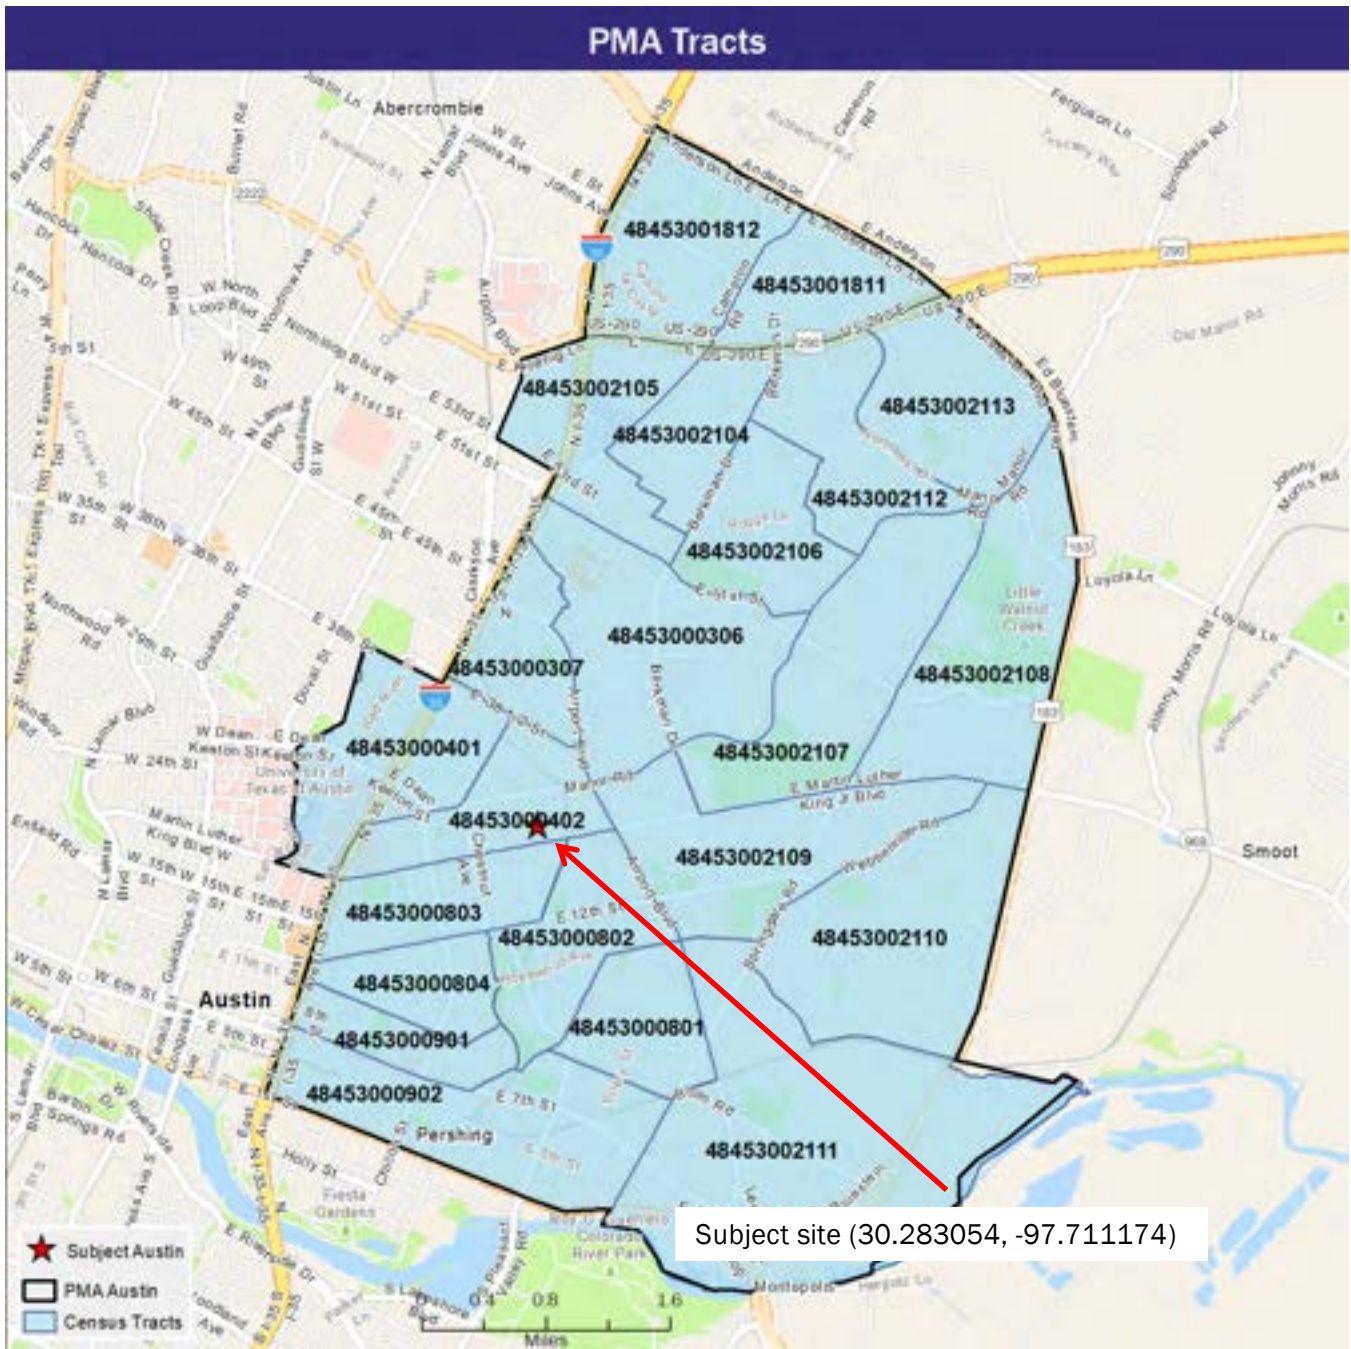

Source: U.S. Census Bureau, March 2022

Thus, based on this data, we believe the majority of workers commuting to the Subject's zip code are coming from the southwest Austin area.

Based on this data, we believe this indicates that non-local market area residents working in the PMA would consider a property similar to the Subject as a viable option. Thus, we have considered these employment and commuting trends in defining the Subject's Primary Market Area. While the PMA encompasses a relatively large area, the data provided above supports that the Subject would draw tenants from parts of southwestern Austin in general.

PMA Map – Census Tracts

The PMA encompasses approximately 19 square miles.

Census tracts included in the PMA:

PMA CENSUS TRACTS			
48453000306	48453000803	48453002104	48453002110
48453000307	48453000804	48453002105	48453002111
48453000401	48453000901	48453002106	48453002112
48453000402	48453000902	48453002107	48453002113

PMA Map – Subject and Comparables

Source: Google Earth, March 2022

SMA Map

The Secondary Market Area (SMA) is defined as the Austin-Round Rock, TX Metropolitan Statistical Area (MSA), which encompasses approximately 7,081 square miles. The MSA has been defined for demographic comparison purposes only.

Source: Google Earth, March 2022

All of the census tracts included in the PMA are also included in the MSA.

ECONOMIC ANALYSIS

Employment Growth

The following table details employment and unemployment trends for the MSA and nation from 2005 to December 2021.

EMPLOYMENT & UNEMPLOYMENT TRENDS (NOT SEASONALLY ADJUSTED)

Year	Austin-Round Rock, TX MSA				USA			
	Total Employment	% Change	Unemployment Rate	Change	Total Employment	% Change	Unemployment Rate	Change
2005	764,752	-	4.6%	-	141,730,000	-	5.1%	-
2006	789,135	3.2%	4.2%	-0.4%	144,427,000	1.9%	4.6%	-0.5%
2007	813,165	3.0%	3.7%	-0.5%	146,047,000	1.1%	4.6%	0.0%
2008	828,014	1.8%	4.4%	0.6%	145,363,000	-0.5%	5.8%	1.2%
2009	827,642	0.0%	6.9%	2.5%	139,878,000	-3.8%	9.3%	3.5%
2010	866,291	4.7%	7.1%	0.2%	139,064,000	-0.6%	9.6%	0.3%
2011	894,673	3.3%	6.8%	-0.2%	139,869,000	0.6%	9.0%	-0.7%

2019	1,205,590	3.5%	2.7%	-0.3%	157,538,000	1.1%	3.7%	-0.2%
2020	1,165,986	-3.3%	6.2%	3.5%	147,795,000	-6.2%	8.1%	4.4%
2021 YTD Average*	1,234,957	5.9%	4.3%	-2.0%	152,580,667	3.2%	5.4%	-2.7%
Dec-2020	1,202,616	-	4.9%	-	149,613,000	-	6.5%	-
Dec-2021	1,290,031	7.3%	2.9%	-2.0%	155,732,000	4.1%	3.7%	-2.8%

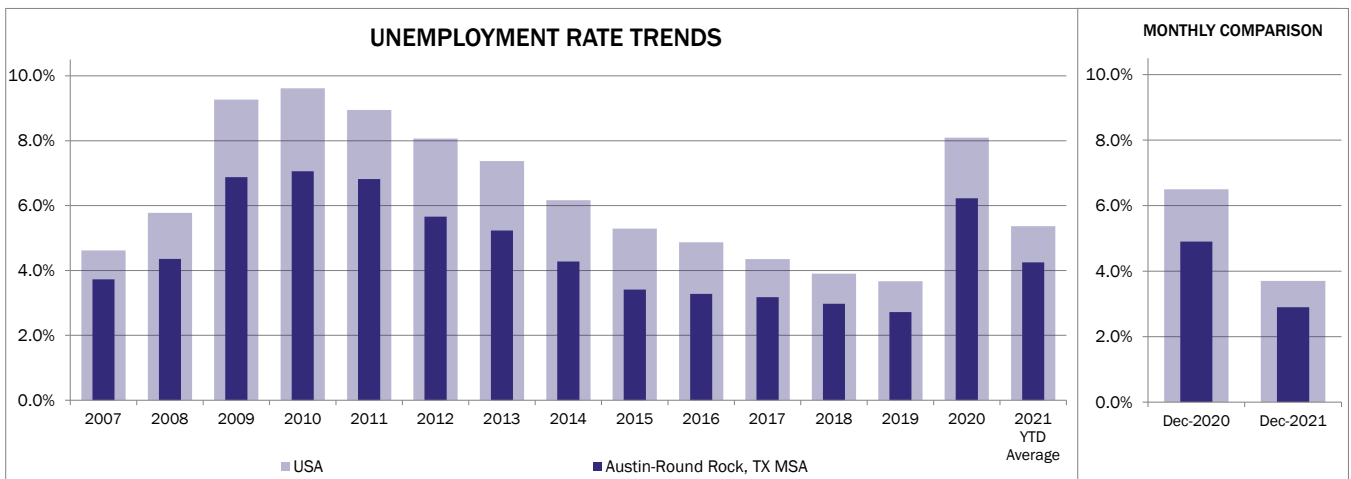

Source: U.S. Bureau of Labor Statistics, March 2022

*2021 data is through December

During the period preceding the onset of COVID-19 (2012 - 2019), employment growth in the MSA exceeded the nation in every year. Employment in the MSA declined by 3.3 percent in 2020 amid the pandemic, compared to a 6.2 decline percent across the nation. The MSA subsequently recovered all pandemic-related job losses, and employment levels are currently at a post-recessionary record. As of December 2021, employment in the MSA is increasing at an annualized rate of 7.3 percent, compared to 4.1 percent growth across the nation.

During the period preceding the onset of COVID-19 (2012 - 2019), the MSA experienced a lower unemployment rate relative to the nation in every year. The MSA unemployment rate increased by 3.5 percentage points in 2020 amid the pandemic, reaching a high of 6.2 percent. For comparison, the national unemployment rate rose by 4.4 percentage points and reached a high of 8.1 percent over the same time period. According to the latest labor statistics, dated December 2021, the current MSA unemployment rate is 2.9 percent. This is well below the COVID highs of 2020, and below the current national unemployment rate of 3.7 percent. Overall, the local area economy is recovering from the economic impacts of the COVID-19 pandemic, as employment is increasing, and the unemployment rate is decreasing.

ROSEWOOD II – AUSTIN, TEXAS – MARKET STUDY

Employment by Industry

The following table illustrates employment by industry for the PMA and the nation as of 2021.

2021 EMPLOYMENT BY INDUSTRY

Industry	PMA		USA	
	Number Employed	Percent Employed	Number Employed	Percent Employed
Prof/Scientific/Tech Services	7,223	13.6%	13,005,287	8.3%

Source: Esri Demographics 2021, Novogradac Consulting LLP, March 2022

Employment in the PMA is concentrated in the professional/scientific/technical services, educational services, and construction industries, which collectively comprise 36.5 percent of local employment. Relative to the overall nation, the PMA features comparatively greater employment in the professional/scientific/technical services, construction, and educational services industries. Conversely, the PMA is underrepresented in the manufacturing, healthcare/social assistance, and transportation/warehousing industries.

Major Employers

The following table lists the major employers for the greater Austin area.

MAJOR EMPLOYERS - GREATER AUSTIN, TX AREA

Employer Name	Industry	# Of Employees
Apple	Prof/Sci/Tech	6,000+
Ascension Seton	Healthcare	6,000+
Austin ISD	Education	6,000+
City of Austin	Government	6,000+
Dell Technologies	Prof/Sci/Tech	6,000+

Visa	Prof/Sci/Tech	2,000-5,999
Whole Foods Market	Grocery Retail	2,000-5,999

Source: Austin Chamber of Commerce, March 2022

The major employers in the greater Austin area are concentrated in the professional/scientific/technical services, healthcare, education, and government industries, with other major employers in the manufacturing, telecommunications, finance, real estate, and retail industries. The healthcare and education industries are historically stable industries, while professional/scientific/technical services and government industries are historically more volatile. The major employers represent relatively diverse employment industries. It is noted that Tesla's new manufacturing plant began operations in early 2022. A grand opening is planned for April 2022 and the manufacturing plant could eventually employ up to 10,000 employees.

Employment Contractions/Expansions

We previously spoke with Christina Yeckley, Economic Development Coordinator with Austin Chamber of Commerce Economic Development Department, in order to obtain information regarding employment expansions and contractions in the area. Ms. Yeckley directed us to the Austin Chamber of Commerce website which details several business openings and expansions. Based on our research, we identified the following expansion activity in the greater Austin area.

EXPANSIONS AND OPENINGS IN AUSTIN, TX MSA JAN 2022 - 2022 YTD

Company	Industry	Jobs Created	Location	Type
ATX Specialty Foods	Manufacturing	36	Austin	Expanded
Cumberland Additive	Manufacturing	27	Austin	Expanded
Energy Exploration Technologies	Prof/Sci/Tech	30	Austin	Expanded
Facebook	Prof/Sci/Tech	400	Austin	Expanded
Moov Technologies	Prof/Sci/Tech	40	Austin	New
Oni Studios	Entertainment	50	Austin	Expanded
Portnox	Prof/Sci/Tech	22	Austin	New
SparkCognition	Prof/Sci/Tech	100	Austin	Expanded
Tecovas	Retail Trade	50	Austin	Expanded
Torc Robotics	Prof/Sci/Tech	40	Austin	New
U.S. AutoForce	Distribution Center	100	Austin	New

Source: Austin Chamber of Commerce, March 2022

Additionally, Ms. Yeckley reported that a total of 109 businesses expanded in the greater Austin area, while more than 87 new business opened 2021. Ms. Yeckley noted that more than 26,500 jobs were created throughout 2021, citing professional/scientific/technical companies as a growing industry.

WARN Notices

The Worker Adjustment and Retraining Notification Act (WARN) provides protection to workers, their families, and communities by requiring employers to provide notification 60 calendar days in advance of plant closings and mass layoffs. We reviewed publications by the Texas Workforce Commission listing WARN (Worker Adjustment and Retraining Notification Act) notices since 2021. These layoffs are illustrated in the following table.

WARN LISTINGS - TRAVIS COUNTY, TX

Company	Industry	Employees Affected	Layoff Date
CSG Systems, Inc.	Prof/Sci/Tech	57	6/30/2021
Leidso-VA Austin IT Center	Prof/Sci/Tech	140	6/6/2021
Fresenius Health Partners	Healthcare	121	5/31/2021
ART Asset	Finance	5	4/23/2021
Southwest	Airlines and Aviation	77	3/15/2021
Baylor Scott & White Health	Healthcare	62	3/3/2021
Hilton-Austin	Hospitality	64	2/18/2021
Parsley Energy, Inc.	Oil and Gas	234	2/8/2021
EVO Transportation	Transportation	104	1/9/2021
Total		864	

Source: Texas Workforce Commission, March 2022

As illustrated in the previous table, there were 864 layoffs reported between 2021 and year-to-date 2022. Due to the size of the Austin area labor market, these recent WARN filings are not anticipated to substantively affect total employment in the PMA or MSA as overall job growth has far exceeded these losses.

POPULATION, HOUSEHOLD, AND INCOME TRENDS

The following section provides an analysis of the demographic characteristics within the Subject's market area. Data such as population, households, and growth patterns are studied to determine if the PMA and the MSA are areas of growth or contraction. Based on TDHCA guidelines, the following demographic data includes projections for the Subject's market entry date. It should be noted that per TDHCA guidelines, demographic data for a five-year period with the year of application as the base year must be included. The base year is considered the year the application for the development is submitted, which would be 2022 for the Subject; therefore, estimates are available for 2021, as of the date of this report.

Population

The table below illustrates the total population in the PMA, MSA, and the nation from 2000 through 2026.

POPULATION

Year	PMA		Austin-Round Rock, TX MSA		USA	
	Number	Annual	Number	Annual	Number	Annual
2000	93,423	-	1,238,290	-	280,304,282	-
2010	77,059	-1.8%	1,716,289	3.9%	308,745,538	1.0%
2021	98,308	2.5%	2,356,867	3.3%	333,934,112	0.7%
Projected Mkt Entry July 2024	105,795	2.5%	2,547,711	2.7%	341,106,142	0.7%
2026	110,786	2.5%	2,674,940	2.7%	345,887,495	0.7%

Source: Esri Demographics 2021, Novogradac Consulting LLP, March 2022

The PMA experienced declining population growth between 2000 and 2010, and lagged behind the surrounding MSA, which reported positive growth over the same time period. However, population growth in the broader MSA also exceeded the nation during the same time period. Population growth in the PMA increased significantly between 2010 and 2021, however, still grew by less than the MSA. According to ESRI demographic projections, annualized PMA growth is expected to remain relatively stable at 2.5 percent through 2026, similar to the MSA and well above the overall nation.

Senior Population (62+)

The table below illustrates the total senior population in the PMA, MSA, and the nation from 2000 through 2026.

SENIOR POPULATION, 62+

Year	PMA		Austin-Round Rock, TX MSA		USA	
	Number	Annual	Number	Annual	Number	Annual
2000	7,123	-	110,288	-	41,290,411	-
2010	8,256	1.6%	182,461	6.5%	50,358,738	2.2%
2021	13,396	5.5%	352,657	8.3%	70,495,026	3.6%
Projected Mkt Entry July 2024	14,962	3.9%	401,156	4.6%	75,644,747	2.4%
2026	16,007	3.9%	433,488	4.6%	79,077,894	2.4%

Source: Esri Demographics 2021, Novogradac Consulting LLP, March 2022

Historical senior population growth in the PMA trailed the MSA between 2000 and 2010. However, population growth in the broader MSA also exceeded the nation during the same time period. Senior population growth in the PMA increased significantly between 2010 and 2021, however, still grew by less than the MSA. According to ESRI demographic projections, annualized PMA growth is expected to decline to 3.9 percent through 2026, which is below the MSA and well above the overall nation.

Households

The following table is a summary of the total households in the PMA, MSA, and the nation from 2000 through 2026.

HOUSEHOLDS

Year	PMA		Austin-Round Rock, TX MSA		USA	
	<i>Number</i>	<i>Annual</i>	<i>Number</i>	<i>Annual</i>	<i>Number</i>	<i>Annual</i>
2000	31,508	-	466,573	-	105,081,032	-
2010	29,174	-0.7%	650,486	3.9%	116,716,293	1.1%
2021	38,187	2.7%	894,088	3.3%	126,470,651	0.7%
Projected Mkt Entry July 2024	41,248	2.7%	966,565	2.7%	129,216,681	0.7%
2026	43,289	2.7%	1,014,883	2.7%	131,047,367	0.7%

Source: Esri Demographics 2021, Novogradac Consulting LLP, March 2022

The PMA experienced negative household growth between 2000 and 2010, and lagged behind the surrounding MSA, which reported positive growth over the same time period. Although PMA growth also trended below the nation, household growth in the broader MSA also exceeded the nation during the same time period. Household growth in the PMA increased significantly between 2010 and 2021, however, still grew by less than the MSA. According to ESRI demographic projections, annualized PMA growth is expected to remain relatively stable at 2.7 percent through 2026, similar to the MSA and well above the overall nation.

Senior Households (62+)

The following table is a summary of the total senior households in the PMA, MSA, and the nation from 2000 through 2026.

HOUSEHOLDS WITH SENIOR HOUSEHOLDER, 62+

Year	PMA		Austin-Round Rock, TX MSA		USA	
	<i>Number</i>	<i>Annual</i>	<i>Number</i>	<i>Annual</i>	<i>Number</i>	<i>Annual</i>
2000	4,847	-	68,362	-	26,088,125	-
2010	5,503	1.4%	127,793	8.7%	33,899,815	3.0%
2021	8,493	4.8%	211,946	5.9%	41,267,892	1.9%
Projected Mkt Entry July 2024	9,590	4.3%	247,398	5.6%	44,334,359	2.5%
2026	10,322	4.3%	271,032	5.6%	46,378,671	2.5%

Source: Esri Demographics 2021, Novogradac Consulting LLP, March 2022

Historical senior household growth in the PMA trailed the MSA between 2000 and 2010. Although PMA growth also trended below the nation, household growth in the broader MSA also exceeded the nation during the same time period. Senior household growth in the PMA increased significantly between 2010 and 2021, however, still grew by less than the MSA. According to ESRI demographic projections, annualized PMA growth is expected to slow to 4.3 percent through 2026, which is below the MSA and well above the overall nation.

Average Household Size

The following table illustrates the average household size for the PMA, MSA, and the nation from 2000 through 2026.

AVERAGE HOUSEHOLD SIZE

Year	PMA		Austin-Round Rock, TX MSA		USA	
	<i>Number</i>	<i>Annual</i>	<i>Number</i>	<i>Annual</i>	<i>Number</i>	<i>Annual</i>
2000	2.60	-	2.58	-	2.59	-
2010	2.21	-1.5%	2.58	0.0%	2.57	-0.1%
2021	2.54	1.3%	2.59	0.0%	2.58	0.0%
Projected Mkt Entry July						
2024	2.53	-0.1%	2.59	0.0%	2.58	0.0%
2026	2.53	-0.1%	2.60	0.0%	2.58	0.0%

Source: Esri Demographics 2021, Novogradac Consulting LLP, March 2022

As shown in the previous table, the average household size in the PMA is similar to that of the MSA and the nation. According to ESRI demographic projections, household sizes in the PMA will remain relatively stable along with the MSA and the nation through 2026.

Median Household Income Levels

The table below illustrates median household income in the PMA, MSA, and the nation from 2000 through 2026.

MEDIAN HOUSEHOLD INCOME

Year	PMA		Austin-Round Rock, TX MSA		USA	
	<i>Amount</i>	<i>Annual</i>	<i>Amount</i>	<i>Annual</i>	<i>Amount</i>	<i>Annual Change</i>
2000	\$31,602	-	\$53,510	-	\$44,333	-
2021	\$60,531	2.5%	\$81,998	1.5%	\$64,730	1.3%
Projected Mkt Entry July						
2024	\$66,262	3.2%	\$87,194	2.1%	\$69,651	2.5%
2026	\$70,082	3.2%	\$90,658	2.1%	\$72,932	2.5%

Source: Esri Demographics 2021, Novogradac Consulting LLP, March 2022

The median household income in the PMA is lower than that of the MSA and slightly lower than the nation as of 2021. The growth rate of median household income in the PMA through the market entry date and through 2026 is anticipated to be higher than that of the MSA and the nation.

The following chart illustrates the AMGI level for a four-person household in Travis County, TX.

Source: Novogradac Consulting LLP, March 2022

As illustrated in the previous table, the AMGI has annually increased by an average of 3.1 percent in Travis County since 2010. In 2006, AMGI metrics experienced a methodology change. The system and underlying data sources that HUD uses to establish income limits changed, by shifting to data from the American Community Survey (ACS), which has replaced previous census reports. In 2007, two-thirds of the nation experienced flat or decreased AMI levels based largely on this methodology change. Travis County was affected by this change. Given that the Subject's proposed HOME and NHTF rents at 30 and 50 percent of the AMI are set at the 2021 maximum allowable rent limits, rent increases will be primarily dependent upon changes in the AMGI, as well as market conditions.

Senior Tenure Patterns (62+)

The following table illustrates the renter versus owner senior households among total senior households in the PMA.

PMA TENURE PATTERNS OF SENIORS 62+

Year	Owner-Occupied	Percentage Owner-Occupied	Renter-Occupied	Percentage Renter-Occupied
2000	3,583	73.9%	1,264	26.1%
2021	4,969	58.5%	3,524	41.5%
Projected Mkt Entry July 2024	5,343	55.7%	4,248	44.3%
2026	5,592	54.2%	4,730	45.8%

Source: Esri Demographics 2021, Novogradac Consulting LLP, March 2022

As indicated in the table above, in 2021, owners comprise 58.5 percent of total senior households in the PMA. The percentage of renter-occupied units is expected to increase through 2026, while the number of renter-occupied units is expected to increase by 1,206 units over the same time period.

Senior Renter Household Income (62+)

The following tables illustrate senior renter household income distribution and senior renter household income by household size in the PMA for 2021, market entry, and 2026. This data is provided by HISTA, as required by TDHCA.

As illustrated in the previous tables, approximately 68.9 percent of senior renter households in the PMA earned less than \$60,000 in 2021. By 2026, the senior renter households earning less than \$60,000 in the PMA is expected to decrease to 62.9 percent, which is still a significant percentage of low-income households. This data provides strong support for affordable rental housing in the Subject's PMA.

Conclusion

The PMA experienced an increase in total senior population from 2010 to 2021, similar to the MSA and the nation. Both the PMA and the MSA are expected to continue to experience increases in total senior population through 2026. As of 2021, senior renters comprised 58.5 percent of total senior households in the PMA. The income cohort with the highest percentage of senior households in the PMA as of 2021 is the \$10,000 to \$19,999 cohort. Further, approximately 68.9 percent of senior renter households in the PMA earned less than \$60,000 in 2021, indicating the need for affordable housing such as the Subject in the area.

NEIGHBORHOOD DESCRIPTION

The neighborhood surrounding an apartment property often impacts the property's status, image, class, and style of operation, and sometimes its ability to attract and properly serve a particular market segment. This section investigates the Subject's neighborhood and evaluates any pertinent location factors that could affect its rent, occupancy, and overall profitability.

The neighborhood analysis provides a bridge between the area analysis and the study of the Subject. The goal of the neighborhood analysis is to determine how the operation of social, economic, governmental, and environmental factors influence the marketability of real estate. In the neighborhood analysis, we focus on how these factors interact in the immediate vicinity of the Subject. Our analysis will focus on the neighborhood as a whole with individual focus on the location in the community and the demographic characteristics in the community.

Location and Boundaries

The Subject property is located in the central portion of Austin. The Subject's neighborhood is bounded by E 38th 1/2 Street to the north, Airport Boulevard to the east, E 12th Street to the south, and Interstate 35 to the west. The neighborhood boundaries are depicted in the following map.

Source: Google Maps, March 2022

Predominant Land Uses

The Subject is located in a mixed-use neighborhood in Austin, Texas. Land use in the Subject's neighborhood is primarily characterized by retail and commercial uses, multifamily apartments, single-family homes in average overall condition, and educational uses. Land use in the northern portion of the Subject's neighborhood consists of single-family homes and some multifamily apartments that were excluded as comparables due to inferior condition, incomparable unit mixes, and/or incomparable tenancy. Land use in the eastern portion of the Subject's neighborhood consists of more single-family homes, houses of worship, a

variety of retail and commercial uses, and more multifamily apartments that were excluded as comparables due to inferior condition, incomparable unit mixes, and/or incomparable tenancy. Land use in the southern portion of the Subject's neighborhood consists of more single-family homes and retail and commercial uses. Land use in the western portion of the Subject's neighborhood includes more single-family homes and retail and commercial uses, as well as two large cemeteries and facilities of The University of Texas at Austin near Interstate 35. The Subject is designated "Very Walkable" by Walk Score with a score of 76 out of 100, indicating most errands can be accomplished on foot. Additionally, according to Zillow, typical value for a home in the Subject's zip code is \$724,552.

Accessibility

The Subject will be accessible from a driveway on the north side of Real Street. Real Street is a short, lightly trafficked road that traverses east/west and intersects with Alexander Avenue just east of the Subject. Alexander Avenue is a light to moderately trafficked road that traverses north/south and intersects with E Martin Luther King Jr Boulevard approximately 0.2 miles southwest of the Subject. E Martin Luther King Jr Boulevard is a moderately trafficked four-lane road that traverses east/west through Austin and provides access to Interstate 35 via Interstate 35 Frontage Road approximately 1.1 miles west of the Subject. Interstate 35 is a heavily trafficked north/south traversing highway that provides access to Dallas approximately 200 miles to the northeast and San Antonio approximately 90 miles to the southwest. Overall, access is considered average, and traffic flow is light to moderate in the Subject's immediate area.

QCT

According to HUD, The Subject is located in Census Tract 48453000402, which is not a 2022 Qualified Census Tract

Crime Statistics

The following table illustrates crime risk indices in the PMA and MSA. An index of 100 equates to the national average. A number above 100 indicates a crime rate higher than the nation, while a number below 100 reflects a lower crime rate than the nation.

2021 CRIME INDICES		
	PMA	Austin-Round Rock, TX MSA
Total Crime*	238	120
Personal Crime*	160	79
Murder	131	64
Rape	125	97
Robbery	173	75
Assault	157	79
Property Crime*	249	126
Burglary	194	113
Larceny	279	137
Motor Vehicle Theft	150	72

Source: Esri Demographics 2021, Novogradac Consulting LLP, March 2022

*Unweighted aggregations

As the above table indicates, all of the crime indices in the Subject's PMA are higher than those of the MSA and the nation. However, observations of the PMA and the Subject's neighborhood, which include some new developments and new construction, as well as interviews with market participants, reflect that crime is not a major concern in the area. The Subject will offer limited access and video surveillance as security features. All but one of the comparable properties offer at least one security feature. Overall, the Subject's proposed security amenities appear market oriented.

Public Transportation

Metro Capital provides fixed-route bus service in the Austin area. One-day fares are \$1.25, while weekly and monthly passes are available for \$11.25 and \$41.25, respectively. The nearest bus stop is located approximately 0.2 miles south of the Subject along E Martin Luther King Jr Boulevard.

Education

Austin is home to The University of Texas at Austin, a top-ranked university offering a range of undergraduate and graduate programs among a range of disciplines including, but not limited to, the liberal arts, natural sciences, engineering, education, public affairs, architecture, law, pharmacy, medicine, business, and the fine arts. As of the fall semester of 2021, the school had a total enrollment of 51,991, and employed 3,133 teaching faculty.

Healthcare

St. David's Medical Center is located approximately 1.8 miles northwest of the Subject. The hospital offers a full range of services including cancer research and treatment, emergency, urgent, and trauma care, a heart institute, and neuroscience, orthopedic, women's, and surgical services.

Senior Center

Conley-Guerrero Senior Activity Center (CGSAC) is located approximately 1.4 miles south of the Subject. The 26,000-square-foot facility functions as a recreation and special use resource facility for persons 50 years of age and older. Facilities include a multi-purpose room for large groups and special events, exercise rooms with workout equipment, meeting rooms, and an outdoor courtyard. The senior center offers a variety of continuing education and volunteer programs, group excursions, health and lifestyle activities, social events, senior transportation, and a senior meal program.

Proximity to Local Services

The Subject is close to important local services as shown in the following map and table. All of the major amenities and services are located within close proximity to the Subject site.

Locational Amenities Map

Source: Google Earth, March 2022

LOCATIONAL AMENITIES

Map #	Service or Amenity	Distance from Subject (Driving)
1	Bus Stop	0.2 miles
2	CVS Pharmacy	0.8 miles
3	Family Dollar Store	0.9 miles
4	Southwest Greenway Park	1.3 miles
5	Wells Fargo Bank	1.4 miles
6	Austin Public Library, Willie Mae Kirk Branch	1.4 miles
7	Conley-Guerrero Senior Activity Center	1.4 miles
8	St. David's Medical Center	1.8 miles
9	Fiesta Mart Grocery Store	1.9 miles
10	Austin Fire Station 5	2.0 miles
11	Target	2.1 miles
12	Austin Police Department	2.4 miles
13	United States Postal Service	2.9 miles

Conclusion

Upon completion, the Subject will provide good quality affordable housing units that are in strong demand in the area. Land use in the Subject’s neighborhood is primarily characterized by retail and commercial uses, multifamily apartments, single-family homes in average overall condition, and public schools. The majority of locational amenities are located within 1.9 miles of the Subject site including public transportation and retail uses. The Subject will positively impact the neighborhood, which is well suited for this type of housing.

V. SUPPLY ANALYSIS

SUPPLY ANALYSIS

HOUSING STOCK OVERVIEW

Senior Tenure Patterns (62+)

The following table illustrates the renter versus owner senior households among total senior households in the PMA.

PMA TENURE PATTERNS OF SENIORS 62+

Year	Owner-Occupied	Percentage Owner-Occupied	Renter-Occupied	Percentage Renter-Occupied
2000	3,583	73.9%	1,264	26.1%
2021	4,969	58.5%	3,524	41.5%
Projected Mkt Entry July 2024	5,343	55.7%	4,248	44.3%
2026	5,592	54.2%	4,730	45.8%

Source: Esri Demographics 2021, Novogradac Consulting LLP, March 2022

As indicated in the table above, in 2021, owners comprise 58.5 percent of total senior households in the PMA. The percentage of renter-occupied units is expected to increase through 2026, while the number of renter-occupied units is expected to increase by 1,206 units over the same time period.

INTERVIEWS

Provided below is a summary of interviews conducted to discern the current and potential future demand for affordable housing in the PMA.

Local Housing Authority

We previously spoke with Lisa Garcia, Vice President of Assisted Living with the Housing Authority of the City of Austin. According to Ms. Garcia, the Housing Choice Voucher (HCV) Department administers 5,400 Housing Choice Vouchers within the City of Austin. The waiting list for Housing Choice Vouchers is currently closed and was last opened from September 17, 2018 to September 24, 2018. Ms. Garcia indicated the waiting list is approximately 2,000 households in length. The current payment standards are detailed in the table below.

PAYMENT STANDARDS

Unit Type	Payment Standard
Studio	\$1,147

Source: Housing Authority of the City of Austin, effective February 2022

The Subject's proposed gross rents for all units are below the current payment standards, indicating voucher holders will not be required to pay additional rent out of pocket to reside at the Subject.

Planning Department

We attempted to contact the City of Austin Planning and Zoning Department in order to obtain information regarding proposed, planned, under construction, or recently completed multifamily developments in the area. However, as of the date of this report, our phone calls have not been returned. We also searched the most recent CoStar new construction listings and identified five proposed and 12 under construction multifamily developments in the PMA. Our findings are displayed in the table below.

PLANNED DEVELOPMENT IN PMA

Property Name	Rent Structure	Tenancy	Total Units	Competitive Units	Construction Status	Distance to Subject
2700 E 5th St	Unknown	Family	479	0	Proposed	2.4 miles
3511 Webberville Rd	Unknown	Unknown	N/A	0	Under Construction	1.5 miles
Amlı Branch Park	Market	Family	406	0	Under Construction	0.7 miles
Broadstone ThinkEAST - Phase2	Unknown	Unknown	N/A	0	Proposed	2.5 miles
Flats on Shady Lane	Market/Affordable	Family	290	0	Proposed	2.4 miles
Goodwin Apartments	Market	Family	364	0	Under Construction	1.9 miles
Juno	Market/Affordable	Family	24	0	Under Construction	2.3 miles
Los Portales de Lena Guerrero	Affordable	Family	97	96	Under Construction	2.4 miles
MLK Highline	Market	Family	201	0	Under Construction	0.7 miles
Parkside at Mueller	Market/Affordable	Family	200	0	Proposed	0.6 miles

Tower District	Market/Affordable	Family	345	0	Under Construction	0.8 miles
Troubadour	Market	Family	587	0	Under Construction	0.6 miles
Totals			4,044	96		

Source: CoStar, March 2022

As illustrated in the table above, all of the proposed and under construction multifamily properties in the PMA will target family households. Six of the properties, Flats on Shady Lane, Juno, Los Portales de Lena Guerrero, Parkside at Mueller, The Block Yard, and Tower District, will have an affordable component to their rent structure. However, we were unable to determine the affordability program for five of these properties as they were not included in the LIHTC allocations published by the Texas Department of Housing and Community Affairs. Los Portales de Lena Guerrero received an allocation and is discussed in the following section.

LIHTC Competition/Recent and Proposed Construction

According to the Texas Department of Housing and Community Affairs, since 2019, there have been six developments allocated tax credits within the PMA, detailed below.

RECENT LIHTC ALLOCATIONS IN PMA

Property Name	Year Allocated	Rent Structure	Tenancy	Total Units	Competitive Units
Marshall Apartments	2021	LIHTC/Section 8	Family	100	0
The Henderson on Reinli	2021	LIHTC	Family	306	0
Pathways at Chalmers Courts West	2020	Market/LIHTC	Family	156	0
Talavera Lofts	2019	LIHTC	Family	92	0
The Abali	2019	Market/LIHTC	Family	56	0
Los Portales de Lena Guerrero (f.k.a. Govalle Terrace)	2019	LIHTC	Family	97	0
Totals				807	0

Source: Texas Department of Housing & Community Affairs, March 2022

Marshall Apartments, The Henderson on Reinli, Talavera Lofts, and Los Portales de Lena Guerrero (f.k.a. Govalle Terrace) consist entirely of affordable units, while Pathways at Chalmers Courts West and The Abali have market rate components to their rent structures. Marshall Apartments offers one-, two-, three-, and four-

have market rate components to their rent structures. Marshall Apartments offers one-, two-, three-, and four-bedroom units at 50 percent of AMI. The Henderson on Reinli will offer one- and two-bedroom units at 50, 60, and 70 percent of AMI. Talavera Lofts offers studios and one-, two-, and three-bedroom unit at 30, 50, and 60 percent of AMI. Los Portales de Lena Guerrero (f.k.a. Govalle Terrace) will offer studios and one-, two-, and three-bedroom units at 60 percent of AMI. Pathways at Chalmers Courts West will offer one-, two-, three-, and four-bedroom units at 30, 50, and 60 percent of AMI. The Abali offers studios and one-, two-, and three-bedroom units at 30, 50, and 60 percent of AMI. All of these developments target a family tenancy. Thus, none of these developments listed are anticipated to be directly competitive with the Subject, which will target a senior tenancy, upon completion.

We are aware of three projects in the PMA that are currently applying for LIHTC allocation. Pathways at Chalmers Courts West will offer one-, two-, three-, and four-bedroom units at 30, 50, and 60 percent of AMI. The Lancaster will offer studios and one- and two-bedroom units at 30, 40, and 50 percent of AMI. Anderson Creek will offer one-, two-, and three-bedroom units at 30, 50, and 80 percent of AMI. Pathways at Chalmers Courts West and Anderson Creek will target a family tenancy, while The Lancaster will target a supportive housing tenancy. Thus, none of these developments listed are anticipated to be directly competitive with the Subject, which will target a senior tenancy, upon completion.

Building Permits

The following table demonstrates building permit information from 2000 to 2020 data for Travis County.

BUILDING PERMITS: TRAVIS COUNTY 2000 - 2020				
Year	Single-family and Duplex	Three and Four-Family	Five or More Family	Total Units
2000	7,607	309	6,353	14,269

Housing Units in PMA

The table below summarizes the housing stock in the Subject's PMA, per TDHCA guidelines.

HOUSING UNITS IN PMA - 2021

	Number of Units
Total Housing Units	38,187
Total Owner Household Units	16,264
Total Renter Household Units	21,923
Number of Affordable Housing Units (LIHTC, Section 8)	3,149
Number of Market Rate Housing Units	18,774

It appears that the majority of the rental housing in the Subject's PMA is market rate. Approximately 14.4 percent of the rental housing in the Subject's PMA is affordable. This suggests a strong need for maintaining affordable housing in the PMA.

SURVEY OF COMPARABLE PROPERTIES

Comparable properties are examined on the basis of proximity to the Subject site as well as similarities in target population, physical characteristics (i.e. building type, age/quality, and level of common amenities), rents, and utility structure. We attempted to compare the Subject to the best available “true” comparables from the PMA to provide an accurate picture of the health and available supply in the market.

To evaluate the competitive position of the Subject, a multitude of potentially comparable affordable and market rate properties were screened to ascertain whether these properties would compete with the Subject for prospective low-income tenants. Properties that were deemed comparable were also surveyed in depth for information on unit mix, size, absorption (if new), unit and common area amenities, tenant profiles, rental and utility structure, construction information, and market trends in general. We excluded government subsidized developments from the comparable property analysis because the income qualifications and rent structures at these properties are not similar to the Subject as a HOME and NHTF property. It should be noted that one of the market rate comparable properties is located just outside of the PMA. This is due to the TDHCA requirement that the PMA’s population must be less than 100,000.

A map of the selected comparable properties as well as a summary matrix and complete profiles of the comparable properties are provided later in this report.

Excluded Properties

The following table details some of the properties excluded from our analysis in addition to their reasons for exclusion.

EXCLUDED PROPERTIES IN PMA			
Property Name	Rent Structure	Tenancy	Reason for Exclusion
Aldrich 51	LIHTC/Market	Family	More comparable properties available
The Abali	LIHTC/Market	Family	Unable to contact
Travis Flats	LIHTC/Market	Family	Unable to contact
Primrose Of Shadow Creek	LIHTC	Senior	Unable to contact
M Station Apartments	LIHTC	Family	More comparable properties available
The Reserve At Springdale	LIHTC	Family	Higher income restrictions
The Timbers	LIHTC	Family	Higher income restrictions
Rollins-Martin Apartments	LIHTC	Family	Unable to contact
Springhollow Apartments	LIHTC	Family	Higher income restrictions
Walnut Creek Apartments	LIHTC	Family	Unable to contact
Talavera Lofts	LIHTC	Family	Unable to contact
Pathways At Chalmers Courts East	LIHTC/Market/Section 8	Family	Subsidized rents
Marshall Apartments	LIHTC/Section 8	Family	Subsidized rents
Elm Ridge Apartments	LIHTC/Section 8	Family	Subsidized rents
Pathways At Gaston Place	Section 8	Senior	Subsidized rents
St. George's Court	Section 8	Senior	Subsidized rents
Manor House	Section 8	Senior	Subsidized rents
Franklin Gardens	Section 8	Senior	Subsidized rents
East 12th Street Apartments	Section 8	Senior	Subsidized rents
Oak Springs Villas	Section 8	Senior	Subsidized rents
Lyons Gardens	Section 8	Senior	Subsidized rents
Pathways at Booker T. Washington	Section 8	Senior	Subsidized rents
Pathways At Coronado Hills	Section 8	Family	Subsidized rents
Springdale Gardens	Section 8	Family	Subsidized rents
Lupine Terrace	Section 8	Family	Subsidized rents
Mount Carmel Village	Section 8	Family	Subsidized rents

Description of Property Types Surveyed

To evaluate the competitive position of the Subject, we surveyed a total of 2,115 units in nine rental properties. The LIHTC data is considered good. We included four affordable developments located between 0.7 and 2.5 miles from the Subject site, all of which are located in the PMA. Two of these affordable developments, Heritage Pointe and Wildflower Terrace, target a senior tenancy, while the other two affordable properties target a family tenancy. It should be noted there is a limited supply of studios in the area, and none of the affordable comparables offer studios; therefore, we have illustrated one-bedroom LIHTC rents. The market rate data is considered average. We included five market rate properties located between 2.1 and 4.0 miles from the Subject site, all but one of which are located within the PMA. It should be noted there is a limited supply of studios in the area. Thus, two of the market rate comparables, The Reserve at Walnut Creek and Vue Apartments, do not offer studios. Therefore, for these two comparables, we used one-bedroom units in the studio grid. The group of properties most likely to compete with the Subject was obtained by interviewing local property managers, reviewing local apartment guides, site inspections, and conducting searches on the Internet. Overall, we believe the availability of data is adequate to support our conclusions.

Following is a map of the comparable properties utilized in this report followed by a summary matrix that details each of the comparables, a rent and square foot ranking table, an amenity matrix, and the property profile reports for the comparable developments.

Comparable Rental Property Map – PMA

Trend: Comments

- | | |
|------|---|
| 1Q20 | The contact had no additional comments. |
| 2Q20 | The contact did not report an increase in bad debts or any other challenges due to the ongoing COVID-19 pandemic. The contact noted that some of the units are pre-leased; however, she could not report how many are currently pre-leased. |
| 2Q21 | The contact stated there has been no negative impact related to COVID-19. The rents are still set at 2020 maximum allowable rates and the contact expects them to increase to the 2021 max rates in the upcoming months. |
| 1Q22 | The contact reported strong occupancy rates during the past year. |

Comments

The contact noted that the property was affected by job losses and furloughs due to the ongoing COVID-19 pandemic. However, currently the property does not have any current tenants behind on rent. The contact was unsure when rents would be increased to 2021 maximum levels.

Trend: Comments

- 3Q20 The rents are being held below the maximum allowable levels in order to keep the units affordable for tenants during the pandemic. Normally, the maximum allowable rents are achievable, and the property will likely return rents to the maximum allowable levels after the pandemic ends. The contact noted that tenants have been affected by job losses and furloughs due to the ongoing COVID-19 pandemic. The property is working with residents on a case-by-case basis. The property is also sending lists of agencies that can help tenants with their rent payments if they've been affected by the pandemic. Traffic at the property is slower than normal due to the pandemic.
- 1Q21 The contact stated that rents have recently been raised to the 2020 maximum allowable levels. The contact noted that tenants have been affected by job losses and furloughs due to the ongoing COVID-19 pandemic, and the property is working with residents on a case-by-case basis. The contact stated leasing for the market rate units has slowed to one month, whereas previously leasing took less than two weeks. It was also noted that demand for the affordable units at the property has increased.
- 3Q21 The contact stated that rents have recently been raised to the 2021 maximum allowable levels. The contact noted that several tenants were affected by job losses and furloughs due to the COVID-19 pandemic, and the property worked with residents on a case-by-case basis. The contact reported strong demand for affordable and market rate units.
- 1Q22 The contact stated that rents have been at the 2021 maximum allowable levels. The contact noted that several tenants were affected by job losses and furloughs due to the COVID-19 pandemic, and the property worked with residents on a case-by-case basis. The contact reported strong demand for affordable and market rate units.

|------|--|
| 1Q20 | Garage parking is available at no additional fee. Units are typically pre-leased before they go vacant. |
| 2Q20 | Garage parking is available at no additional fee. The contact reported there is strong demand for senior housing in the area. The contact reported that the property has not seen an increase in vacancy rates, bad debt, or payment plans as a product of the COVID-19 pandemic. The contact also reported that few tenants have reported losing jobs, and the amount of traffic to the property has been unaffected. The property manager reported no new challenges in managing during the current environment. |
| 3Q20 | Garage parking is available at no additional fee. The contact reported that the property's vacancy rate is slightly elevated due to the COVID-19 pandemic, but one of the vacant units is pre-leased. However, the contact reported few bad debts or payment plans as a product of the COVID-19 pandemic. The contact also reported that few tenants have reported losing jobs. |
| 1Q22 | Garage parking is available at no additional fee. |

Trend: Comments

4Q19	The contact referred us to the property website for the most current pricing. The contact noted the current occupancy has been typical. The contact also reported a strong demand for multifamily housing in the area.
2Q20	The property does not accept Housing Choice Vouchers. The contact reported that the property has not seen an increase in vacancy rates, bad debt, or payment plans as a product of the COVID-19 pandemic. The contact also reported that few tenants have reported losing jobs, and the amount of traffic to the property has been unaffected. The property manager reported no new challenges in managing during the current environment.
3Q20	The property does not accept Housing Choice Vouchers. The contact stated that the property has established payment plans for those affected by COVID-19. Late fees were waived March to September. Renewals from March through May were able to renew a three month contract at the 2019 rate, but then were forced to renew at market rate. The property has experienced roughly the same turnover as last year, despite the pandemic. Foot traffic to the property has decreased, but the property supplemented with video of vacant units.
1Q22	The property does not accept Housing Choice Vouchers. The contact stated that the property has been performing at pre-pandemic levels and overall demand and occupancy has been strong during the past year.

Comments

The property opened in November 2020 and achieved stabilized occupancy in September 2021, indicating an absorption period of approximately 10 months and a rate of 30 units per month. The property utilizes an LRO pricing software, indicating that rents fluctuate daily based on availability, demand, and floor plan. Storage units are available to rent for a monthly fee of \$35. The contact noted that COVID-19 delayed absorption of the property; however, the property has since stabilized and has not been impacted as related to turnover and rent collections. The property does not accept Housing Choice Vouchers.

MARKET CHARACTERISTICS

Following are relevant market characteristics of the all of the comparable properties surveyed.

Unit Mix

The following table displays the unit mix of the surveyed comparable properties.

UNIT MIX				
Unit Type	Total Units (Subject)	Percent (Subject)	Total Units (Comps)	Percent (Comps)
OBR	60	100.0%	81	5.2%
1BR	0	0.0%	787	50.4%
2BR	0	0.0%	562	36.0%
3BR	0	0.0%	131	8.4%
Total	60	100.0%	1,561	100.0%

The Subject's unit mix will have a higher percentage of studios when compared to all of the comparable properties. It should be noted that Heritage Pointe and Griffis Southpark did not report a unit mix. Therefore, these developments have been excluded from our analysis. We anticipate the Subject's unit mix will be received well in the market given the comparables' and the Subject's targeted tenancy.

Turnover

The following table displays the annual turnover rates at the comparable properties.

TURNOVER			
Property Name	Rent Structure	Tenancy	Annual Turnover
Heritage Pointe	LIHTC/Market	Senior	10%
The Jordan At Mueller	LIHTC	Family	N/Av
Villas On Sixth Street	LIHTC/Market	Family	20%
Wildflower Terrace	LIHTC/Market	Senior	10%
Griffis Southpark	Market	Family	50%
Sixty600 Apartments	Market	Family	30%
The Reserve At Walnut Creek*	Market	Family	40%
Trailhead Apartments	Market	Family	24%
Vue Apartments	Market	Family	23%
Average Turnover			26%

*Located outside of the PMA

The properties in our survey reported turnover rates ranging from 10 to 50 percent annually with an average of 26 percent. The affordable properties in our analysis reported annual turnover rates ranging from 10 to 20 percent, with an average of 15 percent. One of the affordable properties, The Jordan At Mueller, did not report a turnover rate and has been excluded from this analysis. We anticipate the Subject will maintain a turnover rate of approximately 15 percent, which is reasonable based on the information reported by the affordable comparables and the Subject's targeted tenancy.

Rental Rate Increases

The table below illustrates the reported rental rate increases and decreases.

RENT GROWTH			
Property Name	Rent Structure	Tenancy	Rent Growth
Heritage Pointe	LIHTC/Market	Senior	Increased to 2021 max
The Jordan At Mueller	LIHTC	Family	Kept at 2020 max
Villas On Sixth Street	LIHTC/Market	Family	LIHTC at 2021 max; MR remained stable
Wildflower Terrace	LIHTC/Market	Senior	LIHTC at 2021 max; MR remained stable
Griffis Southpark	Market	Family	Fluctuates daily
Sixty600 Apartments	Market	Family	Fluctuates daily
The Reserve At Walnut Creek*	Market	Family	Fluctuates often
Trailhead Apartments	Market	Family	Fluctuates daily
Vue Apartments	Market	Family	Increased up to 27% since Q4 2020

*Located outside of the PMA

One of the comparables has reported increases in rent and four of the comparables have reported fluctuations. Given that the Subject's proposed HOME and NHTF rents are set at the 2021 maximum allowable rent limits, rent increases will be primarily dependent upon changes in the AMGI, as well as market conditions.

Absorption

The Subject will be an affordable property targeting senior households aged 62 and older and will offer studios restricted at the 30 and 50 percent AMI levels.

One of the comparables, Trailhead Apartments, was able to provide absorption data. Additionally, we obtained absorption data from other properties within a five-mile radius of the Subject that have reported absorption information since 2020.

ABSORPTION						
Property Name	Rent	Tenancy	Year	Total Units	Absorption (units/month)	
The Oaks At Ben White	LIHTC	Family	2021	96	29	
The Emory	Market	Family	2021	305	14	
Bridge At Granada	LIHTC	Family	2021	258	23.5	
Trailhead Apartments*	Market	Family	2020	308	27	
St. Johns West	Market	Family	2020	297	23	
Creekview Apartments	LIHTC	Family	2020	264	24	
AVE Austin North Lamar	Market	Family	2020	226	17	
Average Affordable				618	26	
Average Market				1,136	20	
Overall Average				1,754	23	

*Utilized as comparable

As illustrated above, absorption at the comparable property, Trailhead Apartments, was reported to be 27 units per month. The overall average reported by all surveyed properties was 23 units per month. Based on this information, we estimate that the Subject would achieve a stabilized occupancy rate of 95 percent at a

rate of approximately 25 units per month, which equates to an absorption period of approximately two to three months.

Concessions

None of the comparables are currently offering concessions. Based on the performance of the comparables not offering concessions, we do not believe that the Subject will need to offer rent concessions in order to maintain stabilized occupancy upon completion.

Waiting Lists

The following table summarizes the waiting lists at the comparable properties.

WAITING LIST			
Property Name	Rent Structure	Tenancy	Waiting List Length
Heritage Pointe	LIHTC/Market	Senior	Yes (30% units only); undetermined length
The Jordan At Mueller	LIHTC	Family	Yes; six months
Villas On Sixth Street	LIHTC/Market	Family	Yes; 60 households for LIHTC units
Wildflower Terrace	LIHTC/Market	Senior	Yes; up to five years
Griffis Southpark	Market	Family	None
Sixty600 Apartments	Market	Family	None
The Reserve At Walnut Creek*	Market	Family	None
Trailhead Apartments	Market	Family	None
Vue Apartments	Market	Family	None

*Located outside of the PMA

All four of the affordable comparable properties reported a waiting list. The Jordan At Mueller reported a waiting list time of approximately six months, Wildflower Terrace reported a waiting list time of up to five years, Villas On Sixth Street reported a waiting list length of 60 households for its affordable units, and Heritage Pointe was unable to report a specific waiting list length or wait time. None of the market rate comparables reported a waiting list. Given this information, we believe the Subject will maintain a waiting list, upon completion.

Vacancy Rates

The following analysis summarizes overall weighted vacancy levels at the surveyed properties.

OVERALL VACANCY

Property Name	Rent Structure	Tenancy	Total Units	Vacant Units	Vacancy Rate
Heritage Pointe	LIHTC/Market	Senior	240	4	1.7%
The Jordan At Mueller	LIHTC	Family	132	0	0.0%
Villas On Sixth Street	LIHTC/Market	Family	160	0	0.0%
Wildflower Terrace	LIHTC/Market	Senior	201	0	0.0%
Griffis Southpark	Market	Family	330	11	3.3%
Sixty600 Apartments	Market	Family	304	14	4.6%
The Reserve At Walnut Creek*	Market	Family	284	12	4.2%
Trailhead Apartments	Market	Family	308	9	2.9%
Vue Apartments	Market	Family	156	4	2.6%
Total LIHTC			733	4	0.5%
Total Market Rate			1,382	50	3.6%
Overall Total			2,115	54	2.6%

*Located outside of the PMA

The affordable comparables reported vacancy rates ranging from zero to 1.7 percent, with an average of 0.5 percent, which is indicative of supply constrained conditions. The market rate comparables reported vacancy rates ranging from 2.6 to 4.6 percent, with an average of 3.6 percent.

We believe the Subject will perform similar to the surveyed affordable comparables. We anticipate the Subject will maintain a vacancy rate of three percent or less upon stabilization.

Historical Vacancy

The following table illustrates historical vacancy rates for the comparables, where available.

HISTORICAL VACANCY											
Property Name	Program	Total Units	2019 Q4	2020 Q1	2020 Q2	2020 Q3	2020 Q4	2021 Q2	2021 Q3	2021 Q4	2022 Q1

		2,115	7.6%	2.1%	3.2%	20.7%	24.3%	3.3%	2.2%	1.8%	2.1%

*Located outside of the PMA

As indicated, there is relatively limited historical performance data available for the selected comparable properties. It should be noted that the base line percentages do not reflect a weighted average as indicated in the previous vacancy rate analysis.

Per TDHCA 2022 guidelines, we have provided a vacancy table by age, quality, and bedroom type, which is located following.

ROSEWOOD II – AUSTIN, TEXAS – MARKET STUDY

REASONABILITY OF RENTS

The following is a discussion about the Subject's and comparable properties' affordable rents. "Net rents" are rents adjusted for the cost of utilities (adjusted to the Subject's convention), and are used to compensate for the differing utility structures of the Subject and the comparable properties. Net rents represent the actual costs of residing at a property, and help to provide an "apples-to-apples" comparison of rents.

Achievable Affordable Rents

Provided below is a summary of the 30 and 50 percent AMI level rental analysis. It should be noted there is a limited supply of studios in the area, and none of the affordable comparables offer studios; therefore, we have illustrated one-bedroom LIHTC rents. Additionally, it should also be noted that the AMGI in Travis County is at a record level of \$98,900 as of 2021.

LIHTC RENT COMPARISON @30%

Property Name	County	Tenancy	0BR	1BR	Rents at Max?
Rosewood II	Travis	Senior	\$520	-	Yes
Affordable Maximum Rent (Net)	Travis		\$520	\$556	
Heritage Pointe	Travis	Senior	-	\$485	Yes
The Jordan At Mueller	Travis	Family	-	\$464	No

Villas On Sixth Street	Travis	Family	-	\$879	Yes
Wildflower Terrace	Travis	Senior	-	\$871	Yes
Average			-	\$862	
Achievable Affordable Rent			\$866	-	

All four of the comparables offer units at the 30 percent and 50 percent of AMI set aside. It should be noted that the discrepancy between the adjusted rents for the comparables and the applicable rent limits for the Subject is attributed to differing utility allowance schedules. Three of the comparables, Heritage Pointe, Villas On Sixth Street, and Wildflower Terrace, reported achieving 2021 LIHTC maximum allowable rents. The property manager at The Jordan At Mueller reported rents have not yet been increased to 2021 LIHTC maximum allowable levels, as tenants at the property were affected by job losses and furloughs as a result of the COVID-19 pandemic. However, the contact stated maximum allowable rents are achievable in the market, and that it is likely they will increase to maximum allowable rents in the future. All four comparables reported waiting lists, and operate with an average vacancy of 0.5 percent. The Subject will offer similar to superior condition relative to the comparables as new construction, and is similar to superior to the comparables in terms of location. Based on the performance of the comparables, as well as the limited competition in the market at lower AMI set asides, we have concluded to achievable affordable rents at the 2021 HOME and NHTF maximum allowable levels for the Subject's studios at 30 and 50 percent of the AMI.

Achievable Market Rents & Comparable Units

Per TDHCA guidelines, Novogradac has prepared separate rent matrices to support the estimate of achievable unrestricted market rents, which can be found on the following page. Following the grid, we have detailed the adjustments made in the Rent Comparability Matrices for the market rate properties. Through our explanation of adjustments, we have detailed additional comparable characteristics including age/year of renovation, condition, target population (all market rate comparables target the general population, while the Subject will target senior households aged 62 and older), unit amenities, and utility structure.

EXPLANATION OF ADJUSTMENTS & PROPERTY CHARACTERISTICS

Occupancy/Concessions

None of the comparables are currently offering concessions. Therefore, no adjustments were applied for concessions. All of the stabilized comparables reported occupancy rates of 95.4 percent or greater, and no adjustments were applied for occupancy.

Number of Stories/Elevators

The Subject's units will be contained in one four-story elevator-serviced lowrise residential building. All of the comparables offer two to three story buildings without elevator service, which is considered inferior to the Subject. Therefore, a positive \$20 adjustment was applied to all comparables.

Age/Condition (Built or Last Renovated)

The comparables were constructed between 1985 and 2020 and renovated between 2007 and 2019. Trailhead Apartments was constructed in 2020 and exhibits excellent overall condition. Sixty600 Apartments was constructed in 1985 and renovated in 2007 and 2019, and exhibits average overall condition. The remaining three comparables exhibit good overall condition. As new construction, the Subject will be in excellent condition. As such, we have applied a positive \$20 adjustment to the comparables in good condition, and a positive \$40 adjustment to the comparable in average condition.

Location/Neighborhood

All but one of the market rate comparables are located within the PMA and within 2.1 to 4.0 miles of the Subject. The following table compares median household incomes, rents, and home values for the Subject and comparable properties' locations.

LOCATION COMPARISON

No.	Property Name	Zip Code	Median Income	Median Rent	Median Home Value	Rent Differential (vs Subject)
S	Rosewood II	78722	\$69,267	\$1,280	\$358,900	-
1	Heritage Pointe	78721	\$41,611	\$990	\$212,400	-29.3%
2	The Jordan At Mueller	78723	\$49,606	\$964	\$268,700	-32.8%
3	Villas On Sixth Street	78702	\$54,053	\$1,020	\$297,700	-25.5%
4	Wildflower Terrace	78723	\$49,606	\$964	\$268,700	-32.8%
5	Griffis Southpark	78744	\$47,073	\$1,104	\$121,500	-15.9%
6	Sixty600 Apartments	78723	\$49,606	\$964	\$268,700	-32.8%
7	The Reserve At Walnut Creek	78754	\$64,114	\$1,183	\$183,200	-8.2%
8	Trailhead Apartments	78721	\$41,611	\$990	\$212,400	-29.3%
9	Vue Apartments	78752	\$41,486	\$962	\$233,900	-33.1%

*Located outside of the PMA

As indicated above, The Reserve At Walnut Creek is located in a slightly inferior neighborhood relative to the Subject site. The remaining comparables are located in neighborhoods with significantly lower median incomes, median rents, and median home values, and are considered to be in inferior locations relative to the Subject's neighborhood. Taking this data into account, along with our physical inspection of the Subject site and comparable locations, we applied a positive \$50 adjustment to the comparable in a slightly inferior location relative to the Subject site, and a positive \$100 adjustment to the comparables in inferior locations.

Unit Type

The Subject will offer studios. Two of the five comparables, The Reserve At Walnut Creek and Vue Apartments, do not offer studios. Therefore, for these two comparables, we used one-bedroom units in the studio grid. Based on our experience in the Subject's market, we applied a negative \$125 adjustment to the comparables that do not offer studios.

Number of Bathrooms

The Subject will offer one bathroom in its studios. All of the comparables utilized in our grid offer one bathroom in their studios and one-bedroom units. Therefore, no adjustments are necessary.

Unit Size Adjustment

The Subject and the comparable properties vary in square footage. Most market observers agree that with all other variables being equal, a larger unit is more desirable than a smaller unit. However, typically the value of the additional square footage is mitigated to some degree by the similarity in perceived unit function (i.e. a 600-square-foot two-bedroom functions similarly to a 700-square-foot two-bedroom), reflective of economies of scale. In other words, there is a diminishing return of value for additional square footage, as each additional square foot does not necessarily equal additional functional utility. We used the following match pair analysis to estimate the marginal value of square footage in the local market.

SUPPORT FOR SQUARE FOOTAGE ADJUSTMENT

Property Name	Unit Type	Structure	Rent	SF	Rent / SF	Marginal RPSF (%)
Sixty600 Apartments	2BR/2BA	Garden	\$1,738	1,050	\$1.66	12%
	2BR/2BA	Garden	\$1,758	1,150	\$1.53	
	<i>Difference</i>		\$20	100	\$0.20	
Sixty600 Apartments	1BR/1BA	Garden	\$1,188	623	\$1.91	7%
	1BR/1BA	Garden	\$1,213	800	\$1.52	
	<i>Difference</i>		\$25	177	\$0.14	
Griffis Southpark	2BR/2BA	Garden	\$1,957	879	\$2.23	43%
	2BR/2BA	Garden	\$2,155	1,084	\$1.99	
	<i>Difference</i>		\$198	205	\$0.97	
Average						21%

As illustrated above, the rent differential for additional square footage over the base square footage ranges from 12 to 43 percent at these two comparables. In other words, the additional square footage is worth approximately 12 to 43 percent of the rent per square foot in comparison to the base square footage. In similar markets, we have observed a rent differential of approximately 25 percent; as such, we believe a 25 percent rent differential is reasonable for the unit size adjustment and we have applied it to the comparables.

Utilities Paid by Tenant

The landlord will be responsible for all utility expenses at the Subject, including electric cooking, heating and cooling, and water heating expenses, as well as cold water, sewer, and trash expenses. The comparable properties' utility structures are illustrated in their respective property summaries and are adjusted appropriately in the rental adjustment grids to account for differences relative to the Subject. Utility adjustments are based on the Housing Authority of the City of Austin utility allowance schedule, effective October 11, 2021, which is the most recent available.

Unit Amenities

The Subject's unit amenities will include blinds, cable/satellite/internet, carpeting, central air conditioning, ceiling fans, microwaves, ovens, and refrigerators. All of the comparable properties offer different in-unit amenities. As a result, the comparables are adjusted to account for their differences in unit amenities relative

to the Subject and the adjustments are based on conversations with local property managers. Overall, the Subject is inferior to similar to the comparables in terms of in-unit amenities.

Parking/Transportation

The Subject will offer seven off-street surface parking spaces at no additional charge. All of the comparables offer free off-street parking, similar to the Subject. Three of the comparables offer carport and/or garage parking for additional fees. Therefore, no adjustments were applied for parking.

Property Amenities

The Subject's common area amenities will include a business center/computer lab, clubhouse/meeting room/community room, courtyard, elevators, exercise facility, central laundry, off-street parking, on-site management, service coordination, theatre, and Wi-Fi. All of the comparable properties offer different property amenities. As a result, the comparables are adjusted to account for their differences in common area amenities relative to the Subject and the adjustments are based on conversations with local property managers. Overall, the Subject is inferior to similar to the comparables in terms of property amenities.

Security

The Subject will offer limited access and video surveillance as security features. All but one of the comparable properties offer at least one security feature. We applied a positive \$5 adjustment to the comparable that does not offer any security features.

Achievable Market Rents

Based on the proposed rents, the Subject's proposed HOME and NHTF rental rates are below the achievable market rates for the PMA. The following table shows the rent comparison for achievable market rents at the comparable properties and the proposed rents at the Subject.

SUBJECT COMPARISON TO MARKET RENTS

Unit Type	Rent Level	Square Feet	Pro Forma Rent	Adjusted Min	Adjusted Max	Adjusted Average	Achievable Market Rent	Subject Rent Advantage
OBR/1BA	@30% (NHTF)	363	\$520	\$1,407	\$1,585	\$1,480	\$1,475	65%
OBR/1BA	@50% (HOME)	363	\$866	\$1,407	\$1,585	\$1,480	\$1,475	41%

The Subject will be in excellent condition as a newly constructed property and will offer inferior to similar in-unit amenities and community packages, along with a generally superior location when compared to the majority of the market rate comparables. The market rate comparables will exhibit inferior to similar conditions when compared to the Subject. The adjusted rents of all comparables were given consideration in our determination of achievable market rents. Overall, the Subject's highest proposed affordable rents will offer an advantage to Novogradac's estimated achievable market rents of approximately 41 to 65 percent.

Impact on Existing Affordable Housing

The affordable comparables reported vacancy rates ranging from zero to 1.7 percent, with an average of 0.5 percent. The market rate comparables reported vacancy rates ranging from 2.6 to 4.6 percent, with an average of 3.6 percent. All four of the affordable comparable properties reported a waiting list. The Subject will offer inferior to similar in-unit amenities and community packages relative to the affordable comparable properties. We do not believe the construction of the Subject will adversely impact the existing affordable comparable properties given the extensive waiting list maintained at the affordable comparables and strong demand for affordable housing in the Subject's area.

VI. DEMAND ANALYSIS

DEMAND ANALYSIS

The Subject property is the new construction of an age-restricted HOME and NHTF development. The Subject will offer 60 studio units restricted to low-income senior households aged 62 and older earning 30 and 50 percent of the Area Median Income (AMI) or less.

Per TDHCA guidelines, our estimate of demand for the HOME and NHTF units proposed at the Subject will be based on base year current senior households (2021) adjusted to the projected date of market entry, which is July 2024. Demand will be calculated for each proposed rent level and each bedroom size. Income qualified senior households will not be double counted.

The results provide an indication of the total number of senior households that are age, income, and size-qualified to reside at the Subject.

GROSS DEMAND FROM EXISTING SENIOR HOUSEHOLDS – PMA

Number of Existing Senior Households for the Current Year

The total number of senior households in the PMA in 2021 is 8,493 and the total number of senior households in 2026 is projected to be 10,322. Based on this information, the total number of senior households in the year of market entry is projected to be 9,590. This is a beginning point for analysis.

New Senior Households at Market Entry

According to ESRI Business Information Solutions, the number of senior households in the PMA will increase from 8,493 to 9,590 between 2021 and July 2024, which is an increase of 1,097 senior households.

Number of Income and Size Qualified Senior Households

The Subject represents 105 HOME and NHTF units. HOME and NHTF maximum rent and income limits are based on the area median gross income (AMI), adjusted for household size, for the Subject's location. HUD estimates the relevant income levels with annual updates. The rents are calculated by HUD assuming that the gross rent a household pays is 30 percent of its household income at the relevant AMI level (30 and 50 percent for the Subject). HUD assumes household size to be 1.5 persons per bedroom for HOME and NHTF rent calculation purposes.

If the tenant pays utilities in addition to the rent, the rent is reduced by a utility allowance, which is generally estimated by the local Housing Authority.

By multiplying the total number of senior households by the percentage of income eligible senior households, we can estimate the number of income eligible senior households in the local market area. Per TDHCA guidelines, if some senior households are eligible for more than one unit type due to overlapping eligible ranges for income or household size, we have adjusted Gross Demand to avoid including senior households more than once.

Setting the Minimum and Maximum Eligible Income Ranges

To establish the number of income eligible potential tenants for the Subject, the calculations are as follows:

First, we estimate the Subject minimum and maximum income levels for the proposed HOME and NHTF units. Per TDHCA guidelines, minimum income levels were calculated based on the assumption that lower income family households should pay no more than 40 percent of their income to gross rent and lower income senior households should pay no more than 50 percent of their income to gross rent.

Often, lower income households pay a higher percentage of income to rent due to their income level. Although higher income households generally spend a smaller portion of their income on rent, the area is not dominated by high incomes.

Secondly, we illustrate the household population segregated by income band and household size to determine those who are income qualified to reside in the Subject property.

Third, we combine the allowable income range with the income distribution analysis to determine the number of potential income qualified senior households. In some cases, the HOME and NHTF income eligible band overlaps with more than one census income range. In those cases, the prorated share of more than one census range will be calculated. This provides an estimate of the total number of senior households and the percentage of senior households that are income eligible.

The proposed HOME and NHTF rents are to be set at 30 and 50 percent of the AMI. HUD establishes the maximum income level for the Subject based on household size. For demand calculation purposes, we will assume 2.0 persons per bedroom when establishing maximum income eligibility for all units. The regulations promulgated by TDHCA indicate that the minimum income level scenario should assume that a senior household is not paying more than 50 percent of its income on housing. The maximum and minimum eligible senior household income limits for the Subject's units are as follows.

INCOME LIMITS (AS PROPOSED)				
Unit Type	Minimum Allowable Income	Maximum Allowable Income	Minimum Allowable Income	Maximum Allowable Income
	@30% (NHTF)		@50% (HOME)	
1 Person	\$12,480	\$20,800	\$20,784	\$34,650
2 Person	\$12,480	\$20,800	\$20,784	\$34,650
3 Person	\$12,480	\$20,800	\$20,784	\$34,650
4 Person	\$12,480	\$20,800	\$20,784	\$34,650
5 Person	\$12,480	\$20,800	\$20,784	\$34,650
6 Person	\$12,480	\$20,800	\$20,784	\$34,650
7 Person	\$12,480	\$20,800	\$20,784	\$34,650

Number of Appropriate Sized Senior Households

In order to determine the number of appropriate sized senior households for each bedroom type, we first analyze the number of senior households in each income cohort at the time of market entry, as detailed in the following table.

TOTAL HOUSEHOLD INCOME BY HOUSEHOLD SIZE 62+

PMA Projected Mkt Entry July 2024					
Income Cohort	1	2	3	4	5+
\$0-9,999	853	161	55	26	60
\$10,000-19,999	974	268	61	35	34
\$20,000-29,999	608	218	80	31	63

The following table illustrates the total income qualified senior households by AMI level and household size.

DEMAND BY AMI LEVEL AND HOUSEHOLD SIZE							
	1 Person	2 Person	3 Person	4 Person	5 Person	6 Person	7 Person
@30% (NHTF)	781	219	52	29	20	7	4
@50% (HOME)	763	353	136	44	61	22	12
Total HOME AND NHTF*	1,544	571	188	73	80	29	16

*Some numbers may appear off due to rounding

ROSEWOOD II – AUSTIN, TEXAS – MARKET STUDY

We made assumptions (consistent with TDHCA minimum and maximum estimates of persons per bedroom) based on the average household size in the market to estimate the distribution of senior households by unit type. Following are these assumptions.

HOUSEHOLD DISTRIBUTION MATRIX	
Bedrooms	
Household Size	OBR
1 person	100%
2 persons	100%
3 persons	100%
4 persons	100%
5 persons	100%
6 persons	100%
7 persons	100%

Third, we multiply the number of income eligible senior households by household size and bedroom type, as illustrated previously, by the estimated senior household distribution. The result is our calculation of Gross Demand for each bedroom type by AMI level.

CALCULATION OF GROSS DEMAND BY UNIT TYPE						
OBR @30% (NHTF)	1 Person	100.0%	*	781	=	781
	2 Person	100.0%	*	219	=	219
	3 Person	100.0%	*	52	=	52
	4 Person	100.0%	*	29	=	29
	5 Person	100.0%	*	20	=	20
	6 Person	100.0%	*	7	=	7
	7 Person	100.0%	*	4	=	4
	Gross Demand		=			
OBR @50% (HOME)	1 Person	100.0%	*	763	=	763
	2 Person	100.0%	*	353	=	353
	3 Person	100.0%	*	136	=	136
	4 Person	100.0%	*	44	=	44
	5 Person	100.0%	*	61	=	61
	6 Person	100.0%	*	22	=	22
	7 Person	100.0%	*	12	=	12
	Gross Demand		=			

INDIVIDUAL UNIT CAPTURE RATES

For each Unit Type by number of bedrooms and rent restriction categories, the individual unit capture rate is defined as the Relevant Supply of proposed and unstabilized Comparable Units divided by the eligible demand for that Unit. The following table illustrates our calculation of Individual Unit Capture Rates. We are unaware of any competitive proposed affordable units within the PMA. Therefore, we did not include any unstabilized Comparable Units in our capture rate analysis.

The following table details individual capture rates for the Subject as proposed.

INDIVIDUAL CAPTURE RATES (AS PROPOSED)								
<i>Relevant Supply</i>								
	Subject's Units	Comparable Units	Total Relevant Supply		Gross Demand	Gross Demand + External Demand*		Capture Rate
@30% (NHTF)								
OBR	31	0	31	/	1,111	1,222	=	2.5%
@50% (HOME)								
OBR	29	0	29	/	1,391	1,530	=	1.9%

In accordance with TDHCA guidelines, none of the Individual Unit Capture Rates for any unit type can exceed 65 percent.

ALL UNITS – GROSS DEMAND

The calculation of Gross Demand for all units is illustrated in the table below. Per the 2021 TDHCA Market Study Guide, “If some households are eligible for more than one Unit Type due to overlapping eligible ranges for income or household size, Gross Demand should be adjusted to avoid including households more than once.”

The following table illustrates the eligible incomes at the Subject by household size.

INCOME LIMITS (AS PROPOSED)				
Unit Type	Minimum Allowable Income	Maximum Allowable Income	Minimum Allowable Income	Maximum Allowable Income
	@30% (NHTF)		@50% (HOME)	
1 Person	\$12,480	\$20,800	\$20,784	\$34,650
2 Person	\$12,480	\$20,800	\$20,784	\$34,650
3 Person	\$12,480	\$20,800	\$20,784	\$34,650
4 Person	\$12,480	\$20,800	\$20,784	\$34,650
5 Person	\$12,480	\$20,800	\$20,784	\$34,650
6 Person	\$12,480	\$20,800	\$20,784	\$34,650
7 Person	\$12,480	\$20,800	\$20,784	\$34,650

As proposed, senior households with incomes ranging from \$12,480 to \$34,650 will be income-eligible to reside at the Subject’s HOME and NHTF units.

ROSEWOOD II – AUSTIN, TEXAS – MARKET STUDY

GROSS DEMAND					
		@30% (NHTF)	@50% (HOME)	HOME AND NHTF ONLY TOTAL	
Minimum Income Limit	Overall Size- Appropriate HH	\$12,480	\$20,801	Eligible	Ineligible
Maximum Income Limit		\$20,800	\$34,650		
\$0-9,999	1,155	0	0	0	1,155
\$10,000-19,999	1,371	1031	0	1,031	340
\$20,000-29,999	1,001	80	921	1,001	0
\$30,000-39,999	1,010	0	470	470	540
\$40,000-49,999	684	0	0	0	684
\$50,000-59,999	628	0	0	0	628
\$60,000-74,999	798	0	0	0	798
\$75,000-99,999	895	0	0	0	895
\$100,000-124,999	586	0	0	0	586
\$125,000-149,999	381	0	0	0	381
\$150,000-199,999	354	0	0	0	354
\$200,000+	726	0	0	0	726
Subtotal	9,590	1,111	1,391	2,502	7,089

The gross demand for all HOME and NHTF units is 2,502 senior households out of a total of 9,590 senior households in the PMA at the time of market entry.

RELEVANT SUPPLY

According to TDHCA, the Relevant Supply of proposed and unstabilized Comparable Units includes:

- 1) The proposed Subject Units to be absorbed.
- 2) Comparable Units in an Application with priority over the Subject.
- 3) Comparable Units in previously approved Developments in the PMA that have not achieved 90% occupancy for a minimum of 90 days.
- 4) Proposed and Unstabilized Comparable Units that are located in close proximity to the Subject PMA if they are likely to share eligible demand or if the PMAs have overlapping census tracts.

We have addressed each of the Relevant Supply criteria in the following manner:

- 1) We have included the proposed Subject's HOME and NHTF units in our capture rate.
- 2) We are unaware of any comparable units with priority over the Subject that have made application to the Department and have not been presented to the Board for decision. As such, no units have been deducted.
- 3) As was noted previously, we reviewed the TDHCA housing list to see if there have been any recently allocated, built, or under construction TDHCA-funded properties. Marshall Apartments, The Henderson on Reinli, Talavera Lofts, and Los Portales de Lena Guerrero (f.k.a. Govalle Terrace) consist entirely of affordable units, while Pathways at Chalmers Courts West and The Abali have market rate components to their rent structures. Marshall Apartments offers one-, two-, three-, and four-bedroom units at 50 percent of AMI. The Henderson on Reinli will offer one- and two-bedroom units at 50, 60, and 70 percent of AMI. Talavera Lofts offers studios and one-, two-, and three-bedroom unit at 30, 50, and 60 percent of AMI. Los Portales de Lena Guerrero (f.k.a. Govalle Terrace) will offer studios and one-, two-, and three-bedroom units at 60 percent of AMI. Pathways at Chalmers Courts West will offer one-, two-, three-, and four-bedroom units at 30, 50, and 60 percent of AMI. The Abali offers studios and one-, two-, and three-bedroom units at 30, 50, and 60 percent of AMI. All of these developments target a family tenancy. Thus, none of these developments listed are anticipated to be directly

ROSEWOOD II – AUSTIN, TEXAS – MARKET STUDY

competitive with the Subject, which will target a senior tenancy, upon completion. Therefore, none of these units have been included in the Relevant Supply. We are unaware of any other competitive proposed affordable units within the PMA.

- 4) We are unaware of any proposed and Unstabilized Comparable Units that are located in close proximity to the Subject PMA that are likely to share eligible demand or have PMAs with overlapping census tracts.

TDHCA defines the Gross Capture Rate as the Relevant Supply divided by the Gross Demand. We have evaluated the Gross Capture Rate for the Subject as a whole and by number of bedrooms and rent restriction categories, as illustrated in the following tables. Also illustrated are the individual unit capture rates, AMGI band capture rates, and gross capture rate.

INDIVIDUAL, AMGI BAND, AND GROSS CAPTURE RATES (AS PROPOSED)								
<i>Relevant Supply</i>								
	Subject's Units	Comparable Units	Total Relevant Supply		Gross Demand	Gross Demand + External Demand*		Capture Rate
@30% (NHTF)								
OBR	31	0	31	/	1,111	1,222	=	2.5%
AMGI Band Capture Rate	31	0	31	/	1,111	1,222	=	2.5%
@50% (HOME)								
OBR	29	0	29	/	1,391	1,530	=	1.9%
AMGI Band Capture Rate	29	0	29	/	1,391	1,530	=	1.9%
GROSS DEMAND (HOME AND NHTF UNITS)								
Gross Demand (HOME AND NHTF Units)	60	0	60	/	2,502	2,752	=	2.2%

Dividing the Subject's 60 total HOME and NHTF units by the total demand of 2,752 senior households indicates a capture rate of 2.2 percent, 90 percent of which is drawing from the PMA and 10 percent of which is drawing from outside the PMA, per TDHCA guidelines. Additionally, all individual capture rates are 2.5 percent or less, meeting the TDHCA threshold of 65 percent or less. Further, the overall gross demand of 2.2 percent meets the threshold of 10 percent or less for senior housing developments.

Demand Analysis Conclusions

The Demand Analysis illustrates demand for the Subject based on capture rates of size and income eligible senior households. When viewing total eligible senior households for the Subject's 60 total HOME and NHTF units, the calculation illustrates an overall gross capture rate of 2.2 percent for all units as proposed. The capture rates are considered excellent, and are indicative of strong demand for the Subject's units.

VII. EFFECTIVE GROSS INCOME ANALYSIS

EFFECTIVE GROSS INCOME ANALYSIS

POTENTIAL GROSS INCOME

In our search for properties comparable to the Subject, we concentrated on obtaining information on those projects considered similar to the Subject improvements on the basis of location, size, age, condition, design, quality of construction, and overall appeal. In our previous comparable property analysis, we provided the results of our research regarding properties considered generally comparable or similar to the Subject.

The potential gross income of the Subject is the total annual income capable of being generated by all sources, including rental revenue and other income sources. The Subject's potential rental income is based upon the achievable HOME and NHTF rents as derived in the Reasonableness of Rents Section of this report.

PROPOSED RENTS

Unit Type	Unit Size (SF)	Number of Units	Asking Rent	Utility Allowance (1)	Gross Rent	2021 HOME Maximum Allowable Gross Rent	2021 NHTF Maximum Allowable Gross Rent	2021 HUD Fair Market Rents
				@30% (NHTF)				
OBR / 1BA	363	31	\$520	\$0	\$520	-	\$520	\$1,059
				@50% (HOME)				
OBR / 1BA	363	29	\$866	\$0	\$866	\$866	-	\$1,059
		60						

Notes (1) Source of Utility Allowance provided by the Developer.

Other Income

Other income typically includes revenue generated for laundry fees, vending, late fees, utility reimbursements, damages, and cleaning fees, etc. We have estimated other income to be \$120 per unit annually, which appears reasonable based on the Subject's budget provided by the client.

Vacancy and Collection Loss

In developing an income forecast, a prudent investor would typically include a minimum vacancy and collection loss factor, typically three to seven percent. As previously discussed, we concluded to a vacancy factor of less than three percent in our analysis, which reflects physical and economic vacancy. We have concluded to a total vacancy loss of 5.0 percent, inclusive of collection loss.

EFFECTIVE GROSS INCOME

Provided below is a summary of Novogradac's estimate of Effective Gross Income for the Subject, which is projected to be \$476,908 in the first year of stabilization.

EFFECTIVE GROSS INCOME

	Number of Units	Per Unit	Total Annual Revenue
Total Potential Rental Income	60		\$494,808
Other Income (Per Unit)		\$120	\$7,200
Total Potential Revenue			\$502,008
Vacancy/Collection Loss (5.0%)			(\$25,100)
Effective Gross Income			\$476,908

VIII. CONCLUSIONS

CONCLUSIONS

The Subject property is a proposed HOME and NHTF new construction multifamily age-restricted housing development to be located at 2824 and 2826 Real Street in Austin, Texas. The site is currently improved with a small shed that will be demolished prior to construction. According to the Travis Central Appraisal District, the Subject site consists of two subdivided parcels defined as Property IDs 204171 and 204172. The Subject is located in Census Tract 48453000402, which is not a 2022 Qualified Census Tract. The Subject will be accessible from a driveway on the north side of Real Street.

PROPOSED RENTS

Unit Type	Unit Size (SF)	Number of Units	Asking Rent	Utility Allowance (1)	Gross Rent	2021 HOME Maximum Allowable Gross Rent	2021 NHTF Maximum Allowable Gross Rent	2021 HUD Fair Market Rents
@30% (NHTF)

OBR / 1BA	363	29	\$866	\$0	\$866	\$866	-	\$1,059
		60						

Notes (1) Source of Utility Allowance provided by the Developer.

With consideration given to the target population, the demographic trends, and the occupancy rates reported among the comparable properties, the Subject's unit mix is appropriate and market oriented.

Provided below is a summary of the 30 and 50 percent AMI level rental analysis. It should be noted there is a limited supply of studios in the area, and none of the affordable comparables offer studios; therefore, we have illustrated one-bedroom LIHTC rents. Additionally, it should also be noted that the AMGI in Travis County is at a record level of \$98,900 as of 2021.

LIHTC RENT COMPARISON @30%

Property Name	County	Tenancy	OBR	1BR	Rents at Max?
Rosewood II	Travis	Senior	\$520	-	Yes
Affordable Maximum Rent (Net)	Travis		\$520	\$556	
Heritage Pointe	Travis	Senior	-	\$485	Yes
The Jordan At Mueller	Travis	Family	-	\$464	No
Wildflower Terrace	Travis	Senior	-	\$499	Yes
Average			-	\$483	
Achievable Affordable Rent			\$520	-	

LIHTC RENT COMPARISON @50%

Property Name	County	Tenancy	OBR	1BR	Rents at Max?
Rosewood II	Travis	Senior	\$866	-	Yes
Affordable Maximum Rent (Net)	Travis		\$866	\$928	
Heritage Pointe	Travis	Senior	-	\$867	Yes
The Jordan At Mueller	Travis	Family	-	\$829	No
Villas On Sixth Street	Travis	Family	-	\$879	Yes
Wildflower Terrace	Travis	Senior	-	\$871	Yes
Average			-	\$862	
Achievable Affordable Rent			\$866	-	

All four of the comparables offer units at the 30 percent and 50 percent of AMI set aside. It should be noted that the discrepancy between the adjusted rents for the comparables and the applicable rent limits for the Subject is attributed to differing utility allowance schedules. Three of the comparables, Heritage Pointe, Villas On Sixth Street, and Wildflower Terrace, reported achieving 2021 LIHTC maximum allowable rents. The property manager at The Jordan At Mueller reported rents have not yet been increased to 2021 LIHTC maximum allowable levels, as tenants at the property were affected by job losses and furloughs as a result of the COVID-19 pandemic. However, the contact stated maximum allowable rents are achievable in the market, and that it is likely they will increase to maximum allowable rents in the future. All four comparables reported waiting lists, and operate with an average vacancy of 0.5 percent. The Subject will offer similar to superior condition relative to the comparables as new construction, and is similar to superior to the comparables in terms of location. Based on the performance of the comparables, as well as the limited competition in the market at lower AMI set asides, we have concluded to achievable affordable rents at the 2021 HOME and NHTF maximum allowable levels for the Subject's studios at 30 and 50 percent of the AMI.

Based on the proposed rents, the Subject's proposed HOME and NHTF rental rates are below the achievable market rates for the PMA. The following table shows the rent comparison for achievable market rents at the comparable properties and the proposed rents at the Subject.

SUBJECT COMPARISON TO MARKET RENTS

Unit Type	Rent Level	Square Feet	Pro Forma Rent	Adjusted Min	Adjusted Max	Adjusted Average	Achievable Market Rent	Subject Rent Advantage
OBR/1BA	@30% (NHTF)	363	\$520	\$1,407	\$1,585	\$1,480	\$1,475	65%
OBR/1BA	@50% (HOME)	363	\$866	\$1,407	\$1,585	\$1,480	\$1,475	41%

The Subject will be in excellent condition as a newly constructed property and will offer inferior to similar in-unit amenities and community packages, along with a generally superior location when compared to the majority of the market rate comparables. The market rate comparables will exhibit inferior to similar conditions when compared to the Subject. The adjusted rents of all comparables were given consideration in our determination of achievable market rents. Overall, the Subject's highest proposed affordable rents will offer an advantage to Novogradac's estimated achievable market rents of approximately 41 to 65 percent.

Provided below is a summary of Novogradac's estimate of Effective Gross Income for the Subject, which is projected to be \$476,908 in the first year of stabilization.

EFFECTIVE GROSS INCOME

	Number of Units	Per Unit	Total Annual Revenue
Total Potential Rental Income	60		\$494,808
Other Income (Per Unit)		\$120	\$7,200
Total Potential Revenue			\$502,008
Vacancy/Collection Loss (5.0%)			(\$25,100)
Effective Gross Income			\$476,908

TDHCA defines the Gross Capture Rate as the Relevant Supply divided by the Gross Demand. We have evaluated the Gross Capture Rate for the Subject as a whole and by number of bedrooms and rent restriction categories, as illustrated in the following tables. Also illustrated are the individual unit capture rates, AMGI band capture rates, and gross capture rate.

INDIVIDUAL, AMGI BAND, AND GROSS CAPTURE RATES (AS PROPOSED)								
Relevant Supply								
	Subject's Units	Comparable Units	Total Relevant Supply		Gross Demand	Gross Demand + External Demand*		Capture Rate
@30% (NHTF)								
OBR	31	0	31	/	1,111	1,222	=	2.5%
AMGI Band Capture Rate	31	0	31	/	1,111	1,222	=	2.5%
@50% (HOME)								
OBR	29	0	29	/	1,391	1,530	=	1.9%
AMGI Band Capture Rate	29	0	29	/	1,391	1,530	=	1.9%
GROSS DEMAND (HOME AND NHTF UNITS)								
Gross Demand (HOME AND NHTF Units)	60	0	60	/	2,502	2,752	=	2.2%

Dividing the Subject's 60 total HOME and NHTF units by the total demand of 2,752 senior households indicates a capture rate of 2.2 percent, 90 percent of which is drawing from the PMA and 10 percent of which is drawing from outside the PMA, per TDHCA guidelines. Additionally, all individual capture rates are 2.5 percent or less, meeting the TDHCA threshold of 65 percent or less. Further, the overall gross demand of 2.2 percent meets the threshold of 10 percent or less for senior housing developments.

The Subject will be an affordable property targeting senior households aged 62 and older and will offer studios restricted at the 30 and 50 percent AMI levels.

One of the comparables, Trailhead Apartments, was able to provide absorption data. Additionally, we obtained absorption data from other properties within a five-mile radius of the Subject that have reported absorption information since 2020.

ABSORPTION

Property Name	Rent	Tenancy	Year	Total Units	Absorption (units/month)
The Oaks At Ben White	LIHTC	Family	2021	96	29
The Emory	Market	Family	2021	305	14
Bridge At Granada	LIHTC	Family	2021	258	23.5
Trailhead Apartments*	Market	Family	2020	308	27
St. Johns West	Market	Family	2020	297	23
Creekview Apartments	LIHTC	Family	2020	264	24
AVE Austin North Lamar	Market	Family	2020	226	17
Average Affordable				618	26
Average Market				1,136	20
Overall Average				1,754	23

*Utilized as comparable

As illustrated above, absorption at the comparable property, Trailhead Apartments, was reported to be 27 units per month. The overall average reported by all surveyed properties was 23 units per month. Based on this information, we estimate that the Subject would achieve a stabilized occupancy rate of 95 percent at a rate of approximately 25 units per month, which equates to an absorption period of approximately two to three months.

The affordable comparables reported vacancy rates ranging from zero to 1.7 percent, with an average of 0.5 percent. The market rate comparables reported vacancy rates ranging from 2.6 to 4.6 percent, with an average of 3.6 percent.

It should be noted that the Subject will be a multifamily age-restricted housing development that offers affordable units to seniors aged 62 and older. Thus, we believe the Subject will perform similar to the surveyed affordable comparables. We anticipate the Subject will maintain a vacancy rate of five percent or less upon stabilization, inclusive of collection loss.

Authored "New Legislation Emphasizes Importance of Market Studies in Allocation Process,"
Affordable Housing Finance, March 2001

VI. Real Estate Assignments

A representative sample of Due Diligence, Consulting or Valuation Engagements includes:

- On a national basis, conduct market studies and appraisals for proposed Low-Income Housing Tax Credit properties. Analysis includes preliminary property screenings, market analysis, comparable rent surveys, demand analysis based on the number of income qualified renters in each market, supply analysis and operating expense analysis to determine appropriate cost estimates.
- On a national basis, conduct market studies and appraisals of proposed new construction and existing properties under the HUD Multifamily Accelerated Processing program. This includes projects under the 221(d)3, 221(d)4, 223(f), and 232 programs.
- Completed numerous FannieMae and FreddieMac appraisals of affordable and market rate multifamily properties for DUS Lenders.
- Managed and completed numerous Section 8 Rent Comparability Studies in accordance with HUD's Section 9 Renewal Policy and Chapter 9 for various property owners and local housing authorities.
- Designed and implemented rent reasonableness toolkit for Public Housing Agencies (PHA) in support of Housing Choice Voucher program. Rent reasonableness tool provides an estimated rent based on surveyed market conditions specific to the PHA.
- Developed a Flat Rent Model for the Trenton Housing Authority. Along with teaming partner, Quadel Consulting Corporation, completed a public housing rent comparability study to determine whether the flat rent structure for public housing units is reasonable in comparison to similar, market-rate units. THA also requested a flat rent schedule and system for updating its flat rents. According to 24 CFR 960.253, public housing authorities (PHAs) are required to establish flat rents, in order to provide residents a choice between paying a "flat" rent, or an "income-based" rent. The flat rent is based on the "market rent", defined as the rent charged for a comparable unit in the private, unassisted market at which a PHA could lease the public housing unit after preparation for occupancy. Based upon the data collected, the consultant will develop an appropriate flat rent schedule, complete with supporting documentation outlining the methodology for determining and applying the rents. We developed a system that THA can implement to update the flat rent schedule on an annual basis.

Brad E. Weinberg

Qualifications

Page 3

- As part of an Air Force Privatization Support Contractor team (PSC) to assist the Air Force in its privatization efforts. Participation has included developing and analyzing housing privatization concepts, preparing the Request for Proposal (RFP), soliciting industry interest and responses to housing privatization RFP, Evaluating RFP responses, and recommending the private sector entity to the Air Force whose proposal brings best value to the Air Force. Mr. Weinberg has participated on numerous initiatives and was the project manager for Shaw AFB and Lackland AFB Phase II.
- Conducted housing market analyses for the U.S. Army in preparation for the privatization of military housing. This is a teaming effort with Parsons Corporation. These analyses were done for the purpose of determining whether housing deficits or surpluses exist at specific installations. Assignment included local market analysis, consultation with installation housing personnel and local government agencies, rent surveys, housing data collection, and analysis, and the preparation of final reports.
- Developed a model for the Highland Company and the Department of the Navy to test feasibility of developing bachelor quarters using public-private partnerships. The model was developed to test various levels of government and private sector participation and contribution. The model was used in conjunction with the market analysis of two test sites to determine the versatility of the proposed development model. The analysis included an analysis of development costs associated with both MILCON and private sector standards as well as the potential market appeal of the MILSPECS to potential private sector occupants.

REAL ESTATE ASSIGNMENTS

A representative sample of work on various types of projects:

- Managed and completed hundreds of market studies and appraisals for proposed new construction and existing Low Income Housing Tax Credit, USDA Rural Development, Section 8 and market rate multifamily and age-restricted developments. This included

property screenings, market and demographic analysis, comparable rent surveys, supply and demand analysis, determination of market rents, expense comparability analysis, and other general market analysis. Property types include proposed multifamily, acquisition with rehabilitation, historic rehabilitation, adaptive reuse, and single-family development.

- Complete agency and HUD appraisals using the cost approach, income capitalization approach, and sales comparison approach for Low Income Housing Tax Credit, USDA Rural Development, and Section 8 properties. Additional assignments also include partnership valuations and commercial land valuation.
- Prepared HUD Market-to-Market rent comparability studies for Section 8 multifamily developments.
- Perform valuations of General and/or Limited Partnership Interest in a real estate transaction, as well as LIHTC Year 15 valuation analysis.
- Prepare Fair Market Value analyses for solar panel installations in connection with financing and structuring analyses performed for various clients. The reports are used by clients to evaluate with their advisors certain tax consequences applicable to ownership. Additionally, these reports can be used in connection with application for the Federal grant identified as Section 1603 American Recovery & Reinvestment Act of 2009 and the ITC funding process.
- Perform market studies and appraisals for proposed and existing multifamily properties under the HUD MAP program. These reports meet the requirements outlined in Chapter 7 of the HUD MAP Guide for the 221(d)4, 223(f), and the LIHTC Pilot Program.
- Consult with lenders and developers and complete valuation assignments for developments converting under the RAD program.
- Prepare valuations for unique redevelopment sites with mixed uses including a variety of commercial, multifamily, and recreational uses. Further, performing analysis and valuations for assisted living facilities for potential acquisition, hold or trade purposes.
- Prepare and develop individual development models for forecasting and residual land value analysis for large-scale development sites

STATEMENT OF PROFESSIONAL QUALIFICATIONS

Kelcy Appraisal Services
Real Estate Analyst Intern, December 2019 – April 2020

III. REAL ESTATE ASSIGNMENTS

A representative sample of Due Diligence, Consulting, or Valuation Engagements includes:

- Assists on appraisals of proposed new construction, rehabilitation, and existing Low-Income Housing Tax Credit properties. Analysis including property screenings, valuation analysis, capitalization rate analysis, expense comparability analysis, determination of market rents, and general market analysis.
- Performs market studies for proposed Low-Income Housing Tax Credit, market rate, HOME-financed, USDA Rural Development, and HUD-subsidized properties on a national basis. Analysis including property screenings, market analysis, comparable rent surveys, demand analysis based on the number of income qualified renters in each market, supply analysis, and operating expenses analysis. Property types include proposed multifamily, senior independent living, assisted living, large family, and acquisition with rehabilitation.
- Assists in the preparation of Rent Comparability Studies for expiring Section 8 contracts and USDA contracts for subsidized properties located throughout the United States. Engagements include site visits to the subject property, interviewing and inspecting potentially comparable properties, and analyses of collected data including adjustments to comparable data to determine appropriate adjusted market rents using form HUD-92273.
- Researches and analyzes local and national economy and economic indicators for specific projects throughout the United States. Research including employment industries analysis, employment historical trends and future outlook, and demographic analysis.
- Examines local and national housing market statistical trends and potential outlook in order to determine sufficient demand for specific projects throughout the United States.
- Conducts physical inspections of subject properties and comparable properties to determine condition and evaluate independent physical condition assessments.
- Analyzes historic audited financial statements and proposed operating statements to determine property expense projections.

ADDENDUM E

Data Sources

DATA SOURCES

Sources used in this study include data that is both written and oral, published and unpublished, and proprietary and non-proprietary. Real estate developers, housing officials, local housing and planning authority employees, property managers, and other housing industry participants were interviewed. In addition, we conducted a survey of existing, comparable properties.

This report incorporates published data supplied by various agencies and organizations, including:

Attachment 4 – Project Info

4b. Good Neighbor Policy

City of Austin Good Neighbor Checklist

The Neighborhood Housing and Community Development Office (NHCD) offers a Good Neighbor Policy to standardize process and identify expectations for all projects funded through the City of Austin's Rental Housing Development Assistance (RHDA) and Acquisition and Development (A&D) programs. Applicants of these programs are required to prepare and begin implementing a community engagement plan, including neighborhood notification activities. The community engagement plan is required whether the application is for funding for new construction or renovation of an existing building, regardless of whether there is a change in ownership.

A successful community engagement plan leads to open, ongoing two-way communication between developers and neighbors. This requires good-faith efforts and cooperation by developers, City officials and residents. A positive, open dialogue between housing developers and neighbors can prevent misunderstandings, facilitate prompt resolution of any inadvertent misunderstandings, and provide a fair, thoughtful, dependable means of resolving differences.

The following checklist of items is required of all applicants for funding:

(1) Preliminary Research

- Review the Neighborhood Plan (if applicable)

(2) Neighborhood Notification

- Notify property owners within at least 500 feet of the site and registered neighborhood organizations with boundaries included in the proposed development site, using a written notice, letter or flyer.

(3) Pre-Application Engagement

- Contact neighborhood organizations to provide current information about the project, including any neighborhood association whose boundaries are included in the proposed development site and Neighborhood Planning Contact Team (if applicable). *(see full City of Austin Good Neighbor Guidelines for more detailed information on what kind of information may be appropriate to share)*
- Appoint a Single-Point-of-Contact (SPOC) to serve as the liaison for exchanging information.

(4) Application requirements

- Provide communications plan
- Provide documentation showing the content of the notice, and proof of delivery
- Provide signed copy of this checklist.

I have reviewed and completed all of the above checklist items required by the City of Austin's Good Neighbor Guidelines.

GOOD NEIGHBOR POLICY

ROSEWOOD II

2824 and 2826 Real St.
Austin, TX 78722

CONTACT

Conor Kenny, Principal
Capital A Housing
(512) 968-3050
Conor@CapitalAHousing.com

COMMUNICATIONS PLAN FOR NEIGHBORHOOD ENGAGEMENT

Before any other facets of a development are pursued, Capital A Housing will approach the neighborhood and talk to key stakeholders about the project, target population and share examples of the future development.

The following steps have already or will soon be taken to communicate with the neighborhood surrounding the proposed development located at 2824 and 2826 Real St., Austin, TX 78722:

Preliminary Research: Using the City of Austin’s Community Registry site and general Internet searches, True Casa Consulting researched the neighborhood organizations that contain the proposed site and identified the following active organizations.

Del Valle Community Coalition
East Austin Conservancy
Rosewood Neighborhood Plan Contact Team

Neighborhood Plan: The development is in the Rosewood Neighborhood Plan area located at the link below:

[Rosewood NP draft.PDF \(austintexas.gov\)](#)

- 1) **Neighborhood Contact:** Capital A Housing will reach out to the priority neighborhood organization(s) to share info on plans for the development of Rosewood II. HPD will be updated once those meetings have occurred.
- 2) **Neighborhood Notification** – The organizations above will be notified as part of the TDHCA notification process. At this time, we do not anticipate a zoning change being necessary. The team will also reach out to neighborhood and publicly engage, as a neighbor, on the plans for development of the site.
- 3) **Neighborhood Engagement** – At the any upcoming neighborhood meetings, Capital A Housing will present information about their firm, plans for design of the building and talk about who will live at the property and what services will be offered.

- After initial phone contact, meetings will be scheduled with any organization that should request such.
- Capital A Housing will invite neighborhood members to volunteer events to get more involved with the project.

4) Implementation/Ongoing Relations – Capital A Housing will implement the following processes to encourage ongoing relations with neighborhood members:

- Neighborhood members will be invited to the Ground Breaking and Ribbon Cutting events that will be held for the property. Neighborhoods will be given recognition for their support.
- The property will invite neighborhood members to participate in services programs being offered at our community.
- The property will invite and educate neighborhood members on the many ways to volunteer with the property.
- Capital A Housing will establish an open-door policy so that neighborhood members will feel comfortable communicating any concerns with either the on-site property management or the single point of contact.

S.M.A.R.T. Housing – Rental – 2824-2826 Real St.	
Total units: 298 units	
<u>Minimum Required:</u> 40% (120 units) at or below 80% MFI - Requirements for 100% fee waiver	<u>Proposed unit mix:</u> 10% (31 units) at or below 30% MFI 17% (49 units) at or below 50% MFI 23% (69 units) at or below 80% MFI
Affordability Period (S.M.A.R.T. units): 65 Years	
Fee waiver level: 100%	
AWU Capital Recovery Fees: 80/298 units eligible	

Note: This certification letter only reflects the minimum requirements for the relevant program (S.M.A.R.T. Housing). Should the owner choose to participate in other affordability programs, the development may be subject to additional affordability restrictions and/or a longer affordability period.

Because the applicant has proposed a unit mix that meets the minimum program thresholds, the development will be eligible for a waiver of fees listed in Land Development Code, Chapter 25-1-704, as amended or other fees waived under a separate ordinance except for Austin Water Utility Capital Recovery Fees (see below). The fee waiver level is listed above. The project will be subject to its minimum affordability period after issuance of a certificate of occupancy, unless funding requirements are longer.

Based on the requirements under the Texas Local Government Code, Chapter 395.16(g) and 42 U.S.C. Section 12745 (A)(1) as it relates to how housing qualifies as affordable housing, only a certain number of units may be eligible to receive Austin Water Utility Capital Recovery Fee (CRF) waivers. The table above lists the number of units which are eligible to receive CRF fee waivers.

The Housing and Planning Department (HPD) certifies the proposed project meets the S.M.A.R.T. Housing standards at the pre-submittal stage. The expected fee waivers include, but are not limited to, the following fees:

AWU Capital Recovery Fees	Concrete Permit	Mechanical Permit
Building Permit	Electrical Permit	Plumbing Permit
Site Plan Review	Subdivision Plan Review	Regular Zoning Fee
Construction Inspection	Parkland Dedication Fee	Zoning Verification
Demolition Permit Fee	(by separate ordinance)	Land Status Determination

Building Plan Review

Prior to issuance of building permits and starting construction, the developer must:

- ◆ Obtain a signed Conditional Approval from the Austin Energy Green Building Program stating that the plans and specifications for the proposed development meet the criteria for a Green Building Rating. (Contact Austin Energy Green Building: 512-482-5300 or greenbuilding@austinenergy.com).
- ◆ Submit plans demonstrating compliance with the required accessibility or visitability standards.

Before a Certificate of Occupancy will be granted, the development must:

- ◆ Pass a final inspection and obtain a signed Final Approval from the Green Building Program. (Separate from any other inspections required by the City of Austin or Austin Energy).
- ◆ Pass a final inspection to certify that the required accessibility or visitability standards have been met.
- ◆ An administrative hold will be placed on the building permit, until the following items have been completed: 1) the number of affordable units have been finalized and evidenced through a sealed letter from project architect and/or engineer, 2) a Restrictive Covenant stating the affordability requirements and terms has been filed for record at the Travis County Clerk Office.

The applicant must demonstrate compliance with S.M.A.R.T. Housing standards after the certificate of occupancy has been issued or repay the City of Austin, in full, the fees waived for this S.M.A.R.T. Housing certification.

Please contact me by phone 512.978.1594 or by email at brendan.kennedy@austintexas.gov if you need additional information.

Sincerely,

Brendan Kennedy, Project Coordinator
Housing and Planning Department

4d. MOU with ECHO

May 4, 2022

RE: Letter of Support for The Rosewood II

To Whom It May Concern:

The Ending Community Homelessness Coalition (ECHO) is the lead Continuum of Care (CoC) agency for Austin/Travis County. ECHO is charged with creating and managing access to permanent housing on behalf of the homeless response system. The Capital A Housing Group, ECHO, and Family Eldercare are working to develop access to affordable housing units at, at The Rosewood II, 2824 Real St., Austin, TX. 78722. This development project with Capital A Housing will dedicate 100% of the units at The Rosewood II to the Homelessness Response System and will exclusively take referrals through the Coordinated Entry system. These units will be made available to our neighbors exiting homelessness through the Family Eldercare project-based program for the duration of the executed agreement. Subsequently, this project will increase affordable housing options to those apart of our Homelessness Response System. ECHO is therefore in support of the Rosewood II housing development as it will produce long term resources to end homelessness in Austin/Travis County.

Please feel free to reach out with any questions.

Sincerely,

Jezzmen McPeters

Associate Director of Housing and System Advancement

jezzmenmcpeters@austinecho.org

Established Point of Contact:

Attachment 4 – Project Info

4e. Resident Services

Rosewood II

Description of Services

i. A description of the services to be provided to residents and/or clients, and the estimated annual cost of providing those services.

Family Eldercare will lead the overall strategy for designing and delivering supportive services to program participants. The objective for supportive services is to enable program participants to live as independently as possible with a focus on stable permanent housing, self-sufficiency and healthy outcomes. In accordance with the CoC Written Standards for Program Delivery, all services are person - centered and follow Housing First principles. Furthermore, services will be documented in the Homeless Management Information System (HMIS).

Family Eldercare will bring the following supportive services on-site through our in-house programs:

Case Management: Housing retention case management will be provided to assess, arrange, coordinate and monitor goals directed by program participants (service planning). The target population for housing retention case management are people who have recently exited chronic homelessness, meaning they live with a disability and have significant histories of homelessness. There is a sufficient staffing plan in place so that all residents can receive case management while adhering to recommended PSH caseload sizes of twelve to fifteen clients per case manager.

Under the provision of case management, residents may also receive:

1. Self-sufficiency services and resources with a focus on benefits enrollment assistance
2. Crisis intervention to prevent and respond to housing and mental health emergencies and substance abuse issues
3. Tenant orientation
4. Dispute resolution for debts related to housing and utilities
5. Legal assistance that may include credit repair and expungement services
6. Referrals and linkage to other available community resources

Service Coordination: Primarily, Service Coordinators assess the needs of residents and develop individualized plans to meet those needs with a focus on linking residents to resources, services and public benefits which enable them to live independently for longer. As a Service Coordinator acts as a facilitator and liaison, their caseload sizes will be larger ratios than for housing retention case management staff. Under the provision of Service Coordination, residents may also receive education programming with a focus on digital literacy and overall health and wellness.

Household Training: Program participants will be guided through a 5-week financial literacy curriculum, Making Every Dollar Count provided by the University of California Cooperative Extension.

Counseling: Family Eldercare is one of only two agencies in Central Texas that provides in-home counseling, and the only program accepting health payers outside of Medicare. Licensed Clinical Social Workers and Licensed Professional Counselors will offer weekly sessions up to 60 minutes for program participants as needed.

Time-Limited Financial Assistance: Family Eldercare is able to offer program participants options for

financial assistance through various programs including rapid re-housing, Best Single Source Plus homelessness prevention, Season for Caring, and through other annual community donations. In 2021, Family Eldercare distributed approximately \$1,850,000 in direct client assistance.

Money Management Services: Money management is an essential service on the continuum of care for older adults and people exiting chronic homelessness. Family Eldercare offers money management services through voluntary services such as Bill Payer where clients are assisted to sort mail, balance checkbooks, and make sure bills are paid on time. Family Eldercare also offers representative payee and fiduciary services through formal appointment from the Social Security Administration or VA.

Family Eldercare will form formal and informal relationships with community partners and service providers to make sure the following services, at minimum, are available to participants on site where possible:

Substance Use Treatment: The Severity of Barriers Data assesses the types of severe barriers of households in permanent housing programs. This data provided by ECHO demonstrates that 95% of PSH participants and 38% of rapid re-housing participants report substance use barriers. Family Eldercare will contract with partners to provide substance abuse treatment on site as needed, including Recovery Unplugged, Communities for Recovery, Recovery People, Austin Recovery, Integral Care, and on-site support groups led by LCSW, LPC, or peer support. Recovery Support Peer Specialists (RSPS) certified under the Texas Certification Board provide services eligible for reimbursement through Medicaid/Medicare and Family Eldercare will seek to employ staff with those credentials.

Medical and Behavioral Health Care: Over the years Family Eldercare has come to realize the need to focus on developing relationships with the health provider of our resident's choice versus only focusing on bringing one provider on-site. Health care choices are driven by health insurance coverage and a variety of providers may be at play. Family Eldercare will contract with partners to provide health care on site as needed, including CommUnity Care, Integral Care, Well Med, Lone Star Circle of Care, Austin Regional Clinic, Bluebonnet Trails, etc. Family Eldercare has established relationships with many of those providers and a Bilingual Health Coordinator will work with residents to develop health goals and establish relationships with health providers.

Food Access: Diabetes remains one of the leading causes of death in the nation, and Family Eldercare seeks to replicate supportive housing and health care collaborations to address this disparity through evidence-based and promising community-based interventions. The site design features including raised garden beds and an outdoor kitchen will promote classes, cooking demonstrations, and fresh produce via a food pantry for residents.

The estimated annual cost of providing supportive services is \$913,907.00 in year one and project a 6 % increase in the subsequent years.

ii. The number and types of residents/clients expected to be served annually.

The project will serve 60 older adults defined as 62 years of age or older experiencing homelessness referred by the CoC.

iii. Developer's experience and qualifications in providing the services to be offered, if services are offered by the developer.

Family Eldercare is a highly qualified agency with the experience and ability to perform affordable housing development and provide supportive housing services to older adults experiencing homelessness. Over the past 40 years, Family Eldercare has developed housing and provided services to meet the needs of older adults and people with disabilities. In recent years services have both expanded and been newly created to focus on housing instability and homelessness in the Austin area.

In 2004 Family Eldercare opened Rosewood Senior Housing, DBA Lyons Gardens, a HUD Sec. 202 property which includes 53 subsidized units in East Austin. Lyons Gardens is an award-winning and service-enriched senior community which combined HUD funding with an additional \$1,720,000 in philanthropic and local funding to create a model for housing that integrates supportive services and active design so that low-income older adults can “age in place.” Among the funding received included \$500,000 from the Federal Home Loan Bank for a commitment to reserve units for older adults experiencing homelessness. Federal Home Loan Bank “special units” continue today with 12 units designated for older adults experiencing homelessness.

The opening of Lyons Gardens led Family Eldercare to adopt the Service Coordination model pioneered by the Robert Wood Johnson Foundation and HUD. From 2009 to 2012, Family Eldercare was the recipient of a “Community Innovations for Aging in Place” grant from the US Department of Health and Human Services to provide education and a variety of support services for seniors at five Austin Housing Authority (HACA) properties. Family Eldercare has honed its expertise in Service Coordination and its partnership with HACA has been recognized and awarded by the American Association of Service Coordinators. Today Family Eldercare Service Coordinators are on-site at twelve communities serving a total of 1,453 units.

Family Eldercare has also provided subsidized transitional housing and case management in a program called “Elder Shelter,” which has since closed due to funding constraints. Family Eldercare partnered with private developers to offer 22 units of transitional housing across six sites in Austin. In addition to transitional housing, older adults were offered case management services to support their transition into safe and affordable permanent housing.

Most recently, Family Eldercare has led the charge for homeless response ramp-up during the pandemic. This includes securing over \$2,000,000 in CARES Act funds for rapid re-housing services and transitioning 145 households into permanent housing. Furthermore, Family Eldercare was successful in standing up a new rent assistance program with CDBG-CV funds and distributing more than \$810,000 in housing payments for 197 unique households. Family Eldercare has not only managed to keep up high quality services and outcomes throughout the pandemic, but has also managed to successfully grow services with a commitment to serve more clients in need. This success led to the City of Austin entering into a \$2.9M agreement with Family Eldercare as the primary service provider for the first phases of the HEAL Initiative (Housing-Focused Encampment Assistance Link). Family Eldercare will provide Rapid Rehousing case management and rental assistance for individuals relocated from encampments to bridge shelters, assisting them as they locate and stabilize in permanent rental housing.

iv. Description of the organization(s) providing the services and a memorandum of understanding or some other type of signed agreement that indicates the relationship between the developer and service provider, if the services are provided by an external organization.

Family Eldercare will be the service provider and property manager for the project. Family Eldercare is a 40-year-old Central TX-based 501(c)(3) nonprofit guided by the vision that a supportive community is a

great place to grow old. We believe older adults and people with disabilities are a vital part of creating a more livable, inclusive community for everyone.

Our agency was founded in 1982 by two women with a groundbreaking idea: develop resources and training for families caring for their aging loved ones. Jackie Lelong and Tina Dublin were experts in the field of aging and they took action to fill an unmet need. Over the last 40 years, the legacy of our founders has lived on in the innovative programs we create to meet the evolving needs of our community.

Today, Family Eldercare thoughtfully partners with families and individuals to create stability, dignity, and success for aging Central Texans. As fierce advocates for aging in place, we offer a continuum of services to keep our community healthy, socially connected, financially secure, stably housed, and protected from abuse, neglect, or exploitation regardless of income.

v. Resumes of key personnel who will be actively involved in the delivery of services including information on certifications, licenses, years of experience, and education

see attached

vi. Financial capacity of the Services provider:

- **Identify sources and amounts of funds that will be or are expected to be utilized to provide supportive services for 3 years from the date of issuance of the Certificate of Occupancy.**
- **Include a services budget which reflects current and anticipated funding and expenses associated with the provision of services for three (3) years**

Key Staff

Kent Herring, Chief Executive Officer: Kent Herring joined Family Eldercare as the Chief Executive Officer in July 2014. Mr. Herring joins our mission with great experience in personally working with the aging community for over 20 years. Mr. Herring relocated from Abilene where he spent 8 years as the Regional Vice President of Sears Methodist Retirement System and the Executive Director of Wesley Court Methodist Retirement Community. He also has 11 years of sub-acute hospital experience in Waco, Texas. He has an extensive track record of building strong and successful organizations and managing large operations. Mr. Herring serves on the board of Best Single Source Plus, a collaboration of 13 nonprofits, as well as LeadingAge Texas, whose mission is to lead not-for-profit members in their efforts to better serve seniors through collaboration in advocacy, networking, services and education.

Brittany Baize, Director of Development & Communications: Brittany oversees all fundraising, strategy and communications activities at Family Eldercare, as well as the 29-year-old Summer Fan Drive program, and has been with the agency since 2017. She has a Bachelor's of Business Administration in Finance from the McCombs School of Business at the University of Texas at Austin, a Bachelor's of Science in Radio-TV-Film from UT Austin, and is an alumna of the Women's Campaign School at Yale. She previously helped YES Prep Public Schools in Houston expand from serving 5,000 students to 20,000 students as their Senior Director of Advancement and later as their Director of Product Management acting as Deputy CIO from 2012-2016. She also was a founding team member of Success Preparatory Academy as Director of Finance and Operations in New Orleans in 2009.

Cheryl Dunn Donley, Director of Finance: Cheryl Dunn Donley oversees the financial operations of the agency and has been with the agency for just under two years. She has more than 35 years of progressive experience working as a staff accountant, office manager, Controller, and Senior Director of Finance with nonprofit and commercial companies in the Austin area. Mrs. Donley graduated from St. Edward's University where she majored in Accounting.

Shontell Gauthier, Financial & Housing Stability Director: Ms. Gauthier has a B.S. from the University of Louisiana at Lafayette. She began work at Family Eldercare in 2006, overseeing the successful transition of 200+ elderly and disabled Hurricane Katrina evacuees in Austin. Prior to working at Family Eldercare, she co-owned and served as the Program Director of Acadiana Community Based Services, an agency that provided supervised, independent living and vocational rehabilitation services for individuals with a developmental disability.

Shondrea Harroon, PhD, Guardianship Director: Dr. Shondrea Harroon recently joined Family Eldercare as the Director of Guardianship. Dr. Harroon is a health care professional who is passionate about connecting people to communities of meaning, promoting healthy dissension, celebrating diversity, and standing up for the full worth of all humans. She is a powerful force in the workplace and uses her positive attitude and tireless energy to encourage others to work hard and succeed.

Joyce Hefner, LMSW, Director Housing and Community Services: Joyce Hefner has worked for Family Eldercare since 1996. She began as Director of Guardianship and Bill Payer services. Currently, she serves as the Director of Housing and Community Services (HCS). As Director of HCS, her responsibilities include program development and expansion; internal and external program monitoring; evaluating and licensing; and billing and contract compliance. HCS includes Home-Based Counseling, Service Coordination (embedded in 12 senior/disabled housing communities), and Healthy Connections Healthy Aging Programs (includes Lifetime Connections Without Walls (LCWW)--a phone-based socialization and learning activity program for home-bound seniors and Living Well! Healthy Aging programs offered at senior/disabled housing communities. The department is comprised of 14 staff. Joyce earned her Master of Science in Social Work with a concentration in Administration and Planning at the University of Texas at Austin. Among other community and stakeholder planning groups, Ms. Hefner participates in the Aging Services Council of Central Texas.

OUR STORY

Since 1982, Family Eldercare has served older adults and adults with disabilities. Our beginnings were small, but our task was enormous. Jackie Lelong and Tina Dublin were experts in the field of gerontology and had a concern for supporting families as they cared for their aging loved ones. With their research and professional backgrounds, the women founded Family Eldercare to serve as a resource in the community. Initially, Family Eldercare hosted public forums throughout Texas discussing aging and disability issues. They disseminated their educational program “As Parents Grow Older” to empower families and caregivers helping older adults to stay at home as long as possible. At that time, Family Eldercare was described as a group of fierce advocates with only a file cabinet, but it eventually became the primary agency in Central Texas directly serving older adults, adults with disabilities, and those who care for them. This emergence began in 1986 when, at the request of the Texas Department of Human Services and the Travis County Probate Court, Family Eldercare developed the Travis County Guardianship and Money Management program. Our mandate is to house clients in the least restrictive environment possible; prevent abuse, neglect, and exploitation; promote health, well-being, and dignity; and support people living on a fixed income.

Throughout our history, Family Eldercare has adapted our services to meet emergent needs from our community. It was no different during the pandemic. Much of our focus was ensuring that the basic needs of clients were met, that they were not evicted, and that they stayed safe and received supportive services during this unprecedented time.

Our Vision

All Texans thrive with dignity and purpose in supportive communities and are financially secure.

Our Mission

We are experts on the journey of aging, providing services tailored to the individual to promote independence and stability.

LETTER FROM THE CEO

At the start of 2020, Family Eldercare reported that our vision for 2020 was to address the housing shortage crisis among people age 55+. Within a few weeks of our announcement, the COVID-19 pandemic had a grip on our country. At Family Eldercare, the pandemic worsened the existing challenges that already made life difficult for many of the people we serve, including: having enough food to eat, paying rent and utilities, affording the cost of prescriptions, and getting medical care. For clients who were homeless, the pandemic made access to care increasingly difficult as our city shut down.

We had to suspend all volunteer activities. For older persons we served, sheltering-in-place to reduce exposure to the virus further isolated them. Our clients who lived in assisted living facilities, nursing care facilities, and state-funded facilities were suddenly cut off from visitors and were at increased risk of a super-spreader event.

For everyone we served, the pandemic was potentially life-threatening, catastrophic, and lonely.

This report describes the ways Family Eldercare temporarily shifted our focus away from some of our longer-term goals in order to focus on meeting our community's basic needs during the COVID crisis.

A handwritten signature in blue ink that reads "Kent Herring".

Kent Herring
CEO, Family Eldercare

WHAT WE DID

01

We went remote.

Invested in remote technology and robust digital security tools so we could keep working for the people we serve.

02

We shared.

Created a COVID resource and information page on the Family Eldercare website.

03

We triaged.

Surveyed our clients to determine individual, immediate, and emerging needs during this time.

04

We informed.

Directly contacted our clients to keep them informed about the rapidly evolving health crisis.

05

We adapted.

Quickly shifted to providing remote services to the people we served wherever possible.

WHAT WE DID

06

We were safe.

Distributed personal protective equipment to employees and created sanitizing stations around the office.

07

We were focused.

Adapted some of our services to help meet basic needs such as food, housing, and utility assistance.

08

We grew.

Hired additional employees to meet the increased demands of our community.

09

We delivered.

Delivered 1,476 fresh-prepared meals to clients without enough food by partnering with Keep Austin Together.

10

We listened.

Offered Coping with COVID sessions through our Counseling & Lifetime Connections Without Walls (LCWW).

WHAT WE DID

11

We connected.

Offered free, virtual LCWW sessions to combat isolation & loneliness among people age 55+

12

We educated.

Added COVID-focused LCWW informational sessions with Austin Geriatric Specialists and Austin Public Health.

13

We went contact-free.

Created a Contact-Free version of the Summer Fan Drive and started the season earlier than usual.

14

We partnered.

Assisted formerly homeless Austinites via a partnership with Mobile Loaves & Fishes' Community First! Village.

15

We protected.

Visited 450 persons under our guardianship in-person and virtually every month to ensure their health & safety.

WHAT WE DID

16

We demanded eviction relief.

Advocated for eviction relief by helping our clients share their stories with local press and decision makers.

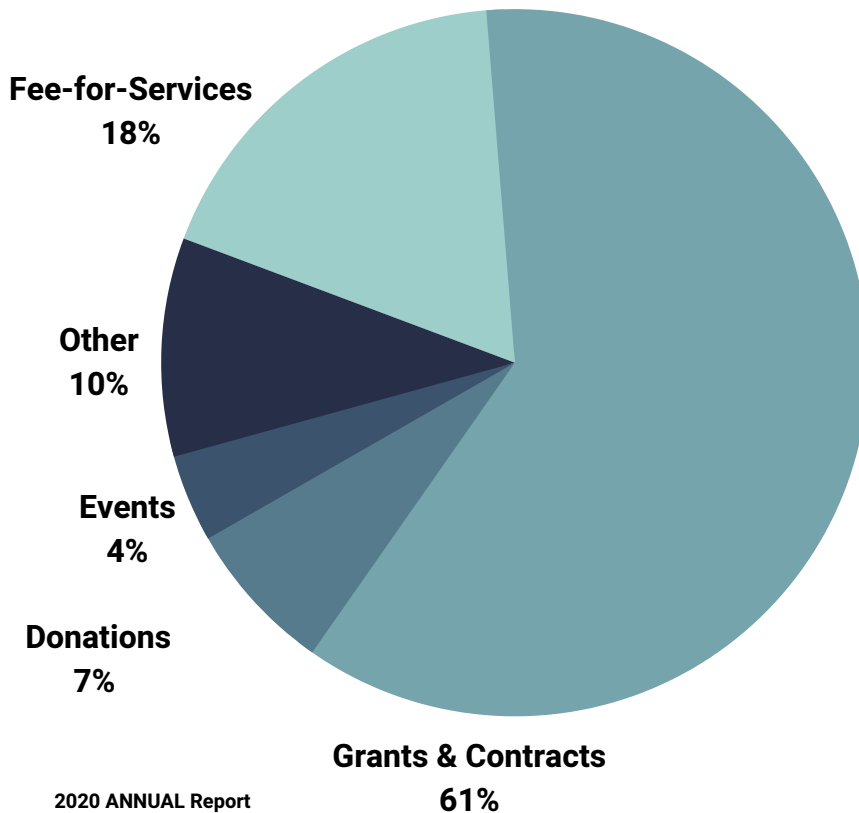

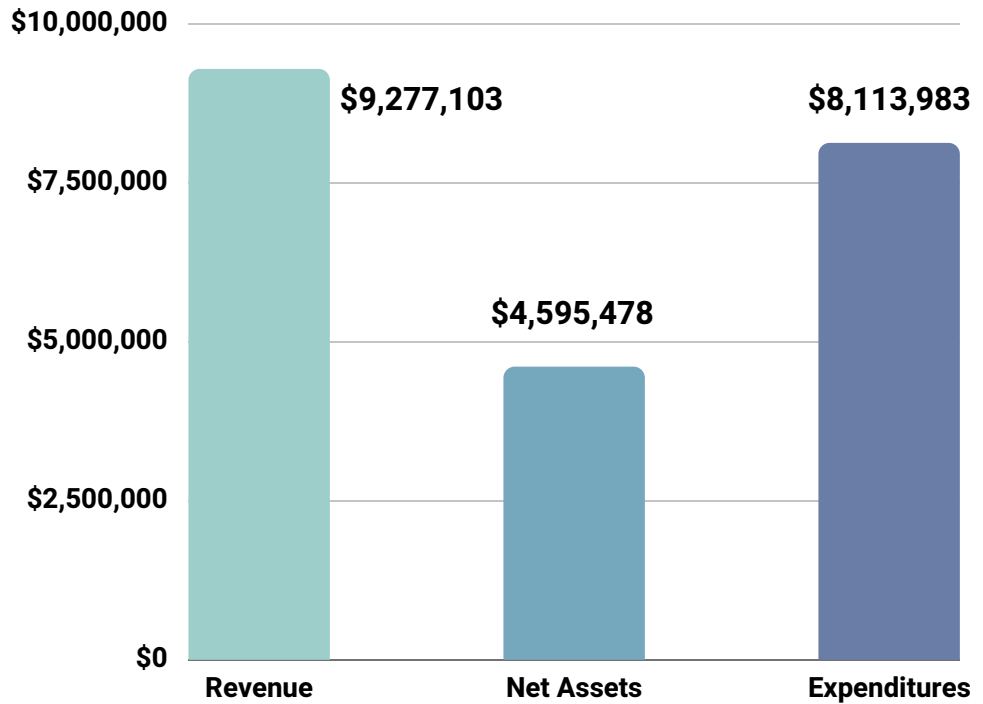

17

We invested in housing.

Distributed over \$2 million in emergency COVID relief funds to keep our community housed.

2020 STATEMENT OF ACTIVITIES

More than half of revenue, support, and gains came from grants and contracts.

OUR PROGRAMS

In 2020, Family Eldercare celebrated 38 years of service to Central Texans. We continue to meet the urgent needs of our community through strong leadership, innovative partnerships, and generous community support.

Counseling

Provided to older adults at home or virtually, by Licensed Clinical Social Workers to support patients' mental health and help them cope with depression, anxiety, stress, conflict, trauma, and crisis.

Financial & Housing Stability

Formerly known as Money Management, FHS provides case management and support services to support individuals with their journeys toward self-sufficiency and stable housing.

Guardianship

Appointed by local courts to make decisions and exercise the legal rights of people—often the most vulnerable in the community—who lack the capacity to manage their property, health, and safety.

Lifetime Connections Without Walls

A telephone program that provides opportunities for isolated or lonely older adults to connect with others in their community and across the country. We offer social and educational sessions, support groups, and friendly conversation – all over the phone – all from the comfort of home.

Service Coordination

Guided by the Department of Housing and Urban Development to connect people living in affordable housing with supportive services that help them remain independent in their homes. Service Coordinators are found in affordable housing properties throughout Austin, including the Family Eldercare-owned Lyons Gardens.

SPECIAL HIGHLIGHTS

Community First! Village

Family Eldercare began a partnership with Mobile Loaves & Fishes' Community First! Village. Austinites who have experienced homelessness receive housing through Mobile Loaves & Fishes as well as service coordination and case management through Family Eldercare.

COVID-19 Pandemic & In-Home Care

The COVID-19 pandemic hit many of our clients particularly hard, especially those already at risk for financial and housing instability and social isolation. In 2020, after 25 years, we made the difficult and necessary decision to transition out of in-home care and shifted our focus to serving as advocates for persons who need this service and those who provide it. [Read why we did this.](#)

Family Eldercare participated in multiple government programs designed to help people who had been financially affected by COVID-19. We successfully distributed millions of dollars in relief funding to Central Texans of all ages, provided case management to households at greater risk of housing instability, and expanded our phone-based Lifetime Connections Without Walls program to combat social isolation. Learn more about Lifetime Connections Without Walls.

SUCCESS STORIES

Sandy, late 80's, Counseling

Sandy, in her late 80s, was referred for in-home counseling by the social worker at her doctor's office. Sandy was experiencing depression related to her failing health and the aging process. As someone who was not interested in anti-depressants, she welcomed a counselor into her home to help address her symptoms and concerns. Sandy was a well-educated woman who herself had spent much of her career helping older adults and had been extremely active in her community. Sandy received counseling for nearly a year before she passed away from a degenerative disease. In that time, Sandy was able to engage in extensive life review and process the feelings she had about her life's joys and triumphs, but also her regrets and pain. *"I'll miss you when I am gone. . . . Thank you and I love you,"* she said to her counselor in their final session. Sandy and her counselor formed a true therapeutic relationship in the final year of her life, providing her an outlet to share parts of herself she was not comfortable addressing with anyone else.

Chris, age 62+, Financial & Housing Stability- Rapid ReHousing Program

Before being enrolled in Family Eldercare's Rapid Rehousing Program for Older Adults, Chris was homeless for 20 years -- alternating between sleeping in a park and staying in an abandoned house. Chris's financial and housing stability plan involved overcoming several obstacles, including a lack of ID and not receiving Social Security benefits. With the assistance of Family Eldercare's rapid rehousing services and financial assistance funds, he and his case manager were able to obtain a birth certificate, and later a state ID. After two months of working with Family Eldercare, he was able to move into his own apartment at Lyons Gardens.

Doug, age 53, Guardianship

In 2019, Family Eldercare received an urgent phone call from a judge. It was a case of medical neglect and immediate action needed to be taken to save this man's life. Doug, age 52 at the time, had been under his mother's guardianship for more than 30 years and was now in poor health. She discharged him from the hospital against medical advice while he was in critical condition for kidney failure likely caused by her medical mismanagement. The judge removed his mother as guardian and appointed Family Eldercare.

As a result of his mother's care, Doug suffered permanent kidney damage and needed ongoing dialysis. Our Guardian Care Manager worked with the social workers at the hospital to get him placed in a nursing facility that would assist with transport 3x/week for dialysis care and would manage his medications with 24/7 nursing care. He started to improve and was stable for the first time in a while. The Care Manager was able to get him brand new hearing aids to improve his quality of life, and he is a favorite among the staff at the facility where he now lives.

SUCCESS STORIES

Ms D, age 104, Lifetime Connection Without Walls

At the age of 104, with limitations in mobility and vision, Ms. D spends a lot of time at home. *“I just sit here and stare at the walls but when the phone rings, that all changes,”* she says. As our program’s lone centenarian, Ms. D feels strongly about her peers joining LCWW, saying more older adults should know about it. *“The feeling of belonging that LCWW provides is important to me. I can’t say enough nice things about it.”*

Sandra, age 72, Service Coordination

72-year old Sandra lives in a housing complex for older adults. She had never lived alone before. After losing her husband of 43 years, she moved in with her children. She appreciated their help, but eventually felt she needed her own space. She credits Family Eldercare, and especially her on-site Service Coordinator Michelle, with helping her maintain her independence.

It hasn’t always been easy. *“I’ve been struggling,”* Sandra admits, *“because the electricity bill just keeps going up and up.”* Michelle, she says, is *“really good about doing what needs to be done to keep my lights on.”* Beyond connecting her to resources, Sandra is especially grateful to Michelle for the emotional support she provides. Sandra says talking to Michelle has really helped her.

“If it weren’t for Michelle, I probably wouldn’t still be here. I would not be alive because I would just have given up on myself. But I’m not ready for that yet, thanks to Michelle.”

Connie, age 55+, Summer Fan Drive & COVID-19 Assistance

The fan drive hotline received a desperate call from a woman who was in crisis. Connie lived in a small trailer and its small window unit was not working well. We were experiencing a 100+ degree heat wave when she called. She lived on a fixed income and her water was about to be shut off. Family Eldercare referred her to our RISE program, which provides financial assistance for families impacted by COVID-19. The next day, our case manager delivered four fans to Connie and submitted her application for RISE funds. Connie qualified to receive \$1,200 in assistance to get her up to date on her bills, rent, and the overdue water bill. Once she was caught up on her bills, Connie was able to afford a much-needed walker. Now she could walk to the mailbox without worrying about falling because of her mobility issues. During our follow up call, Connie was excited and thankful, saying, *“Oh Lord have mercy, those fans saved my life! If it hadn’t been for Family Eldercare bringing me those fans, I wouldn’t have been able to cool my trailer when it’s 110 degrees outside.”*

Names changed to protect the privacy of our clients.

Special thanks to the St. David's Foundation for continued support of our mission and to donors who provided COVID-related direct client assistance funding that allowed us pay for basic needs such as rent, food, medications, utilities, and other assistance for our clients as they endured this unprecedented pandemic.

To Whom It May Concern:

Capital A Housing is the developer for the projects of the Travis County Supportive Housing Collaborative, whose members are A New Entry, Austin Area Urban League, Caritas of Austin, Family Eldercare, Integral Care, LifeWorks, and SAFE Alliance. Each of these non-profits is developing their own multi-family project with 100% of the units dedicated to homelessness response housing for individuals coming off the Coordinated Entry list. The project in this application is one of those projects.

Because these projects are intended to provide supportive housing to individuals with often high levels of service-needs, the service budgets for these projects are substantial. Across all 468 units of homelessness response housing in the Collaborative member's projects, the total estimated services budget is approximately \$9 million annually.

Participating in the Collaborative gives this project access to one-time and ongoing funds generated by other projects in the Collaborative's portfolio. We are currently engaged in negotiations with the Housing Authority of Travis County that would generate substantial payment-in-lieu-of-taxes (PILOT) for multiple sites that also include market-rate housing. We currently project that the PILOT funds available to the Collaborative members would be \$1.6 million annually, or ~\$3,400 per unit, per year, for each of the Collaborative's project's units.

Additionally, because these projects are all projected to be debt-free, any excess building revenue – which would increase substantially if these projects secure project-based vouchers – would also be available for support services. The Collaborative members are also seeking contracts for support services with local governments, HACA, etc.

Beyond ongoing sources of funding, Collaborative projects are expected to generate \$7 million - \$12 million in one-time cash payments from private development partners.

In sum, these projects can expect a minimum of \$3,400 per year in ongoing payments for support services, plus access to a \$7-\$12 million one-time fund that can be used to cover gaps in support service budgets. Altogether, this substantially reduces the risk of unfunded service budgets for these projects, though fundraising efforts do continue.

Thank you,

5d. Proof of Site Control

SUBLEASE OPTION AGREEMENT

This SUBLEASE OPTION AGREEMENT ("Agreement") is entered into to be effective as of March 31, 2022 (the "Effective Date") by and between 2824/2826 Real Horizontal Investors, LP, a Texas limited partnership ("Sublandlord"), and Family Eldercare, Inc., a Texas not for profit corporation ("Subtenant").

RECITALS:

A. Sublandlord owns certain real property consisting of that parcel of real property located in Travis County, Texas, more particularly described on **EXHIBIT "A"** attached hereto (the "Property"), and all of the buildings, fixtures and other structures and improvements situated on the Property, among other rights associated therewith;

B. Sublandlord currently contemplates entering into (i) an Earnest Money Contract (the "PFC Contract") to sell the real property located in Travis County, Texas, more particularly described on **EXHIBIT "B"** attached hereto that includes the Property (the "Overall Site") to Travis County Facilities Corporation ("Travis County PFC") to convey the Overall Site to the Travis County PFC (the "PFC Conveyance"), (ii) a Lease Agreement with Travis County PFC of the Overall Site (the "PFC Lease") as more fully provided in a Memorandum of Understanding to be entered into by and among Travis County PFC, Sublandlord and Subtenant (the "MOU") and (iii) certain other Definitive Agreements as will be more particularly described in the MOU (the "Definitive Agreements").

Subtenant desires to have, and Sublandlord hereby grants to Subtenant, an option to sublease the Property and improvements, under the terms and conditions set forth herein.

NOW, THEREFORE, in consideration of the mutual covenants and agreements hereinafter set forth, the receipt and sufficiency of which are hereby acknowledged, the parties hereto hereby agree as follows:

1.1 Grant of Option to Sublease. Sublandlord hereby grants to Subtenant the exclusive right and sole option (the "Option") from the date hereof until December 31, 2022 (the "Option Period"), to elect to enter into a sublease for the sublease by Subtenant of the Property from Sublandlord on the terms and conditions set forth herein.

1.2 Notice of Exercise. The Option may be exercised by delivering written notice, no more than ninety (90) and no less than ten (10) days in advanced of exercise (the "Option Notice"), to Sublandlord, in the manner provided in Section 11.1 given during the Option Period stating that Subtenant shall sublease the Property in accordance with the terms and conditions of this Agreement effective as of the Closing Date. The date of such notice is referred to herein as the "Option Notice Date." In the event the Option Notice is not delivered prior to the expiration during the Option Period, then the right and option of Subtenant to sublease the Property from Sublandlord under or pursuant to this Agreement shall automatically expire at the conclusion of the Option Period. Subtenant may terminate this Option at any time upon written notice to Sublandlord. Upon such a termination, the Option price advanced for the month in which the termination takes place shall be retained by Sublandlord.

1.3 Option Price. Subtenant shall pay Sublandlord an option price as follows, during the Option Period, to the extent Subtenant desires to preserve the Option right: During that period commencing on the date hereof through the expiration of the Option Period, Subtenant shall pay to Sublandlord on the first day of each month, in advance, the amount of \$10.00 (or in the event this Option is not effective on the first day of a month, the proportion of that amount based on the number of days remaining in the first month hereof).

ARTICLE II SUBLEASE OF THE PROPERTY

2.1 Sublease of the Property. If the Option is exercised as set forth herein, Sublandlord agrees to sublease to Subtenant and Subtenant agrees to sublease from Sublandlord, the Property, in accordance with the terms, conditions and provisions set forth herein. The document into which the sublease rights shall be memorialized are referred to herein as the "Sublease."

2.2 Subject Clauses. The Sublease provided for in Section 2.1 hereof shall be made by Sublandlord subject to the following:

(a) all exceptions to title set forth in the Commitment (as hereinafter defined) or the Survey (as hereinafter defined);

(b) Any matters affecting the Property or the title thereto arising by virtue of the acts or omissions of Subtenant, its agents, employees, contractors, invitees or sub-subtenants; and

(c) The terms and conditions of the PFC Lease and the Definitive Agreements.

2.3 Closing. If the Option is exercised as set forth herein, the sublease of the Property by Sublandlord to Subtenant ("Closing") shall occur on that date identified in the Option Notice or such other date to which the parties may agree in writing ("Closing Date"), provided, however, the term of the Sublease shall not commence until following the expiration or termination of the current terms of the Leases encumbering the Property (the "Existing Leases"). The Closing shall take place at 10:00 a.m., Austin Time, on the Closing Date at the offices of the Subtenant, or at such other place as Sublandlord and Subtenant may agree in writing.

2.4 Title Commitment.

(a) At any time during the Option Period, the Subtenant shall be entitled to cause a title company of its choice (the "Title Company") to prepare a current commitment for subleasehold title insurance covering the Property to be delivered to Subtenant (a "Commitment"), and obtain a survey of the Property should it so chose, all at its cost (the "Survey").

ARTICLE III TERMS OF SUBLEASE

3.1 Terms of Sublease. The material terms of the Sublease are set forth on **EXHIBIT C** attached hereto. The parties each agree to use reasonable efforts to negotiate the terms of the Sublease

including negotiating any terms not set forth on **EXHIBIT C** necessary to consummate the transactions contemplated in the MOU in a reasonable and good faith manner.

To the extent (1) the parties cannot agree on the terms of the MOU or (2) Sublandlord and Travis County PFC do not or are unable to agree upon the terms of the MOU and the Definitive Agreements referenced thereto, or (3) if the PFC Conveyance has not occurred by the Closing Date, then, as their sole and exclusive remedy, either Sublandlord or Subtenant may terminate this Agreement, the Option herein provided shall terminate and any Option Notice previously given shall be deemed rescinded. **For the avoidance of doubt, the parties' intent is that if the transactions described in Recital B do not occur, this option shall terminate and Subtenant shall have no rights to the Property.**

ARTICLE IV LIEN MATTERS

4.1 Subordinations. To the extent the Property is encumbered by a mortgage prior to the exercise of the Option, upon Subtenant's delivery of the Option Notice, Sublandlord shall use commercially reasonable efforts to obtain from the Lender and Subtenant shall execute, if reasonably satisfactory thereto, a standard Subordination, Non-Disturbance and Attornment Agreement with the relevant lender. Should Sublandlord fail to obtain the Subordination, Non-Disturbance and Attornment Agreement, prior to the Closing Date, at Closing Subtenant shall be entitled to elect to (a) waive such obligation and consummate the Sublease without such instrument being in place, or (b) terminate this Option.

ARTICLE V COVENANTS OF SUBLANDLORD

5.1 Covenants of Sublandlord. Sublandlord hereby covenants and agrees with Subtenant:

(a) At all reasonable times during the Option Period, Sublandlord shall permit Subtenant and such persons as Subtenant may designate to undertake, at the sole cost, risk and expense of Subtenant, such reasonable investigations and inspections of the Property as Subtenant may desire.

(b) Except for the HATC PFC Conveyance, the PFC Lease Agreement and the other Definitive Agreements, Sublandlord may not sell, assign, transfer, convey or otherwise hypothecate any fee or other interest in the Property during the Option Period without the prior written consent of Subtenant. Subtenant acknowledges, however, the existence of the Existing Leases on the Property that expire before Subtenant intends to utilize the Property.

(d) Sublandlord shall take all reasonable actions required of it in order to properly effectuate the purpose and intent of this Agreement.

Subtenant will not, except as required by law, reveal to any third party not approved by Sublandlord (which approval shall not be unreasonably withheld, conditioned or delayed) the results of its inspections of the Property (other than its prospective lenders and investors, lenders, investors, advisors, partners, consultants, real estate brokers and attorneys who are advised by

Subtenant to hold the information in confidence), and upon Sublandlord's written request, Subtenant will promptly restore and/or repair any physical damage caused by such inspections to the Property or the Overall Site. Subtenant must furnish evidence reasonably satisfactory to the Sublandlord that Subtenant maintains not less than Two Million and 00/100 Dollars (\$2,000,000.00) of commercial general liability insurance which insures all activity relating to any tests or studies conducted on the Property by or on behalf of Subtenant. The evidence provided to Sublandlord shall reasonably confirm that such policy(ies) of insurance include a contractual liability endorsement which insures Subtenant's indemnity obligations hereunder, contains a waiver of subrogation and names Sublandlord as an additional insured.

SUBTENANT SHALL DEFEND, INDEMNIFY AND HOLD SUBLANDLORD AND ITS AGENTS HARMLESS FROM ANY DAMAGE, INJURY, LOSS, LIABILITY, COSTS, CLAIMS, DEMANDS, DAMAGES, ACTIONS, CAUSES OF ACTION, AND SUITS ARISING OUT OF OR IN ANY MANNER RELATED TO ANY ACTIONS BY SUBTENANT OR ITS AGENTS, EMPLOYEES, OR CONTRACTORS WITH RESPECT TO ITS INSPECTIONS OF THE PROPERTY, NOT INCLUDING THE COST OR EXPENSE ASSOCIATED WITH THE REMOVAL, REMEDIATION, INSTALLATION OF MONITORING WELLS OR OTHER SIMILAR REMEDIAL ACTIONS REQUIRED FROM ANY PRE-EXISTING ENVIRONMENTAL CONDITIONS DISCOVERED, BUT NOT EXACERBATED, BY ANY ENVIRONMENTAL TESTING CONDUCTED BY OR ON BEHALF OF THE SUBTENANT TO THE EXTENT PERMITTED HEREBY.

ARTICLE VI REPRESENTATIONS AND WARRANTIES

6.1 Representations and Warranties of Sublandlord. Sublandlord hereby represents and warrants to Subtenant as follows, it being expressly understood and agreed that all such representations and warranties are to be true and correct at the date of this Agreement and as of the Closing Date and will survive the Closing:

(a) Sublandlord has full right, power and authority to carry on its business and to own the Property and to execute, deliver and consummate this Agreement; and to sublease the Property to Subtenant under the terms of the Option set forth in this Agreement, subject to the Existing Leases.

(b) The execution of this Agreement by Sublandlord and the consummation and performance of this Agreement by Sublandlord have been duly authorized by the proper officers, directors, or partners (as appropriate) of Sublandlord, and no further authority is necessary on the part of Sublandlord for such execution, delivery, consummation and performance.

(c) The execution, delivery, consummation and performance of this Agreement by Sublandlord will not be in conflict with any agreement or instrument to which Sublandlord is a party, or constitute a default thereunder.

(d) There is no pending litigation or, to the best knowledge and belief of Sublandlord, threatened litigation which does or will affect the Property or the contemplated Sublease.

(e) There are no actions or proceeds pending or, to the best knowledge and belief of Sublandlord, threatened against Sublandlord before any court or administrative agency in any way connected with or relating to the Property, or affecting Sublandlord's ability to fulfill all of its obligations under this Agreement.

(f) Sublandlord has neither received notice nor, except as set forth in the Agreement, has knowledge that any governmental authority, or any employee or agent thereof, considers the Property to violate or have violated any ordinances, law or regulation or order of any governmental or any agency, body or subdivision thereof, or that any investigation has been commenced, or is contemplated, regarding such possible violation.

(g) Sublandlord is not in default in respect of any of its obligations or liabilities pertaining to the Property and there is no known existing state of facts or circumstances or condition or event which would constitute or result in any such default excepting solely the facts that notice has not been given or time for cure has not lapsed or both.

(h) Sublandlord has not (i) made a general assignment for the benefit of creditors; (ii) filed any voluntary petition in bankruptcy or suffered the filing of an involuntary petition by Sublandlord's creditors, unless such proceeding is dismissed or stayed within ninety (90) days after commencement thereof; (iii) suffered the appointment of a receiver to take possession of all or substantially all of Sublandlord's assets; or (iv) suffered the attachment or other judicial seizure of all, or substantially all, of Sublandlord's assets; or (v) admitted in writing its inability to pay its debts as they come due; (vi) made an offer of settlement, extension or composition to its creditors generally.

(i) No person, firm or entity, other than Subtenant, has any right to sublease or otherwise possess or occupy the Property or any part thereof.

ARTICLE VII CONDITIONS TO SUBTENANT'S OBLIGATION

7.1 Conditions to Subtenant's Obligation. If the Option is exercised, the obligation of Subtenant to sublease the Property at the Closing is conditioned upon the fulfillment of all of the conditions referred to in this Agreement (which may be waived in writing, in whole or in part, by Subtenant). Subtenant's obligation to sublease the Property is further conditioned on the following: The representations and warranties of Sublandlord as set forth herein shall be true and correct in all material respects; and Sublandlord shall have complied with and performed all material conditions, covenants and agreements required herein to be performed and complied with by Sublandlord as of the Closing.

ARTICLE VIII DAMAGE, DESTRUCTION OR CONDEMNATION

8.1 Damage, Destruction or Condemnation. If, during the Option Period, there shall occur any casualty or condemnation of any portion of the Property which Subtenant reasonably considers materially detrimental to Subtenant's use and occupancy of the Property under the Sublease,

Subtenant shall be entitled to elect at Closing (or anytime prior thereto) to either (a) consummate the Sublease at Closing, or (b) terminate this Option.

ARTICLE IX DELIVERIES AT CLOSING

9.1 Sublandlord's Obligations at Closing. Sublandlord shall deliver an executed version of the Sublease at Closing, as well as execute those documents reasonably requested by the Title Company should the Subtenant desire to obtain title insurance on its subleasehold interest in the Property, and to the extent Sublandlord is an entity a resolution of Sublandlord authorizing the sublease of the Property on the terms and conditions set forth in the Sublease.

9.2 Subtenant's Obligations at Closing. Subtenant shall deliver an executed version of the Sublease at Closing, as well as a resolution of Subtenant authorizing the sublease of the Property on the terms and conditions set forth in the Sublease.

ARTICLE X SUBLANDLORD'S DEFAULT/SUBTENANT'S REMEDIES

In the event that Sublandlord fails or refuses to comply in a timely manner with its obligations hereunder or is unable to do so as the result of its willful act or failure to act or, in the event that, at the Closing, any of Sublandlord's representations, warranties or covenants contained herein is not true or has been breached, or in the event that any condition precedent to Subtenant's obligations hereunder is not fully satisfied as herein required, the following remedies shall be available to be exercised by or on behalf of Subtenant, at the Subtenant's sole election, as its sole and exclusive alternative remedies:

(a) to terminate the Option by giving Sublandlord timely written notice of such election prior to or at the Closing, and thereupon the Option shall terminate, and, at the election of the Subtenant, the Sublease shall terminate and all parties shall be relieved and resubleased of all further obligations, claims and liabilities hereunder;

(b) to waive, prior to or at the Closing, as applicable, the applicable objection or condition and proceed to consummate the Sublease contemplated hereby in accordance with the remaining terms hereof; or

(c) to enforce specific performance of Subtenant's rights hereunder and Sublandlord's obligations under this Option.

ARTICLE XI GENERAL PROVISIONS

11.1 Notices. Any notices to be given hereunder shall be given by (a) placing the notice in the United States mail, certified or registered, properly stamped, (b) delivered by fax transmission or e-mail, (c) delivered by overnight delivery service, or (d) by personal delivery, in each case addressed

to the location shown below or such other addresses as the respective party may direct in writing to the other, or to such address.

Such notice shall be deemed effective (i) two (2) days after such placing in the mail when delivered by U.S. Mail service, (ii) on the day actually delivered by an overnight delivery service, (iii) upon receipt when delivered by e-mail or confirmation of the completion of the fax (electronic or otherwise) when delivered by fax, or (iv) upon such personal delivery:

11.2 Governing Law. ANY SALE AND PURCHASE OF THE PROPERTY UNDER THE PROVISIONS OF THIS EXHIBIT SHALL BE GOVERNED BY AND SUBJECT TO THE LAWS OF THE STATE OF TEXAS.

11.3 Time of Essence. Time is of the essence in the performance of each party's obligations under the Option.

11.4 Further Acts. Each Subtenant and Sublandlord agrees to perform or cause to be performed at the Closing or after the Closing any and all such further acts as may be reasonably necessary to consummate the transactions contemplated hereby.

11.5 Construction of Agreement. This Agreement shall not be construed more strictly against one party than against the other merely by virtue of the fact that it may have been prepared by legal counsel for one of the parties, it being recognized that both Sublandlord and Subtenant have contributed substantially and materially to the preparation of this Agreement.

11.6 Severability. If any one or more of the provisions of this Agreement, or the applicability of any such provision to a specific situation, shall be held invalid or unenforceable, such provision shall be modified to the minimum extent necessary to make it or its application valid and enforceable, and the validity and enforceability of all other provisions of this Agreement and all other applications of any such provision shall not be affected thereby.

11.7 Counterpart Execution. This Agreement may be executed in several counterparts, each of which shall be fully executed as an original and all of which together shall constitute one and the same instrument.

11.8 Nonwaiver. Except as otherwise specifically provided for hereunder, no party shall be deemed to have waived any of its rights hereunder unless such waiver is in writing and signed by the party waiving such right. Except as otherwise specifically provided for hereunder, no delay or omission by any party in exercising any right shall operate as a waiver of such right or of any other right. A waiver on any one occasion shall not be construed as a bar to, or waiver of, any right or remedy on any future occasion.

11.9 Entire Agreement. This Agreement (including all Exhibits) constitutes the entire understanding between Sublandlord and Subtenant with respect to the subject matter of this Agreement, and supersedes all negotiations, prior discussions, prior agreements, and understandings relating to such subject matter. No material representation, warranty, covenant, agreement, promise, inducement or statement, whether oral or written, has been made by Sublandlord or Subtenant and relied upon by other that is not set forth in this Agreement or in the instruments referred to in this Agreement, and Sublandlord and/or Subtenant shall not be bound by or liable for any alleged representation, warranty, covenant, agreement, promise, inducement, or statement not set forth in this Agreement.

11.10 Amendment. This Agreement may not be altered or amended, nor any rights provided for in this Agreement waived, except by an instrument in writing executed by the party or parties to be charged with such amendment or waiver. No waiver of any term, provision, or condition of this Agreement, in any one or more instances, shall be deemed to be, or construed as, a further or continuing waiver of any such term, provision, or condition or as a waiver of any other term, provision, or condition of this Agreement.

11.11 Assignment. Subtenant may assign this Agreement to a single purpose entity of which Subtenant is the sole member and formed for the purposes of subleasing the Property. No

other assignment of Subtenant's rights hereunder shall be permitted without Sublandlord's prior written consent.

[SIGNATURE PAGES FOLLOW]

This Option Agreement is executed to be effective as of the date first set forth above.

EXHIBIT C
MATERIAL TERMS OF THE SUBLEASE

Term	From exercise of Option for a term of forty-five (45) years.
Renewal Terms	Forty-five (45) years.
Monthly Rental	\$0
Permitted Use	The operation of supportive housing within the Sublease Improvements.
Fees and Expenses	Utility expenses and regular maintenance of the property shall be the obligation of Subtenant, while timely payment of taxes related to the property shall continue to be the obligation of the Subtenant.
Sublandlord's Work	
Sublandlord Improvements	None.
Subtenant Improvements	<p>Subtenant shall construct affordable units (the "Sublease Improvements") on the Property and operate such rental units meeting the affordability requirements specified in the final, agreement MOU.</p> <p>Subtenant shall be entitled to make necessary improvements to the property related to and in pursuit of the Permitted Use of the property, subject to the Sublandlord's reasonable approval, which will not be unreasonably withheld, conditioned or delayed.</p>
Parking	The parking on the subleased property shall be for the exclusive use of Subtenant and its guests, invitees and customers.
Security Deposit	Sublandlord will not require Subtenant to provide a security deposit in connection with the Sublease.
Permits and Zoning	To the extent necessary, Sublandlord must cooperate with Subtenant's permitting and execute applications, certifications, documents as may be required by the applicable jurisdiction for the Permitted Use, if any.
Assignment, subletting and mortgages	Subtenant may assign, subsublease, mortgage or encumber its interest in the sublease to entities under the common control with Subtenant entity, without Sublandlord's consent. Subtenant may assign or subsublease to a nonprofit, tax-exempt member of the Travis County Supportive Housing Collaborative, or another suitable nonprofit, tax-exempt entity with experience managing similar projects, with Sublandlord's consent, which will not be unreasonably withheld, conditioned or delayed.

Insurance	Subtenant shall maintain in place full replacement cost property insurance and general liability insurance policies during the term of the Sublease in amounts acceptable to Sublandlord.
Non-Disturbance	Within twenty (20) days after the commencement of the Term, Sublandlord will provide Subtenant a non-disturbance agreement from each lender that is the beneficiary of a deed of trust covering the Property, which non-disturbance agreement will be in a form reasonably acceptable to Subtenant. Subtenant may terminate the Sublease if Sublandlord fails to timely deliver the aforementioned non-disturbance agreement.
MOU Terms	All other terms or provisions applicable to the Sublease Agreement set forth in the final, agreed MOU.
