

DOES YOUR SMALL BIZ NEED A BOOST? HAVE A BIZ IDEA BUT NOWHERE TO GO?

The City of Austin is seeking tenants for six business incubator spaces as part of a project to temporarily activate city-owned land at 3511 Manor Road. In a rapidly growing city like Austin, it can be difficult for new small businesses and entrepreneurs to find space at a traditional brick and mortar location. The Box Bazaar aims to lower barriers to entry for aspiring small business by leasing affordable commercial space, offering professional business coaching and educational courses, and prioritizing tenants that have a connection to the local community.

If you are an enthusiastic and aspiring entrepreneur who is willing to test out new ideas or expand your business for a period of six months from January 2019 to mid-July 2019, please apply to be a tenant at the Box Bazaar: Manor Road. Application available at surveymonkey.com/r/BoxBazaar. **Tenant Applications are due no later than midnight on Sunday, November 25, 2018.**

GET INVOLVED!

The Box Bazaar also wants to temporarily activate city-owned land at 3511 Manor Road for community benefit by creating a vibrant neighborhood center. The City of Austin will sponsor a variety of programming and events onsite such as health screenings, cooking demonstrations, exercise classes, live music, film screenings, and art exhibitions – but we need your help and input! All interested parties are encouraged to complete the community input survey by November 25, which will be used to program events for the site.

COME LEARN MORE!

Attend a community meeting where City staff will share information about the project, provide opportunities for input, and take your questions!

Monday, November 5
6:30pm to 8pm
Willie Mae Kirk Library,
3101 Oak Springs Dr.

Tuesday, November 13
6:30pm to 8pm
Givens Recreation Center,
3811 E. 12th St.
