

Help Map Austin's Urban Forest!

Saturday, March 26th 3 pm - 5pm

Tuesday, March 29th 5 pm - 7 pm

Nicholas Dawson Park

Bouldin Neighborhood, W James St, Austin, TX 78704

When you map your trees and share your tree stories on TreeFolks Austin Tree Map, you are contributing knowledge that will help us understand and promote the value of Austin's trees during a period of rapid development in Austin.

All you need are comfy shoes, sunscreen and a hat if desired!

*Smartphones are optional

20 spots each day

email

ImagineATX@gmail.com

to reserve

Want to map on your own? No problem!

Visit <http://www.treefolks.org/treemap/> to learn how you can map trees in your own neighborhood. Get your friends and neighbors together and help map Austin's urban forest.
