ARTICLE 11 ASSOCIATION BUSINESS LEAVE

Section 1. Definitions

As used in this Article:

a) “Association Business” means time spent in Meet and Confer negotiations; administering the terms of this AGREEMENT, including the adjusting of grievances and participating in a dispute resolution process; representing members in a disciplinary process (to the extent allowed by this AGREEMENT); and attending the annual State CLEAT conference and Executive Board meetings, the ASSOCIATION’S Executive Board meetings, regular ASSOCIATION business meetings and ASSOCIATION seminars and workshops (subject to the provisions of Section 4 below).

Section 2. Establishment of Association Business Leave Time Pool

a) Each year during the term of this AGREEMENT, during the first ten (10) days of the calendar year, the CITY will contribute 10,000 ~~7,000~~ hours of Association Business Leave (ABL) to a pool of leave time which may be used in accordance with this Article. The CITY will track deductions from the pool as ABL is used. Effective January 1, 2025, the number of hours of ABL that the CITY contribute will be increased to 12,000 hours.¹⁸

b) Any pool hours remaining at the end of a calendar year will remain in the pool to be utilized in the following year. Hours of leave in the pool shall never have any cash or surrender value.

Section 3. Use of Association Business Leave

a) ASSOCIATION President

(1) The ASSOCIATION President may use ABL for any lawful activity consistent with the ASSOCIATION’S purposes, except as specifically prohibited by this AGREEMENT.

(2) The ASSOCIATION President may be permitted up to 2080 hours of ABL per year. Use of ABL by the ASSOCIATION President may be denied or revoked only in the event of an emergency situation. The ASSOCIATION President will be returned to ABL status after the emergency situation ends.

b) ASSOCIATION Board Members and Committee Chairs

(1) ASSOCIATION Board Members and Committee Chairs may use ABL to conduct ASSOCIATION Business as authorized in this Section. Board Members and Committee Chairs may also use ABL for special events that support the mission of the Department or the

¹⁸ A11 §2a – APA proposal 3-30-2022

ASSOCIATION, but do not otherwise violate the terms of this Article. The practice of addressing cadet classes twice during cadet training, with approval of the time and content by the Chief, shall continue through the duration of this AGREEMENT. Such time spent addressing cadet classes shall be deducted from the Pool. This provision does not exclude the Chief from approving other individuals or groups to address cadet classes at their ~~his/her~~ discretion, including employee representative groups with current dues check off, but excluding groups that seek to represent Officers regarding wages, hours and other conditions of employment.

(2) ASSOCIATION Board Members and each of the standing Committee Chairs may each be authorized to utilize up to four hundred hours (400) hours of ABL from the Pool during the year.

(3) Subject to the Chief's operational control and approval, three (3) ~~two (2)~~ Board Members, or Committee Chairs may be authorized to use more than four hundred (400) hours of ABL from the pool during the year. No more than one-half (1/2) of the hours specified in this Subsection may be utilized for legislative and/or political activities as limited by Section 4. If ABL for such Board Members(s) or Committee Chair(s) is revoked for any reason other than an emergency situation, the ASSOCIATION President may meet with the Deputy City Manager or the Assistant City Manager over public safety to review such action. The timeline for filing a grievance, if any, shall be tolled until such review has been completed.

Effective October 1, 2024 ~~2020~~ Subject to the Chief's operational control and approval four (4) ~~three (3)~~ Board members or Committee Chairs may be authorized to use more than four hundred (400) hours of ABL from the pool during the year.¹⁹

c) ASSOCIATION Members

The ASSOCIATION may request approval for the use of additional ABL for ASSOCIATION members. Any use of additional ABL will be solely at the Chief's discretion.

d) Accounting for ABL

All Officers shall account for all ABL taken through the Chief's office, and such time shall be subtracted from the Association leave pool. There shall be no entitlement for overtime pay for any hours worked on ABL.

e) Officer Conduct While on ABL

While on ABL, all Officers shall abide by the policies, rules, regulations, procedures, and directives of the Austin Police Department. ABL may be revoked for violations of such policies, including but not limited to acts that bring discredit to the Department or to the CITY, that tend to adversely affect the confidence of the public in the integrity of the Department, or improperly damages or impairs the reputation of the Department. The CITY recognizes the ASSOCIATION's prerogative to publicly express interests related to the wages, rates of pay, hours of employment, or conditions of work affecting the members of the ASSOCIATION. The CITY further recognizes

¹⁹ A11 §3b (3) – APA proposal 3-30-2022

that from time to time, the interests of the ASSOCIATION may not be shared by the Department or CITY. Expression of such interests in a manner consistent with the philosophy and values of the Department will not be considered to be a violation of this Subsection.

f) Temporary Vacancy

(1) In ~~their~~ ~~his or her~~ sole discretion, the Chief of Police may determine that the continuous absence from duty of more than three months due to the usage of ABL creates a vacancy in the affected Officer's rank, but shall not expand the size of the classified service. When the Officer whose absence created the vacancy returns to active duty, thus creating a surplus in ~~their~~ ~~his/her~~ rank, the last person promoted to that rank will be demoted to the next lower classification and placed on the reinstatement list with such rights as prescribed by this Article.

(2) The same result applies to all other promotions in the lower ranks which resulted from the first promotion and subsequent demotion.

(3) There shall be only one reinstatement list for each rank for persons demoted by virtue of this Section. Any person placed on the reinstatement list shall remain on the list indefinitely. Persons on the list shall be entitled to reinstatement to the rank from which they were demoted in the same order as the demotion occurred. This results in the last demoted at that rank being the first reinstated. Reinstatements must occur off of the reinstatement list for that rank before any promotional eligibility list. Until such reinstatements occur and the reinstatement list is exhausted, there shall be no "vacancy" created at that rank for the purpose of any promotional eligibility list.

Section 4. Use of ABL for Legislative/Political Activities

a) It is specifically understood and agreed that ABL shall not be utilized for legislative and/or political activities at the State or National level, unless they relate to the wages, rates of pay, hours of employment, or conditions of work affecting the members of the ASSOCIATION. At the local level, the use of ABL for legislative and/or political activities shall be limited to raising concerns regarding officer safety. ABL shall not be utilized for legislative and/or political activities related to any election of public officials or City Charter amendments. ABL shall not be utilized for legislative and/or political activities that are sponsored or supported by the ASSOCIATION's Political Action Committee(s).

b) It is specifically understood and agreed that no ABL shall be utilized for legislative and/or political activities at the local, state, or national level that are contrary to the CITY's adopted legislative program. No ABL shall be utilized for activities prohibited by Section 143.086 of Chapter 143 or by the Texas Ethics Commission. Nothing contained in this Subsection is intended to prohibit an Officer from using vacation time to engage in legislative and/or political activities.

Section 5. Request for ABL

All Association Business Leave will be requested in writing to and approved by the ASSOCIATION President, and submitted in advance for final approval by the Chief in accordance

with this Article. The Chief may waive the requirement that the request and approval be in writing. Requests for use of ABL shall be made as far in advance as is practicable.

Section 6. Effect of Contract Expiration

The provisions of this Article shall remain in full force and effect after expiration of this AGREEMENT until the earlier of the date a successor agreement has been reached, or twelve (12) months after expiration of this AGREEMENT.

There will be no State District Court appeal of the ERC's examination appeal determinations or from the Police Civil Service Commission's written examination appeal decisions, except an appeal alleging the CITY's failure to validate the written examination.

Section 13. Vacancy Created by Indefinite Suspension or Successful Appeal of a Promotional Bypass

- a) Notwithstanding any provision in this Article or any provision in Local Government Code Chapter 143, an indefinite suspension of an Officer (despite any pending appeal) shall create a vacancy, but shall not expand the size of the classified service. In the event that an indefinite suspension is overturned on appeal and the Officer is reinstated to active duty in the Department, or in the case of a successful promotional bypass appeal, the person who filled the most recent vacancy at that rank shall be the one who is demoted to the next lowest classification and placed on a reinstatement list, with such rights as prescribed in this Article.
- b) The same result applies to all other promotions in lower ranks which resulted from the first promotion and subsequent demotion.

- b) Any person placed on the reinstatement list shall remain on the list indefinitely.
- c) Persons on the list shall be entitled to reinstatement to the rank from which they were demoted in the same order as the demotion occurred. This results in the first demoted at that rank being the first reinstated. Reinstatements must occur off of the reinstatement list for that rank before any promotions from a promotional eligibility list. Until such reinstatements occur and the reinstatement list is exhausted, there shall be no “vacancy” created at that rank for the purpose of any promotional eligibility list.

d) Time spent on a reinstatement list shall not be considered a break in service for civil service purposes, including, but not limited to eligibility for future promotional examinations.

Section 15. Bypass

Promotional bypass will be in accordance with the provisions of Section 143.036 (f) and (g) included below for reference.

a) Unless the Police Chief has a valid reason for not appointing the person, the Police Chief shall appoint the eligible promotional candidate having the highest grade on the eligibility list. If the Police Chief has a valid reason for not appointing the eligible promotional candidate having the highest grade, the Police Chief shall personally discuss the reason with the person being bypassed before appointing another person. The Police Chief shall also file the reason in writing with the commission and shall provide the person with a copy of the written notice. On application of the bypassed eligible promotional candidate, the reason the Police Chief did not appoint that person is subject to review by the commission or, on the written request of the person being bypassed, by an independent third-party hearing examiner under Section 143.057.

b) If a person is bypassed, the person's name is returned to its place on the eligibility list and shall be resubmitted to the Police Chief if a vacancy occurs. If the Police Chief refuses three times to appoint a person, files the reasons for the refusals in writing with the commission, and the commission does not set aside the refusals, the person's name shall be removed from the eligibility list.

Section 16. Vacancy

A vacancy for promotional purposes is created when:

1. An officer retires;
2. An officer resigns;
3. An officer dies;
4. An officer is promoted;
5. An officer is indefinitely suspended;
6. An officer is on authorized military leave of absence;
7. When an officer is appointed to the rank of Assistant Chief or Commander; or
8. When a temporary vacancy occurs, at the Chief's discretion in accordance Article 11, Section 3(f).

Section 17. Effect of Contract Expiration

The provisions of this Article shall remain in full force and effect after expiration of this AGREEMENT as to:

- a) All promotional eligibility lists created during this AGREEMENT; and
- b) All reinstatement lists created pursuant to this Article.

ARTICLE 14 HIRING PROCESSES

Part A. Application of Chapter 143 Processes

The ASSOCIATION, recognizing the CITY's need for flexibility in the hiring of both experienced police officers and Cadets for the Department's regular Training Academy program, hereby agrees to the deviations from Chapter 143 hiring procedures specifically authorized by this Article. Except as allowed by this Article, the CITY will comply with the hiring procedures specified in Chapter 143, and retains all prerogatives granted to it by the statutory procedures.

Part B. Initial Hiring Process

Section 1. Submission of Proper Application

a) In order to be considered for the position of cadet, each applicant must first submit a proper application as defined by the Department. A proper application shall include, but not be limited to, information on personal history, criminal history, driving record and age. The information submitted shall be used by the Police Department to determine whether the applicant meets the minimum qualifications to proceed to the testing phase of the process.

b) The Police Chief shall establish the eligibility requirements for applicants for the position of police cadet, consistent with Chapter 143 and this AGREEMENT.

Section 2. Maximum Age of Applicants

For all applicants, the maximum age for application to the cadet position shall be forty-five (45) years old.

Section 3. Screening and Testing of Applicants

a) The Police Chief will develop and implement the screening and testing procedures used to determine whether an applicant will be offered a position as a police cadet in a Police Academy class. The screening and testing procedures will include, at a minimum, a structured Oral Interview Board and a background investigation. Nothing in this AGREEMENT or in Chapter 143 will restrict the nature of the tests administered to applicants or the procedures used to administer those tests.

b) Applicants who successfully complete all of the screening and testing procedures will be placed on an eligibility list per Department policy or procedure. Applicants on the eligibility list may be offered a position as police cadet in any upcoming Police Academy class.

c) Each eligibility list created as a result of the process described in this Section shall remain effective for twenty-four (24) months after certification by the Civil Service Commission.

Section 4. Police Internship Program

a) In a joint effort to promote diversity the City and Association agree that the Austin Police Department may create and implement a Police Internship Program for individuals who are interested in becoming Austin Police Officers. Anyone hired into or volunteers to participate in the Police Internship Program must pass the same screening and testing procedures as applicants for the position of Police Cadet, either at the beginning, or at the end of their participation in the Program, and/or at the time they become eligible for placement on an eligibility list, at the discretion of the Chief. The duration of the Police Internship Program will be at least the equivalent of a college semester.

b) Any intern who successfully completes the Police Internship Program shall be placed at the top of the current or next eligibility list for hire as a Police Cadet. Up to thirty-eight percent (38%) of each Police Academy class may consist of interns who successfully completed the Police Internship Program. Placement on eligibility lists under this section shall include any intern who completes an otherwise eligible internship program, even if it was begun prior to the effective date of this Agreement. If they are not eligible due to age, they will be placed at the top of the first eligibility list for which they are eligible and for which they remain otherwise eligible. If an intern remains enrolled as a full-time student, they shall be able to defer being placed on an eligibility list until completion of their then current course of enrollment.

c) The City may offer the same or similar Police Internship Program to any accredited college or university, or any high school.

d) The City of Austin Youth and Family Services Office shall implement a pilot Police Internship Program at a college or university, including but not limited to, Huston Tillotson University, or a high school, including but not limited to, Reagan High School or Akins High School, if one has not been created by the effective date of this Agreement.

Section 5. Effect on Present Cadet Classes

It is specifically understood and agreed that the hiring process set out in this AGREEMENT shall not apply to persons hired before the effective date of this AGREEMENT.

Section 6. Probationary Period

The “at will” probationary period of individuals filling beginning positions in the police Department shall begin, under this AGREEMENT, on the date the cadet receives his/her commission and shall end at the expiration of fifteen (15) months. The probationary period of any cadet that already holds a commission prior to entering the police academy shall begin on the date the officer receives their first assignment after successful completion of the academy, and shall end at the expiration of fifteen (15) months. However, any leave taken by a probationary police officer during this probationary time period, including but not limited to injury leave, FMLA leave, sick leave, shall extend this probationary period by the length of the leave taken. (Approved vacation leave other than FMLA will not so extend the probationary period.) Nothing in this

Section is intended to imply that an extension of this probationary time-period vests any rights under this agreement or in any way changes the “at will” status of a cadet.²²

Section 7. Annual Review

The Chief will notify the Association prior to the annual review of the hiring process and two Association representatives will be permitted to participate in that review.

Part C. Modified Hiring Process

Section 1. Applicability

The Modified Hiring Process applies only to the hiring of experienced police officers who may not need to attend the Department’s regular Training Academy program.

Section 2. Eligibility Requirements

a) The Chief of Police shall establish the eligibility requirements for applicants for the Modified Hiring Process. The requirements need not be the same as those established by Chapter 143 or those applicable to applicants for the position of Cadet in the Department’s regular Training Academy. The requirements may be modified by the Chief of Police, but shall include at least the following:

- At the time of application, each applicant must be actively employed as a police officer for a municipal, county, or state law enforcement agency that handles a full array of urban police work. Each applicant must have a total of at least three years of active service as a police officer for one or more municipal, county, or state law enforcement agency. Employment by or experience with a school or university law enforcement agency is not acceptable.
- Each applicant shall hold a current peace officer license from the Texas Commission on Law Enforcement Officer (TCOLE) or shall meet criteria established by the Chief for obtaining the TCOLE license.
- Each applicant will be subject to a background investigation which is inclusive of any prior agency’s civil service personnel file (commonly referred to as the “g” file) as required by § 1701 of the Tex. Occ. Code.²³

b) The Chief of Police or their his sworn designee may, at their his or her sole discretion, deny the application of any applicant for the Modified Hiring Process and may determine whether a particular applicant meets the eligibility requirements.

²² A14, Part B §6 – COA proposal 3-30-22

²³ A14, Part C §2a – COA proposal 3-30-22

c) Once the hiring process for a modified class has been identified, the CITY will provide the process to the ASSOCIATION prior to accepting applications. The CITY agrees not to change the hiring process for that hiring cycle unless a court, the DOJ, the EEOC/TWCCRD, or a third party vendor that participated in designing the process, determines that the process outcome is unlawful under Title VII or Chapter 21 of the Texas Labor Code.

Section 3. Selection and Placement

a) The Chief of Police shall establish the selection criteria and procedures for the Modified Hiring Process, which need not be the same as those established by Chapter 143 or those applicable to applicants for the position of Cadet in the Department's regular Training Academy. Applicants who meet the selection criteria and procedures may be hired without being placed on an eligibility list.

b) Upon hire, the applicant will be placed in the position of "Cadet Senior," regardless of any rank or position the officer previously held in another law enforcement agency, to the same extent as if they had been hired under the processes prescribed by Chapter 143. Each Cadet Senior must complete a Modified Training Academy and probationary period.

Section 4. Training and Probation

a) The Chief of Police shall establish the training requirements for a Modified Training Academy. All Cadet Seniors hired through the Modified Hiring Process must successfully complete the Modified Training Academy.

b) Each Cadet Senior shall successfully complete the same probationary period as officers hired through the Department's regular hiring process.

Section 5. Civil Service Status

a) A Cadet Senior who successfully completes the Modified Training Academy will be placed in the Civil Service classification of Police Officer and automatically becomes a full-fledged Civil Service employee and has full Civil Service protection, subject to successfully completing probation. Until completion of probation, each officer hired through this Modified Hiring Process is an at-will employee who may be discharged by the Chief of Police at any time, without right of appeal.

b) Until completion of probation, an Officer hired through the Modified Hiring Process is excluded from the coverage of Articles 17 and 18 and cannot file grievances pursuant to Article 20 regarding disciplinary actions.

Section 6. Pay and Seniority

a) The Chief of Police may determine the pay rate for each Cadet Senior during the Modified Training Academy. Upon completion of the Academy, the Chief of Police may determine the pay rate for each Police Officer hired through this Modified Hiring Process. Any

pay rate established by the Chief shall not exceed that of an Officer with two years' experience in the Austin Police Department.

b) Regardless of the pay rate established for each Cadet Senior, seniority for purposes of longevity pay shall begin when the Officer successfully completes the Modified Training Academy.

Section 7. Promotional Eligibility

Officers hired through the Modified Hiring Process must meet the same promotional eligibility requirements as Austin Police Department Officers hired through the Department's regular initial hiring process.

Section 8. Implementation

The Modified Hiring Process described by this Article may be used at any time, for any number of applicants, as authorized by the Chief of Police.

Part D. Additional Provisions

Section 1. Benefit of the Bargain

The ASSOCIATION and the CITY share the goal of recruiting and hiring the most qualified applicants to become Austin Police Officers. The ASSOCIATION acknowledges the significant effort and skill of the Department's Recruiting Unit in trying to meet this goal, but recognize that the Department needs to be able to adjust hiring procedures as necessary, without having to wait until the next Meet & Confer negotiation process. The parties agree that the degree of flexibility incorporated into this Article is of benefit to both parties and that this AGREEMENT would not have been reached without the flexibility provided by this Article.

Section 2. Effect of Contract Expiration

The provisions of this Article shall remain in full force and effect after expiration of this Agreement as to:

a) Any hiring process which has been commenced in substantial reliance upon the provisions of this Article;

b) The length of the "at will" probationary period for individuals in that status prior to the expirations of this AGREEMENT;

c) Any eligibility list created under the terms of this Article will remain in effect for 24 months, notwithstanding the expiration of this AGREEMENT;

d) Any interns who are participating in the Police Internship Program at the expiration of this AGREEMENT may be placed at the top of the first eligibility list created after expiration of this AGREEMENT.

ARTICLE 15 DRUG TESTING

Section 1. Commitment to an Effective Drug Interdiction Program

The CITY and the ASSOCIATION agree that Officers may be called upon in hazardous situations without warning, and that it is imperative to the interest of the Officers and the public to ensure that Officers are not substance impaired. In order to further their joint interest in protecting Officers and the public, the CITY and the ASSOCIATION agree to mandatory drug testing as described in this Section. The CITY and the ASSOCIATION have a mutual interest in ensuring that drug impaired Officers do not perform law enforcement duties. The CITY and the ASSOCIATION are committed to the principle that the mandatory drug testing policy for Officers is designed and shall be administered to result in disciplinary action only against those Officers who have violated the Police Department's rules, regulations, policies and procedures.

Section 2. Random Testing

a) One hundred percent (100%) of Officers at all ranks, including the Chief, shall be susceptible to mandatory testing for illegal drugs and controlled substances during each calendar year on a fair and impartial statistical basis at the CITY's expense. The fair and impartial statistical basis (in which each Officer has an equal chance of being selected during a calendar year) shall be by a non-discriminatory computerized program operated and certified as non-discriminatory by an independent firm hired by the CITY, and the Officer shall be tested upon being selected by the computer.

b) Upon notice of selection for random testing, any Officer shall provide a urine sample in accordance with the policy or protocol established by the testing laboratory. Failure to provide a sample shall be equivalent to insubordination and may be the basis for suspension or indefinite suspension.

Section 3. Assurance of Accurate Results

Officers shall have the right to request that their urine sample be stored in case of legal disputes. The urine sample will be submitted to the designated testing facility where a sample will be maintained for the period of one year. Officers may, at their own expense, request to have a test administered at an approved physician's office accompanied by the testing personnel provided such testing is administered within eight (8) hours after notification by the Chief. Drug testing shall consist of a two-step procedure:

- (1) Initial screening test.
- (2) Confirmation test.

Should a confirmation test be required, the test procedure will be technologically different and more sensitive than the initial screening test. Officers shall be provided with a notice of the

result and may obtain a copy of the actual laboratory result upon request to the Lieutenant assigned responsibility as Drug Testing Coordinator.

The CITY and the ASSOCIATION agree that only an appropriately certified laboratory should conduct drug testing. The laboratory selected shall be experienced and capable of quality control documentation, chain of custody and have a demonstrated technical expertise and proficiency in urine analysis and shall comply with all requirements of an appropriately certified laboratory. The CITY shall require any laboratory selected for collecting samples to conduct a background investigation on those laboratory personnel involved in the collecting or handling of an unsealed sample. In addition, the CITY shall require any laboratory involved in collecting samples to use only employees who have not been arrested by Officers of the Austin Police Department or convicted of a felony or misdemeanor crime involving dishonest conduct or possession of illegal drugs to be involved in collecting or handling of an unsealed sample collected from an Officer. In the event that the laboratory that collects the initial samples is not the same laboratory that conducts the actual testing of those samples, only the laboratory that collects the initial samples must comply with the background and criminal history provision of this AGREEMENT. Test results shall be inadmissible in any administrative disciplinary hearing if it is determined that the laboratory collecting samples failed to conduct a background investigation on the laboratory personnel involved in collecting or handling the unsealed sample which resulted in a positive test result.

All records pertaining to the Department-required drug tests shall remain confidential except to the extent used in a disciplinary appeal. Drug test results and records shall be stored in a locked file under the control of the Drug Coordinator, and under the supervision of the Chief, who will maintain original copies submitted by the laboratory. No access to these files shall be allowed without written approval of the Chief.

Section 4. Testing on Reasonable Suspicion

Nothing in this Article shall be construed to prohibit the Chief from conducting a drug test on an Officer, or a search of any areas in which the Officer does not have a personal privacy expectation, based upon reasonable suspicion in accordance with the guidelines as set forth in Department policy for such actions. Such actions may be taken upon the agreement of any two supervisors that there is a reasonable basis for a suspicion that:

- a) An Officer is presently using or under the influence of illegal drugs or inhalants;
- b) An Officer has possession of illegal drugs or inhalants;
- c) An Officer has been associated with or involved with others who were using or under the influence of illegal drugs or inhalants, or who were in possession of same, which association or involvement was not authorized or required in connection with any law enforcement duty, under circumstances which reasonably indicate participation or complicity with, or protection of such other individuals; or
- d) Any conduct or situation described in a-c immediately above involving alcohol, while on duty, or which results in on-duty impairment.

Section 5. Definitions

For the purposes of this Article:

"Drug testing" shall be defined as the compulsory production and submission of a urine sample by an Officer for chemical analysis to detect the presence of prohibited drug usage, in connection with the random testing process set forth herein; and production or submission of urine, blood, or hair sample for a required test based on the reasonable suspicion standards set forth herein.

If, at any time during the life of this AGREEMENT, should the term limitations of this Section result in less than five (5) panel members, the City may allow a panelist to stay past their four (4) year limitation so that the Panel still has enough members to operate. However, the City shall make reasonable efforts to find a replacement panelist.

c) Unauthorized Release of Confidential Documents/Information:

(1) Except as permitted by this AGREEMENT, employees of the OPO shall not publicly comment on the specifics of pending complaints and investigations. Members of the Panel shall not publicly comment on the specifics of pending investigations prior to a Panel decision. All public comments and communications by the OPO shall be factual and demonstrate impartiality to individual police officers, the Austin Police Department, the Austin Police Association, employees of the City of Austin, residents of the City of Austin, and community groups.

(2) Should a person participating on a Panel make public statements which, to a reasonable observer, would be perceived to express or demonstrate a position, bias, or prejudgment on the merits of a particular case that is under investigation or subject to review, prior to the completion of the civilian panel process for that case, such person will not be allowed to participate in the review, deliberation, or drafting of recommendations concerning that case. This provision does not prohibit the Panel or an individual Panel member from making generic, non-case related public statements about the Austin Police Department, or from providing information about the process, which does not appear to prejudice the merits, or demonstrate a bias on the case. In the event of a deliberate violation of this standard, the Panel member shall be permanently removed from the Panel as set forth below.

Any deliberate premature release of information before it may properly be released likewise will result in the permanent removal of the offending member from Panel.

d) Director of the OPO's Closeout Meeting

After the Chief of Police has made a disciplinary decision on a case in which a complaint has been filed, the OPO may be allowed to have a “Closeout Meeting” with the complainant. The Chief shall be notified in writing in advance of any closeout meeting and shall be allowed to have an IAD investigator present during the meeting, if the complainant agrees. Such meeting shall be recorded. During the Closeout meeting, the OPO may notify the complainant of the outcome of the disciplinary decision as provided by the Austin Police Department, even if the discipline was something less than a suspension. The OPO may also give a verbal overview of the IAD investigative findings without providing names of any individuals involved in the investigation. The OPO, may at their his/her discretion review appropriate video footage during such meeting.

The OPO shall send a “close-out” letter informing the complainant of the final disposition of the complaint, disciplinary action taken, if any, along with which general orders were reviewed.

If not resolved at the first level, a fact finder shall be appointed to review relevant materials and take evidence to reach written findings of fact, which shall be expedited for final resolution within two weeks after appointment. The fact finder shall be appointed by striking an AAA list, if the parties do not otherwise agree on a fact finder. Upon conclusion of the fact finding, and after review and evaluation of the fact finder’s report, the Director (or City Manager if the complaint concerns the personal conduct of the Director) shall make a decision. The final decision shall be made by the City Manager.

b) Complaints concerning the conduct of Panel members shall be filed with the City Manager. If a signed complaint is filed alleging specific comments by a Panel member that violate the standards in subparagraph 6(c) above, the Panel’s consideration shall be postponed or the particular Panel member shall not participate, until the matter is finally resolved. A complaint may not be based on statements or conduct previously raised and found insufficient for disqualification. Only one of such Panel members may be temporarily disqualified under this provision on a particular case. The City Manager shall promptly determine the complaint. The ASSOCIATION may appeal from the decision of the City Manager through the expedited arbitration process in this AGREEMENT. If two (2) consecutive complaints are found insufficient on a particular Panel member, subsequent complaints on that Panel member shall not result in temporary removal, but upon final determination that there has been a violation, such member shall be subject to permanent removal. Nothing shall prevent the Chief from taking disciplinary action within the statutory time frame, under the provisions of Chapter 143, as modified by this AGREEMENT.

Section 8. Access to Section 143.089(g) Files

a) Information concerning the administrative review of complaints against Officers, including but not limited to Internal Affairs Division files and all contents thereof, are intended solely for the Department’s use pursuant to Section 143.089(g) of the Texas Local Government Code (the 143.089(g) file). All records of the OPO’s Office that relate to individual case investigations and the APD 143.089(g) file, although same are not APD files or records, shall have

the same statutory character in the hands of the OPO, and shall not be disclosed by any person, unless otherwise authorized by law or this AGREEMENT. Public access to such information is strictly governed by this AGREEMENT and Texas law. To the extent necessary to perform their duties, individuals involved in the Civilian Oversight process, including OPO and Panel, are granted a right of access to the information contained within the 143.089(g) files of Officers to the extent authorized by this AGREEMENT.

b) Individuals involved in the Civilian Oversight process, including OPO and Panel, shall not be provided with information contained within a personnel file, including the 143.089(g) file of an Officer, that is made confidential by a law other than Chapter 143 of the Texas Local Government Code, such as records concerning juveniles, sexual assault victims, and individuals who have tested positive for HIV. All persons who have access to IAD files or investigative information by virtue of this AGREEMENT shall not be provided with access to any records of criminal investigations by the APD unless those materials are a part of the IAD administrative investigation file.

c) All individuals who have access by virtue of this AGREEMENT to IAD files or investigative information, including the information contained within the 143.089(g) files of Officers, shall be bound to the same extent as the Austin Police Department and the City of Austin to comply with the confidentiality provisions of this AGREEMENT, Chapter 143 of the Texas Local Government Code, and the Texas Public Information Act. All such individuals shall further be bound to the same extent as the Austin Police Department and the City of Austin to respect the rights of individual Police Officers under the Texas Constitution and the Fourth, Fifth, and Fourteenth Amendments to the U.S. Constitution, including not revealing information contained in a compelled statement protected by the doctrine set forth in *Garrity v. New Jersey*, 385 U.S. 493 (1967), and *Spevack v. Klein*, 385 U.S. 511 (1967).

d) A breach of the confidentiality provisions of this AGREEMENT and/or Chapter 143 of the Texas Local Government Code by any individual involved in Civilian Oversight:

- (1) Shall be a basis for removal from office;
- (2) May subject the individual to criminal prosecution for offenses including, but not limited to Abuse of Official Capacity, Official Oppression, Misuse of Official Information, or the Texas Public Information Act; and/or
- (3) May subject the individual to civil liability under applicable State and Federal law.
- (4) A credible allegation as determined by the City Manager shall result in an investigation.

e) The confidentiality provisions of this AGREEMENT, Chapter 143 of the Texas Local Government Code, and the Texas Public Information Act, are continuous in nature. All individuals involved in Civilian Oversight, including OPO and Panel, are subject to these confidentiality provisions even after their association with the Oversight process has terminated.

f) Following any review of an alleged violation of the confidentiality provisions of this AGREEMENT, the City Manager's office will provide information about the outcome of that review to any Officer(s) directly affected by the alleged violation.

Section 9. Use of Evidence from the Civilian Oversight Process in Disciplinary Appeals

Opinions or recommendations from individuals involved in Civilian Oversight in a particular case may not be used by a party in connection with an appeal of any disciplinary action under the provisions of Chapter 143 of the Texas Local Government Code and this AGREEMENT. No party to an arbitration or Civil Service proceeding may use or subpoena any member of the Panel or the OPO (unless the Director took the complaint in the relevant case) as a witness at an arbitration or Civil Service proceeding including, but not limited to live or deposition testimony, which concerns their duties or responsibilities in the oversight process or their opinions or recommendations in a particular case. This provision shall not prevent any testimony for evidentiary predicate.

Section 10. Partial Invalidation and Severance

In the event that a Court Order, Judgment, Texas Attorney General Opinion, or arbitration decision, which is final and non-appealable, or which is otherwise allowed to take effect, which order, judgment, opinion, or decision holds that the right of access to the information contained within the 143.089(g) files of Officers granted by this Article or the public dissemination of information pursuant to this Article, results in "public information" status under the Texas Public Information Act of the information contained within the 143.089(g) files of an Officer, the provision or provisions resulting in such a change in the status of the 143.089(g) file shall be invalidated and severed from the balance of this AGREEMENT.

Section 11. Dismissal of Current Lawsuit

The ASSOCIATION will dismiss without prejudice its pending lawsuit concerning civilian oversight (case No. D-1-GN-18-000923, Dist. Ct. of Travis County) within 10 calendar days of the effective date of this AGREEMENT. The ASSOCIATION agrees that during the term of this AGREEMENT (including any agreed extensions) it will not file, authorize, support, or participate in any lawsuit raising any of the claims against the City that are included in the scope of its pending lawsuit concerning civilian oversight.

Section 12. Remedies

a) Benefit of the Bargain

The CITY expressly retains its right and ability to proceed with the determination of whether or not police misconduct occurred and the authority of the Chief to impose disciplinary action. The ASSOCIATION recognizes the fact that such reservations are essential to this AGREEMENT. No dispute concerning the operation and function of the Director of the OPO's Office or the Panel shall impair or delay the process of the Chief's investigation and determination of whether or not police misconduct occurred and the degree of discipline, if any, to impose. This

includes internal dispute resolution procedures in this AGREEMENT, any grievance process or arbitration, and any litigation over such issues. In other words, any such dispute resolution processes may proceed, as set forth in this contract or by law, but the disciplinary process may likewise and simultaneously proceed to its conclusion without delay. The statutory time period for the Chief of Police to take disciplinary action against an Officer shall be tolled to the extent of any period in which a court order, injunction, or TRO, obtained by the Officer involved or the ASSOCIATION on behalf of the Officer, halts the Department's investigative or disciplinary process. In no event will the actual time exceed 180 calendar days, as defined and provided for in Chapter 143 of the Texas Local Government Code, as modified under other provisions of this AGREEMENT. The parties agree that the processes in this AGREEMENT, together with the remedies set forth and the procedural protections and rights extended to Officers in this AGREEMENT are adequate remedies at law for all disputes arising under this Article.

b) Expedited Arbitration

The parties have agreed to expedited arbitration for all unresolved grievances related to the application or interpretation of this Article in order to achieve immediate resolution and to avoid the need for court intervention in equity. Such arbitrations shall be conducted pursuant to the Expedited Labor Arbitration Procedures established by the American Arbitration Association ("AAA"), and in effect at the time of the dispute. To be appointed, the arbitrator must be available to hear the arbitration within thirty (30) calendar days of selection and a decision shall be made within one (1) week of the hearing. The parties agree to create a list of pre-approved arbitrators. Failing same, or in the absence of an available arbitrator from such pre-approved list, the arbitrator designated by the AAA shall be required to be licensed as an attorney in the State of Texas. The parties both agree that the arbitrator has the discretion to receive and hear issues and testimony by written submission or phone conference, but may also require live testimony where appropriate.

Section 13. Mediation

The OPO may initiate a mediation program within the office wherein complainants with a "C" or "D" classification may meet the officer that is the subject of the complaint with a certified mediator to see if a resolution to the complaint may be reached. Participation in such mediation is strictly voluntary on the part of the officer. If mediation is agreed to, the CITY and ASSOCIATION agree that the mediation may be given access to 143.089(g) information from the case to help achieve a resolution to the case. The mediator will sign a confidentiality agreement prohibiting the public release of such information. Once mediation has been agreed to, the matter cannot be returned to the Department to be handled as a disciplinary matter.

ARTICLE 18
DISCIPLINARY ACTIONS, DEMOTIONS & APPEALS

Section 1. Suspensions of Three (3) Days or Less

a) Appealable and Non-Appealable Suspensions

It is understood that officers will make some errors during their career involving rule violations, including those who are good, professional police officers. The parties agree that short disciplinary suspensions are for the purpose of reinforcing the need for compliance with departmental standards and not necessarily as punishment.

The parties agree that when an Officer is suspended for 1, 2, or 3 days the Officer may choose one of two methods of dealing with the suspensions as listed below.

(1) Suspensions that may not be appealed. The Officer may choose to use vacation or holiday time to serve the suspension with no loss of paid salary and no break in service for purposes of seniority, retirement, promotion, or any other purpose. The Officer must agree that there is no right to appeal if this method of suspension is chosen.

(2) Suspensions that may be appealed. The Officer may appeal the suspension to arbitration or the Civil Service Commission. If the Officer chooses to appeal the suspension, the arbitrator or Civil Service Commission's authority is limited to ruling on whether or not the charges against the Officer are true or not true. If the arbitrator or Civil Service Commission finds the charges to be true, there is no authority to mitigate the punishment. If the arbitrator or Civil Service Commission finds the charges to be not true, the Officer shall be fully reinstated with no loss of pay or benefit.

b) Arbitration Costs on Appealable Suspensions

In the event that an Officer appeals a 1, 2 or 3 day suspension to arbitration, it is agreed that the party that loses the arbitration shall be responsible for all costs of the arbitrator, including travel and lodging if necessary.

To facilitate such payment on the part of the Officer they he shall submit, at the time of appeal, a signed payroll deduction agreement that if the arbitrator rules in favor of the CITY they he authorizes up to one hundred dollars (\$100.00) per month to be deducted from their his regular pay until such time as what would usually be the CITY's portion of the arbitrator's costs have been satisfied.

(c) The Department will continue to promote programs that emphasize counseling and training for policy violations described by the Chief to be minor in nature and for which the Chief believes the behavior can be corrected through training and counseling.

Section 2. Suspensions of Fifteen (15) Days or Less

If the Chief determines to suspend an Officer for fifteen (15) calendar days or less, the Chief may, at their his sole discretion in hardship cases, authorize use of the Officer's accumulated vacation leave to cover all or part of the suspension. It is also understood and agreed that if the Chief permits the use of vacation days for suspension, such days off shall be considered as equal punishment to traditional unpaid days of suspension. In no case will sick leave be substituted for unpaid days of suspension.

Section 3. Mutually Agreed Temporary Suspensions of Sixteen (16) to Ninety (90) Calendar Days

a) The Police Chief may, in cases the Chief deems to warrant indefinite suspension, offer to impose instead a suspension without pay for a period from sixteen (16) to ninety (90) calendar days. If the Officer accepts the mutually agreed suspension, there shall be no appeal either to the Police Civil Service Commission, to the District Court or to a Hearing Examiner. It is also understood and agreed that if the Chief permits the use of vacation days for suspension, such days off shall be considered as equal punishment to traditional unpaid days of suspension. In no case will sick leave be substituted for unpaid days of suspension.

b) In cases where the Officer's TCOLE license is suspended, the Chief of Police may impose a non-appealable suspension commensurate with the period during which the license is suspended.

Section 4. Payment for Accrued Leave upon Indefinite Suspension

a) An Officer who has been indefinitely suspended may, upon request, be paid in a lump sum for up to two hundred forty (240) hours of accrued vacation and up to one hundred sixty (160) hours of accrued exception vacation.

b) If the indefinite suspension is overturned as a result of the appeal, the Civil Service Commission or a Hearing Examiner may restore such leave, but a total award of leave and back-pay, if any, shall be offset by the amount paid to the Officer under Section 4(a) above.

Section 5. Alternative Discipline by the Police Chief

In considering appropriate disciplinary action the Police Chief may require that an Officer be evaluated by a qualified professional designated by the Police Chief. If that professional recommends a program of counseling and/or rehabilitation for the Officer, the Police Chief may, as an alternative to temporary or indefinite suspension, or in combination with a temporary suspension, require that the Officer successfully complete the recommended program. The program of counseling and/or rehabilitation will be completed on the Officer's off-duty time, unless the Police Chief approves the use of accrued vacation leave or sick leave. The Officer shall

be responsible for paying all costs of the program of counseling and/or rehabilitation which are not covered by the Officer's health insurance plan. If the Officer's misconduct involves alcohol-related behavior, the Police Chief may require that the Officer submit to mandatory alcohol testing, when ordered by the Police Chief, for a specified period of time. If, after entering the program of counseling and/or rehabilitation, the Officer fails or refuses to complete the program, the Officer may be indefinitely suspended. The Officer has the right to appeal to the Police Civil Service Commission or to a third party Hearing Examiner any discipline imposed under this Section by filing an appeal notice in accordance with the provisions of Chapter 143. On appeal, the Police Civil Service Commission or Hearing Examiner shall have the same duties and powers set forth in Chapter 143, but shall not have the power to substitute a program of counseling and/or rehabilitation different from the program imposed by the Police Chief or to substitute any period of suspension for the required program of counseling and/or rehabilitation.

Section 6. Alternative Discipline by Agreement

In considering appropriate disciplinary action, the Police Chief may require that an Officer be evaluated by a qualified professional designated by the Police Chief. If that professional recommends a program of counseling and/or rehabilitation for the Officer, the Police Chief may offer the Officer the opportunity to enter into an alternative disciplinary agreement under which the Officer would accept a temporary suspension of up to ninety (90) calendar days and agree to successfully complete the program of counseling and/or rehabilitation recommended by the qualified professional designated by the Police Chief. The program of counseling and/or rehabilitation will be completed on the Officer's off duty time, unless the Police Chief approves the use of accrued vacation leave or sick leave. The Officer shall be responsible for paying all costs of the program of counseling and/or rehabilitation, which are not covered by the Officer's health insurance plan. If the Officer's misconduct involved alcohol related behavior, the Police Chief may require that the Officer submit to mandatory alcohol testing, when ordered by the Police Chief, for a specified period of time. If the Officer accepts the opportunity for agreed alternative discipline, the Officer may not appeal any terms of the Agreement. If the Officer fails to successfully complete the program of counseling and/or rehabilitation, the Officer may be indefinitely suspended without right of appeal.

Section 7. Last Chance Agreement

a) In considering appropriate disciplinary action, the Police Chief may require that an Officer be evaluated by a qualified professional designated by the Police Chief. If that professional recommends a program of counseling and/or rehabilitation for the Officer, the Police Chief may offer the Officer, as an alternative to indefinite suspension, the opportunity to enter into a last chance agreement. The agreement may include the following provisions in addition to any other provisions agreed upon by the Officer and the Police Chief.

(1) The Officer will successfully complete the program of counseling and/or rehabilitation recommended by the qualified professional designated by the Police Chief.

(2) The program of counseling and/or rehabilitation will be completed on the Officer's off-duty time, unless the Police Chief approves the use of accrued vacation leave or sick leave.

The Officer shall be responsible for paying all costs of the program of counseling and/or rehabilitation, which are not covered by the Officer's health insurance plan.

(3) The Officer will agree to a probationary period not to exceed one (1) year, with the additional requirement that if, during the probationary period, the Officer commits the same or a similar act of misconduct, the Officer will be indefinitely suspended without right of appeal.

b) If the Officer's misconduct involves alcohol-related behavior, the Police Chief may require that the Officer submit to mandatory alcohol testing, upon order by the Police Chief, for a specified period of time. If the Officer accepts the opportunity for a last chance agreement, the Officer may not appeal any terms of the agreement. If the Officer fails to successfully complete the agreed upon program, the Officer may be indefinitely suspended without right of appeal.

Specifically it is understood that neither the Texas Rules of Evidence (TRE) nor the Texas Rules of Court (TRC) apply to such hearings. If the Department calls a witness to testify during a hearing and that witness has given a statement to Internal Affairs regarding the pending case, then the Department will provide a copy of that statement to the Officer's counsel at the time the witness is called to testify.

Section 12. Procedures before Hearing Examiners

In any proceeding before a Hearing Examiner, the following procedures shall be followed:

In the event of special hardship, an affected Officer may appeal to the Assistant Chief of their Bureau for consideration of temporary scheduling or other adjustments to reduce or address personal hardships.

Section 2. Requested Job Assignment Transfers

The Chief shall establish a committee with representatives appointed by the ASSOCIATION to recommend changes or improvements in the process of posting notice of job assignment opportunities or openings.

Advanced notice shall not be required in emergency situations. The ASSOCIATION, after receiving such notification may request in writing a meeting with the involved Commander/Assistant Chief to discuss the merits/necessity of the work schedule change, and to suggest an implementation plan that accomplishes the goals of the Department and has least possible impact upon the affected Officers. d) This Section shall not apply to any work hour adjustments made as a result of an emergency or unforeseen event, staffing shortages, or emergency crime threats to the community, and nothing in this Article is intended to diminish the capability of the Chief of Police to move personnel in response to unforeseen events and emergencies.

e) This Article shall not apply to reasonable work hour adjustments within units that by their very nature must remain flexible in scheduling capability in response to crime trends, ongoing investigations, and community outreach requirements.

f) The failure to notify and meet with the President of the ASSOCIATION as provided in this Article is subject to the AGREEMENT grievance procedure set forth in Article 20 of this AGREEMENT, and any remedy shall be limited to requiring notice and review of the decision in accordance with this Article, and not any change in hours or days off.

Section 4. Proposed Adjustments to Policies and Procedures

a) It is recognized that Command Staff, through the authority of the Chief of Police, retains the right to set policy and procedures for employees, which may vary from one operational unit or division to another. On the other hand, the ASSOCIATION has a legitimate interest in providing input on behalf of its members as to the choices to implement variations in policy that have an impact on members.

b) In the event of a proposed adjustment to policies which differ or vary between units or divisions, the Commander or Assistant Chief contemplating that adjustment shall notify the President of the ASSOCIATION in writing of the proposed change at least thirty (30) calendar days prior to its implementation. Advanced notice shall not be required in emergency situations. The ASSOCIATION, after receiving such notification may request in writing a meeting with the involved Commander/Assistant Chief for the purpose of discussing the merits/necessity of the change, and to suggest an implementation plan that accomplishes the goals of the Department and has least possible impact upon the affected Officers. The involved Commander/Assistant Chief shall be required to meet with the President of the ASSOCIATION within five (5) business days of this written request. If the ASSOCIATION and the Commander/Assistant Chief do not resolve the ASSOCIATION's concerns, the President of the ASSOCIATION may schedule a meeting with the Chief of Police and involved Commander/Assistant Chief to further consult on the matter. The final decision to implement the proposed policy or procedure change shall be retained by the Chief of Police.

c) This section shall not apply to any policy and procedure changes made as a result of an emergency or unforeseen event, staffing shortages, or emergency crime threats to the community, and nothing in this Article is intended to diminish the capability of the Chief of Police to make changes in policy and procedure in response to unforeseen events and emergencies.

d) The failure to notify and meet with the President of the ASSOCIATION as provided in this Article is subject to the AGREEMENT grievance procedure set forth in Article 20 of this AGREEMENT, and any remedy shall be limited to requiring notice and review of the decision in accordance with this Article, and not any change in policy or procedure.

If any timeline or deadline for a decision is missed by the CITY, the grievance will be considered denied at that step in the process and the ASSOCIATION may proceed to the next step of the grievance procedure automatically proceeds to the next step in the process. If any timeline or deadline for a decision is missed by the ASSOCIATION, the grievance is considered to be resolved and dismissed.³⁴

The steps of this grievance procedure are as follows:

Step 1

a) Filing of Grievance

b) Response by Association Grievance Committee

Within fifteen (15) business days after its receipt of a grievance filed by an individual Officer or filed on behalf of the ASSOCIATION under this procedure, the Association Grievance Committee shall determine, in its sole discretion, if a valid grievance exists. If the Association Grievance Committee determines that the grievance is valid, the grievance shall proceed to Step 2 of this procedure. If the ASSOCIATION determines that the grievance is not valid, the ASSOCIATION President will notify the Chief that no further proceedings are necessary.

Step 2

Any grievance found to be valid by the Association Grievance Committee shall be submitted to the Chief of Police within fifteen (15) business days of the Step 1 ruling. Each grievance shall be submitted on a form agreed to by the parties and must include:

- (1) A brief statement of the grievance and the facts or events upon which it is based;

Step 3

If a grievance is not resolved at Step 2, the ASSOCIATION may within fifteen (15) business days after receipt of the Chief's Step 2 response, submit the grievance to arbitration in accordance with the provisions of this AGREEMENT. The grievance arbitration procedure shall be implemented by the ASSOCIATION notifying the Chief of Police in writing of its intent to submit the grievance to arbitration.

Step 4

The arbitration hearing will be scheduled by agreement at the earliest date possible, preferably within thirty (30) business days after submitting the grievance to arbitration. The arbitrator will be selected as agreed or under the AAA process.

The hearing shall be held at a location which is convenient for all parties and the arbitrator and shall be conducted informally, without strict evidentiary or procedural rules. Unless otherwise mutually agreed, the submission to the arbitrator shall be based on the written grievance statement submitted by the Association Grievance Committee at Step 2. The arbitrator shall consider and

decide only the issue(s) in the grievance statement or submitted in writing by agreement of the parties. The hearing shall be concluded as expeditiously as possible and the arbitrator's written decision shall be provided to both parties within thirty (30) calendar days after close of the hearing, unless the parties mutually agree otherwise.

The parties specifically agree that the arbitrator's authority shall be strictly limited to interpreting and applying the explicit provisions of this AGREEMENT and nothing outside of this agreement. The arbitrator shall not have authority to add, amend, modify, or subtract from the existing language of the AGREEMENT, or create additional provisions not included in the AGREEMENT. The parties agree that neither the CITY nor the ASSOCIATION shall have *ex parte* communications with the arbitrator concerning any matter involved in the grievance submitted to the arbitrator.

Each party shall be responsible for its own expenses in preparing for and representing itself at arbitration. The fees of the arbitrator shall be borne by the losing party. In the event of a composite decision, the arbitrator shall determine the portion of such cost to be borne by each party.

The arbitrator's decision as to matters properly grievable under this Article is final and binding on the parties. Any appeal of an arbitrator's decision shall be limited to the following grounds:

- 1) That the arbitrator exceeded their authority as created under this agreement;
- 2 That the arbitrator's decision was procured by fraud, collusion, or other unlawful means; or
- 3) That the arbitrator's decision represents a clear and manifest error of law or fact.

~~The written decision of the arbitrator may be appealed only on the grounds that the arbitrator was without jurisdiction or exceeded his jurisdiction; that the decision was procured by fraud, collusion, or other unlawful means; or that the arbitrator's decision is based upon a clear and manifest error of law.~~³⁵

Section 5. Election of Remedies

It is specifically and expressly understood that filing a grievance under this Article, by the Association, which has as its last step final and binding arbitration, constitutes an election of remedies.³⁶

Section 6. Statutory Appeals and Hearings

Except as specifically provided in this AGREEMENT, all statutory rights of appeal to the Civil Service Commission or Hearing Examiner, including disciplinary matters, promotional bypasses, and demotions will be governed by Chapter 143 and are not subject to this contract grievance procedure.

ARTICLE 21 TERM OF AGREEMENT

Section 1. Term of Agreement

a) This AGREEMENT shall be effective as of the date it is ratified by the City Council, except as to any provisions herein specifically made effective on any other date. It shall remain in full force and effect, subject to the provisions of this Article, until September 30, ____ 2022, and thereafter until superseded by a new agreement, whichever occurs later provided however, that in no event shall this Agreement continue in effect after March 31, ____ 2023.

b) Any Amendment to this AGREEMENT shall be effective as of the date it is ratified by the City Council, except as to any provisions in the Amendment specifically made effective on any other date. Any Amendment to this AGREEMENT shall remain in full force and effect, subject to the provisions of this Article, until September 30, ____ 2022, and thereafter until superseded by a new agreement, whichever occurs later provided however, that in no event shall this Agreement continue in effect after March 31, ____ 2023.

c) The provisions of this AGREEMENT, do not apply to any Officer who separates from CITY employment before the effective date of this AGREEMENT or before the effective date of any specific provisions hereof.

d) The Parties will make all reasonable efforts to begin meet and confer negotiations for a successor agreement by October ____ 2021.³⁷

Section 2. Continuing Relationship

a) The parties acknowledge their longstanding history of successful Meet & Confer negotiations and their joint efforts to continue to build on the framework of each previous agreement. This AGREEMENT is the product of that relationship and negotiation history. This includes agreements on the issues which may require a contractual modification of existing civil service law (access to the 143.089(g) file, and release of defined reports from Independent Investigations), agreements to outline the broad concepts of citizen oversight, and agreements which clarify rights which exist with or without the AGREEMENT. Other aspects of the CITY's implementation of citizen oversight are its prerogatives under Texas law and the City Charter, and do not require contractual provisions. Both parties recognize that without the continued ability of the CITY to carry out citizen oversight, this AGREEMENT would not have been reached, either as to the economic issues or the additional provisions for the procedural protections of Officer's rights.

b) In the event of any court order, judgment, Texas Attorney General's opinion or arbitration decision brought or caused by Officers or the APA which substantially impairs oversight access to the 143.089(g) file, prevents release of the defined portions of reports of independent investigation, invalidates the 180 tolling provision in Article 16, or impairs the CITY's right to expedited arbitration as contemplated herein, the CITY may reopen negotiations

³⁷ A21, §1 Term of the Agreement – NOTE: Parties will make proposals at a later date

to resolve and correct the issue or provide an alternate resolution. If a negotiated resolution of the issue is not achieved, the CITY may terminate this AGREEMENT after ninety (90) calendar days written notice, and the parties may resume negotiations toward a successor agreement under the provisions Section 143.301 et. seq., of the Texas Local Government Code.

c) In the event of any court order, judgment, Texas Attorney General's opinion or arbitration decision brought or caused by the City of Austin or other party with standing under this AGREEMENT substantially impairs the provisions of Article 17 pertaining to Officer's rights, or which would allow full access to investigative evidence of officer misconduct in the absence of a disciplinary decision imposed by the Chief, the APA may reopen negotiations to resolve and correct the issue or provide an alternate resolution. If a negotiated resolution of the issue is not achieved, the CITY may terminate this AGREEMENT after ninety (90) calendar days written notice, and the parties may resume negotiations toward a successor agreement under the provisions Section 143.301 et. seq., of the Texas Local Government Code.

Section 3. Notice and Renegotiation

If either the CITY or the ASSOCIATION desires to engage in negotiation for a successor Agreement, then either or both shall give the other party written notice of its desire to negotiate for a new Agreement no less than 120 calendar days before the expiration of the present AGREEMENT. In the event that notice of intent to renegotiate is given by either party, and the parties agree, the parties will begin negotiations for a new Agreement not later than sixty (60) calendar days after notice is given, unless the parties agree otherwise.

Section 4. Continuation during Negotiations

If the parties are engaged in negotiations for a successor Agreement at the time this Agreement expires, the ASSOCIATION'S and the CITY'S negotiating teams shall have the authority to extend this Agreement in thirty (30) calendar day increments by mutual written agreement, during any period of good faith negotiations after such termination date, not to exceed a total of six (6) months.

Section 5. Effect of Termination

a) In the event that a successor Agreement has not been ratified before the expiration date of this AGREEMENT (the expiration date of September 30, 2022, or any extended expiration date under Section 4 above), all provisions of this AGREEMENT, both economic and non-economic, shall expire and no longer be in full force and effect, except as to specific Articles or Sections hereof which provide that some or all of their terms will continue beyond expiration of this AGREEMENT.

b) After expiration/termination of this AGREEMENT, it is expressly understood that the wages and compensation specified in this AGREEMENT may then be placed at a level determined by the City Manager, as funds are authorized by the City Council, and this does not preclude wages and compensation being rolled back to pre-contract levels, as they existed on the day prior to the effective date of this AGREEMENT.

Section 6. Funding Obligations

The CITY presently intends to continue this AGREEMENT each fiscal year through its term, to pay all payments due, and to fully and promptly perform all of the obligations of the CITY under this AGREEMENT. All obligations of the CITY shall be paid only out of current revenues or any other funds lawfully available therefore and appropriated for such purpose by the City Council, in compliance with the Texas Constitution, Article XI, Sections 5 and 7. In the event that the City of Austin cannot meet its funding obligations, as provided in the State Constitution, this entire AGREEMENT becomes null and void.

In the event of any change in state law that modifies the City's budgetary and revenue authority, such that the City's anticipated revenues are impaired, the City Council shall have the authority to make proportionate adjustments to any additional costs in the relevant fiscal year of this AGREEMENT, after a full opportunity for the ASSOCIATION to address that action in a posted public meeting. Before making any such adjustments the City will meet and confer in good faith with the ASSOCIATION for a period of at least thirty (30) calendar days concerning the manner in which such proportionate adjustments are to be effected. For the purposes of this Article, proportionate adjustments shall be in relation to the total reduction in tax rate availability from the immediately prior fiscal year. (For example, if there is a scheduled base wage increase of 1% and the legislature reduces the City's revenue authority from 8% to 6% through a legislative tax cap, the effect on the base wage increase for the relevant year could be a decrease of up to 2%, resulting in a 0.98% increase for that year).

ARTICLE 22 NOTICES

Section 5. Adequacy of Email Notice

Use of email communications under this paragraph shall be preceded by confirmed exchanges at the outset of the AGREEMENT, from the sending to receiving servers, prior to using the email option for notices under this Section. Each party agrees to provide notice of any change in email addresses of any designated recipient following the initial exchange of emails. In recognition of the fact that email systems are dependent on a number of technical factors, the parties agree to confirm the receipt of email notices by sending a "read receipt" to the other party or sending a brief acknowledgment of receipt. A notice sent by e-mail will be deemed timely if addressed to the two correct e-mail addresses for the CITY or the ASSOCIATION and sent by 4:59 p.m. on the due date.

Section 6. Notice of Address Changes

The parties agree to provide written notice of any changes of physical address or e-mail address to the other party within 7 calendar days of the change.

ARTICLE 23 ENTIRE AGREEMENT

Section 1. Subjects and Issues

The parties acknowledge that during the negotiations which resulted in this AGREEMENT, each had the unlimited right and opportunity to raise issues and make proposals with respect to any subject or matter not removed by law from the meet and confer process, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this AGREEMENT. Therefore, the CITY and the ASSOCIATION, for the duration of this AGREEMENT, each voluntarily and unqualifiedly waive the right, and each agrees that the other shall not be obligated, to meet and confer with respect to any subject or matter referred to, or covered in this AGREEMENT, or with respect to any subject or matter not specifically referred to or covered in this AGREEMENT, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated or signed this AGREEMENT, except as provided for single issue negotiation above.

Section 2. Amendment of the Agreement

a) Except as explicitly provided for in this AGREEMENT, this AGREEMENT may be amended during its term by the parties only by written mutual agreement ratified in accordance with the provisions of Chapter 143.

b) The parties may mutually agree to corrections or clarifications by Memorandum of Agreement with the authority of the Board of Directors of the ASSOCIATION and the City Manager for the CITY.

Section 3. Benefit of the Bargain

a) In the event that the Texas Legislature amends any provision of Texas Local Government Code Chapters 141, 142 or 143, which changes wages or benefits for City of Austin Police Officers during the term of this AGREEMENT, any such amendment shall not be applicable to the Officers covered by this AGREEMENT, unless the City Council adopts such amendment by Ordinance. Examples of wages and benefits include, but are not limited to, base salary, longevity, assignment pay, sick leave, vacation, health insurance, and weapon provision mandates.

b) During the negotiation of this AGREEMENT, the CITY and the ASSOCIATION have agreed on the stated enhancements to employee compensation and benefits, in reliance on the cost of those enhancements. Both parties acknowledge that this AGREEMENT would not have been reached, as reflected in this document, if the cost to the CITY had been higher. In the event of any proceeding in which the ASSOCIATION asserts the right to additional compensation or pay enhancements based on the provisions of this AGREEMENT, the decision-maker shall consider the cost of the contractual pay and benefits enhancements as part of the mutual agreement and meeting of the minds that resulted in approval of this AGREEMENT by both parties.

ARTICLE 24 SAVINGS CLAUSE/PREEMPTION

Section 1. Effect of Illegal Provision

If any provision of this AGREEMENT is subsequently declared by legislative or judicial authority to be unlawful, unenforceable, or not in accordance with applicable statutes, all other provisions of this AGREEMENT shall remain in full force and effect for the duration of this AGREEMENT, and the parties shall meet as soon as possible to agree on a substitute provision.

Section 2. Preemption of Local Government Code & Other Provisions

a) “Conflict preemption” intended unless otherwise specified. Texas Local Gov’t Code §143.307 authorizes the parties to preempt “any contrary statute, executive order, local ordinance, or rule adopted by the state or a political subdivision or agent of the state, including a personnel board, a civil service commission, or a home-rule municipality” through a labor agreement. To the full extent authorized by §143.307, the parties agree that the provisions of this AGREEMENT shall preempt those portions of any state statute, executive order, local ordinance, or rule with which they specifically conflict only to the extent of such conflict; remaining portions of such provisions will continue to govern the parties’ actions.

b) “Total preemption” only where specified. However, to the extent allowed by §143.307, the parties may totally preempt a state statute, executive order, local ordinance, or rule, by placing a provision in this AGREEMENT that: (1) specifically states it is intended to “totally preempt” the law in question, and (2) specifically identifies the law(s) being totally preempted.

Section 3. Change in Authorized Representative

During the term of this AGREEMENT, if there is a lawful withdrawal of recognition of the Austin Police Association pursuant to Section 143.304 of the Texas Local Government Code, then it will be the CITY’s option to continue the terms of this AGREEMENT or to cancel the contract and engage in negotiations with the successor organization, if any.
