- Registration begins @ 9:45a, Tuesday, November 23, 2021. Any requests via email or dropped before 9:45a will be moved to 12p as time received.
- All registration is timestamped and entered onto class lists in that order.
- Once a class is full, names are added to a wait list. This list is used to fill spots which come available due to participant cancelation.
- Please contact us as soon as you know you will miss a class so we can fill your spot using the wait list.
- If you miss more than 2 meetings in a class, you will be removed from the class and your spot filled using the wait list.

- You are not enrolled in any class until you receive confirmation from staff. Please understand this is a temporary process with many steps for staff so your patience and kindness are appreciated!
ADVISORY BOARD

Please consider making a tax-deductible donation to the LAMAR SENIOR ACTIVITY CENTER ADVISORY BOARD before the end of the year.

The Lamar Senior Activity Center Advisory Board (LSACAB) is a 501(3) tax-exempt organization made up of volunteers that raises money to supplement programs offered at, or through Lamar Senior Activity Center (LSAC). The Board works with City of Austin staff to ensure your experience at the Center is always a welcoming, enriching, and an inclusive one.

Funds raised by the Board provide for:
- computers and software for the Center computer lab
- a special feature movie license
- games and door prizes for Bingo, and a variety of celebrations
- equipment rental for events
- refreshments i.e., coffee service, food for special occasions
- wonderful travel opportunities in and around central Texas
- funding for special events held at the Center throughout the year, such as holiday celebrations, ice cream socials, a casino party and more
- Specialized certifications for LSAC staff so they are qualified to teach new classes at the Center
- a Wildlife Habitat Garden and landscaping supplies
- Additional support for site maintenance expenses
- The purchase of furniture, appliances, and other improvements for the center

The Board cannot continue to provide the special programs and services without continued funding support. Like many nonprofit organizations for the past two years, the Board has been unable to raise major funding through its annual pecan cracking and nut sales events due to the Covid-19 pandemic.

So, please consider making a tax-deductible donation to the Lamar Senior Activity Center Advisory Board today. Did you also know that you can deduct up to $300 per individual or $600 per couple in charitable giving this year, even if you don’t itemize? If you have questions or want additional information, please send an email to: lamarsenioractivitycenter@austintexas.gov

THANK YOU!

The Austin Parks and Recreation Department (PARD) has modified its program offerings to provide the safest possible environment for participants, staff, and the community. Using recommendations and best practices sourced from the Centers for Disease Control (CDC), Austin Public Health (APH), and State guidelines for reopening, the following guidelines have been created for all PARD facilities and programs, including contract instructor and volunteer led programs.

Please note, guidelines are subject to change at any time based on local health conditions and guidance as provided by local health authorities. Any changes to PARD guidelines will be communicated appropriately. Furthermore, program schedules, hours of operation, facility capacity limits, and facility availability may be changed or cancelled at any time based on the business need of the City of Austin/PARD or public health safety concerns.

RISK FOR EXPOSURE
While PARD will take necessary precautions and follow approved guidelines in accordance with the CDC and State/Local health authorities, this cannot fully eliminate the inherent risks of exposure to COVID-19 that are associated with being around other individuals who are outside one’s household. The virus that causes COVID-19 can infect people of all ages. While the risk of serious illness or loss of life is greatest in those 65 years of age or older with pre-existing health conditions, persons in every age group can become infected with COVID-19 and some may become seriously ill or even die. By participating in PARD programs, or programs and activities happening within/on PARD property, you understand this risk and agree to follow all safety and wellness guidelines as outlined by the Department.

GENERAL GUIDELINES
• If you are symptomatic, don’t feel well, have been around someone who tested positive for COVID-19 in the last 14 days, please stay home.
• Upon entry to a PARD facility or a program, temperature will be taken using a non-contact temporal thermometer. Should one’s temperature exceed 100 degrees Fahrenheit, entry will be denied.
• Additionally, anyone entering PARD facility must answer general COVID-19 Health Questions each day to satisfy admission into a program or facility. If the answer to any of these questions is “yes”, entry will be denied.

For outdoor programs, in particular those led by contract instructors, daily health screenings of participants must be implemented which should include temperature checks and daily health screening questions.
• Good hygiene should be followed at all times, including frequent hand washing and the use of PPE
• Masks-see page 18-19
• All staff, contract instructors, volunteers and participants are strongly encouraged maintain 6 ft. of physical distancing whenever possible. There may be instances when distancing may not be realistically maintained, in such cases masks are highly recommended.

Any equipment or supplies used in the administration of programs and activities, whether provided by parks staff, contract instructors, or brought from home, should be sanitized before and after each use. PARD staff will perform additional cleaning and disinfecting of equipment and high-touch areas within the facility.
• For indoor programs, room and group sizes are limited to no more than 10 participants at a time.
• For outdoor programs, group sizes are recommended to be limited to no more than 25 individuals at a time.
• Any individual accessing PARD facilities, parkland, or PARD-sponsored programs should adhere to all posted guidelines, rules and signage as specified at that location.

IF POSITIVE CASE IS CONFIRMED WITHIN A PROGRAM OR FACILITY
If a COVID-19 exposure or risk occurs in any of our programs, health authorities will be notified and PARD will follow their directives which may include cancelation of programs and closing the facility immediately for deep cleaning, quarantine of staff and participants in their own homes and other steps as required. Upon becoming aware that a participant, staff or volunteer in a program tests positive for COVID-19, such cases must be reported to APH. To do so, call the APH nurse line at 512-972-5560. Additionally, all participants and any individuals who may have had close contact with a positive case in your program must be notified in writing within 48 hours. Confidentiality of all participants must be maintained at all times, and under no circumstances should the name or information pertaining to an individual be shared or released.
