What is “Varsity Generation”?

“Varsity Generation” is a positive way of describing a stage of life where experience and skill are prized and respected. The term implies being part of a team that always has your back. You rely on your team as much as they rely on you. Participation is encouraged in order to help each other continue mastering the art of living a fulfilling life. Varsity Generation sees aging as a natural progression of life, and positively acknowledges and affirms a persons earned spot on the team.

As we roll out this new concept, You will see this logo on our program promotions and start hearing the staff refer to Varsity Generation activities.

Lamar Senior Activity Center and all of the Austin Parks and Recreation Department Senior Centers will continue to offer a variety of quality programs and we hope you will try new experiences with our “team” along the way!
Things to remember when registering for a class or activity:

Registration begins @ 9:30a, Monday September 27, 2021. Any requests via email or dropped before the 9:30a will be moved to 12p as time received.

- All registration is timestamped and entered onto class lists in that order.
- Once a class is full, names are added to a wait list. This list is used to fill spots which come available due to participant cancelation.
- Please contact us as soon as you know you will miss a class so we can fill your spot using the wait list.
- If you miss more than 2 meetings in a class, you may be removed from the class and your spot filled using the wait list.
- You must register for specific days/dates. Example: Peaceful Yoga is available October 6, 13, 20, 27 so when registering you will need to indicate dates, you are not automatically signed up for all 4 classes.
- You are not enrolled in any class until you receive confirmation from staff. Please understand this is a temporary process with many steps for staff so your patience and kindness are appreciated!
The Lamar Senior Activity Center Advisory Board (LSACAB) is looking for a few great volunteers to join us as board members! We currently have three opening for volunteers to serve on our 15 member Board.

The LSACAB is a tax-exempt 501©(3) organization made up of volunteers 50 years+ which was formed to raise money and support the center and programs. The Lamar Senior Activity Center (LSAC) is centrally located at 2874 Shoal Crest Avenue, at the corner of 29th Street and North Lamar.

Board meetings are held September—May on the 2nd Wednesday of the month and in the summer months when necessary. Meetings are open to the public. Due to the pandemic, we are currently meeting virtually and in person on a limited basis. The center is in “Phase II reopening” and offering limited programs with safe attendance guidelines. To be more inclusive we plan to continue to meet both on Zoom and in person once fully open.

Here are a few examples of items and program support the LSACAB has provided:
- Coordinate all volunteers and receptionists (2 shifts M-F 8:30a-4p)
- Sell nuts and pecan cracking fundraiser
- Teach classes and lead groups
- Funding for special events, staff certifications, trips, site maintenance, Habitat Garden, & more
- Purchase computers and software for the lab, equipment, furnishings, AV equipment, etc.
- Movie license so weekly movies are available (legally 😊)

CALL FOR BOARD MEMBERS

LSAC is a welcoming and safe place to come together in an inclusive, enjoyable, low cost and enriching environment for the Austin Adult 50+ community.

The LSACAB and city staff are committed to working together to offer a variety of programs. Some of the many programs offered at the Center prior to the Covid-19 pandemic closure and ones we hope to bring back when fully reopened are arts and crafts, health and fitness, trips, music/singing, group socials, club meetings, computer classes and holiday and summer special events. During the pandemic closure over the past year the Board is very proud to say the center staff stayed in touch with as many participants as possible by offering classes on Zoom and YouTube and reaching out with phone calls, handwritten notes, cards, letter, and emails.

Please consider joining the Lamar Senior Activity Center Advisory Board to help keep the center enjoyable and affordable now and for years to come. For an application contact:

The Austin Parks and Recreation Department (PARD) has modified its program offerings to provide the safest possible environment for participants, staff, and the community. Using recommendations and best practices sourced from the Centers for Disease Control (CDC), Austin Public Health (APH), and State guidelines for reopening, the following guidelines have been created for all PARD facilities and programs, including contract instructor and volunteer led programs.

Please note, guidelines are subject to change at any time based on local health conditions and guidance as provided by local health authorities. Any changes to PARD guidelines will be communicated appropriately. Furthermore, program schedules, hours of operation, facility capacity limits, and facility availability may be changed or cancelled at any time based on the business need of the City of Austin/PARD or public health safety concerns.

RISK FOR EXPOSURE

While PARD will take necessary precautions and follow approved guidelines in accordance with the CDC and State/Local health authorities, this cannot fully eliminate the inherent risks of exposure to COVID-19 that are associated with being around other individuals who are outside one’s household. The virus that causes COVID-19 can infect people of all ages. While the risk of serious illness or loss of life is greatest in those 65 years of age or older with pre-existing health conditions, persons in every age group can become infected with COVID-19 and some may become seriously ill or even die. By participating in PARD programs, or programs and activities happening within/on PARD property, you understand this risk and agree to follow all safety and wellness guidelines as outlined by the Department.

GENERAL GUIDELINES

- If you are symptomatic, don’t feel well, have been around someone who tested positive for COVID-19 in the last 14 days, please stay home.
- Upon entry to a PARD facility or a program, temperature will be taken using a non-contact temporal thermometer. Should one’s temperature exceed 100 degrees Fahrenheit, entry will be denied.
- Additionally, anyone entering PARD facility must answer general COVID-19 Health Questions each day to satisfy admission into a program or facility. If the answer to any of these questions is “yes”, entry will be denied.

• For outdoor programs, in particular those led by contract instructors, daily health screenings of participants must be implemented which should include temperature checks and daily health screening questions.
• Good hygiene should be followed at all times, including frequent hand washing and the use of PPE
• Masks-see page 18-19

- All staff, contract instructors, volunteers and participants are strongly encouraged maintain 6 ft. of physical distancing whenever possible. There may be instances when distancing may not be realistically maintained, in such cases masks are highly recommended.
- Any equipment or supplies used in the administration of programs and activities, whether provided by parks staff, contract instructors, or brought from home, should be sanitized before and after each use.

PARD staff will perform additional cleaning and disinfecting of equipment and high-touch areas within the facility.

- For indoor programs, room and group sizes are limited to no more than 10 participants at a time.
- For outdoor programs, group sizes are recommended to be limited to no more than 25 individuals at a time.
- Any individual accessing PARD facilities, parkland, or PARD-sponsored programs should adhere to all posted guidelines, rules and signage as specified at that location

IF POSITIVE CASE IS CONFIRMED WITHIN A PROGRAM OR FACILITY

If a COVID-19 exposure or risk occurs in any of our programs, health authorities will be notified and PARD will follow their directives which may include cancelation of programs and closing the facility immediately for deep cleaning, quarantine of staff and participants in their own homes and other steps as required. Upon becoming aware that a participant, staff or volunteer in a program tests positive for COVID-19, such cases must be reported to APH. To do so, call the APH nurse line at 512-972-5560. Additionally, all participants and any individuals who may have had close contact with a positive case in your program must be notified in writing within 48 hours. Confidentiality of all participants must be maintained at all times, and under no circumstances should the name or information pertaining to an individual be shared or released.
